### Mount Zion Baptist Association

#### ARTICLE I — MEMBERSHIP

Section 1. The Association shall be composed of cooperating Southern Baptist churches within the area of the Association.

Section 2. The Association shall be sole judge of its membership and may receive churches, or reject churches, according to its bylaws. Member churches may withdraw from the Association as they desire. Any church in the Association which failed to cooperate with the Association shall be contacted by a committee appointed by the Coordinating Council of the Association to determine the intentions of the church regarding its remaining in the Association. In the event the church does not respond to the efforts of the Special Committee appointed by the Coordinating Council, the church will be considered as having chosen to withdraw from the Association.

A cooperating church shall be defined as one which sends an annual report to the Association and messengers to Associational meetings, and contributes to the financial program of the Association.

Section 3. Churches desiring to affiliate with the Association shall make a written request to the Coordinating Council of the Association at least three months prior to the October meeting. If, in the judgement of the Coordinating Council and the Committee on Membership, the requirements hereinafter set forth have been met, the church may be recommended for membership without delay at the October meeting of the member of the Association. In any other case a church may be received under watchcare of the Association.

Section 4. Any member, trustee, officer or agent elected or appointed by the membership may be removed by the membership whenever in its judgement the best interests of the Association will be served thereby.

#### ARTICLE II — MEMBERSHIP MEETINGS

Section 1. The Association Membership shall meet quarterly on the Monday after the second Sunday in January, April and July. In October the Association shall meet on Monday and Tuesday after the third Sunday.

Section 2. Special meetings may be called by the Moderator provided two weeks notice is given to the member churches.

Section 3. In case of emergency, the Coordinating Council shall have the authority to change the time and/or place of meetings.

Section 4. Each church is entitled to 10 messengers. Churches with more than 500 members are entitled to an additional messenger for each 100 members more than the initial 500. Messengers shall be elected annually for all Associational meetings. It is suggested that at least five of the messengers be leaders of individual church organizations.

Section 5. Each messenger shall have one vote on all matters submitted to vote of the members. Each vote must be cast in person and not by proxy. Unless otherwise expressly required by these Bylaws, one-tenth of the messengers shall constitute a quorum at a meeting of the members, provided that if less than such percentage of messengers in present at said meeting, a majority of the messengers present may adjourn the meeting from time to time. The act of a majority of the messengers present at a meeting at which a quorum is present shall be the act of the members, unless a greater proportion is required by statute or by these Bylaws.

## ARTICLE III — NEW CHURCHES

Section 1. Any church seeking membership in the Association shall petition the Coordinating Council at least three months prior to the October meeting of the Association. The petition shall be referred to the Committee on Membership for its study of the petitioning church's covenant, articles of faith, history, practices, cooperative intentions, relations to other member churches of the Association, and its willingness to abide by the bylaws of the Association. The Committee on Membership shall report to the Association at the October meeting its findings and recommendations for Associational action.

## ARTICLE IV — ORGANIZATIONAL STRUCTURE

The organizational structure of the Association shall be divided into five task forces. Each task force shall meet quarterly and make reports to the Coordinating Council as needed.

Section 1. Task Force I, "Associational Administration," shall be composed of the Moderator, Clerk, Trustees, Treasurer, and Committee on Personnel, Finance, and Properties. Task Force I shall oversee all administrative functions of the Association, including employing and/or discharging staff personnel, budget planning, and use and maintenance of Associational property and equipment.

Section 2. Task Force II, "Fellowship and Mutual Care," shall be composed of Vice Moderator I, committees on Membership, Ordination, and Memorials, and the president of the Pastors' Conference of the Association. Task Force II shall seek to enrich fellowship within and between churches in the Association and it shall be responsible for planning the January meeting of the Association.

The Association shall keep correct and complete books and records of account and shall also keep minutes of the proceedings of its Board of Trustees and committees having any of the authority of the Board of Trustees, and shall keep at the registered or principal office a record giving the names and addresses of the trustees.

### ARTICLE XIII — NON-PROFIT OPERATION

Section 1. The Association shall at all times be operated on a non-profit basis, and no interest or dividends shall be paid or payable by the Association to any trustee as such, and shall be operated for the purpose for which the Association was created.

### ARTICLE XIV — INDEMNIFICATION AGAINST AND ELIMINATION OF LIABILITY

Section 1. *Indemnity.* Any person who at any time serves or has served as a Trustee or officer of the Association and any such person who serves or has served at the request of the Association as a trustee or advisor or consultant to another corporation, partnership, joint venture, trust or other enterprise, or as a trustee or administrator under an employee-benefit plan, any person who is or has been an employee of the Association who also serves or has served as a trustee or officer of the Association and any person who has been employed by the Association as Director of Missions, Administrative Associate or Church and Community Ministries Director shall have right to be indemnified by the Association to the full extent allowed by applicable law against liability and litigation expense arising out of such status or activities in such capacity. "Liability and litigation expense" shall include cost and expenses of litigation including reasonable attorney's fees, judgments, fines and amounts paid in settlement which are actually and reasonably incurred in connection with or as a consequence of any threatened, pending or completed action, suit or proceedings, whether civil, criminal, administrative or investigative, including appeals. In no circumstances, however, shall the Association indemnify any such person against any liability or litigation expense incurred if such person is adjudged in any action, suit or providing to have acted in bad faith or to have been liable or guilty by reason of willful misconduct in the performance of duty.

Section 2. *Determination of Right to Indemnity.* Promptly after the final disposition or termination of any matter which involves liability or litigation expenses as designated in Section 1 or at such earlier time as it deems fit, the Association shall determine whether any person described in Section 1 is entitled to indemnification thereunder. Such determination shall be limited to the following issues: (1) whether the persons to be indemnified are persons described in Section 1; (2) whether the liability or litigation expense incurred arose out of the status or activities of such persons for which indemnification is available under Section 1; (3) whether liability was actually incurred and/or litigation expense was actually and reasonably incurred; and (4) whether the liability and litigation expense were incurred by a person who acted in bad faith or willful misconduct in the performance of duty. Such determination shall be made by a majority vote of trustees who were not parties to the action, suit or proceeding or, in connection with "threatened actions, suits or proceedings, who were not 'threatened parties'." If at least two such disinterested trustees are not obtainable, or, even if obtainable, if at

least half the number of disinterested trustees so direct, such determination shall be made by independent legal counsel in a written opinion to the Association.

### Section 3. *Advance Expenses.*

(a) Litigation expenses for which indemnification is provided under Section 1 shall be paid by the Association in advance of the final disposition or termination of such matter, if the Association receives an undertaking dated, in writing and signed by the person to be indemnified, to repay all such sums unless such person is ultimately determined as provided in Section 2 to be entitled to be indemnified by the Association. Request for payments in advance of final disposition or termination shall be submitted in writing unless this requirement is waived by the Association. Before the first such payment is made, the Association shall have received the written undertaking referred to herein and notice of the request for advance payments shall have been given to the members of the Board of Trustees.

(b) Notwithstanding the foregoing subsection (a), no advance payment shall be made as to any payment or portion of a payment for which a determination is made that the person requesting payment will not be entitled to indemnification. Such determination may be made only by a majority vote of disinterested trustees or by independent legal counsel. If there are not at least two disinterested trustees, the notice of all requests for advance payment shall be delivered for review to independent legal counsel for the Association. Such counsel shall have the authority to disapprove any advance payment or portion of a payment for which it plainly appears that the person requesting payment will not be entitled to indemnification.

Section 4. *Settlements.* The Association shall not be obligated to indemnify persons described in Section 1 for any amounts paid in settlement unless the Association consents in writing to the settlement. The Association shall not unreasonably withhold its consent to proposed settlements. The Association's consent to a proposed settlement shall not constitute an agreement by the Association that any person is entitled to indemnification hereunder. The Association shall waive the requirements of this Section for its written consent as fairness and equity may require.

### Section 5. *Application for Indemnity or Advances.*

(a) A person described in Section 1 may apply to the corporation in writing for indemnification or advance expenses. Such application shall be addressed to the Clerk or, in the absence of the Clerk, to any officer of the corporation. The corporation shall respond in writing to such application as follows: to a request for indemnity under Section 2, within ninety (90) days after receipt of the application; to a request for advance expenses under Section 3, within thirty (30) days after receipt of the application.

(b) The right to indemnification or advance expenses provided herein shall be enforceable in any court of competent jurisdiction. A legal action may be commenced if a claim for indemnity or advance expenses is denied in whole or in part, or upon the expiration of the time periods provided in the preceding subsection (a). In any such action, the claimant shall be entitled to prevail upon establishing that he or she is entitled to indemnification or advance expenses but the Association shall have the burden of establishing, as a defense, that the liability or expense was incurred as a result of acts in bad faith or willful misconduct in the performance of duty. In any such action, if the claimant establishes the right to indemnification, he shall also have the right to be indemnified against the litigation expense including reasonable attorney's fees of such action.

Section 6. *Incidents of Right of Indemnification.* The right to indemnification provided herein shall not be deemed to preclude any rights to which any persons seeking indemnity may be entitled apart from the provision of this bylaw, except that there shall be no right to indemnification as to any liability or litigation expense for which such person is entitled to receive payment under any insurance policy. Such right shall inure to the benefit of the heirs and legal representatives of any persons entitled to such right. Any person who at any time after the adoption of this bylaw serves or has served in any status or capacity described in Section 1, shall be deemed to be doing or to have done so in reliance upon, and as consideration for, the right of indemnification provided herein. Any repeal or modification hereof shall not affect any

rights or obligations then existing and any person who would be entitled to indemnification for activities prior to the repeal or modification shall continue to be entitled to indemnification for such prior activities even if the claim arises and/or the liability and litigation expense occurs after the repeal or modification. The right provided herein shall not apply as to persons serving institutions which are hereafter merged into or combined with the Association except after the effective date of such merger or combination and only as to the status and activity after such date.

Section 7. *Supplemental*. The foregoing right of indemnification shall be in addition to and not exclusive of all other rights to which such director or officer, or an employee or agent may be entitled.

Section 8. *Savings Clause*. If this Article or any portion hereof shall be invalidated on any ground by any court or agency of competent jurisdiction, then the Association shall nevertheless indemnify each person described in Section 1 to the full extent permitted by the portion of this Article that is not invalidated and also to the full extent, but not exceeding the benefits described herein, permitted or required by other applicable law.

Section 9. *Elimination of Certain Liability*. In accordance with North Carolina General Statute §55A-28.1A, a person serving as a trustee or officer of the Association shall be immune individually from civil liability for monetary damages, except to the extent covered by insurance, for any act or failure to act arising out of his service as trustee or officer, except where such trustee or officer: (1) is compensated for his services beyond reimbursement for expenses; (2) was not acting within the scope of his official duties; (3) was not acting in good faith; (4) committed gross negligence or willful or wanton misconduct that resulted in the damage or injury; (5) derived an improper personal financial benefit from the transaction; (6) incurred the liability from the operation of a motor vehicle; or (7) is a defendant in an action brought under N.C.G.S. §55A-28.1 (Liability of Directors in Certain Cases) or N.C.G.S. §55A-28.2 (Member's and Director's Derivative Actions). If the North Carolina General Statutes are amended after approval of this section to authorize associate action further eliminating or limiting the personal liability of trustees, then the liability of a trustee of the Association shall be eliminated or limited to the fullest extent permitted by the North Carolina General Statutes, as so amended. No amendment or repeal of the provisions of this section shall apply to or have any effect on the liability or alleged liability of any trustee of the Association for or with respect to any act or failure to act on the part of such trustee occurring prior to such amendment or repeal. The provisions of this section shall not be deemed to limit or preclude indemnification of a trustee by the Association for any liability which has not been eliminated by the provision of this section.

## ARTICLE XIX — AMENDMENTS-BYLAWS

Section 1. Amendments to the bylaws may be made at any October meeting of the Association upon an affirmative vote of two-thirds of the voting messengers present, provided that proposed amendments shall have been presented to the Moderator at least 15 days prior to the meeting, and submitted to the Committee on Bylaws for its report and recommendation. Amendments must be presented to the Association on the first day of the October meeting and voted by the Association on the second day by a standing vote.

## Quarterly Meetings

The first quarterly meeting of the Mount Zion Association was held on January 14, 1991, at Hocutt Memorial with Curtis Tyler, Moderator, presiding. The Moderator called the meeting to order and Al Roberts, Pastor, Hocutt Memorial, welcomed messengers and opened with prayer.

The printed financial report for the year ending December 31, 1990, was presented by Tommy Hearne and adopted by messengers.

Warner Doles presented a recommendation from the Coordinating Council as follows:

The Coordinating Council recommends that the association approve the expenditure of an amount, from capital funds, not to exceed \$10,000., for the purchase and installation of computer equipment for the associational office.

This recommendation is based upon suggestions from a professional consultant, (Mr. Earl Hudson of Hudson Technologies) who has done a study of computer application in the associational office.

The volume of correspondence, printing and records keeping continues to increase, and a computer will help to manage this increase. Dale Steele, Burlington First, moved for adoption, seconded by Charles Fleshman, Mebane First. Howard Silver commented that this purchase had been delayed until software was available that would accommodate associational needs. In response to two questions it was verified that the money would come from capital funds and that these funds are currently in a CD with a maturity date of March 2, 1991. Motion was carried by messengers.

Joel Marshall announced a basic music reading workshop to be held on January 28, 1991, at Mebane First. The leaders will be Joel Marshall and David Thomas, Minister of Music at First Baptist Church, Asheboro, North Carolina. Joel then led in singing "Sweet Peace, The Gift of God's Love."

Messengers gave names of friends and family serving in Saudi Arabia, and a period of silent prayer for peace was observed, closed by Harold Ball, Eastlawn, and Dale Steele.

Rev. Brightie White, Pastor, Hillsborough First, delivered the doctrinal sermon entitled "The Psalm and I" with Psalm 23 as his text. To begin his message he asked the messengers to recite the psalm. Rev. White then shared what this psalm meant to him, stating that the best preaching comes from sharing what the scripture means to the preacher. Rev. White said David wrote the psalm based on his own experience with the greatness and goodness of God. Rev. White stated any of the first five words of the psalm could be emphasized but he felt the most important word to be "my" - "The Lord is *my* shepherd." Rev. White shared personal experiences involving the psalm and emphasized that its words offer comfort, hope, and the assurance that the Lord is with us always.

The second quarterly meeting of the Mount Zion Association was held on April 15, 1991, at Edgewood Church with Curtis Tyler, Moderator, presiding. The Moderator called the meeting to order and Walter Jones, Pastor, Edgewood, welcomed messengers and opened with prayer.

The printed minutes of the January meeting were accepted as printed.

Paul West presented the report from the Committee on Nominations and moved for its adoption, seconded by Ed Buffington, Brookwood, and voted by messengers.

The following Committee on Committees report was adopted by messengers with those listed being elected to serve on committees as indicated:

- Sue Tyler (Mars Hill) .....Membership Committee
- Lyman Snipes (Fellowship).....Finance Committee
- Dianne Daniels (Antioch) .....Missions Committee
- Mary Harkins (Kerr's Chapel) .....Church & Community Ministries Committee
- Octavia Ward (Antioch).....Church & Community Ministries Committee

Bob Stephenson, Glen Hope, presented Discipleship Training report. Fourteen churches were represented and 167 people attended the Senior Adult Rally. Also, 50 people attended the Associational Bible Drill. Seven participants qualified as Associational winners and were to represent the Association in the state drill in May. The winners attended the Associational meeting and were introduced to messengers.

Bob Stephenson also announced the VBS Clinic to be held on May 7 at Graham First and a Planning Clinic to be held May 28 at Hillsborough First to plan for changes in literature for the new Sunday School year.

Due to a delay in transferring data to the new computer system, no financial report was presented.

Rev. Michael J. Barrett, Pleasant Garden Baptist Church, presented an evangelistic message with the overall theme that there is no greater thrill or joy than accepting Jesus Christ and sharing Him with others. He emphasized that as Christians and as soul-winners we are not playing games—it is a serious business. We cannot be part-time, occasional, or silent Christians—we are God's voice in the world. We must focus on divine plans for ministry rather than human plans. The world can duplicate everything but one—bringing

lost souls to Christ. Rev. Barrett stressed that the chief purpose of Christ, through us as Christians, is to bring redemption to the world. At some time, everybody becomes God conscious and Christians need to be available when the lost person becomes God conscious.

The third quarterly meeting of the Mount Zion Association was held on July 15, 1991, at Kinnett Memorial with Joe Hicks moderating. The Moderator called the meeting to order and Kenneth Wilson, Pastor, Kinnett, welcomed messengers and opened with prayer.

The printed minutes of the April meeting were accepted as printed.

The printed financial report was presented and Howard Silver pointed out that there was a \$1,803.80 deficit for the first six months of 1991.

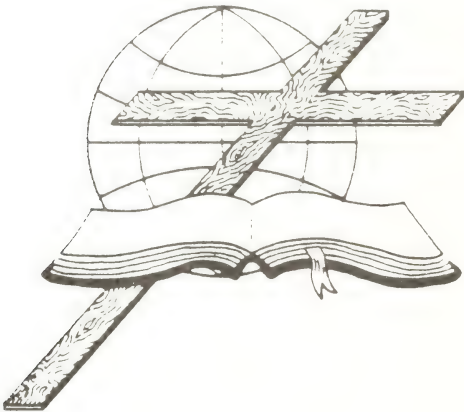

Howard Silver requested prayer for two ministers who formerly served in the Mount Zion Association. Rob Pierce who served at Bethel has experienced complete kidney failure and is on dialysis. William Benton who served at Alamance First has been diagnosed as having a terminal malignancy. Dale Steele, Burlington First, led in prayer for these special concerns.

Harold Ball, Eastlawn, requested prayer for the 16 people from five churches who will leave on August 1 for a mission tour in Sao Paulo, Brazil.

Harold Ball announced that 15 churches had responded that they will participate in the World Missions Conference scheduled for 1992. He requested that messengers check with their churches and encourage them to respond.

Messengers adjourned to Key Leadership Conferences led by the following:

- Church Clerks .....Sarah Finley
- Sunday School Workers .....Janet Whitaker
- Discipleship Training .....Bob Stephenson
- WMU .....Linn Pickens
- Music .....Bill Page
- Brotherhood .....Bill McGowan

## Director of Missions Report

Any report of our work during the last year must begin with recognition of the cooperation and generosity of the churches that comprise our association. Were it not for scores of volunteers from our churches and the financial resources our churches provide, little—if anything—could be done by the association.

A Baptist association has no life of its own. It is a creation of the churches that comprise it, and the churches support and sustain the association. Apart from the churches the association can do nothing.

I am grateful that our association is free of strife and conflict. This is not without significance at this particular time in Southern Baptist history. I commend our churches—and especially their pastors—for their cooperation, trust, and good will.

A special word of appreciation is due Janet Whitaker, associational Sunday School director; Robert Stephenson, associational Discipleship Training director; Joel Marshall, associational music director; Jeff Gardner, associational youth director; and Bob Tally, Campus Ministry director. Even though they serve the association as volunteers, they enable our association to have effective training and church development programs.

Financial gifts from our churches declined during the past year, and last year's gifts were down from the year before that. It appears that the recession is taking its toll.

Your association tries to be as frugal as possible, and we shall continue to be good stewards of all the resources that are made available. However, churches need to be mindful of the association and its multi-faceted program of missions ministries. Your association does not receive money from the Cooperative Program. It depends altogether upon the churches for its support.

Our associational area is a fertile missions field, and authentic New Testament missions begins right where we are. I am convinced that a dollar given to missions goes farther right here at home than anywhere else.

We are fortunate in that we have very limited operating funds in reserve. We are having to use some of our reserve funds now in order to keep from borrowing money for operating expenses. Borrowing money is expensive, and it must be repaid. I hope that we shall not have to resort to this practice which was rather common a few years ago.

As part of the North Carolina-Sao Paulo Partnership, 16 people from five of our churches—Antioch, Elon College First, Haw River, Grove Park and Riverside—went to Brazil last August to do volunteer missions work. Our association helped to make it possible for them to go to Brazil. Their ministry was well received by the churches there, and their work—and that of other volunteers who went to Brazil previously—was recognized and affirmed by the general secretary of the Sao Paulo Baptist Convention. The partnership ends in 1992, and I am certain that the churches in the Vale Do Paraiba Association not only appreciate our work with them, but that they have also been strengthened and encouraged.

Cedarock Baptist Church, Highway 49 South from Burlington, has applied for membership in our association. The application has been referred to the membership committee. Meanwhile, Cedarock is under watchcare of the association, and we welcome them into our fellowship. Reverend Jimmy Nickelston is pastor of Cedarock.

A World Missions Conference for our association is scheduled for October 25 - November 1, 1992. Twenty-four churches have already chosen to participate, and we hope that others will do so soon. We will have foreign, and state missionaries in our association for an entire week. This will be an excellent opportunity for churches to focus upon missionary education and support.

I do not remember a time when there appeared to be as much unrest and conflict in churches as there is now. Nor do I remember a time when more pastors are restless and seeking a change in their pastorates.

In spite of their best efforts and genuine commitments, some churches find themselves in dysfunctional conflict. Churches are dependent upon people who are fallible. Sometimes it seems that everything that can go wrong does go wrong. But conflict in a church always exacts its price, and sometimes it can be terribly costly.

Churches can learn a valuable lesson from scientific medicine. The medical community knows the value of preventive medicine. Whenever it is possible, it is better to prevent illness than to treat it. The same truth holds for conflict in churches.

Much of the conflict that disrupts churches can be avoided, and it is far less costly to do so. All of us should go the “second mile” in trying to cooperate with each other in helping each other, in being patient with each other, and in forgiving one another. In the vast majority of cases it is much better to prevent conflict than it is to try to manage or resolve it once it has occurred.

I regret to report to you that two associational churches—Colonial Hills and First Baptist Church, Hillsborough—have notified the association that they are applying for membership in the Yates Baptist Association. They indicate that their reason for doing so are entirely geographical. They are oriented more toward Durham than the Graham-Burlington area. While we are reluctant to see these two good churches leave our association, we wish for them God’s choicest blessings in the days ahead.

In conclusion, I wish to record my profound gratitude to Ken Barker, Mona Silver and Ann Williamson for their trust, loyalty and cooperation.

Respectfully submitted,  
J. Howard Silver, Director of Missions

## Church and Community Ministries Report

The year 1991 has afforded many mission opportunities. Some changes have taken place and we hope these changes have helped improve our ministries.

Moving of the Right Turn Trucker's Chapel on the parking lot of the Red Horse Auto and Truck Plaza has given the chapel facility less visibility. In an effort to attract the traveling public, we have had some place mats made, which are used on the tables in the restaurant. The place mats are fairly new, therefore we do now know what results will happen.

Residents of the Starrs and Steps Rest and Retirement Home (formerly Brookstone Haven) have been treated with some type of activity each month this year. A cookout at North Graham Park in June seemed to be a real enjoyment for those who attended.

Picnics for the visually and hearing impaired showed significant increases in the number of guests and hosts attending.

Allied Churches of Alamance County has a new Executive Director, Mary Ruth is making excellent progress in heading this organization. The shelter for the homeless is complete and the umbrella groups are moving in periodically.

Orange Congregations In Mission have tried several fund raising activities this year and continue to make progress with various ministry projects.

Hundreds of tracts and Bibles are made available at our flea market every weekend. Volunteer response from our churches has been excellent and because of their efforts, many, many people now have Bibles that might not have had them otherwise.

Through September, 1991, our food pantry provided a week's supply of food for 136 families, totaling 401 persons. These food bags (boxes) included tracts or scripture portions and we try to minister or witness to persons who are assisted.

Because of the lack of interest from volunteers, the sitter service from Prospect Hill Health Clinic will not be offered in 1992. Many of our church groups gathered for our Annual Migrant picnic which was again held at Bushy Fork Community Center. Since the response was so low in 1990, we moved the date to mid-August and tried having the event on Saturday. The day seemed to go very well as we watched the migrants cut and cook a fresh pig in their own way. The hot sauce they made caused tears just from the smell, but they apparently enjoyed every bite. Health Kits will continue to be a part of this vital ministry.

Sales have been up and down for the thrift store, however as larger, more profitable items are donated, naturally our profits will be greater. Material assistance has been given to approximately 25 persons/families since January 1. This assistance has included household items and wearing apparel. Additionally, clothing assistance has been given to inmates, rest home residents, migrants and the Rape Crisis Center. I did not realize that when a person has been raped, that their clothes must be held for evidence. We provided several jogging outfits for the victims to wear home after this experience. From revenues generated from sales, we have assisted 30 persons/households. Monetary assistance has been given for prescriptions, gasoline, deposits, power bills, diapers, formula, etc.

Bob Talley resigned as director of the Baptist Student Union of Elon College at the end of the 1990 school year. Bob has been replaced by Terry Prichard. Terry is doing an excellent job. Attendance is averaging between 30 and 35 students per meeting for the Fall, 1991 semester.

The Alamance County CROP Walk fell short of their goal in 1990, however the Mount Zion Baptist Association did receive a little over \$200 from this effort to help support our food pantry. The 1991 walk has had some major changes, with the date moved to the first Sunday in November, and the length of the new route changed from 10 miles to 10 kilometers. The Mount Zion Food Pantry has been designated as a recipient of 1/2 percent of the funds remaining in Alamance County for 1991.

Grove Park was the setting of our Annual Volunteer Appreciation. Lenna Rudd of Hocutt Memorial was named Volunteer of the Year with runner-up going to Nancy Jones of Graham. First.

Beverly Alford continues to serve as Chairperson of the Burlington Literacy Group. One workshop was held this year and two cancelled for lack of participation. There is an apparent need in our area for an ESL Workshop and we will try after the first of the year to have one of these. Our semi-annual newsletter continues to be published.

Our booth ministry was expanded this year to include the Alamance County Agriculture Fair. Volunteers worked at a booth during the fair hours passing out cups of cold water and having available tracts, Bibles, etc.

Without the dedicated efforts of our many volunteers, the ministries of the Mount Zion Baptist Association could not continue. Thanks to each of you who give so willingly of your time and energies.

Respectfully submitted,  
Ann Williamson, Director  
Church and Community Ministries

## Prison Ministry Report

The overcrowded conditions of the state corrections department has had its impact on our two facilities, especially the one at Orange. We have less long-term inmates at Orange. This makes it difficult to establish relationships out of which to do ministry, but we remain faithful. We are blessed with some dedicated volunteers.

One of the highlights of the year for the prison ministry was a spiritual renewal emphasis that was held at the Alamance Unit—May 5-8, 1991. Four area ministers: Willard Stanley, Gospel Road Baptist Church; Ronnie McLaughlin, Glen Raven Baptist Church; Harold Ball, Eastlawn Baptist Church; and C.E. Holt, Green Level United Church of Christ, each brought challenging and inspiring messages for the inmates. Members from each of the churches provided support as well as inspirational music. We averaged about 25 in attendance each night.

The men at both units were ministered to in thoughtful ways during Christmas. You provided gift bags that included toiletry items, fruit, candy, etc. Besides the thought behind the gift these items provide very practical assistance to the men. Many of the men do not have resources to provide these items. Our toy project was very successful again. Your graciousness allowed us to provide toys for approximately 150 children. One inmate had this to say about being able to hand his child a gift, "To see your child open a gift that you've given, and to hear them say 'thanks, daddy' and 'I love you,' means more than words could express." One volunteer said she was blessed greatly by children's responses like, "see what my daddy gave me."

Both units held prison fellowship seminars again this year. These seminars have their impact on the other religious programs. Attendance usually increases at Bible study and worship following these seminars. The theme was "Surviving and Thriving." At the Orange Unit the average attendance each night was 21, while at the Alamance Unit the average attendance was 12.

We feel some strides were made this past year when Glen Raven Baptist Church and Lot-tie Grove Baptist Church, two black congregations, became involved in the prison ministry. Members of the Glen Raven congregation became actively involved at Alamance in the Yokefellow Prison Ministry, and members from Lattis Grove Baptist began to support the prison ministry financially.

I am pleased to report that a new Bible study was begun at Alamance. Ken Sharpe, a recent Southwestern Seminary graduate, is leading this new Bible study.

I cannot end this report without mentioning what a blessing the birthday parties continue to be. Invariably we hear, "I've been in prison eight years and this is the first birthday party I've been given," or "This is the first birthday party I've ever had." The word gets around the camp, "Don't miss that birthday party, you'll have a good time."

Lives continue to be touched because of Mount Zion's dedication, generosity, and graciousness. Without your support and prayers this ministry could not function. Continue to pray for me and those incarcerated at our two facilities. Once again thank you for letting me serve.

Respectfully submitted,  
Ken Barker, Chaplain  
Alamance-Orange Prison Ministry

## Missions Committee Report

The missions committee of the Mount Zion Baptist Association continues to meet on a regular basis to hear reports on existing ministries, to seek ways to strengthen those ministries, and to explore new avenues of mission opportunities. We are blessed with an outstanding associational staff which leads the way in planning and establishing mission ministries.

Again this year a group from churches in our association went to Brazil to continue the partnership work with the Vale do Paraiba Association. There is one more year in this endeavor. If you have any interest in participating begin now to pray about it and let us know of your interest. We have again requested funds in the budget to help pay for our people to make this trip.

We are continuing to prepare for our World Missions Conference to be conducted October 25 - November 1, 1992. We anticipate God's blessings on all who participate in this. It will be a time of learning about what we are accomplishing through our missionaries to reach the world with the gospel of Christ.

We ask that you support your missions committee with prayer and that you share with us opportunities that you feel worthy of our consideration for ministry. May God continue to lead our association to greater mission awareness and involvement.

Respectfully submitted,  
Harold G. Ball, Chairman  
Freddie Braswell, Fred Treadwell, Louise Boswell,  
Tommy Hearne, Ann Williamson, Kenneth Barker,  
Bill McGowan and Bertha Henderson

## Brotherhood Report

In March the RA associational car races were held. Thirty men and boys were involved along with a visitor from Brazil who also entered a car and he won the race.

At the end of April Bob and Phyllis Foy gave a talk and showed slides of a mission trip to New York City. In June Jim Burchette, Layman of the Year, spoke at Eastlawn Baptist Church. At our key leadership meeting six men attended representing four churches. On September 30 John Truette and Cameron Norris from State Convention spoke. On October 17 a seminar was held at Glen Hope Baptist Church on how to train brotherhood leaders—Mark White spoke on Baptist Men and Bob Stephenson spoke on RA leadership.

Bill McGowan, Associational Brotherhood Director

## Finance Committee Report

In reviewing our financial year, we see good news and a note of concern. Our contributions have enabled us, as an association, to share the Good News of Jesus Christ with the lost, the hungry, the naked, the homeless, those in prison, the sick, the young, and the elderly. And, we have done a good job! We also helped 16 people from our churches to go to Brazil in this the fourth year of our five-year partnership.

As of this writing, we have the figures for the first eight months of our fiscal year. The note of concern is here. While we have been able to meet our financial obligations and commitments, there has begun a trend by some of our churches in reducing gifts to our associational ministries.

As we prepare to adopt our 1992 cooperative ministries budget let each of us prayerfully consider our commitment to financially support these ministries. As Ray Rust said in his book, *Witnessing - Giving Life*, "Never are we more like God than when we are giving."

On behalf of the members of your finance committee, let me say thank you for your faithful support of our wonderful association. We encourage each church to continue giving and to adopt our 1992 budget as submitted.

Respectfully submitted,  
Norman Harris, Chairman  
James Dunn, Grant Cates  
Chris Gambill and Tommy Hearne

## Sunday School Report

During 1990-91 the Mount Zion Baptist Associational Sunday School Improvement Support Team (ASSIST) offered five training opportunities for Sunday School workers. Special attention was given to helping churches anticipate and plan for the Southern Baptist Convention curriculum improvements appearing in October, 1991. New administrative guidelines were also outlined in the teaching of the new **BREAKTHROUGH** study course books. Vacation Bible School Summer Explosion materials and helps were shared in two separate training events.

As a result of its work in organization, planning, programming, training, and administration, the Mount Zion ASSIST Team has been recognized as *Standard* by the Baptist Sunday School Board. The team remains available for individual and/or personal consultation.

## Discipleship Training Report

We continue to see steady growth in the overall enrollment/participation of Discipleship Training in our association. This is an encouraging sign that our churches are realizing the importance of training and discipling our people to do the work where unto we are called.

Several activities have been conducted during the year to enhance Discipleship Training in our association and some first time events undertaken. Since our last report we conducted our annual "M Night" program at Fellowship Church with a very encouraging response. Eddie Hammett from the State office of Discipleship Training was our guest speaker and the Children of Hope from Glen Hope Church provided the special music.

One event that continues to grow each year is our annual youth night which is sponsored by Discipleship Training. This year was no exception to our steady growth as we had over 410 participating at Grove Park and the YMCA.

A new feature to Discipleship Training this year was the addition of a rally for senior adults. This year the rally was held at Glen Hope and registered 167 participants with a lunch served to those in attendance. Due to the good response received from this event we plan to make it an annual affair on our associational Discipleship Training calendar.

As always we conducted an associational Bible Drill for children. With six participants from Mebane First our drill was conducted on April 14. All six participants qualified as associational winners and went to the state drill in Greensboro on May 11. There they all once again qualified as state winners. We are proud and grateful for the excellent way in which they represented the Mount Zion Association.

The following events are scheduled for the rest of this year and on into 1992:

- DiscipleLife Training - October 28 - Holly Hill
- "M Night" - November 18 - Hillsborough First
- Deacon Training Workshop - February 8 - Glen Hope
- Doctrine Tour - February 24 - Glen Hope
- (Sponsored by Baptist State Convention of North Carolina)

Youth Night - March 13 - Burlington First/YMCA  
Senior Adult Rally - March 19 - Grove Park  
Children's Bible Drill - April 5 - Northside  
Media Training - May 2 - Glen Hope

As you can see events are scheduled to endeavor to meet the needs of a wide range of people across our association. It is our hope that Discipleship Training will continue to grow stronger each year as we become increasingly aware of the need to carry out the command of the Great Commission to "Make Disciples."

Respectfully submitted,  
Bob Stephenson, Director  
Associational Discipleship Training

## Music Ministry Report

Our association has been active musically this year. The music reading seminar for adults, held at First Church, Mebane in February, was very well attended. Sessions were taught by Joel Marshall of First Church, Burlington, and by David Thomas of First Church, Asheville.

Instrumentalists from three of our associational churches took part in the state instrumental music festival in Charlotte this spring. The clinician for this event was Stan Pethel, who had previously been in the Mount Zion Association in September for our composer's weekend.

In September the association sponsored a Children's Music Workshop. We were fortunate to have Ron Jackson of the Baptist Sunday School Board to lead this workshop, which was held at Grove Park Church. Many of our churches were represented at this event.

Plans have been made to make this next associational year a busy one for Mount Zion musicians. Among the scheduled events are:

- \* A "Messiah Sing-Along" to be held December 8 at First Church, Graham. It will be conducted by Darrell Hodge of Calvary Church, Knoxville, Tennessee.
- \* An area-wide patriotic celebration to be held on the campus of Elon College June 29, 1992, featuring the combined choirs and instrumental ensembles of our association. We will have a surprise to narrate this event.
- \* Another Composer's Weekend is scheduled for September, 1992.

A bus has been reserved to take associational musicians (and others who would like to join us) to Asheville for the PraiSing to be held on Tuesday night of the State Convention (November 12, 1991). We hope to have a full contingent of Mount Zion musicians for his once-in-a-lifetime event.

Respectfully submitted,  
Bill Page, Associational Music Director

## Youth Ministry Report

The associational youth ministry has grown in purpose and definition during the past year. An effort to locate the volunteer youth workers has proven successful and many are actively involved in associational events. This cooperative spirit has already borne fruit as we seek to reach out to the youth of our community. In April the Mount Zion Baptist Association played a significant role in sponsoring a concert by contemporary Christian musician/comedian Mark Lowry. Over 400 teenagers along with their parents and leaders attended the concert. Many responded to the unique and challenging message that was shared by Mark. It is our goal to host a similar event in the spring of 1992.

Two events scheduled for the fall have as their purpose an attempt to minister to families and youth workers. These "frontline" ministries are invaluable in discipling youth.

Training for youth workers is scheduled for October 19. Areas such as programming, creative teaching, discipling and counseling will be covered in individual sessions.

A family enrichment conference will be held Friday, November 22 from 6:30-9:30 PM at Glen Hope Church. Bill Edwards, a certified family counselor and child and adolescent specialist will lead the conference.

Long range plans will focus upon youth evangelism. The calendar for 1992 reflects that purpose. Upcoming events include:

April 10 - Spring Evangelism Effort

August 8 - Youth Evangeolympics

September 26 - Equipping for Youth Evangelism

Detailed information will be forthcoming prior to these events.

Respectfully submitted,  
Jeff Gardner, Associational Youth Director

## Acts of Alamance, Inc. Report

ACTS of Alamance, Inc., with the help of its member churches and the Mount Zion Baptist Association, continues to bring excellent Christian oriented family television into the homes of cable subscribers in Alamance County. Two churches, Fellowship and Grove Park, continue to provide local television ministries weekly, and have also contributed special programming. Community response is extremely positive toward these efforts.

The local ACTS board initiated a community awareness campaign that involved each member of the board personally contacting and visiting, if possible, the pastor of prospective churches of other denominations within the community. While this did not result in any new churches utilizing the television ministry it was a positive effort in increasing the visibility of ACTS in our community.

Respectfully submitted,  
Bobby Dobbs, President  
ACTS of Alamance, Inc.

## Woman's Missionary Union Report

This has been a good year for Mount Zion Associational WMU. We have seen growth in all of our age-level organizations. This is a first in a very long time for our association and it is hopefully a positive indicator of only more good things to come.

Associational mission projects have been a major part of all of our churches as well as many mission action projects carried on by individual churches and age-level organizations.

This year we had 11 WMU organizations receive distinguished recognition on the state level and one at the standard level.

*We are empowered. . . to God be the glory in the church and in Christ Jesus for all time, forever and ever! Amen (Eph. 3:20-21)*

Respectfully submitted,  
Nancy Bridges, Associational WMU Director

## Evangelism Committee Report

The Evangelism Committee of the Mount Zion Baptist Association has been given a huge task. We are to train for and promote evangelism in all the churches in our association.

Several suggestions have been made for ways to accomplish these tasks. Several pastors have indicated interest in an area wide revival crusade. Our committee will be looking at this opportunity and we will report our findings to you and ask for your support. Another suggestion, that in fact was voted by the association as an annual event, is an evangelism conference. We will attempt to put together a conference and let you know the details. Another area of interest suggested by some is a youth evangelism event. We will look at all of these possibilities and report to you at a later time.

We need your prayer support but we will also need your time and energy for certain tasks. The main task of the church must be reaching the lost. As we work together, we can make a difference in our association.

Respectfully submitted,  
Fred Treadwell, Chairman  
Warner Doles, David McMillan,  
Dan Christopher and Bill Knapp

## Ordinations Committee Report

The committee on ordinations met once this year to examine Joanne Soliday for ordination to the Gospel ministry. It was the judgment of the committee that the candidate was sound in her calling, had potential for Christian ministry and exhibited the ability to perform the tasks of her calling. Therefore, the committee recommended to First Baptist Church, Burlington, that the church proceed with ordaining Joanne Soliday to the Gospel ministry.

Respectfully submitted,  
Ralph E. Jones, Jr., Chairman  
Lucy Bardwell, Kathy Crawford,  
D.D. (Jack) Gross, Lee Ray Greene

## History of First Baptist Church, Mebane, North Carolina

The year was 1901. Rev. L.N. Chappell, a former missionary to China, and an employee of the Baptist State Convention of North Carolina, had come to Mebane in January under the auspices of the Convention and the Mount Zion Baptist Association, for the express purpose of starting a church in the area.

At that time the closest Baptist church to Mebane was nearly 10 miles away. Work had begun by gathering Baptists together for Bible study and worship, forming the group into a church which began to meet on a regular basis that July, one Sunday per month, sharing facilities with their Presbyterian neighbors.

On the evening of July 5, 1901, some 20 people gathered in the Mebane Public School Building for a special purpose. Led by Rev. Chappell, these Baptist citizens of Mebane had determined to start a Baptist church in the town, which already supported strong Presbyterian and Methodist congregations. The charter members of what was then called Mebane Baptist Church were:

Rev. L.N. Chappell  
Mrs. Alice Christopher  
Mrs. T.H. Fowler  
Mr. and Mrs. R.E. Forrest  
Mr. and Mrs. J.L. Johnson  
Mr. and Mrs. W.S. Kanoy  
Miss Bessie Kanoy  
Mrs. W. Kirkpatrick

Miss Mary M. Kirkpatrick  
Mr. and Mrs. W.J. Lancaster  
Mrs. H.B. Long  
Mrs. J.M. Rimmer  
Mrs. Lewis Puryear  
Mrs. M.E. Scott  
Mrs. M.F. Smith  
Miss Fannie V. Smith

Most of the early records of the church were destroyed in a disastrous fire in 1928, which also destroyed the first sanctuary.

Rev. Chappell was called to be the first pastor of the church. The church adopted a standard Church Covenant and Articles of Faith.

In an effort to start over, the members met again on a regular basis beginning May 8, 1906, at the Public School Building to reorganize the church.

Rev. Duncan McLeod became pastor on November 1, 1906. For a short time the congregation rented facilities from the Presbyterian Church at a cost of \$13.28. Because the church was still new and struggling, the Mission Board and the Mount Zion Baptist Association assisted with the pastor's salary.

During 1906, the church collected over \$600.00 for the purpose of building a sanctuary, and in April 1907, construction began. The church moved into its new sanctuary in the fall of 1907. Also, during that year a Sunday School was organized; a Woman's Missionary Society and a Ladies Aid Society were formed, along with a Sunbeam organization.

The church was formally admitted to the Mount Zion Baptist Association at the 1907 annual meeting. The following years were marked by financial difficulty, especially in the area of State Mission efforts. In his report to the 1912 Mt. Zion Baptist Association, Rev. W.R.L. Smith of Chapel Hill gave this stinging commentary:

"In this year's report, four churches were credited with a reproachful row of dots. Little round dots are lovely when to behold they stop long-winded sentences, but they wear a most homely look in a financial table. No blank cartridges, brethren, please! Put in figures, though they be ever so small. Figures carry an eloquent voice, witnessing to intelligence and liberality and loyalty. Dots are dumb dogs!"

The church has had 21 pastors, including Rev. Chappell, the first, and Dr. Charles R. Lemley, the present, who will begin his 20th year January 1, 1992.

\* Twenty-four persons have been members of the church for 50 years or more

\* Twenty-one children have been winners in the State Bible Drill. The first winner in 1981, was Wendy Wilborn, daughter of Mr. and Mrs. Archie Wilborn, and the Drill leader was Mrs. Charles R. Lemley. Mrs. Marie Murdock has directed the drills since 1985, with 20 State winners since that time.

The following men went into full-time ministry:

L.W. Smith

Houston Raynor

Ernest Keck III

John B. Ray

Lawrence Keith

Lonnie James Thomas

A.V. Ray

James Phillip Smith

In 1982, Mrs. Sadie Wood ended her 14-year tenure as director of Woman's Missionary Union (WMU). During this period the WMU achieved the status of "Distinguished Program" as defined by the Southern Baptist WMU each year. In Mrs. Wood's honor the WMU named her "Director Emeritus," with the following instructions on the use of the title: "This title shall be hers for so long as she remains a member of this church, and shall be used on all printed programs, yearbooks, etc., preceding always the name of the current WMU Director." Mrs. Wood was honored at a luncheon in December of that year, when she passed the responsibility on to Mrs. Georgia Rice. Mrs. Lucy Bardwell has served since 1990.

Of the 21 pastors, one had the distinction of serving the church on two different occasions. Dr. J.C. Canipe came to Mebane in April 1918. By the end of his first term, the church was able to pay him an annual salary of \$1,800. For the first time in the church's history, this salary was not underwritten by any outside organization. Dr. Canipe's first tenure ended in 1919, and was chosen as pastor again from 1922 to 1924.

Rev. A.C. Hamby came to Mebane the first Sunday in January, 1928. All seemed well until the church experienced a dreadful fire on January 22 of that year when their dreams went up in smoke. The church held services that evening in the Presbyterian Church. At a business conference the following week, it was determined that J.T. Dick's hall above Egerton's store was available for rent. The church met in the Dick's hall for several months before moving to the school building during the summer.

Rev. Hamby's daughter, Ernestine James, and daughter-in-law, Juanita Hamby, remain active members of the church. The church library was dedicated in honor of Mrs. A.C. Hamby in January 1976.

During Rev. John Knight's tenure in 1942, the church decided to change the way deacons were appointed. Before, once elected, the Deacon would remain in the position. Beginning in 1942 and continuing today, the body of deacons (known as the "Board of Deacons" in those days) was placed on a rotating system.

Among the many good things that happened during Dr. L.H. Hollingsworth's ministry was the building of a sanctuary which is presently used. The church broke ground in the Spring of 1947, and it would cost approximately \$60,000. The financing method was the "Buy a Brick" campaign. For each brick purchased, the donor would pay 25 cents. This allowed the youngest or poorest member to feel they had a part in the new building. The first service was held in the sanctuary on the morning of July 11, 1948.

The church celebrated its 90th anniversary on Sunday, October 13, 1991, with guests, Dr. L.H. Hollingsworth and Dr. Howard Silver, participating.

The pastor, Dr. Charles R. Lemley, has been with the church since January, 1972.

Respectfully submitted,  
Lee Lemley

## Historical Sketches of Mount Zion Churches

Brief histories of Mount Zion Churches are recorded in the minutes of the years as herewith listed. The association historian suggests that every church in the association have copies of the associational minutes bound every 10 years and keep them in the local church libraries. This will make the minutes of the years available to all the churches, and those bound volumes will grow more valuable with each passing year.

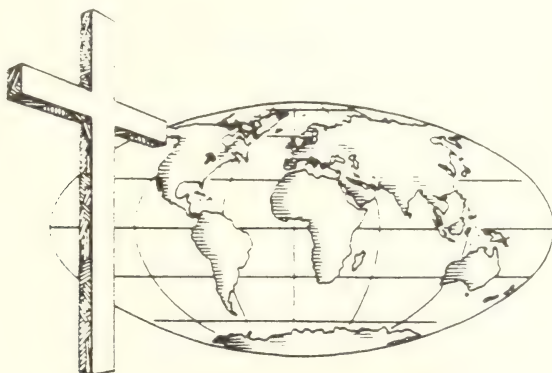

Although our association has had historians almost from the date of its organization, still the clerk was notable to find the history of any church recorded in the minutes until 1921. Just why the sketches of other years were not recorded in the minutes is inexplicable.

At the 1874 session of the association, it was decided to elect a historian annually, the minutes of 1875 record that "The report of the historian was adopted and ordered to be recorded in the 'Book of Records' of the Association." No trace of this book exists. The historical sketches from 1921 are shown in minutes as follows:

# Dedication

When I came to Burlington more than twenty years ago, Paul Craig was one of the first people I learned to know. He was moderator of our association at that time, and he had been invited by the Northside Baptist Church to lead a service of installation, installing me as pastor of the Northside church. From that time until his death, July 5, 1992, my appreciation for him deepened with each passing year.

I knew Paul as a friend. He was always the same person. We never talked with each other when he did not encourage me. I always felt completely accepted in Paul's presence. He was a blessing to me and my ministry.

I knew Paul as a community citizen. He was active in his community; held in high regard by his colleagues and peers. He served his community as former mayor and city councilman. Following his retirement from New York Life Insurance Company, he served further as tax collector for the City of Burlington.

I knew Paul as a Christian. He lived his faith. Faith in God and his redemptive purpose was, for Paul, a way of life — not a way of talking. Active in Burlington First Baptist Church — of which he was a lifetime member — Paul served as deacon, Sunday School superintendent, chairman of a building committee and at the time of his death, he was serving as teacher for a children's class.

Paul's life and witness are an inspiration still. We were privileged to pilgrimage with him for a while. Now that he has passed into the unseen and taken his place amongst that "Great cloud of witnesses that compasses us about," let us be grateful for his memory and the meaning of his life.

# Dedication

Like the rugged mountains of Watauga County where he was born, Johnny Green stood firm and unmovable as a Christian. Mountain man, though he was, he was nevertheless gentle, gracious, loving, and kind. A cabinet maker by vocation, Johnny was accustomed to working with close tolerances. He could make things fit. He brought the same skill to his personal and Christian relationships. He could get things done, and when he was finished, everything fit into place.

For years, Johnny was an active leader in Eastlawn Baptist Church — serving as Sunday School teacher, chairman of deacons, member of various committees, and choir member. His ability as a Bible teacher was well known and highly respected. Beyond his church, Johnny served Mount Zion Baptist Association as moderator and chairman of the missions committee. He was instrumental in the planning and observance of the association's centennial anniversary in 1970.

He also taught a Bible class for prison inmates that was sponsored by the association, frequently bringing inmates to his own church. His leadership and witness extended even further. He served also on the nominations committee of the Baptist State Convention of North Carolina.

Johnny's legacy of faithfulness, fidelity, and friendship is ours to remember, and with gratitude we thank God for his life.

### Mount Zion Baptist Association

#### ARTICLE I — MEMBERSHIP

Section 1. The Association shall be composed of cooperating Southern Baptist churches within the area of the Association.

Section 2. The Association shall be sole judge of its membership and may receive churches, or reject churches, according to its bylaws. Member churches may withdraw from the Association as they desire. Any church in the Association which failed to cooperate with the Association shall be contacted by a committee appointed by the Coordinating Council of the Association to determine the intentions of the church regarding its remaining in the Association. In the event the church does not respond to the efforts of the Special Committee appointed by the Coordinating Council, the church will be considered as having chosen to withdraw from the Association.

A cooperating church shall be defined as one which sends an annual report to the Association and messengers to Associational meetings, and contributes to the financial program of the Association.

Section 3. Churches desiring to affiliate with the Association shall make a written request to the Coordinating Council of the Association at least three months prior to the October meeting. If, in the judgement of the Coordinating Council and the Committee on Membership, the requirements hereinafter set forth have been met, the church may be recommended for membership without delay at the October meeting of the member of the Association. In any other case a church may be received under watchcare of the Association.

Section 4. Each church is entitled to 10 messengers. Churches with more than 500 members are entitled to an additional messenger for each 100 members more than the initial 500. Messengers shall be elected annually for all Associational meetings. It is suggested that at least five of the messengers be leaders of individual church organizations.

Section 5. Each messenger shall have one vote on all matters submitted to vote of the members. Each vote must be cast in person and not by proxy. Unless otherwise expressly required by these Bylaws, one-tenth of the messengers shall constitute a quorum at a meeting of the members, provided that if less than such percentage of messengers in present at said meeting, a majority of the messengers present may adjourn the meeting from time to time. The act of a majority of the messengers present at a meeting at which a quorum is present shall be the act of the members, unless a greater proportion is required by statute or by these Bylaws.

### ARTICLE III — NEW CHURCHES

Section 1. Any church seeking membership in the Association shall petition the Coordinating Council at least three months prior to the October meeting of the Association. The Committee on Membership shall report to the Association at the October meeting its findings and recommendations for Associational action.

## ARTICLE XII — FINANCIAL TRANSACTION

Section 1. Except as otherwise provided in these Bylaws, the Board may authorize any officer or officers, agent or agents, in addition to the officers so authorized by these Bylaws, to enter unto any contract or execute and deliver any instrument in the name and on behalf of the Association, and such authority may be general or confined to specific instances.

Section 2. All checks, drafts or other orders for payment of money, and all notes, bonds or other evidences of indebtedness issued in the name of the Association shall be signed by such officer or officers, agent or agents, employee or employees of the Association and in such manner as shall from time to time be determined by resolution of the Board. In the absence of such determination by the Board, such instruments shall be signed by the Treasurer and countersigned by the Moderator or Vice Moderator of the Association.

Section 3. All funds of the Association shall be deposited from time to time to the credit of the Association in such bank or banks, trust companies or other depositories as the Board may select.

Section 4. The Board of Trustees may accept on behalf of the Association any contribution, gift, bequest or device for the general purpose of any special purpose of the Association.

Section 5. The Association shall keep correct and complete books and records of account and shall also keep minutes of the proceedings of its Board of Trustees and committees having any of the authority of the Board of Trustees, and shall keep at the registered or principal office a record giving the names and addresses of the trustees.

### ARTICLE XIII — NON-PROFIT OPERATION

Section 1. The Association shall at all times be operated on a non-profit basis, and no interest or dividends shall be paid or payable by the Association to any trustee as such, and shall be operated for the purpose for which the Association was created.

### ARTICLE XIV — INDEMNIFICATION AGAINST AND ELIMINATION OF LIABILITY

Section 1. *Indemnity.* Any person who at any time serves or has served as a Trustee or officer of the Association and any such person who serves or has served at the request of the Association as a trustee or advisor or consultant to another corporation, partnership, joint venture, trust or other enterprise, or as a trustee or administrator under an employee-benefit plan, any person who is or has been an employee of the Association who also serves or has served as a trustee or officer of the Association and any person who has been employed by the Association as Director of Missions, Administrative Associate or Church and Community Ministries Director shall have right to be indemnified by the Association to the full extent allowed by applicable law against liability and litigation expense arising out of such status or activities in such capacity. "Liability and litigation expense" shall include cost and expenses of litigation including reasonable attorney's fees, judgments, fines and amounts paid in settlement which are actually and reasonably incurred in connection with or as a consequence of any threatened, pending or completed action, suit or proceedings, whether civil, criminal, administrative or investigative, including appeals. In no circumstances, however, shall the Association indemnify any such person against any liability or litigation expense incurred if such person is adjudged in any action, suit or proceeding to have acted in bad faith or to have been liable or guilty by reason of willful misconduct in the performance of duty.

Section 2. *Determination of Right to Indemnity.* Promptly after the final disposition or termination of any matter which involves liability or litigation expenses as designated in Section 1 or at such earlier time as it deems fit, the Association shall determine whether any person described in Section 1 is entitled to indemnification thereunder. Such determination shall be limited to the following issues: (1) whether the persons to be indemnified are persons described in Section 1; (2) whether the liability or litigation expense incurred arose out of the status or activities of such persons for which indemnification is available under Section 1; (3) whether liability was actually incurred and/or litigation expense was actually and reasonably incurred; and (4) whether the liability and litigation expense were incurred by a person who acted in bad faith or willful misconduct in the performance of duty. Such determination shall be made by a majority vote of trustees who were not parties to the action, suit or proceeding or, in connection with "threatened actions, suits or proceedings, who were not 'threatened parties'." If at least two such disinterested trustees are not obtainable, or, even if obtainable, if at

least half the number of disinterested trustees so direct, such determination shall be made by independent legal counsel in a written opinion to the Association.

### Section 3. *Advance Expenses.*

(a) Litigation expenses for which indemnification is provided under Section 1 shall be paid by the Association in advance of the final disposition or termination of such matter, if the Association receives an undertaking dated, in writing and signed by the person to be indemnified, to repay all such sums unless such person is ultimately determined as provided in Section 2 to be entitled to be indemnified by the Association. Request for payments in advance of final disposition or termination shall be submitted in writing unless this requirement is waived by the Association. Before the first such payment is made, the Association shall have received the written undertaking referred to herein and notice of the request for advance payments shall have been given to the members of the Board of Trustees.

(b) Notwithstanding the foregoing subsection (a), no advance payment shall be made as to any payment or portion of a payment for which a determination is made that the person requesting payment will not be entitled to indemnification. Such determination may be made only by a majority vote of disinterested trustees or by independent legal counsel. If there are not at least two disinterested trustees, the notice of all requests for advance payment shall be delivered for review to independent legal counsel for the Association. Such counsel shall have the authority to disapprove any advance payment or portion of a payment for which it plainly appears that the person requesting payment will not be entitled to indemnification.

Section 4. *Settlements.* The Association shall not be obligated to indemnify persons described in Section 1 for any amounts paid in settlement unless the Association consents in writing to the settlement. The Association shall not unreasonably withhold its consent to proposed settlements. The Association's consent to a proposed settlement shall not constitute an agreement by the Association that any person is entitled to indemnification hereunder. The Association shall waive the requirements of this Section for its written consent as fairness and equity may require.

### Section 5. *Application for Indemnity or Advances.*

(a) A person described in Section 1 may apply to the corporation in writing for indemnification or advance expenses. Such application shall be addressed to the Clerk or, in the absence of the Clerk, to any officer of the corporation. The corporation shall respond in writing to such application as follows: to a request for indemnity under Section 2, within ninety (90) days after receipt of the application; to a request for advance expenses under Section 3, within thirty (30) days after receipt of the application.

(b) The right to indemnification or advance expenses provided herein shall be enforceable in any court of competent jurisdiction. A legal action may be commenced if a claim for indemnity or advance expenses is denied in whole or in part, or upon the expiration of the time periods provided in the preceding subsection (a). In any such action, the claimant shall be entitled to prevail upon establishing that he or she is entitled to indemnification or advance expenses but the Association shall have the burden of establishing, as a defense, that the liability or expense was incurred as a result of acts in bad faith or willful misconduct in the performance of duty. In any such action, if the claimant establishes the right to indemnification, he shall also have the right to be indemnified against the litigation expense including reasonable attorney's fees of such action.

Section 6. *Incidents of Right of Indemnification.* The right to indemnification provided herein shall not be deemed to preclude any rights to which any persons seeking indemnity may be entitled apart from the provision of this bylaw, except that there shall be no right to indemnification as to any liability or litigation expense for which such person is entitled to receive payment under any insurance policy. Such right shall inure to the benefit of the heirs and legal representatives of any persons entitled to such right. Any person who at any time after the adoption of this bylaw serves or has served in any status or capacity described in Section 1, shall be deemed to be doing or to have done so in reliance upon, and as consideration for, the right of indemnification provided herein. Any repeal or modification hereof shall not affect any

rights or obligations then existing and any person who would be entitled to indemnification for activities prior to the repeal or modification shall continue to be entitled to indemnification for such prior activities even if the claim arises and/or the liability and litigation expense occurs after the repeal or modification. The right provided herein shall not apply as to persons serving institutions which are hereafter merged into or combined with the Association except after the effective date of such merger or combination and only as to the status and activity after such date.

Section 7. *Supplemental*. The foregoing right of indemnification shall be in addition to and not exclusive of all other rights to which such director or officer, or an employee or agent may be entitled.

Section 8. *Savings Clause*. If this Article or any portion hereof shall be invalidated on any ground by any court or agency of competent jurisdiction, then the Association shall nevertheless indemnify each person described in Section 1 to the full extent permitted by the portion of this Article that is not invalidated and also to the full extent, but not exceeding the benefits described herein, permitted or required by other applicable law.

Section 9. *Elimination of Certain Liability*. In accordance with North Carolina General Statute §55A-28.1A, a person serving as a trustee or officer of the Association shall be immune individually from civil liability for monetary damages, except to the extent covered by insurance, for any act or failure to act arising out of his service as trustee or officer, except where such trustee or officer: (1) is compensated for his services beyond reimbursement for expenses; (2) was not acting within the scope of his official duties; (3) was not acting in good faith; (4) committed gross negligence or willful or wanton misconduct that resulted in the damage or injury; (5) derived an improper personal financial benefit from the transaction; (6) incurred the liability from the operation of a motor vehicle; or (7) is a defendant in an action brought under N.C.G.S. §55A-28.1 (Liability of Directors in Certain Cases) or N.C.G.S. §55A-28.2 (Member's and Director's Derivative Actions). If the North Carolina General Statutes are amended after approval of this section to authorize associate action further eliminating or limiting the personal liability of trustees, then the liability of a trustee of the Association shall be eliminated or limited to the fullest extent permitted by the North Carolina General Statutes, as so amended. No amendment or repeal of the provisions of this section shall apply to or have any effect on the liability or alleged liability of any trustee of the Association for or with respect to any act or failure to act on the part of such trustee occurring prior to such amendment or repeal. The provisions of this section shall not be deemed to limit or preclude indemnification of a trustee by the Association for any liability which has not been eliminated by the provision of this section.

## ARTICLE XV — ASSOCIATIONAL YEAR

Section 1. The Associational Year shall begin October 1 and close September 30, with the exception of the fiscal or financial year which shall begin January 1, and close December 31.

Section 1. *Robert's Rules of Order*, revised edition, shall be followed as the Association's rules for conducting its deliberative assemblies, except as the Association prescribes otherwise.

## ARTICLE XIX — AMENDMENTS-BYLAWS

Section 1. Amendments to the bylaws may be made at any October meeting of the Association upon an affirmative vote of two-thirds of the voting messengers present, provided that proposed amendments shall have been presented to the Moderator at least 15 days prior to the meeting, and submitted to the Committee on Bylaws for its report and recommendation. Amendments must be presented to the Association on the first day of the October meeting and voted by the Association on the second day by a standing vote.

Amendments must be presented to the Association on the first day of the October meeting and voted by the Association on the second day by a standing vote.

## ARTICLE XXI — WAIVER OF NOTICE

Section 1. Whenever any notice is required to be given under the provisions of the laws of the State relating to non-profit corporations or under provisions of the Articles of Incorporation or the Bylaws of the Corporation, a waiver thereof in writing signed by the person or persons entitled to such notice, whether before or after the time stated therein, shall be deemed equivalent to the giving of such notice.

43. Fred Treadwell, Pastor of Glen Hope, presented the Evangelism Committee Report. He announced that an area wide crusade is being planned for September 12-16, 1993.

He reminded us that we are disciples who have received the call and commission to spread the gospel and must be committed to carry the gospel to the world, which waits hungry, broken, hurting, lost, and dying without hope.

46. Steve Hardy, Pastor of Holly Hill, introduced the guest speaker, Don Kammerdiener from the Foreign Mission Board, Southern Baptist Convention.

47. Ken Barker introduced Michael Graham, who was the guest soloist.

48. Don Kammerdiener presented the evening message. He expressed appreciation to the church for supporting the Foreign Mission Board. He encouraged us to choose life because we cannot have life if we are not interested in the peoples of the world. The way of life is to find out what God is doing and be a part of it.

49. After the benediction by Al Roberts, Pastor of Hocutt Memorial, a fellowship was hosted by Kerr's Chapel.

## Quarterly Meetings

The quarterly meeting of the Mount Zion Association was held on January 13, 1992, at Eastlawn Church with 81 messengers representing 17 churches in attendance.

The meeting was called to order by Curtis Tyler, Moderator. Harold Ball, pastor of Eastlawn, welcomed messengers and opened with prayer. Bill Page, Associational Minister of Music, led messengers in singing "Come Thy Fount."

A printed financial report was presented.

Howard Silver reported on two interim pastors in the association: Bill Almond, Graham First, and Keith Moore, Oak Grove.

Terrell Duncan presented a report and recommendations from the Personnel Committee. The first recommendation concerned the conversion to salary of unused dollars in a staff member's reimbursable account at year end. The motion was seconded and voted by messengers.

The second recommendation consisted of the following changes to the Director of Missions' salary package:

- a. 1991 - The Housing Allowance be increased from \$7,800 to \$9,137 (\$1,337) to cover actual expenses and that his salary portion be decreased \$1,337.
- b. 1992 - The Housing Allowance be increased from \$8,400 to \$9,200 (\$800) and that his salary portion be decreased \$800.

This recommendation was made for tax purposes. The motion was seconded and voted by messengers.

Bill Page led the messengers in singing "Take Time to Be Holy."

Don Bolen, Burlington First, gave a report on the Special Committee of the Baptist State Convention. The committee consists of 16 members from throughout North Carolina. The purpose is to study the relationship between the convention and institutions (colleges, hospitals, homes, etc.) receiving financial support from the convention. A survey will be distributed, and the committee would welcome input from church members in North Carolina.

Special music was presented by Sarah Finley, Burlington First, who sang "Holy Ground."

The doctrinal sermon was delivered by Greg Clark, pastor of Riverside. His scripture was Mark 14:1-10, and his topic was "Beauty of Brokenness." The theme of the sermon centered around the value the Lord places on brokenness that is poured out in ministry. The Lord wants our total commitment: He wants us to break open and spill out on a lost world.

He also stressed that Jesus is fully God and fully man; there was a time when he wasn't man but there was never a time when he wasn't God.

The meeting adjourned to a fellowship hour hosted by Eastlawn.

The quarterly meeting of the Mount Zion Baptist Association was held on April 13, 1992, at Glencoe Baptist Church with 50 messengers in attendance, representing 15 churches, and 26 guests were present, including three members from Cornerstone Baptist Church which is under watchcare.

The meeting was called to order by Curtis Tyler, Moderator. Ken Hopkins, pastor of Glencoe Baptist Church, welcomed messengers and guests and had the opening prayer. J.R. Sykes then led the singing of "Send a Great Revival."

A financial report and minutes of the January meeting were approved as printed.

Paul West, representing the Nominating Committee, then presented the slate of officers to take office at the end of the October 1992 meeting and serve for a period of one year. Being no nominations from the floor, he then made the motion that we accept this slate of officers with the Clerk and Music Director taking office immediately. Motion was seconded and voted by messengers.

Gene Martin then presented the Committee on Committees report and made a motion that we accept these nominations as printed. Committee members will take office at the end of the October 1992 meeting and serve for a period of two years unless otherwise noted. The motion was seconded and voted by messengers.

Howard Silver then recognized our guests from Cornerstone Baptist Church in Mebane. He then presented a Resolution on Human Sexuality from the Coordinating Council. He made a motion that this resolution be adopted. Motion was seconded. Dr. Roy Taylor then amended the motion to include sending a copy of the resolution to *The Biblical Recorder*. The amendment was seconded and voted by messengers. The motion then carried.

Bob Stephenson, Associational Discipleship Training Director, then reported that the Associational Children's Bible Drill was held on April 5 with 10 boys and girls from First Baptist, Mebane, participating. All 10 children will represent us at the state level on May 2 in Greensboro. New member training, sponsored by the Sunday School Board, will be held April 14 at Grove Park Baptist. Also on May 2, a Media Training Event will be held at Glen Hope Baptist.

J.R. Sykes then led messengers and guests in the singing of "He Keeps Me Singing."

Special music was then presented by Hope Ensemble from Glen Hope Baptist.

Fred Treadwell then presented an evangelistic message based on 2 Timothy 4:5. He emphasized that evangelism is an awesome need of our society. An area crusade is being planned for the fall of 1993. Christians need to unite so the world will take notice.

Hope Ensemble closed our meeting, and we then adjourned to a fellowship hour hosted by Glencoe.

The quarterly meeting of the Mount Zion Baptist Association was held on July 13, 1992, at Haw River Baptist Church with 99 messengers in attendance, representing 28 churches. The meeting was called to order by Curtis Tyler, Moderator. Joe Bostic, Pastor of Haw River Baptist, welcomed messengers and had the opening prayer. Sandy Yarborough then led the singing of "Share His Love."

The financial report and minutes of the April meeting were approved as printed.

Howard Silver then recognized the two new pastors in our Association, Tom Martin at Oak Grove and Mark Elmore at Edgewood.

Howard Silver, representing the Coordinating Council, then made the motion that "the trustees of the association be authorized to sell, for the highest available price, the mobile unit that was formerly used as a truck stop chapel and that proceeds from the sale be designated mission funds to be used as recommended by the committees on missions and finance. Because of changes in the operation of the Red Horse Auto and Truck Plaza, it is no longer practical to offer ministry to truckers and other travelers at that location." The motion was seconded and voted by messengers.

Being no further business, we were dismissed to Key Leadership Conferences as follows:

Church Clerks .....	Debbie Clayton
Sunday School .....	Joe Sinclair
Discipleship Training .....	Bob Stephenson
W.M.U. ....	Linn Pickens
Music .....	Sandy Yarborough
Evangelism (Pastors) .....	Fred Treadwell

After Key Leadership Conferences, a fellowship was hosted by Haw River.

## Director of Mission's Report

The church year that just ended was a busy one for Mount Zion Baptist Association. Interesting reports of activities and interests that have claimed much of our time and energy are found elsewhere in this Book of Advance Reports. I hope that you will read them with care.

We are honored to have Tom Jenkins, director of the Department of Missions of the Baptist State Convention of North Carolina, Eugene Puckett, editor of *The Biblical Recorder*, and Don Kammerdiener of the Foreign Mission Board of the Southern Baptist Convention as our special guests this year.

I must begin my report by acknowledging and expressing gratitude for the cooperation and generosity of the churches that comprise our association. Baptist associations have no life of their own; they are given life by the churches that choose to be in association with each other. Were it not for churches that offer cooperation and provide financial resources there would be no Mount Zion Baptist Association. Thus we stand forever indebted and responsible to the churches.

While cooperating Baptist churches have always recognized the need to be in fellowship with other churches, that need has never been greater than it is now. Seen against the backdrop of strife and conflict within the Southern Baptist Convention, our association is still a place where we may find and experience real friendship and fellowship; where we still have the capacity and opportunity to recognize our individual uniqueness; where we are able to trust each other; and where we respect each other too much to discount or denigrate honestly held biblical and theological convictions. And if we were to lose the ability to incarnate these sterling qualities within our association, it is not likely that we could do so within the larger Baptist family.

A special word of gratitude is also due the pastors of our churches. They are Christian ministers first and foremost. They have demonstrated over and over again that they care more about serving than being served. They are more concerned about cooperation than gaining control. They are more committed to fellowship than to power. They are more ready to respect their fellow pastor than to reject him. With so much unrest and suspicion running rampant in our culture, it is not easy to be a pastor. The pastors of this association have my admiration and appreciation.

We must, of necessity, rely upon volunteers for almost every aspect of our ministry as an association. Were it not for them, little could be done. It is both unkind and un-Christian not to recognize their contributions to the life and work of our association. They deserve our profound gratitude.

It is not possible to name all volunteers, but certainly the work of Joe Sinclair, Associational ASSIST Team leader; Robert Stephenson, Associational Discipleship Training director; Jeff Gardner, Associational Youth director; and Terry Prichard, Campus Ministry director, deserve our thanks. They plan and provide training opportunities for our churches that are of exceptional quality. They are among the more capable leaders in our state. We are glad that they are in our association.

This year is the final year of the North Carolina-Sao Paulo, Brazil Partnership. To conclude our work with the Vale do Paraiba Association seven people from our association went to Brazil in September. Altogether 50 people from our association went to Brazil as part of the partnership. The association helped many of these people to have an unforgettable missionary experience.

From all we can learn, the good work that our people did in Brazil was genuinely appreciated and it will have lasting effect. Many people in Brazil came to know Christ as a result of the partnership efforts.

The association's response to the victims of Hurricane Andrew in South Florida was remarkable. Our people were as eager to help as they were generous. In addition to all the relief supplies purchased by people from our churches, \$7,504.00 was given with which more supplies were purchased. No expense was incurred in transporting the supplies to Florida, thanks to Perry and Turner Trucking Company of Greensboro that provided the truck and to Mr. Burl Ridge who gave this time and energy to drive the truck.

Reverend Terry Prichard of Grove Park Baptist Church was in Florida when the truck arrived. He supervised the distribution of the supplies, making sure that they were given to the people who needed them.

As the truck left Burlington loaded with food, water, baby diapers, and roofing materials I could hardly keep from feeling a sense of pride in the good and generous people of our churches and community — always ready to help when the need arises.

Much of our time this year has been given to planning for our World Missions Conference which begins with a special "kick-off" rally at Grove Park Baptist Church, Saturday evening, October 24, beginning at 7:00 p.m. Throughout the following week, October 25 - November 1, 25 churches will have the opportunity to meet and hear foreign, home, and state missionaries. Having Don Kammerdeiner with us in anticipation of our World Missions Conference adds a special dimension to its significance.

With one exception, the varied ministries our association continue to function well and they are reaching many people. Because of conditions over which we have no control, we had to discontinue our truck stop ministry. The truck stop chapel was sold, and we recovered all of our financial investment in the chapel.

We are pleased to welcome two new churches into our association. They have met all the requirements for membership. Cedar Rock Baptist Church is about three years old. Reverend Jimmy Nickelston is the pastor, and the church is located on Highway 49 South. Cornerstone Baptist Church was organized this year. Reverend Andy Pettigrew is the pastor. The church is seeking a site South of Mebane for its permanent location. We look forward to working with these new churches.

I am pleased to report to you that there was an increase in financial gifts to the association during the first nine months of the year. Our churches gave approximately \$13,000 more this year than they did last year. We are grateful for this increase, and we know that associational missions will continue to receive the support it deserves.

Southern Baptists are sailing uncharted waters. As a denomination, we have not been this way before and there are many uncertainties ahead. The Cooperative Baptist Fellowship — the moderate wing of Southern Baptists — is steadily gaining strength and its support is increasing. Just what this means for us as a denomination is not clear at this time.

One theological seminary has begun offering a college level degree. This is unprecedented. A number of Baptist colleges and universities are planning to offer theological training. Again, this is unprecedented. Traditionally, seminaries have offered theological training while Baptist colleges and universities have not established theological schools. The results of these changes in the way Southern Baptists provide theological training for future church leaders are not clear. However, these changes are already having an effect. The Baptist State Convention, when it meets in November, will consider offering scholarships to North Carolina theological students who choose to attend a Baptist college or university for their theological training. This is also unprecedented. Inasmuch as students heretofore have gone to seminary for theological training, many will now choose a Baptist college or university. This in turn, will affect seminary enrollment.

The bottom line of all this is that the more Baptist entities there are to support, the more thinly the missions dollar will be spread. Churches — many not of their own choosing — will have to decide how they want their mission gifts used. I say again, we have never traveled this way before.

One disturbing aspect of current Southern Baptist Convention leadership is that some leaders, apparently, are willing to be identified with and enthusiastically support a particular political party. To many Baptists — me included — this apparent tendency is foreboding.

This is not to imply convention leaders should not give expression to their political preferences. That privilege is not to be infringed. Rather it is to suggest that it is wiser for church and convention leaders to maintain a respectable distance from any political party. If such a distance is not maintained it becomes easy for one to lose one's objectivity and it is more difficult for one to speak a prophetic word to the political situation when the Gospel of our Lord demands that a prophetic word be spoken.

In conclusion, I want to thank Ken Barker, Mona Silver, and Ann Williamson for their unfaltering cooperation and support. They are some of God's choice servants, and I am honored to serve with them.

I am privileged to serve as director of missions. I am grateful for the trust you place in me and the other members of the associational staff. We shall guard your trust with the care it deserves.

Respectfully submitted,  
Howard Silver, Director of Missions

## Church and Community Ministries Report

Opportunities for ministry and witness continue to be utmost in our minds, always looking for a chance to reach the people around us by whatever means are possible.

We have shown significant increase in the number of food boxes we have prepared this year. From January through September, we assisted approximately 160 families totaling about 465 people with a week's supply of food. Additional funding was received this year from the 1991 Alamance County CROP Walk. We will also be receiving 1% of the 25% that remains in Alamance County next year.

Our annual picnic for the migrant farm workers was held in mid-August, with the American favorite, hamburgers and hot dogs, along with the trimmings. We have added "Back to School Kits" to our list of gift kits for the migrants as they come to our area. We gave a total of about 450 kits this year.

Our thrift store was moved in March from the location on West Harden Street to 1605 Maple Avenue, Burlington. Revenues generated from sales after rent, utilities, etc. continue to be used for crisis assistance.

Terry Prichard has been serving as Director of the Baptist Student Union at Elon College. Terry has a good relationship with the young people and attendance remains steady at around 30 to 35 persons per meeting.

An ESL Workshop was cancelled this year for lack of participation, however the need continues to be evident. We will try once again to get one of these scheduled in early 1993. We did have one Tutor Trainer Workshop which netted us about 20 new tutors. Several of them are already busy with students.

In addition to our flea market, the booth ministry was represented at the Dogwood Festival in Mebane, the July Fourth Celebration in Gibsonville. We added to our normal cold water booth at the county fair by including a "Diaper Changing Station" which seemed to go over quite well. We hope to try this at some of the street festivals in 1993 (i.e. Arts 'Round the Square and the July Fourth Celebration in Burlington).

Because the Red Horse Auto and Truck Plaza discontinued the sale of gasoline for tractors, there was no longer a need to have a Trucker's Chapel at this location. The chapel was sold. I do anticipate some other type ministry in the future and perhaps another truck stop.

Summer picnics for the hearing impaired, visually impaired and the Brookstone Haven Rest and Retirement Home residents, were held at South Graham Municipal Park. Each of these offered excellent opportunity for ministry. All were well attended by guests and hosts.

Allied Churches of Alamance County is now operating out of their new building, with the night shelter and Good Shepherd Kitchen as the primary occupants.

Orange Congregations in Mission continues to be one of the most active and helpful ecumenical organizations in Orange County.

Our Annual Volunteer Appreciation Recognition was held at Fellowship Baptist Church on October 1, with Volunteer of the Year awards going to Florin Jenkins of Mount Zion and James Bradshaw of Oak Grove. Their wives, Margaret Jenkins and Phoebe Bradshaw were recognized for their supportive roles. Persons receiving honorable mention were Nadine Boring, Nancy Jones, Alease Boggs and Harold Henderson.

From the bottom of my heart, I want to thank the many persons from our congregation who gave of their time and efforts toward the continued success of the ministries of our association. Without them we would be severely lacking.

## Prison Ministry Report

Overall the prison ministry is going well. Financially, however we have been affected by the slow economy. There has been a concerted effort made to enlist the support of churches of other denominations to assist in the financial burden of the ministry. A number of churches have verbally committed to include us in their 1993 budgets. Hopefully this will alleviate some of the financial stress we have felt recently.

The high rate of turnover of the inmate population has taken its toll on our volunteer program. It is more difficult to develop meaningful relationships out of which to minister when a man's stay in the system is brief. Sometimes this causes volunteers to become discouraged. In spite of the high turnover rate we have a core of faithful volunteers.

We continue to try to enlist black churches and volunteers in the ministry. This past year Mount Zion Christian Church of Burlington has become actively involved in Yoke-fellows Ministry as well as providing worship services.

One of the highlights of this past year occurred when four former inmates returned to the Alamance Unit to participate in a seminar we called, "Life After Prison." These four men and their wives spoke very openly and candidly about their prison experiences to those who were currently incarcerated. The words of wisdom and encouragement from these men and their wives were well received by the inmates. The message that all of the former inmates left with the inmates was that a spiritual change was foundational to making their lives more positive and meaningful.

Both units (Alamance and Orange) held seminars again this year sponsored by Prison Fellowship. The title of this seminar was "Life Plan." The men were encouraged to look at how decisions and actions have far reaching consequences. Goal setting was emphasized as well. Orange averaged 27 in attendance while Alamance averaged 7 in attendance.

Mount Zion Baptist churches saw to it once again that the men at both units were not forgotten at Christmas. Your "treat bags" not only provided a thoughtful gift but provided much needed practical assistance for many in the way of cosmetic items. Your homemade cakes continue to provide a personal touch to an otherwise dismal existence.

Once again the "toy project" was a huge success. The men are overwhelmed that people can be so caring. When you allow that daddy to actually hand his child a gift you minister in countless ways to both the child and the inmate. That project takes a great deal of time and effort but it is well worth it. You provided gifts to over 150 children.

Fall revival services are planned for both units. Local ministers and churches will be used in these endeavors.

The monthly birthday parties continue to bless the inmates.

The association serves the community in so many ways. I am proud to be associated with you. Please continue to pray that I will be patient, kind, understanding, kind-hearted, and forgiving as I continue to minister to the staff and those who are incarcerated at Alamance and Orange Correctional Centers.

Respectfully submitted,  
Kenneth Barker, Prison Chaplain

## Acts of Alamance, Inc. Report

ACTS of Alamance, Inc. with the help of its member churches and the Mount Zion Baptist Association continues to bring excellent Christian oriented family television into the homes of cable subscribers in Alamance County. Two churches, Fellowship Baptist Church and Grove Park Baptist Church, continue to provide local television ministries weekly, and have also contributed special programming. Community response is extremely positive toward these efforts.

One matter of great concern is the decision by ACTS to align itself with the VISN Network. Beginning October 1, 1992, ACTS will be on only eight hours per day and VISN programming will be on Channel 25 the other 16 hours. Local pre-emption rights are to remain unchanged for a period of two years. The local ACTS Board is monitoring this situation very closely to determine what the impact on the local ministry of ACTS will be.

Respectfully submitted,  
Bobby Dobbs, President, ACTS of Alamance, Inc.

## Sunday School Report

During 1991-1992 the Mount Zion Baptist Associational Sunday School Improvement Support Team (ASSIST) offered six training opportunities for Sunday School workers in the association with a total attendance of 331 workers.

The associational training school was held on Saturday, March 28, 1992, for five hours using the "Teaching People The Bible" series (Adults, Youth, Children, Preschoolers). Eighty-one people registered, with 76 completing the requirements for study course credit through the Baptist Sunday School Board.

Vacation Bible School Summer Explosion materials were shared in three separate training events. One direct-assistance conference was held for First Baptist Church, Mebane, and the team conducted several personal consultations.

As a result of its work in organization, planning, programming, evaluation, training, and administration, the Mount Zion ASSISTeam has been recognized as STANDARD by the Baptist Sunday School Board for a second consecutive year.

We are fortunate to have a well staffed and trained team in our association which includes two Great Commission Breakthrough consultants, and three state special workers. The team is available throughout the year for individual assistance and/or personal consultations.

## Woman's Missionary Union Report

*Called and Accountable* was our emphasis for 1991-1992, and the Mount Zion Associational WMU accepted the challenge to answer the call and to be accountable.

We had a very good turnout for our leadership conference (21 different churches represented) held prior to the new church year in September.

Baptist Woman's Day of Prayer was observed in November with WMUs all over the world gathering to pray.

Our annual meeting was held at First Baptist Church, Mebane, with the largest turnout in several years.

Associational mission projects have been a major part of all our churches as well as many mission action projects carried on by individual churches and age-level organizations.

As our 1991-1992 watchword says, "But when the Holy Spirit comes upon you . . . and to the ends of the earth." Acts 1:8 we still have work to do.

Respectfully submitted,  
Linn Pickens, Associational WMU Director

## Discipleship Training Report

We continue to see growth and interest in Discipleship Training across our association. More and more of our churches are becoming aware that Discipleship Training does exist within their fellowships even though on the surface there is no specific organization. Many of our churches are doing family conferences, deacon training, new church member training, and potential leader training throughout the year which is all a part of Discipleship Training. Along with these events many churches are conducting classes in evangelism including CWT and LES which is all under the umbrella of Discipleship Training.

This year we have sought to provide increased opportunities for involvement and endeavored to increase awareness of Discipleship Training in our association. Since our last report we conducted the 1991 "M" Night activities at First Baptist Church of Hillsborough. Our attendance was not as large as in some past events but the program was excellent and all those in attendance were inspired.

The first deacon training workshop was held on February 8, 1992, with Wayne Jones as our guest speaker. With 11 churches represented and 41 persons attending on a Saturday we feel that this event can be called a success. Dr. Jones shared ideas about deacon ministry through the Sunday School and how to strengthen both areas. Another similar event is scheduled for next year.

March was a busy month for us in Discipleship Training as we conducted two of our best attended events. First, Dr. Bob Cook was our guest for the associational senior adult rally at Grove Park Baptist Church. Dr. Cook was formerly head of Discipleship Training for the state of Florida and did an excellent job of motivating and challenging the senior adults that were present. The youth rally on March 20 brought young people from all over our association as we gathered first at Holly Hill Baptist Church and then concluded at the Burlington YMCA.

Children's Bible Drill was conducted this year on April 5 with 10 participants all from First Baptist Church of Mebane. All 10 qualified as associational winners and went on to state competition where they were all declared state winners. We are indeed fortunate to have such fine leadership in our association and are trusting that many more of our churches will catch a vision for Children's Bible Drill for the coming year.

The media training event on book repair scheduled for May 2 was rescheduled for November. A report of that event will be included in next year's report.

The following events are scheduled for the rest of this year on into 1993:

November 23 - Associational "M" Night at Riverside

January 30 - Deacon Workshop at Glen Hope

March 5 - Youth Rally at Grove Park and YMCA

(Note change in date from associational calendar)

March 25 - Senior Adult Rally at Glen Hope

April 4 - Children's Bible Drill at North Graham

November 22 - Associational "M" Night at Brookwood

It is our hope that Discipleship Training will continue to grow in our association during the next year.

Respectfully submitted,  
Bob Stephenson, Director

## Ordination Committee Report

The Committee on Ordinations has been both active and productive during this associational year. Three candidates were examined and counseled by the committee regarding their Christian experience, experience of call to ministry, and their understanding of Biblical doctrine.

The following persons were recommended for ordination to the Gospel Ministry to their respective churches:

Michael Todd Workman - Eastlawn Baptist Church

Ken Sharpe - Grove Park Baptist Church

David Gordon - Brookwood Baptist Church.

## Missions Committee Report

The Missions Committee of Mount Zion Baptist Association meets on a regular basis to continue to explore ways to perform creative mission work in our community and beyond. We also are kept informed about the exciting work that is being done through *our* associational staff and hundreds of volunteers. Missions is a vital concern to our association.

We have worked with two groups this year who have formed churches, Cedarock and Cornerstone, and are planning to become member churches of Mount Zion. We also met with a black minister to discuss the possibility of starting a black Southern Baptist church in the area. We have not reached a conclusion on this matter and request that you pray with us about it.

This is the final year of partnership with the Vale do Paraiba Association in Brazil. A group went to Brazil in September to work with the churches in sharing the gospel of Christ. We have seen many positive rewards of this partnership both in Brazil and in our association as well.

Due to your generosity we were able to send from our association a truck full of supplies to South Florida for disaster relief in recovering from Hurricane Andrew. We are planning to continue supporting the recovery effort there. If you can help with monetary support, we will see that it reaches needy areas or if you would like to go help with some of the work we will help you get in touch with the right people. There is an awesome amount of work to be done there.

We are happy to report to you that our mission work in our communities is going well. We were saddened somewhat at the loss of our truck stop ministry due to the curtailment of business there. But our other ministries are functioning and meeting needs in people's lives. We ask that you continue to pray about mission opportunities and that you volunteer to help out.

## Membership Committee Report

The Cornerstone Baptist Church and the Cedarock Baptist Church have met all of the approved constitution and by-laws requirements for admission into the Mount Zion Baptist Association.

Therefore, the membership committee unanimously recommends that the above churches be accepted as full and participating members of the Mount Zion Baptist Association as of October 19, 1992.

## Youth Ministry Report

Those involved in associational youth ministry should look forward to an exciting year. The cooperative strength of our churches continues to grow. More importantly, the goals for associational ministry are now clearly defined.

We will continue to focus our energies and resources upon the three primary areas of youth ministry. Realizing that the first line of defense is the family, we are planning to provide a specialized conference to address the needs of adolescent parents. For the first time, the association will be sponsoring a youth camp. It is our goal to provide a quality experience for our kids while keeping the expense at a reasonable amount.

Equipping workers for effective ministry with youth will be the focus of our yearly training. There will be numerous talented and dedicated servants involved with establishing and implementing the yearly agenda. You can be assured that each event will be first-rate with regards to preparation and personnel.

Our one desire is to serve our churches and bring glory to our God. Specific details will be given prior to scheduled events listed below:

March 9, 1993 - Family Enrichment Seminar

June 7-11, 1993 - Summer Camp

October 23, 1993 - YOUTH Worker Training

We welcome your participation.

Respectfully submitted,  
Jeff Gardner, Associational Youth Minister

## Finance Committee Report

The primary stewardship emphasis for 1993 will be "Live Wisely," an emphasis on Christian money management. We will have a workshop emphasizing money management, led by our state stewardship division, on January 26, 1993.

We have, as an association, continued to meet the needs of people in Jesus' name. Not only have we ministered to people through our usual channels, we have also spread our wings by helping to send seven people to Brazil in this last year of our partnership. In addition, we are hosting a World Missions Conference October 25 - November 1, 1992. But we have had to live wisely and within our means. At the end of July, our monthly receipts were averaging around \$3,000.00 less than our budget requirements.

As we prepare to adopt our 1993 cooperative ministries budget, may each of us thank God for the privilege of serving Him together. As we reflect on God's faithfulness to us may we recommit ourselves to be faithful stewards through our association this year.

Your finance committee would like to thank you for your generous support of associational missions. "God loves a cheerful giver" (II Cor. 9:7) so we encourage the adoption of our 1993 budget and cheerful giving to carry out the ministries represented by this budget.

Respectfully submitted,  
Norman Harris, Chairman  
James Dunn, Chris Gambill, Tommy Hearne, Lyman Snipes  
Finance Committee

## Historical Sketches of Mount Zion Churches

Brief histories of Mount Zion Churches are recorded in the minutes of the years as herewith listed. The association historian suggests that every church in the association have copies of the associational minutes bound every 10 years and keep them in the local church libraries. This will make the minutes of the years available to all the churches, and those bound volumes will grow more valuable with each passing year.

Although our association has had historians almost from the date of its organization, still the clerk was notable to find the history of any church recorded in the minutes until 1921. Just why the sketches of other years were not recorded in the minutes is inexplicable.

At the 1874 session of the association, it was decided to elect a historian annually, the minutes of 1875 record that "The report of the historian was adopted and ordered to be recorded in the 'Book of Records' of the Association." No trace of this book exists. The historical sketches from 1921 are shown in minutes as follows:

# Dedication

Howard Callahan was the quintessential churchman. For three score years and three he was member of Glen Hope Baptist Church. But for Howard church membership was not passive. At one time or another he served his church as deacon, treasurer, Sunday School director, Sunday School teacher, finance committee chair and trustee. He was also interested in and informed about associational missions and frequently served as a messenger from his church to the association. Howard loved his church and its well-being was a vital part of his life.

A textile worker by vocation, Howard's avocation was that of a ham radio operator, thus his circle of friendship was far reaching. His deepest devotion, however, was reserved for his Lord, his family, and his church.

When one thinks of Howard Callahan and the exemplary life he lived, many images come to mind. One that seems especially appropriate is an "*encourager*." Like Barnabas of the New Testament, he was blessed with the gift of "exhortation" (Romans 12:7). Underlying the meaning of this word is a sense of one's having the ability to impart to others wise counsel, moral strength, and courage to endure.

These qualities of character — along with his friendship — are Howard's legacy to us. Now that he has crossed over into the "promised land" of the redeemed, let us rejoice in his victory and be grateful for his memory.

Member churches may withdraw from the Association as they desire. Any church in the Association which failed to cooperate with the Association shall be contacted by a committee appointed by the Coordinating Council of the Association to determine the intentions of the church regarding its remaining in the Association. In the event the church does not respond to the efforts of the Special Committee appointed by the Coordinating Council, the church will be considered as having chosen to withdraw from the Association.

Section 3. Churches desiring to affiliate with the Association shall make a written request to the Coordinating Council of the Association at least three months prior to the October meeting. If, in the judgement of the Coordinating Council and the Committee on Membership, the requirements hereinafter set forth have been met, the church may be recommended for membership without delay at the October meeting of the member of the Association. ### ARTICLE XIV — INDEMNIFICATION AGAINST AND ELIMINATION OF LIABILITY

Section 1. *Indemnity.* Any person who at any time serves or has served as a Trustee or officer of the Association and any such person who serves or has served at the request of the Association as a trustee or advisor or consultant to another corporation, partnership, joint venture, trust or other enterprise, or as a trustee or administrator under an employee-benefit plan, any person who is or has been an employee of the Association who also serves or has served as a trustee or officer of the Association and any person who has been employed by the Association as Director of Missions, Administrative Associate or Church and Community Ministries Director shall have right to be indemnified by the Association to the full extent allowed by applicable law against liability and litigation expense arising out of such status or activities in such capacity. "Liability and litigation expense" shall include cost and expenses of litigation including reasonable attorney's fees, judgments, fines and amounts paid in settlement which are actually and reasonably incurred in connection with or as a consequence of any threatened, pending or completed action, suit or proceedings, whether civil, criminal, administrative or investigative, including appeals. In no circumstances, however, shall the Association indemnify any such person against any liability or litigation expense incurred if such person is adjudged in any action, suit or proceeding to have acted in bad faith or to have been liable or guilty by reason of willful misconduct in the performance of duty.

Section 2. *Determination of Right to Indemnity.* Promptly after the final disposition or termination of any matter which involves liability or litigation expenses as designated in Section 1 or at such earlier time as it deems fit, the Association shall determine whether any person described in Section 1 is entitled to indemnification thereunder. Such determination shall be limited to the following issues: (1) whether the persons to be indemnified are persons described in Section 1; (2) whether the liability or litigation expense incurred arose out of the status or activities of such persons for which indemnification is available under Section 1; (3) whether liability was actually incurred and/or litigation expense was actually and reasonably incurred; and (4) whether the liability and litigation expense were incurred by a person who acted in bad faith or willful misconduct in the performance of duty. Such determination shall be made by a majority vote of trustees who were not parties to the action, suit or proceeding or, in connection with "threatened actions, suits or proceedings, who were not 'threatened parties'." If at least two such disinterested trustees are not obtainable, or, even if obtainable, if at

least half the number of disinterested trustees so direct, such determination shall be made by independent legal counsel in a written opinion to the Association.

### Section 3. *Advance Expenses.*

(a) Litigation expenses for which indemnification is provided under Section 1 shall be paid by the Association in advance of the final disposition or termination of such matter, if the Association receives an undertaking dated, in writing and signed by the person to be indemnified, to repay all such sums unless such person is ultimately determined as provided in Section 2 to be entitled to be indemnified by the Association. Request for payments in advance of final disposition or termination shall be submitted in writing unless this requirement is waived by the Association. Before the first such payment is made, the Association shall have received the written undertaking referred to herein and notice of the request for advance payments shall have been given to the members of the Board of Trustees.

(b) Notwithstanding the foregoing subsection (a), no advance payment shall be made as to any payment or portion of a payment for which a determination is made that the person requesting payment will not be entitled to indemnification. Such determination may be made only by a majority vote of disinterested trustees or by independent legal counsel. If there are not at least two disinterested trustees, the notice of all requests for advance payment shall be delivered for review to independent legal counsel for the Association. Such counsel shall have the authority to disapprove any advance payment or portion of a payment for which it plainly appears that the person requesting payment will not be entitled to indemnification.

Section 4. *Settlements.* The Association shall not be obligated to indemnify persons described in Section 1 for any amounts paid in settlement unless the Association consents in writing to the settlement. The Association shall not unreasonably withhold its consent to proposed settlements. The Association's consent to a proposed settlement shall not constitute an agreement by the Association that any person is entitled to indemnification hereunder. The Association shall waive the requirements of this Section for its written consent as fairness and equity may require.

### Section 5. *Application for Indemnity or Advances.*

(a) A person described in Section 1 may apply to the corporation in writing for indemnification or advance expenses. Such application shall be addressed to the Clerk or, in the absence of the Clerk, to any officer of the corporation. The corporation shall respond in writing to such application as follows: to a request for indemnity under Section 2, within ninety (90) days after receipt of the application; to a request for advance expenses under Section 3, within thirty (30) days after receipt of the application.

(b) The right to indemnification or advance expenses provided herein shall be enforceable in any court of competent jurisdiction. A legal action may be commenced if a claim for indemnity or advance expenses is denied in whole or in part, or upon the expiration of the time periods provided in the preceding subsection (a). In any such action, the claimant shall be entitled to prevail upon establishing that he or she is entitled to indemnification or advance expenses but the Association shall have the burden of establishing, as a defense, that the liability or expense was incurred as a result of acts in bad faith or willful misconduct in the performance of duty. In any such action, if the claimant establishes the right to indemnification, he shall also have the right to be indemnified against the litigation expense including reasonable attorney's fees of such action.

Section 6. *Incidents of Right of Indemnification.* The right to indemnification provided herein shall not be deemed to preclude any rights to which any persons seeking indemnity may be entitled apart from the provision of this bylaw, except that there shall be no right to indemnification as to any liability or litigation expense for which such person is entitled to receive payment under any insurance policy. Such right shall inure to the benefit of the heirs and legal representatives of any persons entitled to such right. Any person who at any time after the adoption of this bylaw serves or has served in any status or capacity described in Section 1, shall be deemed to be doing or to have done so in reliance upon, and as consideration for, the right of indemnification provided herein. Any repeal or modification hereof shall not affect any

rights or obligations then existing and any person who would be entitled to indemnification for activities prior to the repeal or modification shall continue to be entitled to indemnification for such prior activities even if the claim arises and/or the liability and litigation expense occurs after the repeal or modification. The right provided herein shall not apply as to persons serving institutions which are hereafter merged into or combined with the Association except after the effective date of such merger or combination and only as to the status and activity after such date.

Section 7. *Supplemental*. The foregoing right of indemnification shall be in addition to and not exclusive of all other rights to which such director or officer, or an employee or agent may be entitled.

Section 8. *Savings Clause*. If this Article or any portion hereof shall be invalidated on any ground by any court or agency of competent jurisdiction, then the Association shall nevertheless indemnify each person described in Section 1 to the full extent permitted by the portion of this Article that is not invalidated and also to the full extent, but not exceeding the benefits described herein, permitted or required by other applicable law.

Section 9. *Elimination of Certain Liability*. In accordance with North Carolina General Statute §55A-28.1A, a person serving as a trustee or officer of the Association shall be immune individually from civil liability for monetary damages, except to the extent covered by insurance, for any act or failure to act arising out of his service as trustee or officer, except where such trustee or officer: (1) is compensated for his services beyond reimbursement for expenses; (2) was not acting within the scope of his official duties; (3) was not acting in good faith; (4) committed gross negligence or willful or wanton misconduct that resulted in the damage or injury; (5) derived an improper personal financial benefit from the transaction; (6) incurred the liability from the operation of a motor vehicle; or (7) is a defendant in an action brought under N.C.G.S. §55A-28.1 (Liability of Directors in Certain Cases) or N.C.G.S. §55A-28.2 (Member's and Director's Derivative Actions). If the North Carolina General Statutes are amended after approval of this section to authorize associate action further eliminating or limiting the personal liability of trustees, then the liability of a trustee of the Association shall be eliminated or limited to the fullest extent permitted by the North Carolina General Statutes, as so amended. No amendment or repeal of the provisions of this section shall apply to or have any effect on the liability or alleged liability of any trustee of the Association for or with respect to any act or failure to act on the part of such trustee occurring prior to such amendment or repeal. The provisions of this section shall not be deemed to limit or preclude indemnification of a trustee by the Association for any liability which has not been eliminated by the provision of this section.

## Director of Missions

The associational year now ending began with a World Missions Conference. Twenty-five of our churches participated in the conference, and from all we have been able to determine it was a genuine blessing to our churches.

Missionaries with us during those days — October 25-November 1, 1992 — were well received by our churches. Many of the missionaries indicated to us that it was the best World Missions Conference in which they had ever participated.

Reverend Freddie Braswell, Pastor of Northside Church, served as chairman of our World Missions Conference. He, along with all the other people who worked with him, deserves our gratitude for their capable leadership.

When all expenses for the conference were tabulated, we were able to refund \$89.63 of the \$500.00 each participating church gave in order to underwrite expenses for the conference.

With one exception, your association has had a good year. All missions ministries have functioned well. They have touched the lives of hundreds of people who do not normally attend church. Unfortunately some projected church development events had to be deleted because of insufficient funds. We regret that we had to delete these needed events, but we had no choice since funds were not available to underwrite their costs. We have some of the best church development leadership in our state in the persons Joe Sinclair and Bob Stephenson, but their ministry to us this year was not what it could have been if sufficient financial resources had been available.

It has been said before, but perhaps it's worth repeating: Your association is dependent upon the churches that comprise it. With the exception of very limited assistance from the Baptist State Convention and the Home Mission Board, your association is altogether dependent upon the churches. Your association does not receive Cooperative Program funds. They all go to the Baptist State Convention and the Southern Baptist Convention.

We are aware that our economy is not as robust as it has been in the recent past, and we are certain that churches have seen evidence of this in the amount of offerings they have received. The time may well have arrived when our churches will have to determine anew whether our association deserves to be financially healthy or whether it will have to suffer from and be handicapped by financial "anemia."

It might help us to remember that Baptists had associations long before they had state and national conventions. Our Baptist forbears recognized the necessity for fellowship among churches and they learned early that they could do many things together that they could not do as individual churches.

The time may be upon us when we shall have to determine whether our association is vital to the life of our churches. Churches that answer "no" will have little incentive to give to the association. Churches that decide "yes" will continue to give responsibly, but it is still a question of whether their gifts will be enough. The harsh truth is this: Your association cannot continue to operate on a deficit budget. We are having to use reserve funds now to meet our budget even though expenses have been reduced to a minimum. So our churches have an important decision to make regarding our association, and the results of those decisions will be reflected in their gifts to associational missions. This, in turn, will determine both the extent and the vigor of associational missions.

Please read the Finance Committee's Report with care. It sets forth plainly the procedures your association will follow regarding the use of financial resources.

One of the limits inadequate financial resources places upon your association is the inability to help with starting new and needed ministries. A case in point is Riverside Church's effort to reach the ever-increasing number of Vietnamese people who are moving to this area. In cooperation with the Language-Chaplaincy Department of the Baptist State Convention and our association, Riverside Church will begin a new mission, but our association's contribution to this effort is significantly less than it ought to be.

The success of the recently held Jim Wilson Evangelistic Crusade is due in large part to the capable and careful leadership of Fred Treadwell, Pastor of Glen Hope Church. Others from our association who worked closely with Fred in this effort are Garry Baldwin, Jay Robertson, Mike Workman, Jeff Gardner, and David Gordon. To all of them we express our gratitude for the good work they have done.

In keeping with the ministry of evangelism, churches will be encouraged to prepare for simultaneous revivals to be held in the Spring of 1995. It isn't too early for churches to begin planning now for an effective revival effort.

Conflict continues to take its toll in some of our churches. Help with resolving conflict is available from your association and the Center for Congregational Health at Baptist Hospital in Winston-Salem. I encourage church leaders to take advantage of these resources.

Forty years ago I was in military service nearing the end of my four-year enlistment. In military vernacular I was a "short-timer." As your director of missions, I am a "short-timer" now. My tenure, at the longest, will not extend beyond the end of 1994. I share this with you now to indicate that my pleas for adequate funding for associational missions is not for my personal benefit. Regardless of who is director of missions your association has and will continue to have unlimited opportunities for authentic local missions ministries. The only question is: will we seize these opportunities with enthusiasm, optimism, and commitment? The answer lies with the people in our churches who make decisions about the allocation of missions resources.

In conclusion, I express my profound gratitude to Ken Barker, Prison Chaplain; Mona Silver, Administrative Associate; and Ann Williamson, Director of Church and Community Ministries for their loyalty and cooperation.

J. Howard Silver, Director of Missions

## Prison Ministry

The ministry to inmates at the Alamance and Orange Correctional Centers continues. There is a conscientious effort to meet the spiritual, emotional, and physical needs of the inmates and staff at these facilities. The ongoing programs at both units include worship, Bible study, and Yokefellows. We are blessed with some faithful volunteers who continue to come to the units for the various activities.

In addition to these ongoing programs the chaplain provides spiritual growth and crisis counseling for the inmates and staff. The chaplain tries to see new inmates individually or in small groups to make them aware of this service to them. We supply Bibles, Christian literature, greeting cards, and toilet items as these needs arise.

The custody level at both units is minimum. At Orange the bed capacity is 188 and the staff numbers approximately 40. Alamance houses 108 men with a staff of approximately 30. We continue to have a good working relationship with the administration at these facilities. The cooperative spirit enhances our work. There continues to be a high rate of turnover in the population of these units, and this makes it more difficult to establish solid relationships out of which to minister.

During the past year revivals were held at both camps. Local ministers brought inspiring messages which were well received by the men. Choirs and individuals provided music which enhanced the worship experiences. A number of decisions were made by the men. Orange averaged 35 in attendance, while Alamance averaged 30 each night.

Seminars were held at the units also. "Loving Others" was the title of the seminar at Alamance, with an average of 12 men attending each night. At Orange the seminar was on self-esteem, and there was an average of 20 in attendance each night for three successive nights. We were real pleased with their response to these programs.

Your graciousness and generosity helped to make Christmas more pleasant than it would have been without your help. Once again you provided "treat bags" for the men which included fruit, candy and toilet items. These bags were greatly appreciated by the men. If it had not been for your kindness many of the men would have been forgotten. The highlight of the season for the men is being able to give their children gifts which are provided by many of you. This ministry is important for both the men and their children.

The monthly birthday parties which you provide for the men continue to be a blessing to them. I hear words of gratitude long after you are gone. They look forward to your coming and being with them. Many of you have heard me say your presence means more to them than the presents you bring.

A newsletter is published periodically to keep people informed regarding the ministry. I hope those of you who receive the newsletter find it helpful and informative. Some of the articles are responses by the inmates themselves.

This past year we experienced a financial crisis due to a shortage of contributions. We continue to solicit financial support from area churches and individuals so that we might minister effectively in this difficult setting. Several churches began to help us this past year. Hopefully, more will lend us their support with volunteers as well as funds.

Let me close by thanking you for your support of the ministry both financially and your "hands on" efforts. I solicit your prayers for myself, the volunteers, and the inmates. Pray that we will remain faithful, patient, and understanding. Pray that the inmates will be receptive to God and His tug on their lives. Thanks again for all that you do for the inmates at these two facilities.

Kenneth Barker, Prison Chaplain

## Missions Committee

The Missions Committee meets monthly to hear reports from the associational staff and mission entities. Opportunities to be involved in mission projects are also explored. The task of our committee is to work with the director of missions in promoting the work of the association, and lead and assist in organizing new churches and in beginning new mission stations.

One new mission station this year is the establishment of a Vietnamese mission at Riverside Baptist Church. This is a joint effort of the North Carolina Baptist State Convention, Mount Zion Baptist Association, and the Riverside Church. This is an exciting venture to provide an opportunity for Vietnamese people to come together for worship.

Again this year disaster struck at various places in our country and you responded. A tornado swept through Hillsborough leaving much damage and destruction. We met with cooperating agencies to investigate the best means of ministry. Our churches came through, especially Fairview whose people worked countless hours to match goods with needs. You also were very generous in providing assistance by sending supplies to the flood ravaged midwest section of our country.

Our ongoing mission endeavors continue to function under the direction and leadership of our director of missions and staff. We express our gratitude to Howard Silver, Mona Silver, Ken Barker and Ann Williamson for their dedication to associational missions. Please continue to support them and your Missions Committee with your prayers, and if you have suggestions please share them with us.

Harold Ball, Chairman, Freddie Braswell  
Diane Daniels, Ray Jernigan, Linn Pickens  
Kenneth Barker, Ann Williamson, Lorraine Allen

## Church and Community Ministries

Many opportunities for ministry and witnessing continue to be with us on a daily basis. During the year, I have tried, with the help of the Church and Community Ministries Committee to form three subcommittees: Flea Market, Thrift Store and Picnics Committee. Although we have not been able to get these functioning, I believe they will be a tremendous asset to our ministry efforts.

Requests for food have remained about the same as last year. Requests for other assistance has not been as heavy as in the past, and we have not had the revenues to help as many as we would like. The expenses at the thrift store deplete most of our revenues, therefore we are looking for a less expensive building to house this ministry effort.

We have had difficulty in getting enough persons to have a literacy workshop. We did have an ESL (English as a Second Language) workshop in the Spring, but we desperately need a training workshop for English speaking non-reading adults. We now have a waiting list for tutors.

The booth ministry was expanded this year to include the diaper changing station and was present at the Dogwood Festival in Mebane, the July 4th celebrations in Burlington and Snow Camp and at the Alamance County Fair. The response to the diaper changing station was good at some places, fair at others and not so good at others. We will most likely try again next year at these and perhaps other places.

The picnics for the special groups seemed to go quite well. Everyone seems to enjoy these times together and all of them leave anticipating next year.

We continue to support the Orange Congregations in Mission and the Allied Churches of Alamance County ministry efforts. Each of these organizations is an ecumenical group which helps in many areas of need.

Guests for our annual migrant farm workers picnic totalled more than 130 persons. We had a good time, at a new location, with the traditional hamburgers, hot dogs and trimmings. In addition to the picnic, Thurman Graves of the Employment Security Commission worked with the migrants in a Sunday afternoon effort of athletic activities including basketball, baseball, soccer, etc. Many of our ladies assisted with refreshments during these fun times.

Our association was listed as recipients of "Christmas in August" gifts in the *Dimension* magazine this year. The response has been overwhelming. Items received will be used for the migrant health kits, the prison ministry and rest home ministry. They include notebooks, pencils, sharpeners, rulers, shampoo, deodorant, etc. Several groups called and wanted an expanded list and they brought groceries for the food pantry and clothes and other household items for the thrift store. I have put together a brochure that lists our ministry efforts along with the names of our churches. I have sent a copy of this brochure to the people who contributed to the "Christmas in August" effort.

The volunteer appreciation function was held on October 7 at Riverside Baptist Church. The Volunteer of the Year was Nadine Boring of Burlington First Church with honorable mention going to Eugene Martin of Mount Adar Church, Mary Prichard of Haw River Church and Nadine Tidwell of Glen Hope Church.

Without the continued efforts of our many dedicated volunteers, our ministries could not continue. To each of them, I give my most sincere thanks. I could never do it on my own.

Ann Williamson, Chairman  
Church and Community Ministries Director

## Woman's Missionary Union

Quarterly meetings of our council were held during the past year, and our watchword for the year was Joshua 1:6a; with the theme - "Lead On."

Our organization received "Distinguished Achievement" recognition for 1991-1992 from the Woman's Missionary Union of the Baptist State Convention of North Carolina.

An evening meal was prepared and served for the annual meeting of Mount Zion Baptist Association on October 19, 1992. Each church's WMU shared the cost and preparation of the food.

A donation of \$100.00 was given to the Hurricane Andrew Relief fund for Florida, and also a memorial gift in memory of Dan Smith (husband of Edna Smith) was given to the Lottie Moon Christmas offering at Northside Baptist Church.

The mission action project at Christmas for the North Carolina Women's Correctional Institution was supplying hard candy, and for the Alamance and Orange County correctional centers help was given in obtaining toilet items for the men, as well as helping with their Christmas party.

On November 2, 1992, the Baptist Women Day of Prayer meeting convened at Holly Hill Baptist Church, and on November 3, an Acteens swap shop was held for Acteen leaders at the Edgewood Baptist Church.

Ladies from several churches attended the North Carolina WMU Missions Extravaganza at Ridgecrest Baptist Conference Center on March 26-28, 1993, and also WMU Week August 21-27, 1993. Our officers attended the state WMU leadership conference at Caraway on July 31, 1993, and our annual associational leadership conference was held at Brookwood Baptist Church on September 28, 1993. Many of our ladies participated in the shower of needs for Camp Mundo-Vista in Asheboro.

A procession of flags by Acteens opened our annual meeting which was held at First Baptist Church, Graham, on Tuesday, March 16, 1993. The theme was "Lead On," and Mrs. Connie Reynolds, missionary to Spain was our guest speaker.

Linn Pickens, WMU Director

## Evangelism Committee

The Evangelism Committee has been very instrumental in organizing and conducting the 1993 Alamance for Christ Crusade with Jim Wilson. As you may know this was the idea of our own Evangelism Committee and many of them have held key leadership responsibilities during the crusade. The following are the total statistics for the crusade:

- Total Attendance - 7,927
- Decisions - 280
- Acceptances - 97
- Assurances - 28
- Rededications - 111
- Others - 44

The next major initiative ahead of the Evangelism Committee concerns the 1995 Here's Hope Simultaneous Revival effort. If the association agrees to participate in this event, we will elect a nine member Steering Committee to provide training to our churches in key areas of responsibility in the local church. These names will be shared with you so that you may elect them to these vital positions.

Thank you to all who have been a part of the work of your Evangelism Committee. Please continue to pray for us.

Fred C. Treadwell, Chairman, Garry Baldwin  
Dan Christopher, Bill Knapp, David McMillan

## Royal Ambassadors

Discussion at the Royal Ambassador session during the July Mount Zion Baptist Association conference centered on suggested activities for local R.A. units. Included in the discussion were mission activities which could be held along with Lottie Moon and Annie Armstrong offering campaigns. A soft drink can recycling program to raise money for mission offerings was one item discussed.

Local Royal Ambassador leaders will be notified of possibly participating with the R.A.'s of First Baptist Church of Graham in a Lottie Moon Christmas Offering hike-a-thon to be held in late November or early December. Another upcoming activity being planned is the Mount Zion Baptist Association pinewood derby race tentatively scheduled for early March 1994.

Alec French, Royal Ambassador Director

## Discipleship Training

At times Discipleship Training becomes a difficult program to evaluate. So many different parts blend together to form the larger unit and sometimes our preconceived notions make a true evaluation difficult. There is the old notion that Discipleship Training (church training, training union or whatever name you have given it) can only be done on Sunday nights at 6:30. Because only a small number of our churches are able to have a program on Sunday evenings we have decided that we cannot do Discipleship Training. However, in the larger picture we find that we are doing much in the area of discipleship. Any time we are equipping Christians to live better in this world we are discipling.

As an association, this year we have sought to provide opportunities for growth and discipling in several areas. Five specific events were conducted this year with an overall attendance of 607 people. These included our annual "M" Night, deacon training workshop, youth rally, senior adult rally and Children's Bible Drill.

The second deacon workshop was conducted on January 30 at Eastlawn with Reverend Jerry Moore. The topic was "Equipping Deacons in Caring Skills." With eleven of our churches represented and 43 persons in attendance we continue to feel that this type of workshop is meeting a specific need and plan to offer a third session this coming February.

Glen Hope Church was host to our third annual senior adult rally on March 22 with 170 persons in attendance. The key note speaker was Maurice Cooper, director of the Discipleship Training Department of our state convention. Along with Maurice we were happy to have Bill Cox. Bill will be returning next year for a rally in March.

Perhaps one of the most encouraging meetings we had was our Children's Bible Drill at North Graham. The church was nearly filled as three churches participated in the drill. Those who participated were an inspiration to us all and did well. Those who qualified as winners on the associational level continued to the state level of competition.

As always our youth rally drew the largest number of participants with 270 recorded. The rally for next year has been moved to the end of January to help alleviate having so many meetings during the month of March.

The following events are scheduled for the rest of this year and on into 1994:

- November 22 "M" Night, 7:00 PM, Brookwood
- January 28 Youth Rally, 7:00 PM, Holly Hill
- February 26 Deacon Retreat, 10:00 AM, Riverside
- March 14 Senior Adult Rally, 10:00 AM, Glen Hope
- April 10 Children's Bible Drill, 3:00 PM, Haw River, First
- November 21 "M" Night, 7:00 PM, Northside

It is our hope that Discipleship Training will continue to grow in our association as more and more of our churches become aware that training is not limited to Sunday nights.

Bob Stephenson, Discipleship Training Director

## Sunday School

During 1992-1993 the Mount Zion Associational Sunday School Improvement Support Team (ASSIST) conducted three training opportunities in the association.

A "Great Commission Breakthrough" awareness conference was held on April 13, 1993 with eight people in attendance representing four churches. A Vacation Bible School Clinic was conducted on May 28, 1993 with 64 people in attendance. Twenty-three people attended the Sunday School directors clinic at key leadership on July 12, 1993.

The following training events and opportunities have been planned by the ASSISTeam for 1993-1994:

Tuesday, January 18, 1994  
7:00 - 8:30 PM

Saturday, March 16, 1994  
9:00 AM - 3:00 PM

## Campus Ministry

The Baptist Student Union (B.S.U.) at Elon College is continuing to function as a viable fellowship for young people on that campus. We have a strong group of believers who so desire to make a difference. Their level of spiritual commitment is inspiring, and the work they carry on at Elon will be felt for years to come.

For the new year, we have moved our meeting time to 5:00 PM on Thursdays. Most all who want to be involved can do so at this hour.

Last year we raised \$100.00 toward our state missions offering, and we have talked about increasing that considerably in the year that lies ahead. The leadership seems excited about this potential.

Allow me to thank you on behalf of all the students who so appreciate having a great "home-cooked meal" at least once a week while in college. The cafeteria food, according to many, has that institutional flavor that is less than appealing. The meats, vegetables, breads, cakes, and such that you provide fill a need in their lives.

What you do for this group of students is a ministry. Never doubt that!

Terry Prichard, Chairman, Ann Williamson  
Herbert House, Jr., Janie Brown, Sharon Bower

## Ordinations

The Committee on Ordinations examined three candidates regarding their Christian experience, their call to Christian ministry, and their understanding of Biblical doctrines.

The following persons were recommended for ordination to the Gospel Ministry to their respective churches:

- Gail W. Smith, Mars Hill
- David Gordon, Brookwood
- Thomas C. Wrenn, Jr., Glen Hope

Ralph E. Jones, Jr., Chairman, D.D. (Jack) Gross  
Lucy Bardwell, Kathy Crawford, Ken Simpson

## ACTS of Alamance

ACTS of Alamance with the help of its member churches and the Mount Zion Baptist Association continues to bring excellent Christian oriented family television into the homes of cable subscribers in Alamance County. Two churches, Fellowship Baptist and Grove Park Baptist, continue to provide local television ministries weekly. We continue to receive reports of how lives are being touched by these ministries.

With ACTS merging with the VISN network in October 1992, significant changes have resulted in the product you see in your home. Most significantly, there is more diversity of religious ideas and doctrine, yet many of the same programs which appeared on ACTS are now a part of the VISN network. Your local ACTS board has been monitoring these changes with great concern and interest. While we do not agree with all of the programming that appears on the ACTS/VISN channel, the overall impact does not seem to be negative. We are continuing to watch this situation closely and will recommend any changes that become necessary.

One other change that is impacting ACTS/VISN is the Cable Act of 1993. As you have noticed ACTS/VISN has moved to cable channel 1. If you have a cable ready television and do not use a converter box, you can receive ACTS/VISN on channel 99. The greatest concern we have regarding the Cable Act is that there are no guarantees that the cable company will continue to carry us at all at some time in the future. While our reputation with the cable company is very good, viewer choice is the determining factor. We will continue to monitor developments in this important area as well.

Bobby Dobbs, President

## Place and Preacher

- That the July 11, 1994 quarterly Key Leadership Meeting be held at Glen Hope Baptist Church.
- That the One Hundred Twenty-fifth Annual Session be held at First Baptist Church, Elon College, on October 17, 1994, and at the First Baptist Church of Graham, October 18, 1994.

The committee further recommends:

Carl Kincaid, Chairman, Greg Clark  
Joe Sinclair, Ken Hopkins

*(2) When the association is without a Director of Missions this committee shall recommend to the association a special committee composed of the Moderator, the Chair of the Missions Committee, and three additional members. This special committee will seek out and recommend to the association for election a new Director of Missions according to Article X, Section 1.*

EFFECT OF CHANGE: The Missions Committee would no longer be responsible for seeking out and recommending to the association a Director of Missions. This responsibility would be given to a special committee nominated by the committee on nominations.

REASON FOR CHANGE: As the Missions Committee now stands, two members of the associational staff are on the committee. It is felt that a special committee could be more objective in selecting and recommending a new Director of Missions.

### ARTICLE X - DIRECTOR OF MISSIONS

Section 1. currently reads: The Director of Missions shall be elected upon a recommendation of the committee on missions, and by vote of the association at a regularly scheduled meeting, or between meetings of the association by the coordinating council. The relationship between the association and its Director of Missions may be terminated following a reasonable notice given by either party.

- Proposed Change: Section 1.

*The Director of Missions shall be elected upon a recommendation of a special elected committee, and by a vote of the association at a regularly scheduled meeting.* The relationship between the association and its Director of Missions may be terminated following a reasonable notice given by either party.

## Finance Committee

At this time, we, as an association, find ourselves in a difficult financial situation. In our 1992 year end report the Finance Committee alerted the churches that our contributions were averaging around \$3,000.00 per month less than our budget requirements. We are distressed to report that in 1993 we are not only not meeting our budget requirements, we are not meeting our necessary expenses.

Because of the decrease in receipts the finance committee instituted a policy effective April 16, 1993 that all committees in the association must have prior approval from the chairperson of the Finance Committee to commit any monies exceeding \$100.00. This policy remains in effect. Our committees have responded beautifully to this request. However, we have still had to use some special funds just to pay our ongoing financial obligations.

In June of this year a letter was sent to each church from our Moderator, Finance Chairman, and Director of Missions outlining our situation and asking each church to respond with an estimate of their 1994 gifts to the association. Only 12 churches responded. Based on our best "guestimate" the Finance Committee sees associational revenues around \$128,000.00 for 1994. We had budget requests for over \$172,000.00 from our ministry committees for the year.

Even though the proposed budget is \$30,000.00 more than our estimated gifts, the Finance Committee recommends its adoption with this stipulation: Expenditures will be on the priority of administrative personnel, prison ministry, and service and assistance. If other monies are available, the finance committee will approve other expenditures.

Our association cannot continue to exist without financial support from the people who make up the association - our churches. It is our deepest prayer that God will lead each church to make a renewed commitment to associational missions in 1994.

## Historical Sketches of Mount Zion Churches

Brief histories of Mount Zion Churches are recorded in the minutes of the years as herewith listed. The association historian suggests that every church in the association have copies of the associational minutes bound every 10 years and keep them in the local church libraries. This will make the minutes of the years available to all the churches, and those bound volumes will grow more valuable with each passing year.

Although our association has had historians almost from the date of its organization, still the clerk was notable to find the history of any church recorded in the minutes until 1921. Just why the sketches of other years were not recorded in the minutes is inexplicable.

At the 1874 session of the association, it was decided to elect a historian annually, the minutes of 1875 record that "The report of the historian was adopted and ordered to be recorded in the 'Book of Records' of the Association." No trace of this book exists. The historical sketches from 1921 are shown in minutes as follows:

# Dedication

RETIRED – But not too tired to continue in the Lord’s work. At least six men in our Association fit this description, and to these men we dedicate this 1998 Annual.

These men have served a church or churches in the Mount Zion Baptist Association for a number of years, retired, and gone on to serve as interim pastors, supply pastors, or in other ministries, many of these in the Mount Zion Association. If we were to total their years of service, the number of churches they have preached in, and their various other contributions to the life of Alamance and Orange Counties as well as the Mount Zion Baptist Association, we would be astounded.

Space will not permit such a detailed account, however, so briefly, in alphabetical order, we present these six Christian soldiers who have been and are still faithful to God’s call.

Now Pastor Emeritus of Graham First Baptist Church, **Dr. Ralph E. Jones, Jr.** pastored that church for 29 years. Dr. Jones is a native of Georgia and served pastorates in Georgia and North Carolina while in college and seminary. After serving at Spilman Memorial Church in Kinston, he came to Graham in 1960. Since his retirement in 1989, he has served in the capacity of interim pastor for Alamance First Baptist from February through November 1989, and then as pastor from December 1989 until October 1992. He has been married to Elinor for 51 years and they have two children and three grandchildren.

It would require a book to list all his involvement in the work of the Association and the community. A partial list includes Moderator of both the Neuse and the Mount Zion Associations and member of numerous committees. He has been President of the Ministerial Associations in both Kinston and Graham and has been on the General Board and other committees of the North Carolina Baptist Convention. He served in the Third Armored Division in World War II. He has been chaplain of the Graham High School football team and the Graham Fire Department, and lists sports among his many interests. He and Elinor live in Graham.

**Dr. Charles R. Lemley** is a native of Salisbury, North Carolina, where he pastored Milford Hills Church from 1955 until 1965. Next came a pastorate in Asheville, and in 1972 he came to Mebane First Baptist to love and serve the people of that church for 20 years, retiring on May 31, 1992. He has served twice as Moderator of the Mount Zion Baptist Association and on various committees. Since retiring he has preached in at least 40 churches and has held interim pastorates at Edgewood Baptist in Mebane and City Lake Baptist Church in Burlington.

Charles and his lovely wife, Lee, have a son and a daughter and one "handsome grandson", to quote Lee. An accident requiring surgery on his right foot has limited his ability to travel and indulge his love of walking. He and Lee live in their home in Mebane, where he is able to enjoy his passion for reading.

Rev. Felton Massey began his ministry in the Trinity Baptist Church in the Dan Valley Association. From there he came to Glencoe Baptist Church where he pastored from 1980 unto 1988. He pastored Nall Memorial Baptist Church in Graham for four years, retiring in 1992.

He and his wife Edna have three daughters, six grandchildren and three great-grandchildren. In addition to his pastoral duties and family life, he enjoys woodworking and gardening. One friend says she never saw him sit down.

He has served on the Nominating Committee for this Association and has preached the Annual Sermon and the Doctrinal Sermon for Associational meetings. Since his retirement he has served as interim pastor at Northside Baptist and is now interim pastor at Faith Bible Chapel in Burlington.

**Rev. Curtis Oakley**, a native of Alamance County, served Riverside Baptist Church in Graham from July 1962 until December 1989, and has been extremely busy since his "so-called" retirement. He is now serving his seventh interim position, which is his second at Moore's Chapel in Saxapahaw. Among these were interims at First Baptist Church of Alamance as well as North Graham Baptist Church. Somehow he also managed to find time to go on a preaching mission to Korea in 1994.

Prior to his retirement, he served as Moderator and Vice Moderator of the Mount Zion Baptist Association, served on the Coordinating Council and the Place and Preacher Committee, as President, and was Secretary of both the Pastor's Conference and the Graham Ministerial Association.

He and Elizabeth, who is well known in the area for her poetry, have three children, three grandchildren, and a great grandson. They live in Burlington.

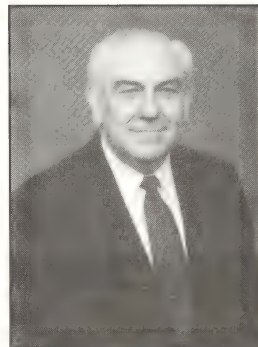

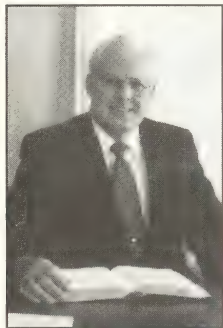

**Dr. Roy P. Taylor** may be the only television personality in this group. The worship service at Grove Park Baptist Church in Burlington, which he pastored from February 1977 until September 1997, is televised and enjoyed by many shut-ins and others in this area.

Dr. Taylor has served as Moderator of this Association and in numerous other capacities. At present, he is a member of the Executive Committee and holds the position of Congregational Development Director for the Association. Since retiring from Grove Park only a year ago and accepting the duties of Congregational Development Director, he has also served as interim pastor at Salem Church in Apex and New Covenant Church in Graham.

He and his wife Mildred have a son and a daughter and two grandchildren. They live in Elon College, where he enjoys gardening in his "spare" time.

Swepsonville Baptist Church was pastored from 1979 until 1995 by a tall, warm-hearted man with not only ability as a preacher, but also a beautiful singing voice. **Dr. E. Paul West, Jr.** is a native of Hamilton, North Carolina. His family includes his wife, Betty, three daughters and ten grandchildren. Perhaps that information helps us to understand why he relates so well to children of all ages.

Dr. West has been Moderator of the Mount Zion Baptist Association, President of the Pastor's Conference, on the General Board of the North Carolina Baptist Convention, and was a member of the Search Committee that recommended Dr. Lynn Sasser as our Director of Missions.

Since his retirement he has preached in a number of churches and has for some months been interim pastor at Holly Hill Baptist Church in Burlington. When time permits, he enjoys working in his yard and playing golf. He and Betty live in Graham.

This dedication cannot in any way do justice to these men and their accomplishments. We can only say "thank you" and know that in time they will hear their Lord say, "Well done, thou good and faithful servant: thou hast been faithful over a few things, I will make thee ruler over many things: enter thou into the joy of thy Lord." Matthew 25:21 KJV

**Tuesday, October 20, 1998  
FIRST BAPTIST CHURCH, BURLINGTON,  
Burlington, North Carolina**

The second session of the one hundred and twenty-ninth annual meeting of the Mount Zion Baptist Association was held on Tuesday evening, October 20, 1998 at the First Baptist Church, Burlington, Burlington, North Carolina. Those attending were treated to a time of Pre-Session Choral Inspiration offered by the First Baptist Church, Burlington, Men's Ensemble.

At 7:00 p.m., Moderator Terrell Duncan called the meeting to order. Dr. Craig McMahan welcomed the messengers and guests and then opened the session with prayer.

Rev. Jim Wrenn led the congregation in a praise medley.

Miss Marty Montague gave a brief report on the Global Children's Outreach. She encouraged the members of the Mount Zion Baptist Association to involve themselves in this important ministry to an even larger degree than in the past. This can be accomplished by hosting a child, by making a monetary donation, by donating children's clothing, or by collecting humanitarian aid, which will be sent to the child's home country. In the summer of 1999, children will be hosted by Global Children's Outreach from countries including Belarus, Moldova, South Africa, Venezuela, and Sioux Indians from South Dakota. They will stay with a host family for six weeks.

The new pastor for the Vietnamese Mission at Riverside, Phiet Nguyen, reported that the mission is slowly growing. The presence of a full time minister should aid in that growth.

Eric Thompson, who has been working with the Mount Zion Baptist Association regarding Hispanic work in our area, gave a very encouraging report on the Hispanic Mission efforts within the Association.

The congregation was then again delighted with a performance of the First Baptist Church, Burlington, Men's Ensemble

Mrs. Kathryn Ellington reported for the Memorials Committee. She announced that the 1998 Annual would be dedicated to six retired and revered pastors from the Mount Zion Baptist

Association. They are as follows: Dr. Ralph E. Jones, Jr., Dr. Charles R. Lemley, Rev. Felton Massey, Rev. Curtis Oakley, Dr. Roy P. Taylor, and Dr. E. Paul West, Jr.

Rev. Kenneth Wilson, Chairman of the Constitution and By-Laws Committee, moved that the amendment to the By-Laws be approved as presented on the previous evening. The motion was seconded and passed unanimously.

Mr. Steve Reavis, Chairman of the Funding Development Committee, moved that the Proposed Budget for 1999 be approved. The motion was seconded and passed unanimously.

Dr. Lynn Sasser then proceeded with the installation of officers.

Special music was provided by members of the church choir of the newly inducted New Birth Baptist Church.

Dr. Lynn Sasser returned to give the Visioning Team report. He introduced each member and thanked them for the two year commitment they had agreed to by their participation. He also reviewed the findings of the Team and introduced a new mission statement for Mount Zion. The new statement was unanimously approved, as well as a new Associational structure which will be perfected in the near future. The new mission statement is as follows:

*The Mission of the Mount Zion Baptist Association is to partner with congregations  
by serving as a resource to empower and equip them  
to fulfill our Lord's Great Commission – evangelism and discipleship.*

After the benediction, refreshments were served in the Fellowship Hall by the host church.

Jan Cheek,

## Minutes of the Quarterly Meeting

### Mount Zion Baptist Association

### January 12, 1998

The Quarterly meeting of the Mount Zion Baptist Association was held on Monday evening, January 12, 1998 at Altamahaw Baptist Church in Elon College, North Carolina. Mr. Terrell Duncan, Associational Moderator, presided over the meeting. The welcome and invocation was given by Dr. Dan Christopher, Pastor of Altamahaw Baptist Church.

Rev. Jim Wrenn then led the congregation in a hymn medley. This was followed by inspiring special music performed by the Altamahaw Baptist Church Choir.

The Moderator then asked that the minutes from the Annual meeting in October, which were attached to the program and had been distributed to the messengers upon arrival, be approved and accepted. The motion was seconded and carried unanimously. He also pointed out that the financial statement was attached to the program, for informational purposes.

Dr. Roy Taylor gave the Church Extension and Congregational Development reports. He conveyed that the three new works, the Snow Camp Mission, the Integrity Community Church and the Vietnamese mission, were doing well. The Snow Camp Mission has rented a house and has started conducting services on Sunday morning and Thursday night. The only problem Integrity Community Church has is having enough space. Efforts are being made to improve communication with the members of the Vietnamese Mission in hopes of strengthening that mission. Regarding his new position as Congregational Development Director for the Mount Zion Baptist Association, Dr. Taylor stated that he felt his job is to "help the churches do their God appointed mission at the place where He has planted them". He will be assisting the churches with the Revisioning process, as well as with other tools.

Mr. Ed Hearne, reporting for the Prayer Council, defined the Council's purpose as that of undergirding the work of the Association with prayer. He also emphasized the importance of the Minister's Prayer meetings.

Rev. Jim Wrenn then led the congregation in an old hymn of the church, "How Great Thou Art".

Dr. M. Lynn Sasser gave the Director of Missions report. He stated that the Mount Zion Association has been blessed in many ways. Those ways included the inclusion of Dr. Roy Taylor as part of the Mount Zion Association staff, the creation and work of the Visioning Team, the new church starts, and the Association's continued involvement in the Global Children's Outreach. He then introduced the Keynote Speaker, Dr. James Royston, the new Executive Director-Treasurer of the Baptist State Convention of North Carolina.

Dr. Royston encouraged and blessed the congregation with the vision of what he would like to see accomplished in his new position. Speaking at the Mount Zion Quarterly meeting was his first official speaking engagement, having only been on the job for twelve days.

Dr. Dan Christopher offered the benediction, after which the messengers and guests were treated to wonderful refreshments in the fellowship hall.

Respectfully submitted,

Jan Cheek,  
Associational Clerk

## **Minutes of the Quarterly Meeting Mount Zion Baptist Association April 13, 1998**

The Quarterly meeting of the Mount Zion Baptist Association was held on Monday evening, April 13, 1998 at Riverside Baptist Church, in Graham, North Carolina. Mr. Terrell Duncan, Moderator, called the meeting to order at 7:00 p.m. The welcome and invocation was given by Rev. Ron Boysel, Pastor of Riverside.

Rev. Jim Wrenn, Associational Music Director, led the congregation in a praise medley. Special music was provided by the new Director of Youth and Children at Riverside, Ms. Joy Jelks, who sang "In Heaven's Eyes".

The Moderator moved that the minutes from the January 12, 1998 Quarterly meeting, which had been distributed to the messengers upon arrival, be approved. The motion was seconded and carried unanimously.

Mr. Steve Reavis presented the Financial Report, pointing out that contributions had declined by 10%. He stressed the importance of supporting the Association financially in order for the mission activities requested by the churches to be maintained.

Moderator Terrell Duncan then presented the list of "Committee Appointments by the Moderator". This was followed by the Nominating Committee report, given by Dr. Howard Silver. Rev. Joe Hicks submitted his report from the Committee on Committees. All reports requiring votes of approval passed unanimously.

The Church and Community Ministries report was given by Mrs. Ann Williamson, Director. She stated that 56 families received assistance from the Mount Zion Baptist Association in March, 1998. New CCM projects for 1998 include Habitat for Humanity Kits, Hospice Kits, and HIV Positive Kits. These ministries are already under way, along with other ministries such as the Food Pantry, Baptist Student Union, Literacy, and the Migrant Ministry. Mrs. Williamson stated that the mission of the Church and Community Ministries is two-fold: to reach people with the saving knowledge of Jesus Christ and to make the lives of those receiving assistance a little more comfortable. She invited those present to join her in these efforts.

Ms. Robin Winttingham from Habitat for Humanity, a Christian organization founded on Christian principles, then addressed the messengers and guests. She encouraged their participation in helping Habitat for Humanity provide affordable housing to needy persons.

Rev. Jim Wrenn returned to lead the congregation in a hymn medley consisting of "In His Time" and "Great Is Thy Faithfulness".

Mr. Shane Nixon addressed those present concerning the opportunities available through the use of the Internet. He informed the members that a Web page is already in place for the Mount Zion Baptist Association, which has the possible viewership of over 70 million people. This can be a very valuable tool for communication and for reaching possible members, as well as shut-ins. The Internet seems to be the up and coming medium of choice for future communication.

Dr. M. Lynn Sasser then delivered the Director of Missions report. He stated that God had opened many doors for the Mount Zion Baptist Association since his arrival 21 months ago. The people of Mount Zion have chosen to walk through those doors and as a result several new works in the form of the Snow Camp Baptist Mission and Integrity Community Church have come into being. We are moving toward strengthening other ministries within the Association through the Revisioning process as well as by being an available resource for our churches. The Visioning Team is now prepared to visit the churches to dialogue about the future. They will be presenting up to date demographical material when they come. Dr. Sasser maintained that the best and brightest days are ahead for the Mount Zion Baptist Association, but a strong commitment from our churches is needed. An increase in finances is necessary in order to maintain the mission work the members of the Association have indicated they want to do. God is well able to provide the resources needed to perform Kingdom work, but we must be willing. A commitment of prayer, work, as well as finances is needed in order to see these ministries succeed.

Special music was then provided by Mrs. Danette Cox who sang "He'll Do It Again".

The Doctrinal Sermon was delivered by Rev. Wade Cox, Pastor of Nall Memorial Baptist Church. His topic was "A Matter of Life and Death" and was based on the scripture I Corinthians 15:3-5.

Rev. Don Pegg, Pastor of Kinnett Memorial Baptist Church offered the benediction, after which the meeting was adjourned.

Refreshments were provided by the host church in the Fellowship Hall.

# **Minutes of the Quarterly Meeting**

## **Mount Zion Baptist Association**

### **July 20, 1998**

The Quarterly meeting of the Mount Zion Baptist Association was held on Monday evening, July 20, 1998 at Cane Creek Baptist Church in Hillsborough, North Carolina. Mr. Terrell Duncan, Moderator, called the meeting to order at 7:00 p.m. Rev. Gregg L. J. Hemmen, Pastor at Cane Creek, welcomed the messengers and guests and offered the invocation.

The congregation was led into a time of praise and worship through song by Associational Music Director, Rev. Jim Wrenn. Rev. Wrenn then delighted us by performing a special musical number.

The Moderator then moved that the minutes from the April 13, 1998 Quarterly meeting, which had already been distributed to those present, be approved. The motion was seconded and carried unanimously.

Reporting for the Funding Development Committee, Rev. Gregg Hemmen called our attention to the Proposed Budget for 1999, which was distributed for study and will be submitted for approval at the Annual meeting in October. Rev. Hemmen pointed out that the Proposed Budget basically represented a 4% increase over the previous year. He further urged anyone with questions or concerns to contact him or any member of the Funding Development Committee and they would be more than happy to discuss the various aspects of the funding needs of the Mount Zion Baptist Association.

Rev. Joe Hicks, reporting for the Membership Committee, was pleased to announce that the New Birth Baptist Church, a predominately African-American congregation, had made application for membership into the Mount Zion Baptist Association. After several months of meeting with members from this congregation, Rev. Hicks stated that the Membership Committee was recommending that they be accepted into the Association at the Annual meeting. Pastor Gary Johnson of New Birth briefly addressed those present. Approximately ten members were also in attendance with him.

Director of Missions, Dr. M. Lynn Sasser, then delivered his report. Details were as follows: He stated that the level of support for the Association from the churches had increased during the last three months. He requested that the messengers report this to their individual congregations and express his thanks. He expressed his delight at getting to know the people from New Birth Baptist Church, stating that he felt this church would be an exciting addition to the Mount Zion family. On the subject of the Snow Camp Baptist Mission, Dr. Sasser stated that over \$25,000 in contributions had been received to date. Members of that Steering Committee are moving forward to purchase the property and, hopefully, a mobile unit from the State Convention should be in place around September 1. Rev. Vernon Lewis is doing a superb job in this endeavor.

The Integrity Community Church has relocated to the Burlington Manufacturer's Outlet Mall in order to accommodate more people. Their attendance is averaging around 240 per Sunday. After being in existence for three or four years, the Vietnamese Mission has secured a full time pastor of it's own, Pastor Phiet Nguyen. Pastor Vo of the Greensboro Vietnamese Mission has tried to serve both congregations, preaching on Sunday morning in Greensboro and in Graham on Sunday afternoon. With the addition of Pastor Nguyen, the Vietnamese congregation can worship on Sunday morning and can develop a more consistent outreach program. The Hispanic Mission is in the process of working with the State Convention in an effort to undergird that work. New workers have been brought in to assist.

There will be an Associational Awards and Celebration Banquet on September 1, 1998 at Grove Park Baptist Church in Burlington. Church leaders will be receiving further information and reservation cards in the near future.

Dr. Sasser then introduced the interpreter from Belarus, Marsha Zaitseva, who came and spoke briefly. She in turn introduced the Belarussian children who were visiting with families within the Mount Zion Baptist Association through Global Children's Outreach. Dr. Sasser returned and thanked the host families for bringing the children to the Quarterly meeting. He then encouraged our special guests for the evening, Sonny and Deen Sweatman, to come and speak after the congregational and special singing.

Rev. Jim Wrenn returned to lead the congregation in songs of praise and then graced us with another special selection, which he sang.

Sonny and Deen Sweatman, Southern Baptist Missionaries to South Africa, addressed the messengers and guests. Their very inspiring message was based on Matthew 9:35-38. Their story was exciting and challenging as they related how God is at work in South Africa. They encouraged those present to be in prayer for them as well for missionaries throughout the world. They also stressed that concern for the lost in our own country should be a priority in our hearts and minds.

The benediction was offered by Dr. Roy Taylor, after which the meeting was adjourned. Cane Creek Baptist Church provided delicious refreshments and wonderful fellowship after the meeting.

Respectfully submitted,

Jan Cheek  
Associational Clerk

But I would not have you to be ignorant, brethren, concerning them which are asleep, that ye sorrow not, even as others which have no hope.

For the Lord Himself shall descend from heaven with a shout, with the voice of the archangel, and with the trump of God: and the dead in Christ shall rise first:

Then we which are alive and remain shall be caught up together with them in the clouds, to meet the Lord in the air: and so shall we ever be with the Lord.

Wherefore, comfort one another with these words.

I Thessalonians 4:13, 16-18

# DIRECTOR OF MISSIONS REPORT FOR 1998

God has greatly blessed the ministry of the Mount Zion Baptist Association during 1998. We have witnessed continued growth in the level of support given by our participating churches. I believe that this is due, at least in part, to our commitment to help resource congregations and begin new missions and ministries.

This year marks the first for having a staff person directly responsible for resourcing congregations. Dr. Roy Taylor is completing his first year as Congregational Development Director and he has been received warmly by the pastors and church leaders within our Association. I am looking forward to his continued ministry as he encourages our congregations to focus on Christ's mission for the church.

We have continued our focus on church planting during the past year. We have come alongside the New Birth Baptist Church and encouraged them as they have moved into new facilities in Burlington. I believe that this new congregation [a Mount Zion Baptist congregation after our annual meeting] will be a major force in reaching many in the African American community for the cause of Jesus Christ. We are also pleased to join with the Brookwood Church in sponsorship of the Cornerstone Community Church. This new cell church will be formally announced during the annual meeting. We have also continued our helping relationships with the Snow Camp Baptist Mission, Integrity Community Church, the Vietnamese Mission at Riverside and the Hispanic Mission at Fellowship. We are also exploring the possibility of an Hispanic work in the Mebane area.

The Visioning Team has completed its assignment after nearly two years of work. It is hoped that a proposed Mission Statement will be adopted by the messengers and that approval will be given to a tentative reorganization plan for associational structure. I believe strongly that the primary focus of the Mount Zion Baptist Association must be to partner with congregations in order to assist them in accomplishing the mission God has given them. We will continue to explore ways to cause that to happen within this association.

Thank you for the opportunity to be on mission with you here in the Mount Zion Baptist Association.

Respectfully Submitted,

M. Lynn Sasser  
Director of Missions

# **ACTS OF ALAMANCE REPORT FOR 1998**

This year, ACTS of Alamance, Inc. added one new program to the local line-up. New Directions Ministries became the third local programmer as of January 1998, producing a program of teaching and ministry that airs Tuesday nights at 7:00 pm.

Fellowship Baptist Church continues to air its worship services on Monday night at 7:00 pm and Grove Park Baptist Church continues to air its worship services on Sunday morning live at 11:00 am and Thursday at 7:00 pm.

Two other churches have expressed interest in presenting local programming on the ACTS channel, but no commitments have been made.

ACTS continues to provide an opportunity for outreach as these churches reach a potential audience of nearly 26,000 households in Burlington and Alamance County, including most of the hotels along Interstate 85/40 and Alamance Regional Medical Center.

Respectfully submitted,

Bobby Dobbs, President  
ACTS of Alamance, Inc.

## **CHURCH AND COMMUNITY MINISTRIES REPORT FOR 1998**

With the beginning of the new year, new ministries began. We were able to be present at 3 Habitat Home Deductions and actually gave gifts to 6 new homeowners. These families were most appreciative of our efforts. AIDS gift packages have been distributed through Alamance Cares and the AIDS Home in Chapel Hill. These packages include toilet items, stamps, note cards, pens, Word Search Books, Cross Word Puzzle Books, Jigsaw puzzles, a journal and some other items that we felt appropriate. Gifts to the Hospice Home have been similar and once again the staff and residents of these facilities always seem to appreciate our gestures of love.

Our literacy program sponsored a new type of workshop for tutoring children and youth. Individuals and groups had requested this to assist with afternoon tutoring in some of our schools and churches. School supplies were given to many families, plus supplies were given in bulk to several of our schools. I continue to serve on the Literacy Advisory Council of Alamance Community College. We are able to exchange ideas and help one another along the way.

The First Place program that was started last year is still active. A small group meets each Thursday afternoon to discuss the pros and cons of healthy eating, Bible study, prayer time and exercise.

We continued to provide layettes to the hospital for new babies and we have also assisted the maternity home in Graham, with layettes for the new babies of unwed mothers.

The picnics for the visually and hearing impaired were well attended. The entertainment at each of these was a real blessing, not only to the guests, but to the hosts as well. The WMU ladies provided an abundance of food and everyone seemed to enjoy these relaxed evenings.

Volunteers continue to assist with the ministry to the migrant farm worker and his family. Every Sunday afternoon, from May through September, we provide refreshments (which is actually a meal) for them at the Pleasant Grove Community Center. They play basketball and other games, while wives and children visit. Your association also gave many health kits, back to school kits, first aid kits, Bibles and tracts to this population.

Hundreds of families were assisted with general benevolence through our food pantry and monetary assistance from our Thrift Stores. The opening of our second Thrift Store in January has given us opportunity to help more families with furniture and household items. Hardly a day passes without someone receiving some type of assistance. From these stores we have outfitted children, parents, babies and houses. The funds have paid for numerous prescriptions, rents, gasoline, power bills, purchased glasses, paid doctors, and many other incidentals that other agencies are unable to pay. Referrals come from many agencies throughout our county, including the Department of Social Services, Alamance County Community Services Agency, United Way, Red Cross, Allied Churches of Alamance Country, etc. The Community Service Work Program provides us with volunteers – this serves as a two-fold ministry opportunity, they help us and we are able to witness to them.

The Thrift Stores were the recipients of a pickup truck which was a true blessing. This truck is used for moving items from one Thrift Store to the other, for hauling non-usable merchandise to the land fill, for pickups from yard sales or individuals and for bringing in our groceries. Unfortunately, someone broke into it and did a lot of malicious damage, but it is now back on the road and serving us well.

In October, we hosted a cookout for the residents of The Oaks Assisted Living Facility. Using the Hawaiian Theme, we cooked hamburgers and hot dogs. This was a first for us, but we plan to return next year for the same type activity.

In November, 1997, we hosted a "Volunteer Appreciation Reception" and honored Doris White of Grove Park as the "Volunteer of the Year". Pauline Garrett of Northside and Margaret Noble of North Graham received honorable mention. The theme was "Touch A Life" and everyone attending received miniature tool kits.

The Hike for Hunger is a fund raiser for your Associational food pantry. We really need more participation from our congregations to make this a worthwhile effort, however, we did receive several hundred dollars in 1998.

A new ministry effort and fund raiser this year will be our "Alternative Giving" program. We will advertise a time and place for our congregations and others to make a purchase of groceries, Sunday afternoon refreshments, a baby layette, a habitat house warming gift, a Hospice Home Gift, a gift for an AIDS victim, a Baptist Student Union Meal, a toy for an inmate's child, items for the Hispanic, Vietnamese and Snow Camp Missions. Appropriate cards will be made available for the gift and the donor.

During the year, I have hugged and been hugged, I have shared in laughter, let my tears mingle with the tears of others, visited in homes and had families visit with me. I have hauled, loaded, unloaded, stacked and restacked. I covet your prayers as I try to lead in His work as your Church and Community Ministries Director.

Respectfully submitted,

Ann Williamson, Director  
Church and Community Ministries

## CHURCH EXTENSION REPORT 1998

How exciting it is to see the work of God's hand through the Mount Zion Baptist Association. Our new church starts are growing and blessing the lives of many.

The Mission at Snow Camp is growing rapidly. We have purchased 17 acres of land and presently are awaiting a modular unit for our temporary building. The membership is growing weekly. Many are coming on profession of faith and for baptism. Rev. Lewis, our church planter, is doing a remarkable work on that field. There are so many churches to thank for the success at Snow Camp. Many of the churches in the Mount Zion Baptist Association are to be commended on their financial support for this ministry.

Integrity Community Church is growing and blessing many lives. Under the creative leadership of Bud Wrenn, this ministry is reaching many people that are not involved in any church. Their non-traditional structure and worship style appeal to many. This church continues to grow in it's efforts to bring all people into the blessing and joy of knowing Jesus Christ.

Our Vietnamese Mission meeting at Riverside Baptist Church has accomplished much this year. Through the efforts and commitment of the Mount Zion Baptist Association, the Baptist State Convention, and the Riverside Baptist Church, a full time pastor has been called and is presently on the field. We believe this ministry will become one of God's greatest tools for reaching many in our community.

As you can see, God is doing a great work in our communities through the churches which make up the Mount Zion Baptist Association. Our greatest days for Christ and His mandate are ahead of us. What a vision and challenge the Lord has placed before us. It will take all of us to accomplish His calling in this vineyard. God will give us success.

## DISCIPLESHIP TRAINING REPORT 1998

Discipleship Training continues to be a significant part of the life of our Association. In the past year, every church in our Association participated in some way toward obeying our Lord's Great Commission to, "Go and make disciples..." (Matt. 28:18) At the very least, our churches are offering worship services which teach God's Word and direct our hearts and minds toward knowing and serving Him. A total of eighteen churches reported "Discipleship Training" enrollments (797 people total) in our most recent report. Yet, most churches could be found involved in discipleship through many other ministries: Sunday School, small group Bible studies, Wednesday night Bible study, youth and children's ministries, Bible Drill and much more. Churches in our Association reported around 2,814 people were enrolled in short term discipleship studies of some kind (various times and locations). Discipleship training has become far more wide reaching than the traditional Training Union or Discipleship Training on Sunday nights. Every ministry of the church should be engaged in some way toward making and growing disciples.

Last year, every church in our Association was mailed a copy of the small, yet helpful handbook entitled, "Leading Discipleship in a Church". I pray this guide was a very helpful tool for Pastors and Ministers of Education in our churches. This handbook begins with the very basics of discipleship ministry and guides leaders to understand how discipleship can take place and what tools are available for discipleship ministry in every age group. Our children's Bible Drill was held at Mebane, First, with two churches and nearly twenty children participating. The adults attending the Drill were blessed by the knowledge and skill these children have in knowing and using God's Word. Many of our children qualified for state level drills.

My prayer is that every church will have an increased awareness of what Discipleship Training is and become familiar with the many resources available to help our Associational churches to continue to find and make disciples of Christ. Be flexible, be creative, and make disciples with God's Word any way you can!

Respectfully submitted,  
Neil Awbrey, Discipleship Training Director

# FAMILY MINISTRIES REPORT FOR 1998

Ideally, at the heart of every family is a father and mother who love and are committed to Jesus Christ and who love and are committed to each other. If either of these love-commitments at the heart of the home are weak or broken, then the entire family suffers.

I think that you would agree with me that the American family is suffering greatly from a broken "heart". Roughly half of our marriages end in divorce. Only a minority of children today are being raised in a home with both of their parents living together with them. Perhaps most troubling in all of this is the fact that the percentages of divorces and single-parent homes does not vary much between those who are church members and those who are not. In other words, the work of strengthening families – and especially the husband/wife relationship – is as necessary for Christians as it is for anybody else.

To that end, Family Ministries will be sponsoring a marriage enrichment retreat/conference in the coming spring, the purpose of which will be to strengthen the commitments and deepen the love of husbands and wives for each other. Our leaders will be James and Leslie Rhodes who are both Mount Zion Baptists and certified marriage enrichment specialists. This is a good and positive step towards healing the heart of our homes. I hope that you and your churches will be supportive of this endeavor. I welcome your prayers and suggestions.

Respectfully submitted,

Craig McMahan, Director  
Family Ministries

# **FUNDING DEVELOPMENT COMMITTEE REPORT FOR 1998**

The past year has presented many challenges and opportunities for Mount Zion Baptist Association. As the year began we experienced a significant shortfall in cash flow for the association. However after informing the churches of this shortfall, we had an increase in contributions from the churches. Contributions from churches are still short of the budget, but we have been able to continue all of the ministries of the association.

During 1998 twenty-five (25) churches from Mount Zion Baptist Association gave over \$22,000 for the building project at the new Snow Camp Baptist Mission. This has enabled Snow Camp to purchase land and install a modular unit for use as a worship center. The response from the churches was fantastic. During 1999 we challenge the churches to match this special offering by giving additional funds to the general fund of the association and/or supporting a specific ministry of the association.

Again this year we are asking the churches of Mount Zion Baptist Association to consider giving a percentage of their contributions to God's work in our association. Our goal is for every church to give at least 4% of their undesignated contributions to the local association. This would enable us to meet our budget during 1999. If you are not giving a percentage, please consider doing that in your church. If you are not giving 4%, please consider increasing the amount you are giving.

We look forward to what God is going to continue to do in 1999 in the Mount Zion Baptist Association.

Respectfully submitted,

Steve E. Reavis, Chairman  
Robert Davis, Secretary  
Herb Smith, Treasurer  
James Dunn  
Ervin Teague  
Tom Petty  
Gregg Hemmen

## **MEMBERSHIP COMMITTEE REPORT FOR 1998**

The membership committee met with several members of the New Birth Baptist Church including the Pastor, Chairman of Deacons, and their Church Clerk to review the petition to become a member of the Mount Zion Baptist Association. This matter was referred to this committee by the Executive Committee as required by our By-Laws, Article III, Section I.

Those present from New Birth Baptist Church shared their doctrinal statement of faith with this committee along with their reasons for wanting to become a part of not only our Association, but the Southern Baptist Convention and it's missions. We feel that the New Birth Baptist Church will be an asset spiritually to our Association, our State Convention and the whole of Southern Baptist Life.

We recommend the New Birth Baptist Church be admitted without delay to the Mount Zion Baptist Association.

Respectfully Submitted,

Joe Hicks, Chairman  
Membership Committee

## **MISSIONS DEVELOPMENT COUNCIL REPORT 1998**

The Missions Development Council met regularly throughout the year. Sharing of ideas, concerns and prayer were an important portion of each meeting.

Each month reports were given from the Prison Ministry Chaplain, the WMU Director, Chairman of Church Extension, the Church and Community Ministries Director and our Director of Missions.

The Council learned of a new Bible study started by the Prison Chaplain, the fund raising effort (cooking Brunswick stew), the Christmas activities, the children's carnival and the appreciation cookout for the staff at the correctional centers.

They discussed what was happening in Church Extension – the Snow Camp Baptist Mission, the Hispanic Mission, the Vietnamese Mission and Integrity Community Church. An African American congregation asked to join our Association and has been working with our Church Extension Committee. The Council offered suggestions where they felt they were needed.

The Church and Community Ministries reports kept the Council updated on the progress of Thrift Store sales, benevolence requests, the literacy programs, picnics, work with the migrants and possible new ministry efforts.

Periodic concerns were voiced about the World Missions Conference, the pros and cons and later the success of the event.

The Missions Development Council listens and is excited about missions work in the Association – both existing and future implementation and changes.

Respectfully submitted,

Terry Farmer, Chairman  
Missions Development Council

## PRISON MINISTRY REPORT FOR 1998

For the Prison Ministry, this past year has been one of change and uncertainty. The change for us has been due to health problems of two of our long time board members, John Finley and Doris Pender. Mrs. Pender was forced to resign because of her health problems, and Mr. Finley has been forced to cut back on his involvement. The uncertainty is due to the status of the Alamance Unit. That facility was slated to be closed, but responses from many of you and the general public has caused officials to postpone the closing of that unit, at least for now. This uncertainty has been extremely difficult for the inmates, staff, and myself.

In spite of this uncertainty, volunteer participation remains good at both facilities, with the exception of male sponsors to escort inmates who are eligible to church, community and recreational activities. The purpose of this program is to help an inmate get readjusted back into society. It also serves as an opportunity for sponsors to do some positive role modeling. We need more volunteer sponsors.

To keep people informed we continue to publish a quarterly newsletter regarding the various activities and events which take place at the respective facilities. We receive favorable feedback concerning this effort. If any of you would like to be added to our mailing list, I would be more than glad to do so.

For the second year inmates at Alamance have been involved in Bible study called Discipleship, which is taught on Wednesday evenings. We also offer Bible study on Saturday afternoons. Orange has Bible studies on Monday and Friday evenings.

The Yokefellow programs at both units is going well. We continue to have good volunteer participation for these programs which allow individuals from local churches to come and spend time with the men. We encourage listening, support, and encouragement during this time. This is an excellent way to help change lives through relationships.

I was pleased to participate in Brookwood and Holly Hill's Mission Fair by setting up a display about the prison ministry as I did for the annual meeting of the Association.

The Men's Brotherhood and WMU graced the Orange Correctional Center this year by providing a "pig picking" for the men and staff of that facility. Andy McKay and Lucy Bardwell headed up this massive undertaking. After the meal a time of gospel music was presented. The reviews from the men were excellent. One man said, "that wasn't a meal, that was a feast". You certainly touched their lives by your graciousness.

During the year we try to offer special programs and services for the men from local groups and individuals. This past year the Christian musical, "Glory Train" was presented at Alamance. This musical drama depicts individuals on a train bound for "Glory". At Orange a group of college students from UNC-Chapel Hill called "Heels To Heaven" sang modern gospel songs and performed skits. A similar group from Nashville called YWAM (Youth With A Mission) performed at Alamance. Recently the men at Orange had the privilege of hearing a world renowned group from Durham call the "Sensational Nightingales", who sang traditional gospel music.

Three area ministers brought stirring messages to the inmates at Orange during our spiritual renewal serves last March. Rev. George Allison, Mount Bright Baptist, Rev. John Chapman, Higher Ground UCC, and Rev. Jeff Porter, FBC, Hillsborough led in this time of renewal.

Mount Zion folks continue to bless the men at both facilities with the monthly birthday parties. The efforts you make at Christmas to make that time of year meaningful for them is a blessing as well. The "Toy Project" continues to be a significant part of your ministry in these settings. You speak volumes to the men, staff, and the community by your involvement and ministry efforts.

Thank you for another great year of ministry to many that are forgotten and written off by much of society. Our ministry, presence, and concern continues to touch lives. May we continue to do so. Please continue to pray for this ministry.

Respectfully submitted,

Ken Barker,  
Prison Chaplain

## ROYAL AMBASSADORS REPORT FOR 1998

If the enthusiasm of those participating in the annual Mount Zion Royal Ambassador car race was any indication, there are a number of Royal Ambassador chapters in the Association that are alive and well.

Glen Hope Baptist Church hosted the event last March in which seven Royal Ambassador groups participated. Our thanks to Glen Hope for a well planned event offering fun and fellowship. All Mount Zion Royal Ambassador chapters are encouraged to participate in this event in the spring of next year. Information will be forwarded to churches early in 1999.

Royal Ambassador leaders should make certain their chapters are registered with the state in order to receive notification of statewide events and to receive information helpful in planning meetings and local activities.

Royal Ambassadors exists to teach young children how to become followers of Christ and to teach about Christian missions. The Mount Zion Association Royal Ambassador Director has the purpose of supporting each local church's chapter. Please contact me with any request for assistance or suggestions for association activities.

Ralph Harwood,  
Associational RA Director

# SNOW CAMP BAPTIST MISSION

In 1994, Rev. Perry Hardison, Pastor of Mount Olive Baptist Church, shared his concern that there was not a Southern Baptist work in the Snow Camp community in Alamance County with Rev. Roy Smith. Rev. Smith had just begun his ministry as Director of Missions for the Sandy Creek Association.

Smith contacted the Home Mission Board of the Southern Baptist Convention and the Baptist State Convention of North Carolina about the need. Two years of research and planning began. A plan was formulated to invite the Sandy Creek Baptist Association and the Mount Zion Baptist Association to co-sponsor a church plant in the Snow Camp community with Mount Olive Baptist Church serving as the mother church.

At the annual meetings of both Associations in the Fall of 1996, the proposal was presented and approved. Mount Olive agreed to be the mother church. Grove Park Baptist Church of Burlington also made a commitment to co-sponsor the mission. A steering committee was chosen to put the plan into motion.

In June of 1997, Rev. Vernon Lewis of Mebane was called to become the church planter/mission pastor for the Snow Camp work. Rev. Lewis had recently moved into the area after his retirement from the Home Mission Board where he had served as a church planter in West Virginia.

Soon thereafter, home Bible studies were launched and surveys taken. In January of 1998, regular Sunday worship services began in a rented house. Land has been purchased and efforts are currently underway to erect a mobile worship unit on this site. Regular attendance at the current facility is already at capacity.

The Baptist State Convention of North Carolina sent \$9,000.00 to the Sandy Creek Association to be used in the acquisition of a building for the Snow Camp mission, and with the help of the Home Mission Board, committed to pay a portion of the salary for Rev. Lewis in a phase out program.

Mount Zion Association committed \$500.00 monthly to the operational budget of the mission. In addition, the churches of the Mount Zion Baptist Association have donated VBS materials, chairs, pews, an organ, a piano, flags, and staff consultation. As of this date, individual churches have received additional funds to the amount of \$29,970.82 for the purchase and development of property for the Snow Camp Baptist Mission.

As of this report, since January 1<sup>st</sup>, seventeen have been baptized into the congregation, VBS enrollment was 63, and today's Sunday School enrollment is 64 pupils. Worship services are held across two rooms in the building.

Respectfully submitted,

Rev. Vernon T. Lewis

## SUNDAY SCHOOL REPORT FOR 1998

This year we have continued to have opportunities for training and fellowship for Sunday School workers and Associational leaders. Special clinics and seminars were offered for Sunday School Directors/Pastors at Raleigh and Ridgecrest. Some churches were represented at these events. State training events for VBS were attended by Associational leaders and shared with representatives of the churches at an "Early Bird Clinic" on March 9 and a general training clinic on April 7 at Grove Park Baptist Church. At these meetings Sunday School Directors/Pastors and age group workers were introduced to the VBS materials on "Star Quest", a space theme adventure, that focused on John 3:16-18. Reports of decisions for Christ reached during VBS were most welcomed. We were blessed by the excellent leaders at our clinics and are especially thankful for the consultant resources that help fill out our team. Literature and teaching methods were presented for all age groups. Plan now to have your church involved in training for VBS next year.

While numerous training/fellowship times are available locally for Associational workers, I am most appreciative of the opportunities at Ridgecrest and your participation. If you are interested in joining in the ACTeam efforts and training contact the Associational office or me.

Evangelism efforts by our churches are a major Sunday School supported effort. Please review your book, "The Power to Change Lives" for coordinating/planning ideas and support. This book by Bill L. Taylor is a "Complete Guide for Building a Great Commission Sunday School." If your church has not received a copy, call the Associational office to receive instructions for obtaining a copy. If you are planning to start new Sunday School units – various times or places – even off site from your church, please keep us informed. We want to share the success with others.

The Great Commission Sunday School is a description of how we wish to provide people a better understanding of God and His Word, individually and corporately in the Mount Zion Baptist Association.

Respectfully submitted,

Larry Snead  
Associational Sunday School Director

# VISIONING TEAM REPORT

The first meeting of the Visioning Team of the Mount Zion Baptist Association was held on March 25, 1997 at the First Baptist Church, Graham with 21 of the 24 members present. We began our process by asking three questions: 1) What is the problem in the Mount Zion Baptist Association that causes us to need to make changes? 2) Who determined that this is a problem and by what authority? 3) What will happen to our association if we do not make changes?

We decided that the problem producing the need for change is that the Mount Zion Baptist Association has no clear, defined vision and purpose. Since the churches are not being adequately resourced, the level of participation in the association is declining. We agreed that the membership of the association determined that this is a real problem by electing the Visioning Team and giving this team the authority to make a comprehensive study of the past and present and to make recommendations for the future. The team concluded that the Mount Zion Baptist Association would continue to decline and struggle for survival if changes were not made.

Next, we read, studied, and discussed the book "Managing Transitions" by William Bridges. It was our belief that if changes were needed we must learn something about the change process so that we would be better prepared to deal with the issues. We learned that in order for changes to be effective the transition process must be carefully planned and monitored. While changes can take place suddenly, the process of transition takes much longer. Bridges says that before we can deal with new beginnings, we must first deal with endings. He notes that no matter how much we look forward to the new beginning, there is inevitably some sadness and pain associated with ending the way things used to be. After the ending comes what Bridges calls the Neutral Zone or Wilderness Wandering. It is an uncomfortable time between the ending and the new beginning in which there are no clear directions and landmarks. After the ancient Israelites' captivity in Egypt was ended, they complained about the journey and expressed a desire to return to Egypt. In fact, they were not able to embrace the new beginning in the Promised Land until after forty years of "wilderness wandering". Finally, after this unpleasant time of wandering through the desert, they were able to enter their new beginning in the Promised Land.

As we began to think about the Mount Zion Baptist Association in some of these terms, we came to understand that an "ending" occurred at the retirement of Dr. Howard Silver in 1994. The "wilderness wandering" began as Manuel Cannup came to serve as interim director of missions and has continued during the first two years of the present director of mission's service. We would like to note that the wilderness wandering is not wasted time nor is it unproductive time. There are many issues which can be better addressed during the wilderness wandering than at any other time. Many productive things happened during the interim period and during the past two years several other initiatives have begun. However, it is the belief of the Visioning Team that we are now prepared for the "New Beginning".

After learning something of the process of transition, we began a careful study and analysis of the Mount Zion Baptist Association, past and present. We discovered that while the population of our area continues to grow rapidly, our total church membership in the association has actually declined over the past eighteen years. This alarming discovery caused the Visioning Team to understand the significance and urgency of our task. Many other statistics were compiled regarding our churches and community which further validated our original concerns.

We continued by asking ourselves five questions (adapted from “The Five Most Important Questions” by Peter F. Drucker):

1. What Is Our Mission?
2. Who Are Those We Serve?
3. What Do These Persons (Churches) Consider of Value?
4. What Have Been Our Results?
5. What Is Our Plan?

We discussed these five questions in great detail and decided that these questions or some variation of them should be asked to people in all levels of associational life. First, we invited all ministers serving churches in the Mount Zion Baptist Association to attend a luncheon meeting to discuss these questions. Next, we invited all persons who are elected to serve in any capacity in the association to a meeting to discuss these questions. Our final step was to have members of the Visioning Team visit each church in the association to gather input around these important questions. Attempts were made to visit each church, however not every church was able to accommodate our request or else the Visioning Team member was not able to contact the pastor. We were able to receive input from around thirty of our forty one churches. The primary question asked to the churches was: “How can the Mount Zion Baptist Association help your church?” Responses are noted on a separate sheet.

After carefully reviewing all of the input the team received from listening across the association the following Mission Statement was proposed and adopted by the Visioning Team: “The Mission of the Mount Zion Baptist Association is to partner with congregations by serving as a resource to empower and equip them to fulfill our Lord’s Great Commission – evangelism and discipleship.”

The Visioning Team further believes that a different associational structure is needed in order to accomplish our mission. A “Possible Helping Organization” is depicted on a separate sheet. It is our hope that the messengers to the 129<sup>th</sup> Annual Meeting will approve both the Mission Statement and the basic concepts of the helping organization. While this probably is not in final form, we believe that this, or something similar will go a long way toward helping the Mount Zion Baptist Association be more responsive to the needs of the member churches.

Respectfully submitted,

Dr. M. Lynn Sasser,  
Director of Missions

# WOMAN'S MISSIONARY UNION REPORT FOR 1998

Mount Zion Baptist Associational Woman's Missionary Union was very involved in activities of missions all during the year, using the theme, "Come, Go With Me", based on Luke 10:36-37 (NASB). Leader training was centered around the objectives:

- ♦ Challenge the churches to take a fresh look at needs outside the church walls and start a new ministry.
- ♦ Lead more people to study Christ's response to human needs and follow His example in witness and ministry.

Church Leadership Training was held at Haw River Baptist Church on August 12, 1997 with 37 in attendance. WMU Guide Study for all age-level organizations and WMU Directors, Assistants and Secretaries was hosted by First Baptist Church, Mebane on September 6, 1997 with 35 attending. On November 3, 1997, Baptist Woman's World Day of Prayer was held in two locations, Mars Hill Baptist Church and First Baptist Church, Elon College with a total of 52 attending. The theme, "Celebrate the Peace of Christ", bound us with women around the world worshipping and praying for the many needs of peoples in many countries. A book study, "Come, Go With Me" by Anne Davis, which was conducted on February 23, 1998 at First Baptist Church, Mebane, was taught by Mrs. Vickie Boggs and guests Rev. Vernon Lewis and Mrs. LaJune Moore. The study compared the Biblical, transitional period and modern day ministries of missions. Rev. Lewis shared the beginning of the Snow Camp Baptist Mission and Mrs. Moore shared experiences in taking God's Word to China. Thirty persons attended the study.

A "Sweetheart Banquet" for Mount Zion Pastors, the Director of Missions and Church Staff and their spouses was hosted by Mount Zion Baptist Association WMU at Altamahaw Baptist Church on February 10, 1998. This was a very informal, joyful time for everyone. The Haw River Harmonizers kept us entertained.

Sweptonville Baptist Church hosted the Annual Celebration on March 17, 1998, using the theme "Come, Go With Me". Missionary speaker, Mrs. Ebbie Murray, gave us a moving experience with her report of her ministry as a missionary to New Guinea. Mrs. Ann Williamson told us of her experiences with the many who come for help from Mount Zion Associational Ministries. She pleaded for more men and women to assist with the ministry at the Thrift Stores and with the Migrants on Sunday evenings.

Many Church WMU's provided snack foods of different countries for the World Missions Conference Rally on April 25, 1998 at Grove Park Baptist Church. Acteens, GA's and RA's served as flag bearers, carrying flags of many countries for the processional and recessional of the Rally. It was a wonderful experience to observe the tables set up by the missionaries and have an opportunity to talk to them.

Several women in our Association attended the Missions Extravaganza at Ridgecrest Conference Center on March 27-29, 1998.

On June 6, 1998, WMU women provided the side-foods for the Orange County Correctional Unit Pig Pickin', assisting the Brotherhood. Despite the rain, many women and men enjoyed serving the men at the Correctional Facility.

GA's and RA's had the opportunity to participate in a Mission Fair hosted by the Holly Hill Baptist GA's and RA's on Saturday, April 4, 1998. Rev. Ken Barker and Mrs. Ann Williamson shared with the girls and boys about their ministries.

Acteens and Acteen Leaders from our Association attended the National Acteen Convention July 1 - 4, 1998 in Louisville, Ky. Their experiences with 11,000 girls and leaders from all over the United States - especially, working together on making blankets for needy people as a mission project - will be a lifetime remembrance. Their theme was "Be Changed From the Inside Out". Mrs. Pauline Garrett and Mrs. Anissa Nixon were the Association WMU Leaders on the trip.

A Missions Project Leader, Mrs. Faye Jordan, was elected to keep the WMU Leadership Team up to date with the needs and prayer requests of the Snow Camp Baptist Mission.

A love gift was given to Rev. Terry Prichard to support him in full time evangelism.

This year has been a very busy one among WMU members and, also, a very sad year. We said "Goodbye" to two of our very active Associational WMU Leaders, Mrs. Edna J. Smith and Mrs. Vickie F. Boggs. Vickie had served only a few months as Associational Director before her sudden illness and death. She had served several years prior to this as Baptist Women Assistant Director and Assistant WMU Director, with much enthusiasm and joy in service for her Lord, Jesus Christ. She left a lasting love of Jesus among us. Mrs. Edna Smith had served in several positions in WMU, especially as Director of WMU, over the years. We remember her for her enthusiasm in the Lord's Work. She was a great supporter of Camp Mundo Vista.

Memorials have been made to Camp Mundo Vista in memory of Mrs. Edna Smith and to the Snow Camp Baptist Mission in memory of Mrs. Vickie Boggs by our Associational WMU Leadership Team and many members of our churches and friends of these two Servants of the Lord. Remembering their love for God and dedication to His Service has given each of us a renewed inspiration to give more of ourselves as God's missionaries in the Mount Zion Baptist Association, our state and nation in the area of missions.

Respectfully submitted,

Mrs. Lucy Bardwell,  
Associational WMU Director

# YOUTH MINISTRIES REPORT FOR 1998

The Youth Ministries Council had its first event Monday, November 10, 1997. THE MAIN EVENT featured concert artist Dana Russell at Elon College's Lodge. The Living Proof Praise Team from Glen Hope opened our evening by leading the group in singing praises to God. Eighty people attended the outdoor concert with each church supplying the hotdogs and buns for their group. From Dana's ministry that evening eight youth prayed to receive salvation.

In February the Council planned a True Love Waits Worship Rally with the purpose of sharing God's call to salvation and to a life of purity. The owner of the Graham Theater graciously chose not to show a movie Friday night, February 27, 1998, so that we might have the rally there. The evening opened with the streets of downtown Graham being flooded with youth. A movie scavenger hunt of Kool Kat with the giveaway of interactive music CD's from Michael W. Smith to the winners jump started the night. Then, the night would not be complete without a little Three Stooges and their take on love. In order to get the crowd under control, Wayne Wilson and a group of college students led us into worship with music. After worshipping through singing, Todd Hendrickson sang "I Wish We'd All Been Ready" by DC Talk before Jason Napier spoke about God's call to repentance for salvation and to a life of purity. Both of these guys play baseball for Elon College. Because of the publicity by churches, youth, and the newspaper, 230 people came that night.

Once again the Council called on Dana Russell to return since she had an impact on so many lives the first time to be a part of THE MAIN EVENT, 2<sup>ND</sup> ROUND on September 19, 1998. Again, the concert happened outdoors in THE FIELD beside Glen Hope Baptist Church. For starters, the youth were challenged physically with attempts in playing four-way volleyball and human foosball. While they played, many adults worked quickly in grilling hot-dogs and setting out all the food. After supper, Dana, who was not feeling very well, ministered to the crowd in song. This would be called an interactive concert. Through her, the Holy Spirit brought conviction to the lives of the youth to be responsible in their lives as followers of Christ.

Thanks to all the parents, youth leaders, and churches who made these events possible to minister to our youth.

Respectfully submitted,

Joel Tucker,  
Associational Youth Director

# Dedication

It is sometimes difficult to choose from many outstanding and deserving people to whom to dedicate the minutes of this Association. However, the only semi-negative comment heard this year was to the effect that this was long overdue.

In the book of Acts (20:35), the Apostle Paul quotes our Lord Jesus as saying, "It is more blessed to give than to receive." Terrell K. Duncan seems to have taken this precept to live by, since to talk to those who know him best, giving seems to be one of his most outstanding characteristics. That giving is truly giving of himself and not just his material goods.

Terrell is a native of Roxboro, NC and came to Alamance County in 1951. He and his wife, Colleen, who supports him in every way, have three children, Craig, Deborah and Lori. Lori is known to many of us

as a young lady with a lovely smile and a beautiful voice, an outstanding member of the Celebration Singers. Terrell and Colleen also have seven grandchildren.

He is a charter member of Northside Baptist Church in Burlington. He is presently serving as chairman of deacons and a Sunday School teacher. According to fellow church members, he has held almost every job in the church, doing whatever needs to be done willingly and well. He has been described as stalwart and solid in his faith and one desirous of growth in God's work.

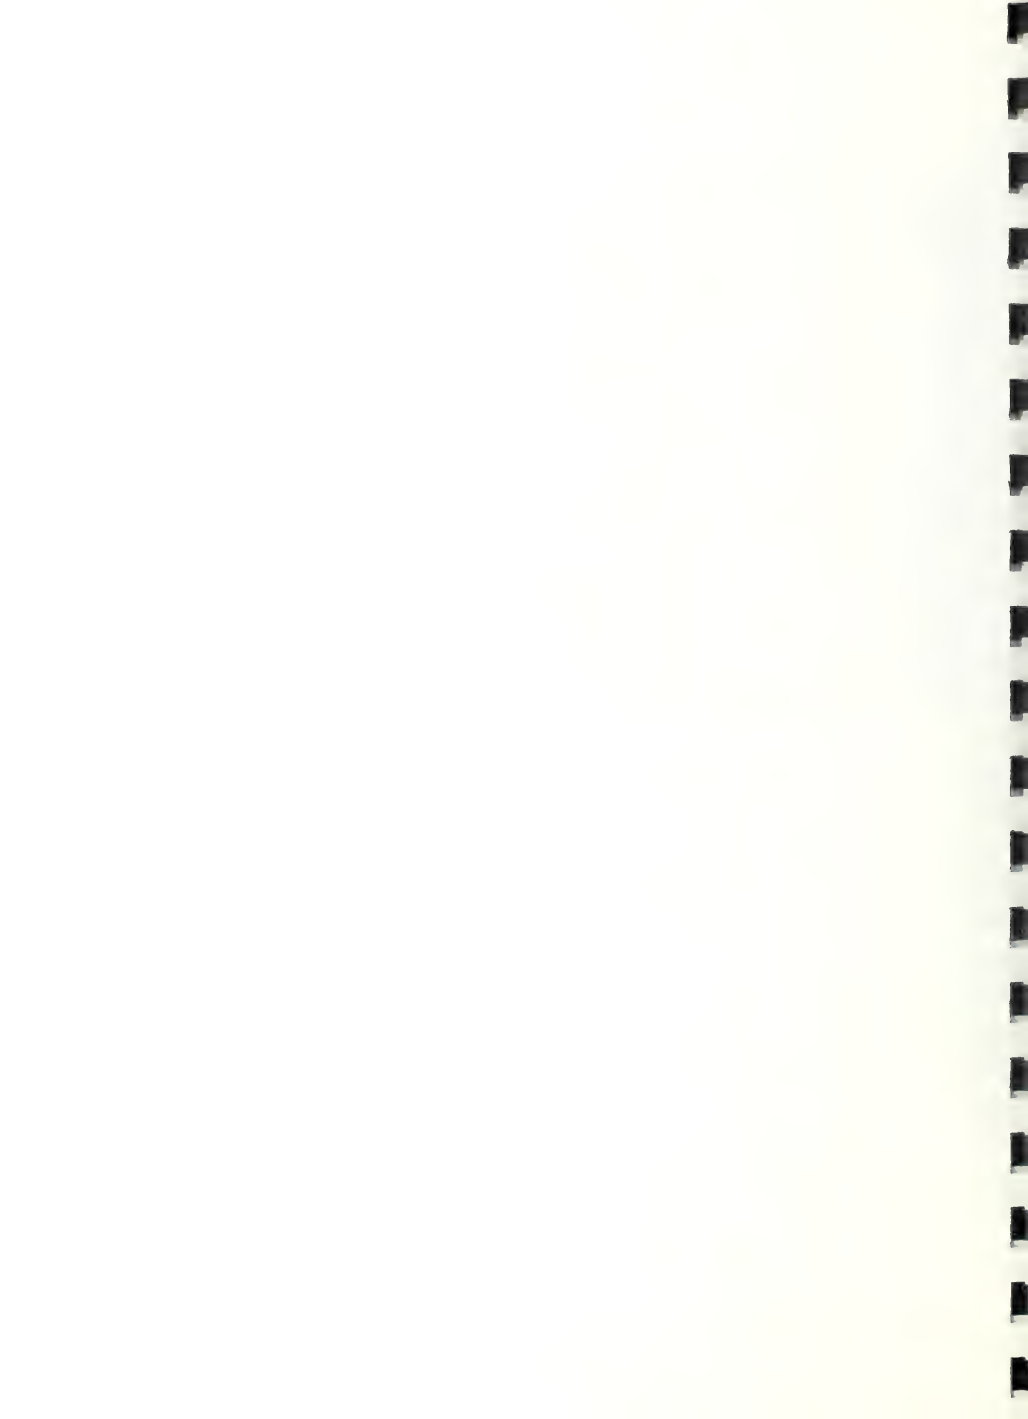

Others have described him as knowledgeable, dependable, a good friend, an encourager and a dedicated family man. All agree that he is humble, deserving of recognition but never seeking recognition for himself.

Terrell has given generously of his time to Mount Zion Association, serving several terms as Moderator, and on committees too numerous to list.

No attempt will be made here to detail his service to the community, but he has been active in many areas. He served on the Burlington School Board for 18 years. Fifteen of them as chairman, doing a superb job. He has been characterized as a man of integrity, never taking sides, a good problem-solver.

He has given much time to the Association of Retarded Citizens (ARC), the Celebration Singers, the annual Antique Fair, and the Ralph Scott Group Home. He is CEO of RSL Associates.

A long-time friend and colleague made the comment that she had never heard anyone speak ill of Terrell. Would that the same could be said of each of us.

**PROCEEDINGS**  
of the  
**One Hundred Thirtieth Annual Session**  
of the  
**Mount Zion Baptist Association**  
  
**Monday, October 18, 1999**  
**HAW RIVER FIRST BAPTIST CHURCH**  
**Haw River, North Carolina**

The first session of the one hundred thirtieth annual session of the Mount Zion Baptist Association was held at Haw River First Baptist Church in Haw River, North Carolina on Monday evening, October 18, 1999.

The meeting was called to order by Moderator Linn Pickens at 7:00 p.m. The welcome and prayer was given by Rev. Richard Poindexter, pastor of Haw River Baptist. The congregation was then led in a worship medley by Rev. Jim Wrenn.

The minutes from the July 1999 quarterly meeting were approved as presented.

Ed Hearne, Associational Prayer Director, came to lead the congregation in a concert of prayer. After requesting that those present gather in groups of two to five persons, Mr. Hearne suggested that the congregation concentrate their prayer in three areas: Confession of sin, prayer for the lost, and for the revelation of each individual's part in the Lord's Great Commission.

Wayne and Laura Wilson then sang a beautiful duet of "Lord, Let Your Light Shine on Us" as special music.

Dr. R. Lee Carter, pastor of North Chapel Hill Baptist Church, delivered the Annual sermon titled, "The Fellowship of the Holy Spirit", based on Acts 1:8, and II Corinthians 13:14. Dr. Carter highlighted the fact that our culture desperately needs the Church of Jesus Christ to share the grace of the Lord, the love of God, and the fellowship of the Holy Spirit.

After Dr. Carter's moving message, Wayne and Laura Wilson returned with another musical selection.

Dr. Roy P. Taylor, Interim Director of Missions, gave his report as well as the Church Extension Report. After recognizing any new pastors in attendance, Dr. Taylor asserted Mount Zion's commitment to our brothers and sisters in the eastern part of North Carolina who are flood victims. He reported that eight truckloads of essential goods have been sent to the Nashville, Kinston and Rocky Mount areas of the state. The main need now is financial. A Mount Zion Baptist Association Disaster Fund has been created and currently has received \$3500.00 in donations. Concerning the Association's move into it's new facility, Dr. Taylor stated that October 25, 1999 is the scheduled moving date. There will probably be an Open House held in January 2000. In the area of Church Extension, Dr. Taylor stated that the new works associated with the Mount Zion Baptist Association were doing well. Integrity Community Church has

purchased land for a building. The Association's newest work, New Life, is searching for a worship center large enough to accommodate all those who attend on Sunday.

Rev. Jim Wrenn returned to lead the messengers and visitors in another worship medley.

Committee reports then followed and included:

- ◆ The Membership Committee report, given by Rev. Joe Hicks. Rev. Hicks reported that Calvary Baptist Church has requested membership into the Mount Zion Baptist Association. There will be a further report at the January Quarterly meeting at Eastlawn Baptist Church.
- ◆ Beverly Alford reported for the Volunteer Selection Team.
- ◆ Dr. Paul Lane gave the report for the Place and Preacher Committee, moving that the report found on page thirteen of the Book of Advance Reports be amended to reflect the following:  
The January 10, 2000 quarterly meeting will be held at Eastlawn Baptist Church.  
The April 10, 2000 quarterly meeting will be held at Kinnett Memorial Baptist Church. The Doctrinal Sermon will be delivered by Rev. Benny Smith with Rev. Norman Harris as alternate.  
The July 10, 2000 quarterly meeting will be held at Mount Adair Baptist Church.  
The annual Associational meetings will be held at Brookwood Baptist Church on October 16, 2000, and at Grove Park Baptist Church on October 17, 2000. Rev. T. W. Hunt will deliver the Annual Sermon.  
The report for the Place and Preacher Committee was unanimously approved as amended.
- ◆ The By-Laws Committee report was given by Rev. Bob Stephenson in place of Rev. Norman Harris. This report contained proposed By-Law changes to Article 1 concerning membership and Article 3 concerning new churches and may be found on page 6 of the Book of Advance Reports. Voting will take place on the second night of the Annual Session.
- ◆ Steve Reavis delivered the Funding Development report. There was a brief discussion. The vote for acceptance will take place on October 19, 1999 on the second evening of the Annual Session.

Moderator Linn Pickens presented a recommendation from the Executive Committee which is as follows: The Executive Committee recommends that the By-Laws of the Association that deal with the Associational structure be "set aside" for a period of one year to accommodate the new structure approved by the voting body of the Association in January 1999. This recommendation was approved.

Also reporting for the Director of Missions Search Committee, Moderator Pickens stated that resumes would be accepted for the position until October 30, 1999. Review of submitted resumes would begin on November 1, 1999.

Following the benediction, refreshments were served in the Fellowship Hall.

**NORTHSIDE BAPTIST CHURCH**  
**Burlington, North Carolina**

The second session of one hundred thirtieth annual session of the Mount Zion Baptist Association was held at Northside Baptist Church in Burlington, North Carolina on Tuesday evening, October 19, 1999.

The members and visitors were called to worship by the song "Holy, Holy, Holy". Moderator Linn Pickens then called the meeting to order at 7:00 p.m. Rev. Bruce Brown, pastor of Northside Baptist, welcomed those attending and lifted up a prayer for God's guidance in the proceedings.

Rev. Jim Wrenn led the congregation in the hymn, "To God Be the Glory", followed by a wonderful presentation of special music by Tammy Tingen, Penny Compton and Jim Wrenn singing "Out of His Great Love".

The following reports were given:

- ♦ Marty Montague reported for the Global Children's Outreach. Last year children from Belarus and a child from the Sioux Indian nation came to the Mount Zion area. Next year children from Muldova, Venezuela, South Africa, as well as the Sioux Indian nation will be available for visits in the United States. Ms. Montague thanked those who participated in the Children's Outreach program in the past and urged others to consider hosting a child in their home next year.
- ♦ Rev. Vernon Lewis gave a report on the Snow Camp Baptist Mission. He thanked everyone for their support. The mission now worships in a double wide mobile unit, which they have already outgrown. R.A. and G. A. programs have begun and the mission continues to grow.
- ♦ The Vietnamese Mission Report was given by Phiet Nguyen, pastor of the mission since July 1998. The mission has grown from approximated 15 members to 30. As there are not many Vietnamese families in the area, families are sponsored from Vietnam to America.
- ♦ Dr. Terry Q. Farmer delivered the Hispanic Mission Report in the absence of Eric Thompson, Hispanic Missions Coordinator. Hispanic services are held at First Baptist Church Mebane and Fellowship Baptist Church in Burlington. Both have steady groups of believers as the core of their Sunday services with Juan Hilario acting as pastor of the work at First Mebane, and David Gonzales presently leading the worshippers at Fellowship Baptist. Attendance at First Baptist Mebane averages between 35-40 and Fellowship Baptist Church generally hosts around 20.

The congregation then sang another hymn, "I Will Sing of My Redeemer", led by Rev. Jim Wrenn. "He Is Here" was the title of the special music performed by the trio consisting of Tammy Tingen, Penny Compton, and Jim Wrenn.

Mrs. Kathryn Ellington reported for the Memorials Committee. She announced that the next book of minutes of the Mount Zion Baptist Association would be dedicated to Mr. Terrell Duncan, to the delight of the entire Associational body.

Rev. Bob Stephenson moved that the amendments to the By-Laws of the Mount Zion Baptist Association which had been presented the previous evening be approved. The motion was seconded and unanimously approved.

Steve Reavis moved that the Mount Zion Baptist Association Proposed Budget for the year 2000 be approved. The motion was seconded and unanimously approved.

Dr. Roy P. Taylor then led in the Installation of Officers beginning with a scripture reading from John 5:15. He also recognized the new pastor of Calvary Baptist Church, Rev. Ernest Beck.

Mrs. Sylvia Jones, secretary of New Birth Baptist Church, read a letter of gratitude to the members of the Mount Zion Baptist Association.

Following the benediction, those attending were invited to stay and enjoy the refreshments in the Fellowship Hall.

Respectfully submitted,

Jan Cheek,  
Associational Clerk

## **Minutes of the Quarterly Meeting Mount Zion Baptist Association January 11, 1999**

The Mount Zion Baptist Association held it's first quarterly meeting of 1999 at Holly Hill Baptist Church in Burlington, North Carolina, on Monday evening, January 11, 1999, with 165 persons representing 31 churches in attendance. Mrs. Linn Pickens, Moderator, called the meeting to order at 7:00 p.m.

Rev. Paul West, Interim Pastor of Holly Hill Baptist, welcomed the messengers and guests and gave the invocation.

The congregation then stood and sang a praise medley, led by Rev. Jim Wrenn. Rev. Kevin Jasper sang "Thank You" for our special music.

Moderator Linn Pickens recommended that the minutes from the October 1998 meeting be approved. Recommendation accepted.

Mr. Steve Reavis, Chairman of the Funding Development Committee, gave the Financial Report. He expressed thanks for the increase in giving to the Association and reminded the messengers that each church needs to strive to give 4% of their undesignated income.

Mr. Don Bolden addressed the messengers for the Facilities Relocation Committee, which consists of the following members: Rev. Norman Harris, Mrs. Linn Pickens, Mr. Don Bolden, Mr. Tom Barton, Mr. Watson Byrd, and Dr. Roy Taylor and Dr. Lynn Sasser as ex-officio members. Fifteen years ago, the need for improved office facilities and increased space for the Mount Zion Baptist Association was realized, and plans were made to proceed in finding a new location for our organization. However, for some reason these plans never went forward. Recently, an opportunity has presented itself for the possible relocation of the Mount Zion offices to 233 South Main Street in Graham, North Carolina. The owner is willing to trade this property for our property on Harden Street in Graham plus an additional \$125,000.00. He is willing to personally finance this transaction at 6% interest, with no payments or interest for 36 months. After 36 months interest compounds until payments begin, within 60 months of trade/purchase. The only cost during this time will be the cost of renovation to make the property suitable for the needs of the Association, for which financing will have to be obtained.

The Facilities Relocation Committee, along with the Executive Committee, unanimously agreed to present this opportunity to the voting body of the Association for approval. An amendment was also proposed, which would allow the Association to obtain a line of credit for the purpose of renovation of the property. Moderator Linn Pickens opened the floor for questions, which were answered by Dr. Roy Taylor. After all questions had been answered, Rev. Charles Fleshman moved, and it was seconded, to approve the amendment to the motion. The amendment passed unanimously. Rev. Bob Stephenson then moved and it was seconded that we approve the main motion. The motion also passed unanimously.

Dr. Lynn Sasser brought one last item of business, upon the recommendation of the Executive Committee, to be voted upon by the Association, the new structural format of the Mount Zion Baptist Association. Although the basic structure had been approved in concept at the October 1998 meeting, Dr. Sasser presented a refined, clarified version. This new structure passed unanimously.

Before continuing, Dr. Sasser recognized all new pastors within the Association and asked each to say a word. New pastors included: Dr. Gene Hunsinger, pastor of Grove Park Baptist Church in Burlington, Rev. Ron Smith, pastor of Glen Hope Baptist Church in Burlington, and Rev. Larry Cheek, pastor of Edgewood Baptist Church in Mebane. Although Dr. Terry Prichard, new pastor at Eastlawn Baptist Church in Burlington, was not present, one of the Eastlawn members announced his call to that church.

The Mount Zion Baptist Association will once again be participating in the Global Children Outreach in the summer of 1999, Dr. Sasser reported. He encouraged anyone interested in this wonderful ministry to attend a preliminary meeting, which will be held on Tuesday evening, January 19, 1999 at the First Baptist Church in Graham.

Rev. Tip Cockman, Adult Ministries Team Leader for the Association, briefly addressed the congregation. He expressed his belief that the training of adults is of vital importance to the success of today's churches as they strive to win the lost and minister in the name of Christ. Rev. Cockman is convinced that most adults are very willing to be trained if the training material is current and relevant to their lifestyles. He stated that he is available for and will be calling on the churches within the Mount Zion Association.

Rev. Kevin Jasper returned and sang, "I Bowd On My Knees" as special music.

Finally, special guest Rev. Bobby Stafford came to discuss, "What Does It Mean To Be An Associational Messenger?" His presentation was informative and interesting. An outline of his talk is attached to these minutes.

There being no further business, Moderator Linn Pickens closed the meeting with a benediction, which included asking God to bless the refreshments about to be served in the Fellowship Hall of our host church.

Respectfully submitted,

Jan Cheek,  
Associational Clerk

## **Mount Zion Baptist Association**

### **April 12, 1999**

The Quarterly meeting of the Mount Zion Baptist Association was held on Monday evening April 12, 1999 at Glencoe Baptist Church in Burlington, North Carolina. Eight-five messengers and guests representing twenty-one churches were in attendance. Mrs. Linn Pickens, Moderator, called the meeting to order at 7:00 pm. Reverend Darrell Massey, Pastor of Glencoe Baptist Church, gave the welcome and invocation.

Reverend Bob Stephenson led the congregation in the old hymn, "Stand Up, Stand Up for Jesus." His wife, Joan Stephenson, provided piano accompaniment for the evening. Special music was offered by Ms. Tammy Tingen who sang "Surely the Presence" to the delight of all.

After encouraging the messengers to review the minutes from the January Quarterly meeting, which had been distributed to them upon arrival. Moderator Linn Pickens moved that they be approved. The motion was seconded and approved unanimously.

Ms. Beverly Alford reported for the Volunteer Selection Team. A slate of proposed officers and leaders for various positions within the Mount Zion Baptist Association was nominated, seconded and approved unanimously. Those nominated had already agreed to serve if elected.

A report on the Associational Facility Renovation was given by Dr. Roy Taylor. He stated that work is progressing slowly. He urged anyone who wished to volunteer their time or labor or finances toward this project to let him know. He pointed out that if each church within the Association would increase their giving by \$83.00 per month, the debt for the new facility could be put to rest in five years, allowing the Association to have a clear deed for its new location. Dr. Taylor stressed the importance of having an Associational facility of which we may be proud.

Reverend Bob Stephenson returned to lead the congregation in another hymn, "Crown Him with Many Crowns."

Associational Adult Team Leader, Reverend W.T. Cockman, gave a brief report on Adult ministries. Recognizing that training for Adults is essential but sometimes lacking in our churches, he suggested that it was important to incorporate training time within already established meetings. He will be leading meetings at First Baptist Church, Burlington, in the near future. Reverend Cockman agreed to make himself available to those wishing to schedule meetings for their church or group.

Dr. M. Lynn Sasser presented the Director of Missions report, as well as the financial Report in the absence of Funding Development Committee chairman, Mr. Steve Reavis.

He thanked those present for the best financial quarter since his arrival three years ago. Giving is up 44% above the average.

The Director of Missions report concentrated on how the Association can most effectively partner with it's member churches. Highlights included:

- A new African-American work is being co-sponsored by the Mount Zion Baptist Association and Brookwood Baptist Church. Kerry Richmond is heading up this mission, which is called New Life Community Church. The attendance is already averaging 60-70 persons each Sunday.
- There are two areas within our Association that are developing Hispanic ministries: Fellowship Baptist Church in Burlington and First Baptist Church in Mebane. Lay Hispanic leaders from Pittsboro are helping out with these endeavors under the leadership of Associational Hispanic leader Eric Thompson.
- Several families within the Mount Zion Baptist Association will again be hosting children in cooperation with Global Children Outreach. This year we expect three children from Belarus, one Sioux Indian child, and one interpreter.
- Dr. Sasser felt encouraged to see the new organizational structure, which was approved by the voting body of the Association, come to fuller realization. This new structure will go a long way toward helping Mount Zion become more of the "helping organization" that it needs to be.
- Dr. Roy Taylor continues to make himself available with the revisioning process to any church that requests it.

Ms. Tammy Tingen returned to bless our hearts again with the musical selection "He Was There All The Time."

Dr. Paul Lane, Pastor of First Baptist Church in Graham, then came to deliver the Doctrinal Sermon. His message was titled, "Kingdom Economics", based on II Corinthians 8: 1-9.

Following Dr. Lane's challenging sermon and the benediction, the messengers and guests gathered in the fellowship hall for refreshments.

**Mount Zion Baptist Association**  
**July 19, 1999**

The Quarterly meeting of the Mount Zion Baptist Association was held on Monday evening, July 19, 1999 at North Chapel Hill Baptist Church in Chapel Hill, North Carolina. Mrs. Linn Pickens, Moderator, called the meeting to order at 7:00 p.m. The welcome and invocation was given by Dr. R. Lee Carter, Pastor of the host church.

Mrs. Victoria Freeland, Minister of Music at North Chapel Hill Baptist Church, led the congregation in singing "Victory in Jesus". The North Chapel Hill Baptist Church Choir, also under the direction of Mrs. Freeland provided special music, singing "Stir Your Church, O God, Our Father".

After allowing time for the members to review the minutes from the April Quarterly meeting, Moderator Linn Pickens made a motion that the minutes are approved as presented. The motion was seconded and approved unanimously.

Rev. Paul West presented the Volunteer Selection Team Report and moved that the nominees be approved to serve. The motion was seconded by Rev. Al. Roberts and was approved unanimously by the messengers. The Report is as follows:

Partnership Missions:	Michael Bradley	Oak Grove Baptist Church
Public Relations:	LaJune Moore	Glen Hope Baptist Church
DOM Search Committee:	Linn Pickens	Glen Hope Baptist Church
	Terry Farmer	Mebane, First
	Maynard Ellington	Grove Park Baptist Church
	Norman Harris	Elon College, First
	Don Bolden	Burlington, First

Dr. Roy P. Taylor then came to give a report as the Interim Director of Missions. He stated that Dr. M. Lynn Sasser, former Director of Missions, had laid a wonderful foundation and set a fresh direction for the Mount Zion Association during his tenure. Dr. Taylor said that he felt his job is to maintain existing programs and momentum until a new Director of Missions is selected. At this time, all programs are progressing well. Renovation work on the new Associational facility is also going well, but not as rapidly as anticipated. Dr. Taylor thanked the members of the Association for their financial support for the renovation of the building where the offices of the Mount Zion Association will be relocated. He also thanked Dr. Carter and the members of North Chapel Hill Baptist Church for allowing the Mount Zion Baptist Association to hold it's Quarterly meeting at their church.

Regarding the quest for a new Director of Missions, Dr. Taylor asked that the Search Committee become active at this time. He encouraged the members of the Association to pray for daily for this team, that God would lead them to the person He has prepared for Mount Zion.

At this time, Mrs. Victoria Freeland returned to lead the congregation in the hymn "Sing, Congregation, Sing".

Rev. Tip Cockman, Adult Ministries Team Leader, reported on Adult Ministries. He reviewed important happenings including seminars. He pointed out that although the seminars may be taken separately, they are designed to compliment one another. He assured the messengers that these seminars are quality presentations and would be well worth attending.

The North Chapel Hill choir offered another special musical selection, singing "Jesus Is Lord of All".

At this time, Jessica Albright briefly reported for the Global Children's Outreach, recognizing visiting children and their host families in attendance.

The Mount Zion Baptist Association was delighted to have Rev. Ralph Harrell, a missionary for over 37 years, as their special speaker. Rev. Harrell is currently serving as the Interim Pastor for Mars Hill Baptist Church in Hillsborough. Taking his scripture from Mark 1:35-38, Rev. Harrell spoke on "Elsewhere Preaching". He challenged the members to deeper missions involvement.

Moderator Linn Pickens gave the benediction and encouraged everyone to adjourn to the fellowship hall for refreshments.

Respectfully submitted,

Jan Cheek,  
Mount Zion Baptist Association Clerk

## **ACTS ANNUAL REPORT 1999**

Odyssey, the network which fills the majority of programming on Cable Channel 1 has undergone yet another change in the past year. Through a deal with Henson Entertainment and Hallmark, the network now is trying to position itself as a major cable channel family programming. This may affect our local insertion schedules. Local times for insertion being recommended by the network do not include weeknights at 7:00 pm. Negotiations with the Network and Time Warner Cable continue.

Fellowship Baptist Church, Grove Park Baptist Church and the New Directions Ministries continue to provide a local presence on the cable channel. Fellowship airs its worship service on Monday night at 7:00 pm, Grove Park airs its worship service on Sunday morning live at 11:00 am and Thursday at 7:00 am. The New Directions air their teaching ministry at 7:00 on Tuesdays.

ACTS continues to provide an opportunity for outreach as these churches reach a potential audience of nearly 26,000 households in Burlington and Alamance County, including most of the hotels along Interstate 85/40 and Alamance Regional Medical Center.

Respectfully submitted,  
Bobby Dobbs

## **BAPTIST STUDENT UNION REPORT FOR 1999**

The 1998-99 school year at Elon College was a great year for the BSU. We started the year by having a booth set up at the Organizational Fair on campus. At our booth we gave out pamphlets about BSU in North Carolina and we gave out cards telling about our BSU. We had students sign a list with name, phone number, campus box and email. We followed up with this list by sending each student postcards and emails about our meetings.

At our weekly meetings we had great meals provided for us by the churches of our association. The students really love the home cooked meals and look forward to each Thursday night so they "don't have to eat pizza again." At our meeting we had the meal, some fun time, singing, and different types of programs such as Bible devotions lead by students. We also had a missionary speaker telling about her daughter being a missionary in Africa, a speaker from the Baptist State Convention, local pastors leading devotions, the campus minister leading a devotion, and many other programs.

Four students, our campus advisor and one of our co-campus ministers from the Mount Zion Association attended the BSU fall conference at Ridgecrest. There they met

other students from other colleges and heard reports on the State BSU. There was great music and great speakers. We also learned of other things that the State BSU was planning.

Three students, our campus advisor and one of our co-campus ministers from the Mount Zion Association attended the BSU Spring Conference at Caraway. There they elected State BSU officers and committee members. One of our students was selected to be on the BSU 2000 Fall Conference Planning Committee. Another one of our students was selected to go to South Africa as a summer missionary. We heard a great speaker at Caraway.

Three students and one of our co-campus ministers attended the BSU winter ski retreat in Boone. There they did mission work in the Boone area, skied that night, and had a program lead by a minister in Boone.

During the Spring Break at Elon College, five students, our campus advisor and one of our co-campus ministers participated in mission projects that week. They spent two days helping renovate the new Mount Zion Associational Office. They spent a day working in the Mount Zion Thrift Store. They also spent two days preparing and feeding the homeless at the Good Shepherd Kitchen.

At Christmas our students chose to have secret pal gifts for Christmas which the students really enjoyed. Our students visited several of our churches throughout the school year to let them know some of what we were doing and to express our thanks for all of the support from the churches. Our students did a Bible study on the book of James where they met on campus on Saturday mornings. We had several of our students to participate in activities that the State BSU had planned at different colleges around our State. They also did activities together as a BSU such as going bowling, going to Christian concerts and more.

One of our students accepted Christ as his Savior and was baptized by one of our co-campus ministers, Rev. Arnold Gosnell, at First Baptist Elon College.

We had a very good year with the BSU at Elon College and look forward to an even better year as we reach out to the students at Elon College for Jesus Christ.

Respectfully submitted,  
Arnold Gosnell, Dane Jordan  
Co-Campus Ministers

## BROTHERHOOD REPORT FOR 1999

This past year has been an organizational year for me as the new Brotherhood Director and a learning experience. I have had the opportunity to meet with some of our church leaders to discuss the work of Baptist Men and offer help in developing their ministries. I have also met with several community ministries (United Way, Allied Churches, Red Cross, etc.) to develop partnerships with them that will give our Baptist Men's groups opportunities for missions work. If you need help starting or organizing a Baptist Men's ministry, need speakers for a meeting, or need projects or ideas for ministry, please contact me.

Our Association sent several volunteers to help the Baptist Men's Disaster Relief feeding unit stationed at First Baptist Church, Wilmington. Thank you to those who gave of their time and ministered to people in Jesus' name to meet their physical and spiritual needs. Efforts are now under way to organize Disaster Recovery volunteers to work in the flood areas. Please pray for people to respond. Recovery work will continue for several months. On Saturday, October 2, I had the opportunity to work with a Region IV group from Inwood Baptist Church, Raleigh, in the Old Dock community, below Whiteville, cleaning out and repairing homes damaged by flooding from the Waccamaw River. It was disheartening to see the aftermath of the flooding – the heartaches of the people whose homes were flooded and the piles of rubbish from what were once people's furniture, appliances, clothes and other possessions. However, it was a blessing to be able to minister in whatever way we could and to see our Baptist Men's teams working together in Christ's name.

One of my goals for this past year was to begin organizing a Disaster Recovery Unit for Mt. Zion Association. The recent events surrounding relief efforts for the flood victims from Hurricane Floyd show that our Association is ill prepared for assistance and reinforced my resolve to secure and equip a trailer for disaster recovery. During the 1999-2000 Association year, I will be contacting each of our churches to see how you are willing to help support this need. Please prayerfully consider your response. We will need to purchase a trailer, install racks and shelving inside, secure tools and equipment, enlist volunteers and provide training in Disaster Recovery. In addition to Disaster Recovery work, the unit would also be available to the churches in our Association if needed for their Baptist Men's handyman ministries.

Charles Lawson  
Brotherhood Director

## CHURCH AND COMMUNITY MINISTRIES REPORT FOR 1999

The Ministries of your association continue to function as in years past. Daily requests for food and other benevolence assistance take much of your time. Hardly a day passes without requests from individuals, families and other agencies. Your thrift stores finance the benevolence and your generous gifts support the food pantry.

During the year, we held one literacy workshop which netted us 18 tutors in ESC (English as a Second Language). This was led by Jeannette Walters of Goldsboro.

The Baptist Student Union continues to thrive under the leadership of Dane Jordan and Arnold Gosnell. At the beginning of the 1999/2000 school year, they were having about 30 students in attendance.

School supplies are collected throughout the year and placed in our schools or given to individuals on request. The items given are essential to a child's education.

Gift packages are given to residents of Hospice Homes in Hillsborough and Burlington, to the persons who have AIDS in Burlington (through Alamance Cares) and to the AIDS home in Carboro. New baby layettes and pediatric kits were still given at the hospitals and as requested through our office. Housewarming gifts were given to several new Habitat homeowners, as well as a new homeowner through Alamance County Community Services.

We provided gifts for the residents of Graham Manor earlier in the year. They were there on a temporary basis. We also hosted a party for them, complete with refreshments and the gospel singing group from Mount Zion. The facility changed management and now have new staff and new residents. We have been giving them welcoming gifts and are currently hosting monthly Bingo Tournaments (where residents from other assisted living facilities come in), offering refreshments and assistance with the Bingo cards. We have planned a couple of other activities for some of the assisted living facilities for the coming year, a Halloween party, Christmas party and a Valentine party, and perhaps other activities as churches and groups let us know what they are willing to do.

Because the Employment Security Commission was a little late in replacing the Manpower Representative for our area and he was not able to get everything going, we did not host the Sunday afternoon refreshment time for the migrant farm worker this year. This may or may not happen next year, but we continue to make our presence known to the migrants by the gift packages we give to each of them.

The annual picnics were held for the visually and hearing impaired at South Graham Municipal Park. Appropriate entertainment was provided and gifts were given to those present. Both of these activities were well attended.

The Volunteer of the Year function was held on August 31 in conjunction with the association's Church and Recognition Program. This activity was held at Fellowship and we used the theme of "New Beginnings-New Life." The decorations included butterflies

and we gave each volunteer attending a butterfly suncatcher. Volunteer of the year went to Ruby Cates of Burlington First, with honorable mention going to Bettie Dunn and Myrna Beam.

Please continue to pray for the ministries of your association. The needs in our community seem to increase each day.

Respectfully submitted,

Ann Perry

## **CHURCH EXTENSION REPORT FOR 1999**

Our new works are doing well. Some are experiencing the normal growth pains of inadequate space. Such is to be expected. The foundations of these ministries are being firmed up both numerically and spiritually.

The Mission at Snow Camp is doing well. The new double wide trailer has been sectioned off into a worship center and educational space. Rev. Lewis is doing an excellent job in developing structure and organizational skills in the congregations.

Integrity Community Church has purchased land for a new worship campus. The fellowship is growing rapidly and needs additional space. Continue to pray for Bud Wrenn and congregation in this crucial time of growth.

Our Hispanic and Vietnamese Missions are doing well. Through the continued efforts of the association and three of our fine churches, Riverside, Fellowship and 1<sup>st</sup> Baptist, Mebane, these ministries are reaching many.

Our newest work, New Life Community Baptist Church is growing rapidly. The most pressing need at this time is an adequate meeting facility. They need a worship center that would accommodate 40-50 people. Pray for this work and for Pastor Kerry.

God is doing a great work in our community. We need to give Him praise and keep our lives committed to His vision for Mt. Zion. He will empower and direct our paths.

## FAMILY MINISTRIES REPORT FOR 1999

Families are under an enormous amount of stress – maybe more than ever before. As the new millennium approaches, consider how troubled families are today: divorce, absent fathers, spouse and child abuse, teen pregnancy, school violence, parental neglect, latch-key kids, substance abuse. Unfortunately, the list of crises that families are facing could go on and on.

What shall we do? Simply cursing the darkness isn't ultimately very helpful. What we need is some LIGHT to shine on the darkness. Mount Zion Baptist Association, through its Family Ministries division, is seeking to shine the light of Christ on the families in our area. We are participating in two events that I believe will be a great blessing to our families. First, on November 2<sup>nd</sup> and 3<sup>rd</sup> Molly Kelly --- a nationally known speaker will be presenting "Saved Sex" to area middle schools during the day and to the community in the evening. The purpose of this program is to encourage young people that sex is good and right, but only in the context of the marriage commitment. This is an important message for our children to hear and therefore, it is an important message for Mt. Zion Baptist Association to be a part of sending. Second, Dr. Helen Legettee, a former Associate School Superintendent, classroom teacher, counselor, recent author of a wonderful book on parenting, and member of St. Mark's Church will be leading a conference entitled "Parents, Kids, and Character" on November 13<sup>th</sup>. Having worked closely on character education, I know her to be wise in her counsel, biblical in her perspective, and passionate to this cause. This association-wide event will be hosted by First Baptist Church, Burlington. You will be hearing more about the details for both of these events in the upcoming *Courier*.

Please be in prayer for the success of these two events as together we, the people of Mt. Zion Baptist Association, strive to shine the Light of Christ on the families of our churches and communities.

Craig McMahan  
Pastor, First Baptist Burlington

## **MEMBERSHIP COMMITTEE REPORT FOR 1999**

I have received for the membership committee an application for membership into the Mount Zion Baptist Association from the Calvary Baptist Church, 230 Williamson Street, Burlington, NC. The Membership Committee will meet soon with Rev. Beck and members of his church. We will bring back a formal recommendation at our next associational meeting.

Respectfully submitted,

Joe Hicks  
Chairman

## **ORDINATION COMMITTEE REPORT 1999**

The Committee on ordination had one candidate during the past church year. Candidates are questioned about their Christian conversion and their call to ministry. They are questioned in regard to theological convictions and encouraged to continue in seeking the Lord in daily growth.

The following person was recommended for ordination to the Gospel Ministry by his church.

May 14, 1999: Mr. Kerry Richmond – Brookwood Baptist Church  
Pastor, New Life Community Church

## PRAYER MINISTRIES REPORT FOR 1999

The Mount Zion Association Prayer Council continues to meet every month on the fourth Monday at seven in the evening at the Association office to bring before the Father those things of Associational concern. We believe, as 2 Chr 7:14 reads, **If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land.** And James 5:16 **Confess your faults one to another, and pray one for another, that ye may be healed. The effectual fervent prayer of a righteous man availeth much.**

The Prayer Council asks that the prayer leaders, Pastors, Deacons or anyone that is aware of a need in their Church to contact one of the Prayer Council Members that we may pray for that concern. If you would like to come and pray with us, please do.

## PRISON MINISTRY REPORT FOR 1999

In last year's report I started out writing about uncertainty and change. The year was marked by death for us. A few months after the ministry recognized Doris Pender at her church for her years of service to the ministry, she died. Shortly after that the former chairman of our Executive Board, and long time volunteer, Mr. John Finley, died. Within one month I eulogized another long time volunteer, Mr. James Copeland. Yes, death hit us hard this year.

The uncertainty that I wrote about was whether the Alamance Unit would remain open or be closed. Well we received a reprieve when some local legislators intervened on our behalf to keep that facility open. Many of you were instrumental in that effort and I appreciate your diligence and efforts in voicing your concerns. We only have 56 inmates at Alamance, but there are plans to move a modular type unit onto the unit. I am not sure how many more inmates we will house.

Our volunteer participation remains good at most on-site programs. However, we still need male volunteers to take inmates out to local churches. This is a need at both Alamance and Orange Correctional Centers. The Yokefellow volunteers continue their faithful ministry of support and encouragement to the inmates. They come week after week to offer hope to these men. This is a vital ministry to the inmates.

When I was making a presentation at one of our churches recently I was emphasizing the inmates' need for support when I was asked, "where do you get support?" I get support from my church and pastor. I am able to attend seminars and conferences, which afford me support as well. During this past year I attended the annual conference for Baptist chaplains at Caraway. I also attended a conference on addiction that was sponsored by the Chaplaincy Division of the Department of Corrections.

Your concern for these men through the monthly birthday parties is a real blessing to them. Their lives are enriched by your thoughtfulness. I will never forget one inmate's words, "I didn't know anything like this took place in prison, --- for a couple of hours you made me forget where I am." I also enjoy hearing the comments of the volunteers who come to the prison for the first time. I hear things like, "they are human too", or "I was nervous at first, but I had a real good time, I am going to come back."

I am pleased to write that the Disciple Bible Study will be taught at both facilities this year. This study will be in addition to the other Bible studies that are already in place. Local churches continue to offer services of worship at both facilities.

Many of you provide greeting cards for me to give to the inmates to help them maintain contact with their families. Periodically when I go by the Associational office I find cards that have been donated for the inmates. We try to provide toiletry bags each

month for indigent inmates. Again many of you provide toothpaste, shampoo, deodorant etc. for these bags. I appreciate your willingness to provide in a meaningful way.  
Prison Ministry Report, page 2

In addition to the ongoing programs we try to offer “special” programs for the men during the year. This past year Michael Parrott did a seminar entitled “Waking Up.” This seminar encouraged the men to look at their decision making process. We also had an inmate who had spent 23 years in the Alabama Dept. of Corrections to make a presentation at both facilities. Bo Lozoff from the Human Kindness Foundation did a program at Orange.

Your efforts at Christmas continue to bless these men and their families. Our “Family Day” is a meaningful time for the men and their families. Your “goodies” are greatly appreciated as well as the toys you donate for the children of these men.

We are excited about the possibility of constructing a chapel at the Orange facility in Hillsborough. We have tentative plans at the present, but we do not have the approval of the state engineer to proceed with our plans. Hopefully, this will be a reality for us. Please pray that we will be able to provide a place for worship, Bible study, and other programs.

Thank you for your support of this ministry. May God use it to touch and change the lives of these men. Pray for this work and all that are involved in it.

Ken Barker  
Prison Chaplain

## **THE VOLUNTEER SELECTION TEAM REPORT**

Our committee met three times since January to fill the positions of leadership in our association. We also made follow up contacts by telephone. We met with both Dr. Lynn Sasser and Dr. Roy Taylor. We studied the ministry positions descriptions.

This committee replaced both the Committee on Committees as well as the Nominating Committee in the reorganization structure. The purpose of our committee was to select competent, effective volunteers to lead the Missions Delivery and the Administration Teams of our association.

Our committee’s report was voted on and approved at the April 12 associational meeting at Glencoe Baptist Church. (Original report included)

At the July 12 associational meeting our committee presented five names for the Director of Missions Search Committee and they were approved.

Many thanks to the members of this committee: Rev. Bruce Brown, Debbie Clayton, Faye Jordan, Rev. Paul West, Phoebe Bradshaw, Rev. Philip Moore, Rev. Don Pegg, Rev. Kenneth Wilson, Dot Jackson and David McMillan

## **WOMENS MISSIONARY UNION REPORT FOR 1999**

**“TRANSFORMED: SHAPED BY THE HAND OF GOD”** was our theme for study and work for the year 1998-1999.

Observances of the Baptist Women’s World Day of Prayer November 2<sup>nd</sup> occurred in two locations: Grove Park Church and Fairview Church. A combined attendance of 73 and an offering of \$219 marked very good services. Mrs. Faye Collins and Ms. Beverly Alford led the services using the theme “Experiencing the Love of God through Prayer.”

World Hunger Day and Offering for World Hunger was promoted in the churches during October.

September marked the month for NC Missions Week of Prayer and Offering. WMU Organizations were urged to promote and participate in this emphases: “Little Is Much: You Can Make A Difference”, desiring to encourage a better offering for NC Missions to better support NC WMU and Brotherhood.

International Mission studies: "Wonder Power" and Week of Prayer for International Missions: "God Is Moving: Who Will Follow," and the Lottie Moon Christmas Offering for International Missions was promoted in most of the churches during November and December.

February 22, 1999, the book study, Transformed: Shaped by the Hand of God, was taught by Mrs. Carmen Maddrey at First Baptist Church, Graham.

Several churches gave 250 chapsticks for Christmas boxes that were given to the NC Women's Correctional Institution in Raleigh.

North American Missions studies: "Doing North American Missions Through Associations" were churchwide studies in many of our churches. Week of Prayer for North American Missions, "God At Work", and the Annie Armstrong Easter Offering for North American Missions were promoted in March.

March 16, 1999 marked the Annual Associational WMU Celebration at Fellowship Church. "Transformed-A Celebration", was the theme. Attendance was 125 with 22 churches represented and the Snow Camp Mission. A panel discussion was presented by Ms. Ann Perry, Director of Church and Community Ministries of Mt. Zion Association; Jenna Johnson, Family Abuse Services of Alamance County, Rev. Eric Thompson, Hispanic Ministries, Mt. Zion Association and Mrs. Paula Harrison, Moderating. Each panelist elaborated on the areas in which they were working to help minister to the needs of people in our Community, City and County. The celebration was dedicated to the memory of Mrs. Vickie Frank Boggs, who served our Mt. Zion Associational WMU faithfully in Mission Friends, Girls in Action, Baptist Women, Assistant WMU Director and WMU Director from 1980-April 1998. Family members of Vickie Boggs and members of Snow Camp Mission were special guests of the service. On display were the altar table accessories, including a cross, two candle holders, four offering plates and a communion set, which were presented to Snow Camp Mission at their Dedication Service April 29, 1999, in loving memory of Mrs. Vickie Frank Boggs. Family members of Mrs. Boggs and her friends of our churches and school gave these gifts.

Women on Mission Consultants, Mrs. Faye Collins and Mrs. Dorothy Jackson, led an inspirational Associational WMU Prayer Retreat on Saturday, April 17, 1999 at Holly Hill Church, using the theme, "Transformed Through Prayer." There were 55 in attendance, representing 22 churches. Special guests were Mike and Ethel Ledbetter, retired missionaries to Mexico. Their messages inspired and challenged each one to reach out to the many Hispanics in our communities.

WMU Organizations in our churches have volunteered their assistance to the Snow Camp Mission to provide funds or donate items they needed to minister to the people of the Mission; shipped old copies of missions magazines to women of South Africa; promoted Project HELP: Violence (Pave the Way to Peace); provided baked foods to raise funds for the associational office at the new location; assisted at the Mt. Zion Thrift Store; birthday parties for inmates at Alamance and Orange Correctional Units; suppers for Elon Baptist

Student Union Bible studies; picnics for the Visually and Hearing Impaired; gifts for new home owners of Habitat Homes; gifts for AIDS patients and Hospice patients; provided Christmas Toys for the Inmates Christmas Store; provided medical items for the Global Children staying in our association; health kits for the migrants; food for the associational food pantry; picnics for the migrants Sunday afternoon ball games.

The Missions Extravaganza at Ridgecrest Conference Center last April 23-25 was attended by many of our associational women. Associational Leadership Team Training at Camp Mundo Vista was attended by 9 of the team. Training for the leaders of our churches was provided on July 13, 1999 at Glen Hope Church. Attendance was 35, representing 16 churches.

As we have worked this year, we have been aware of the need to have leaders for the Ethnic people in our churches. We hope to offer WMU leadership for them in all organizations.

It is our hope to have an Associational WMU Records Room in the new Mt. Zion Association Office building.

It is a great concern of our Associational WMU Leadership Team that several of our churches do not have an active Woman's Missionary Union Organization. Are we unconcerned about missions training for our young adults and young children? Are we unconcerned about providing a missions atmosphere in which they may hear God calling them into service for Him? Please join our Leadership Team in praying for our churches which do not provide WMU Organizations for their members.

Lucy N. Bardwell  
Associational WMU Director

## YOUTH MINISTRY REPORT FOR 1999

The Youth Ministry Division of Mount Zion Baptist Association led a True Love Waits Worship Rally March 5, 1999 at the Mebane Arts Center. This True Love Waits Event featured the band from Cross Culture Ministries led by Dale Elwell based out of Gibsonville, NC and youth evangelist Brian Till from Annapolis, MD. The doors opened at 7:00 pm with a concession stand led by Tim Cox and music by Cross Culture Ministries. Dale and his band led the youth in worship as Chris Headley used his laptop to project the words onto a screen. During the worship True Love Waits CD's were given away to the youth. Later Brian Till spoke about a believer's faith affecting a believer's decisions and point directly to spiritual and sexual purity.

Approximately 20 made decisions for a renewed commitment or salvation. The individual churches were given the information for follow-up. About 150 students were asked to make a commitment to sexual purity by signing a statement of commitment.

Thanks to all the churches who brought youth to this event and to Tim Cox, Chris Headley, and David Faile for planning this event.

**PROCEEDINGS**  
of the  
One Hundred Thirty First Annual Session  
of the  
Mount Zion Baptist Association

Monday, October 16, 2000  
**Brookwood Baptist Church**  
Burlington, North Carolina

The first session of the one hundred thirty first session of the Mount Zion Baptist Association was held at **Brookwood Baptist Church** in Burlington, North Carolina on Monday evening, October 16, 2000. Two hundred thirty nine messengers and guests representing twenty eight churches were in attendance. Ms. Linn Pickens, moderator, called the meeting to order at 7:00 pm. Rev. Marcus Stewart gave the welcome and invocation.

The congregation was led in a worship medley of “Be Exalted O God”, followed by “Shout to the Lord” and “There is a Redeemer.”

After reviewing the minutes of the last Quarterly meeting which was distributed upon arrival, moderator Linn Pickens moved they be approved as circulated. The motion was seconded and approved unanimously.

Mr. Steve Reavis, chairman of the funding development committee, submitted his report on the proposed budget for 2001:

- \* The budget reflected a small increase from \$208,000 to \$214,000.
- \* Steve encourage every church to contribute 4%.
- \* The Baptist State Convention also supports funds for various mission works and the Association then matches those funds.
- \* A question was asked regarding the decreasing monetary support of the Prison Ministry by the Association. Steve explained that this was a trend that started 3 years ago in conjunction with the **Revisioning**. The Executive Committee made a decision to decrease the level of funding each year. However, Mt. Zion still remains the major supporter of that ministry. There was a brief discussion.

The vote on the budget will take place on October 17, 2000 on the second evening of the Annual Session..

Ms. Beverly Alford, chairperson of the **Volunteer Selection Team** then presented her report. She submitted to the association the following: Rev. Bruce A. Brown as moderator and Rev. Terry Prichard as vice-moderator. Rev. Brown would only accept the nomination if he could vacate his current position as a member of the Volunteer Selection Team and his position on the Executive Committee. A motion was made and seconded regarding his resignation followed by another motion made and seconded in response to Bruce Brown as moderator and Terry Prichard as vice moderator.

The following were also placed before the Association for election: **Mrs. Sandy Gerringer** - Volunteer Selection Team, **Mrs. Dot Jackson**, Executive Committee, **Mr. Sammy Ballard** - Associational RA Coordinator and **Raymond Frazier** - Associational Public Relations Director. A motion for the new officers also was made and seconded.

Mr. Ed Hearne, Associational Prayer Council Director, then introduced Dr. T.W. Hunt, our guest speaker for both nights of the annual meeting.

Dr. T.W. Hunt, author of "The Mind of Christ" as well as many other books, had a extremely moving message on "**The Crucifixion.**" Dr. Hunt detailed the events that lead up to Christ's death - from the courts to the cross.

Following the benediction, refreshments were served in the Fellowship Hall.

Respectfull submitted,

Kathy Boyd  
Associational Secretary

**Tuesday, October 17, 2000  
Grove Park Baptist Church  
Burlington, North Carolina**

The second session of the one hundred thirty first annual session of the Mount Zion Baptist Association was held at **Grove Park Baptist Church** in Burlington, North Carolina on Tuesday evening, October 17, 2000.

A beautiful instrumental ensemble was performed by Grove Park as a prelude to the service. This special musical arrangement was indeed a blessing to those present.

Mrs. Linn Pickens, moderator, called the meeting to order at 7:00 pm. Dr. Gene Hunsinger, pastor of Grove Park, welcomed those attending and lifted up a prayer for God's guidance in the proceedings.

Mr. Steve Reavis, funding development committee chairman, moved that the Mount Zion Baptist Association's Proposed Budget for the year 2001 be approved. The motion was seconded and was approved by a majority of votes.

Dr. Randy Godwin, Director of Missions, then installed the newly elected officers for the Association.

The congregation enthusiastically sang the wonderful hymn "Alleluia, Alleluia!"

Mr. Ed Hearne, Associational Prayer Council Director, introduced Dr. T.W. Hunt once again. Dr. Hunt concluded his two part message with "**The Resurrection.**"

Following the benediction by Dr. Randy Godwin, those attending were invited to stay and enjoy the refreshments in the Fellowship Hall.

Respectfully submitted,

Kathy Boyd  
Associational Secretary

## **Minutes of the Quarterly Meeting**

### **Mount Zion Baptist Association**

#### **January 17, 2000**

The Quarterly Meeting of the Mount Zion Baptist Association was held on Monday evening, January 17, 2000 at Eastlawn Baptist Church in Burlington, North Carolina. Ninety-nine messengers and guests representing twenty churches were in attendance. Mrs. Linn Pickens, Moderator, called the meeting to order at 7:00 pm. Dr. Terry Prichard, pastor of Eastlawn gave the welcome and invocation.

Reverend Jim Wrenn led the congregation in a worship medley. Joan Stephenson provided piano accompaniment for the evening. Ms. Allene Fonville of Eastlawn Baptist Church blessed our hearts with the song "The Midnight Cry."

After encouraging the messengers to review the minutes from the October Annual Meeting, which had been distributed to them upon arrival, Moderator Linn Pickens moved that they be approved. The motion was seconded and approved unanimously.

Ms. Pickens expressed to all the privilege she felt it was to be Chairman of the DOM Search Committee and after several "set-backs" the Search Committee is now back on track. The announcement was also made regarding the WMU Celebration which was to be held on Tuesday, March 21 at First Baptist Church, Burlington.

The financial report was then presented by Rev. Richard Poindexter, pastor of Haw River Baptist Church and a member of the Finance Committee. He delivered a good report saying that the contributions increased from \$159,873 in 1998 to \$190,994 in 1999, an increase of 19.5%. The Association borrowed \$25,000 from CCB for renovation on our new facility and in December of 1999 \$1,774 was paid back leaving a balance of \$23,226. For the year 2000 the Association expects to pay back another \$8,000 on the loan. Rev. Poindexter encouraged each church to commit to a least 4% toward this effort.

Ms. Beverly Alford, chairman of the Volunteer Selection Team, gave her report and recommended Carmen Maddrey to become a member of the DOM Search Committee to replace Rev. Norman Harris who has resigned and Rev. Ken Simpson as the chairman of the Church Extension Committee to replace Dr. Roy Taylor. The motion was seconded and approved unanimously.

Rev. Joe Hicks, chairman of the Membership Committee, recommended that Calvary Baptist Church be brought into the Mt. Zion Baptist Association. This recommendation was seconded and the motion carried. At this time Rev. Hicks introduced the pastor of Calvary Baptist Church, Rev. Ernest Beck and his wife, Patty, to all present. Rev. Beck expressed gratitude to Dr. Taylor for all his help over the last year and said he was very excited about being a part of the Association.

Dr. Roy Taylor, interim Director of Missions thanked Eastlawn for their wonderful hospitality and called our attention to several matters:

- ♦ **19.5% increase** – this is a wonderful response from all our churches. We are growing with 43 churches in the Association.
- ♦ **All new works** are going well. We are experiencing some growth pains in our Hispanic works as well as our Afro-American works. New Life is our latest work with Kerry Richmond as pastor. They are currently meeting in Brookwood but plan to move into a building on Church Street in February.
- ♦ **A challenge to all pastors** to participate in the monthly Pastors Conference.
- ♦ **Aims** – Although we have many our primary aim is taken from Matthew 10:2 “The Harvest is Plentiful, the Laborers are Few.” Our aim should be winning the lost to Jesus Christ.

Rev. David Pettingell, minister of Laotian/Thai ministries of Glen Hope addressed the congregation. He enlightened us on this little known ministry that is growing by leaps and bounds. In 1992 Glen Hope started with only 4 Laotian/Thai members and it has now increased to 25. This ministry provides Sunday School classes as well as worship in the Thai/Lao languages.

Mr. Charles Lawson, the Associational Brotherhood Director, proposed the acquisition of a Disaster Relief Trailer to respond to recovery efforts in our state and perhaps others states as needed. The cost would come through donations. The only responsibility of the Association would be in the liability insurance which would come to \$78.00 a year, insurance for physical damage, \$82.00 a year, and insuring the contents of the trailer - \$250.00 - \$350.00. The total cost to the Association would be \$460.00 a year. This would come out of the Brotherhood budget. The trailer itself will cost approximately \$3,000 and tools and equipment between \$5,000 - \$7,500. Disaster relief training would also be provided to anyone interested. The recommendation was then sent to the floor and seconded and the motion carried.

Mrs. Pam Prichard of Eastlawn Baptist Church ministered to us with the beautiful song “He is Here.”

Rev. Tip Cockman, Adult Team Leader for the Association, gave a report on Adult Ministries. Recognizing that the training for Adults is essential, he stated that his desire is to try to enhance the ministry of adults and lift the education in the churches. He reminded us that the Single Adult Retreat would be coming up as one of the events of the Association and encouraged all pastors to pass this information on to the singles in their churches.

The new Youth and Children’s Ministry Team Leader, Matthew Walton was introduced to the members. He said that he will contact as many churches and youth pastors in the next few months as possible. He believes that it is God’s will for him to be here and he is committed to serving the particular needs of this ministry in the Association.

Before closing Dr. Taylor introduced Rev. Emmett Dupree, pastor of Holly Hill Baptist Church and Rev. Jim Shaw, pastor of Mars Hill Baptist Church and reminded all of us that **“our pastor is God’s greatest gift to our churches.”**

Following the closing and benediction by Dr. Roy Taylor, the messengers and guests gathered in the fellowship hall for refreshments.

## Minutes of the Quarterly Meeting

### Mount Zion Baptist Association

#### April 10, 2000

The Quarterly Meeting of the Mount Zion Baptist Association was held on Monday evening April 10, 2000 at Kinnett Memorial Baptist Church in Burlington, North Carolina. Ninety messengers and guests representing twenty churches were in attendance. Mrs. Linn Pickens, Moderator, called the meeting to order at 7:00 pm. Rev. Don Pegg, pastor of Kinnett Memorial gave the welcome and invocation.

Reverend Jim Wrenn led the congregation in a worship medley beginning with the beautiful song "He Keeps Me Singing." Special Music was presented by Rev. Don Pegg and a group from Kinnett Memorial.

After reviewing the minutes of the last Quarterly meeting which was distributed upon arrival, Moderator Linn Pickens moved they be approved as circulated. The motion was seconded and approved unanimously.

Jim Wrenn, Music and Worship Director of the Mt. Zion Baptist Association led the congregation in a hymn, "Bless that Wonderful Name."

Rev. Bruce Brown, pastor of Northside Baptist Church, shared with us the Volunteer Selection Team Report. These people will be taking their positions immediately. They will serve 2 ½ year terms rather than three. Those nominated are: Jeffrey Sykes, **Audit Committee**; Terrell Duncan, Beverly Raley, Kenneth Wilson, **By-Laws Committee**; Evelyn Perry, **Enrollment Committee**; Bruce Brown, **Executive Committee**; Gene Hunsinger, Walter Jones, Richard Poindexter, **Funding Development Committee**; Karen Edwards, Gary Johnson, **Membership Committee**; Sarah Finley, Joan Stephenson; **Memorials Committee**; Keith Moore, Louise Booth, **Ordinations Committee**; Robbie Knowles, Charles Lemley, **Personnel Committee**; Carl Kincaid, Paul Lane, Darrell Massey, Keith Moore, Hoyt Shuford, Marvin Simpson, Bennie Smith, **Place and Preacher Committee**; Mike Byrd, Felton Massey, **Properties Committee**; Don Clement, Gary Johnson, **Resolutions Committee**; Ken Simpson, **Vice Moderator**. These people were recommended and the motion was seconded and approved unanimously.

Ms. Pickens then shared with the congregation that the DOM Search Committee has been meeting weekly and said they would continue to do so until the right person for the position has been found.

Dr. Roy Taylor, interim Director of Missions then gave his report. He reminded everyone that we needed to be in prayer for the Search Committee and ask God to guide them in this endeavor. Dr. Taylor also expressed his belief that we are one of the greatest associations in the convention, stating that the Baptist State Convention holds Mt. Zion up as a model for the other associations. He listed six churches without pastors at this particular time; **Moores Chapel, Mt. Adar, Elon, 1<sup>st</sup>, Hocutt Memorial, City Lake**

and **Brookwood**. He requested to all of those attending to pray for these churches and the search committees as they continue to seek the Lord's will and guidance in finding an "undershepherd" for their churches. He shared with us the three churches that now have interim pastors; **Rev. Larry Glover-Wetherington** is the intentional interim at Elon 1<sup>st</sup> Baptist, **Rev. Jimmy Nickelston** is interim at Hocutt Memorial and **Rev. Tip Cockman** is interim at City Lake. Dr. Taylor added that Rev. Cockman will still be available for activities through the Mt. Zion Baptist Association and also recognized the great job that Rev. Cockman is doing through the adult ministry. Most of the churches have been contacted by Matt Walton, Youth and Children's Team Leader and he is making great strides along those lines.

Dr. Taylor reminded us that at the last meeting the total receipts of 1999 exceeded the previous year by 19%. However, because of several snow Sundays, we are not exceeding what we brought in last year for Jan – April. He asked us to make this a matter of prayer. He also shared with us a book that has changed the way he looks at church growth called "**Normal Church Development**" by **Christian Schwarz**. The main theme in the book is "in order for a church to grow the church must be a healthy church."

We were blessed again by a musical medley by the Kinnett Memorial Baptist choral group.

Rev. Bennie Smith, pastor of Staley Memorial delivered an extremely thought provoking Doctrinal Sermon entitled "God's Homecoming" from 1 Thessalonians 4: 13-18. Rev. Smith reminded us that God has promised us a Homecoming and this homecoming expresses God's divine concern for us. It is based on His divine truth and because of this we have a sure and steadfast hope. As with homecomings at churches the focus will be on one special person, however this person will be the **divine** person, Jesus Christ. We shall **hear** His voice for the first time and we will **know** His voice as sheep know the voice of their shepherd. Who are the people of God's homecoming? **We** who are **in** Christ Jesus. Rev. Smith then gave us the **purpose** of God's Homecoming: It is to be a family reunion where we will all be caught up together – every born again Christian. All friends, loved ones who have died in Christ Jesus will be together in heaven. He reminded us that we should rejoice because our names are written in heaven. This homecoming will produce a "forever companionship" with the Lord of heaven-a perfect fellowship with Jesus.

Linn Pickens closed the meeting with prayer and we were dismissed to the fellowship hall for refreshments.

## Minutes of Quarterly Meeting

Mount Zion Baptist Association

July 17, 2000

The Quarterly Meeting of the Mt. Zion Baptist Association was held on Monday evening, July 17, 2000 at Fellowship Baptist Church in Burlington, North Carolina. 84 messengers and guests representing 24 churches were in attendance. Mrs. Linn Pickens, Moderator, called the meeting to order at 7:00 pm. Rev. Ken Simpson, pastor of Fellowship Baptist Church gave the welcome and invocation. Rev. Simpson also reminded us about the blood drive to be held at Fellowship on Saturday, July 22, and encouraged everyone to participate.

Rev. Jim Wrenn, Associational Music Director, led the congregation in a worship medley beginning with the familiar hymn "All Hail the Power of Jesus Name," followed by "Crown Him King of Kings." Rev. Wrenn then blessed us with a "cross medley."

After reviewing the minutes of the last Quarterly meeting which was distributed upon arrival, Moderator Linn Pickens moved they be approved as circulated. The motion was seconded and approved unanimously.

Linn Pickens then announced that the DOM Search Committee has found a candidate they believe is qualified to be our new DOM, Dr. Randy Godwin. At this time she introduced those on the Search Committee: Terry Farmer, Don Bolden, Maynard Ellington and Carmen Maddrey. Ms. Pickens then gave a brief biography and description of Dr. Godwin. He was born Dec 9, 1947. His wife's name is Vickie, and they have three daughters, the youngest being in college. Dr. Godwin received a Bachelor of Arts Degree in 1970 from Methodist College in Fayetteville, a Master of Divinity from Southeastern Baptist Theological Seminary in 1980, and a Doctorate of Ministry Degree from Southern Baptist Theological Seminary in 1986. He has served as pastor of Baptist Churches in Dunn, Lowell, Shelby, and Winston-Salem for the past 27 years. He is currently serving as principal of Cape Fear Christian Academy for the past 3 years. He has served as church growth consultant in Dunn and is serving as interim pastor of the North Clinton Avenue Baptist Church in Dunn. He has been an instructor in Romans, Pentateuch, Sermon Preparation and Church Administration at Heritage Bible College in Dunn. He also has found time to attend continuing education courses. Ms. Pickens then introduced Dr. Randy Godwin to the messengers and guests.

Dr. Godwin began by saying, **this is worst of times and this is the best of times.** This is the worst of times because it seems like society is doing everything it can to push God out of our lives. It seems like darkness is being celebrated, not challenged. We are continually bombarded with messages of "if it feels good, do it." God has called His redeemed to do something about it and that is why it is the best of times. He has called his saints to challenge the darkness of evil through Jesus Christ. As we serve God through our churches and various ministries we can do something about the darkness and that is why it is the best of times. God has said "I will build my church and the gates of

Hell shall not prevail against it.” God is always calling us to do something impossible, while others are saying **NOTHING** can be done, we’ve done all we can. God has told His people that they **CAN** do something about the darkness because He has given them the resources and gifts. The Association is in the middle of all this. The Baptist Association is made up of churches that are independent and interdependent of each other and work together forming a synergy - being able to do together that which would be impossible to do alone. The Association is not a church, it is the fellowship of churches working together. Churches are not for the Association, the Association is for the churches. Working together we can bring light into the world of darkness and we should press onward to the high calling that is before us. We can **NEVER** say we have done our part using our resources because if we do that we give testimony to the world that we depend on our human strength. We are, **together** as the saints of God, working to accomplish all that He wants us to accomplish whether it is to give a cup of water in Jesus name, or saying to the mountain, be cast into the sea. That’s what we are about. We must never forget that when we do God’s work, God makes available all His resources and love. Sometimes we come up against walls that seem impossible but we can never back off. This is the time, as a fellowship of churches, we must come together and pray and support each other and either go over the wall, under the wall, through the wall or go in another direction. We are giving testimony that we know the light of the world is Jesus. We know that when we walk to the edge of darkness we believe one of two things will happen; God will give us something solid to stand on or He will teach us how to fly. In closing, Dr. Godwin assured the congregation that he would provide the leadership for the Mt. Zion Baptist Association, relying on God’s direction.

At this time ballots were passed out to all of the messengers to vote, by secret ballot, on Dr. Godwin

Ms. Pickens reminded us that Dr. Godwin’s financial package is in the financial budget, 2000 and she, or Steve Reavis would be glad to answer any questions on this package.

Rev. Bruce Brown, chairman of the Volunteer Selection Team, welcomed Dr. Godwin and his wife, Vickie to the meeting. He also expressed appreciation to Dr. Taylor for serving as Interim DOM. Rev. Brown then expressed his concern regarding some vacant spots on the various committees to be filled before October 1. He encouraged everyone present to prayerfully consider serving on one of these committees or perhaps asking someone in their church to serve. He then presented a **“Committee Sign up”** form that could be filled out after the meeting or could be sent to the churches. Rev. Brown then gave his Volunteer Selection Report, which included the names of those who would serve for the next year. This complete report is found on page 10 of the 2000 Book of Advance Reports. The list was presented for approval and passed unanimously.

Dr. Roy Taylor, Interim Director of Missions, thanked everyone for being at the meeting. He said he believes with all of his heart that the greatest days for the Mt. Zion Baptist Association is still forthcoming. Dr. Taylor said that we, as churches, are “poking holes

in the darkness” in this generation – that is our mission for Jesus Christ. He also commented on :

- **1999 Annuals** – they are ready for the churches to pick up. All churches who have paid for them may pick them up after the meeting. Any other churches who would like an annual can come by the Associational office. The cost is \$6.00 each.
- **Churches without pastors** – There are currently seven churches without pastors; Alamance 1<sup>st</sup>, Brookwood, City Lake, Elon 1<sup>st</sup>, Hocutt Memorial, Moores Chapel and Swepsonville. Mt. Adar recently called a pastor.
- **Snow Camp Baptist Mission** – Rev. Vernon Lewis has gone to be with the Lord. Please be in prayer for his family and the Snow Camp family.
- **2 Retreats** – Single Adult Retreat, November 3-4, and Senior Adult Retreat, October 23-24. Prayerfully consider signing up for one or both of these.
- **2 Churches in conflict** – please be in prayer for these churches.
- **New Work** – New Life (African-American) had their dedication services the 2<sup>nd</sup> Sunday of June. They are located on No. Church Street.

Ms. Pickens, moderator, then announced that Dr. Randy Godwin had been voted in as Director of Missions for the Mt. Zion Baptist Association. Dr. Taylor then addressed the congregation and offered his congratulations to Dr. Godwin and said this was a great day for Mt. Zion. He asked that we continually remember Dr. Godwin and his wife, Vickie, in our prayers as they make the transition. He also thanked the Search Committee for doing such a wonderful job in selecting the new DOM. At this time Dr. Taylor asked Dr. Godwin to come forward and officially accept the DOM position which he did. Dr. Godwin expressed appreciation for the vote of confidence and pledged his commitment to the association.

Before closing, Dr. Taylor reminded us that Dr. T.W. Hunt would be with us for both nights of the Annual Meeting in October as well as holding two days of seminars at Brookwood and Grove Park.

Dr. Taylor then led the congregation in a circle of prayer symbolizing our unity with God’s purpose and plan in leading Randy and Vickie to this association.

Following the prayer, the messengers and guests gathered in the Fellowship Hall for refreshments.

Associational Secretary

## **ACTS Report 2000**

Effective July 1, 2000, ACTS of Alamance, Inc. discontinued local insertion on the Odyssey Network. Grove Park Baptist Church and Fellowship Baptist Church are continuing their local insertion ministries through the Community Access Channel of Time Warner Cable of Alamance County, seen on Channel 5 in Burlington and most of Alamance County, and on Channel 10 in Mebane.

This has been a long and difficult road and ultimately determined by the harsh financial realities of the highly competitive Cable Industry. Here is a brief history. ACTS, the American Christian Television Service was initiated in 1981 by the Southern Baptist Convention Radio and Television Commission as a 24 hour national satellite feed to cable outlets programming religious and family oriented material. ACTS of Alamance, Inc. was formed in 1983 with the live cablecast of Grove Park Baptist Church's morning worship service. Fellowship Baptist soon followed.

In 1989, ACTS decided they could no longer sustain a 24 hour national satellite feed, and merged with Faith and Values Network, an inter-denominational nationwide 24 hour cable distributor. ACTS still maintained discreet blocks of time for programming and local insertion, but their programming hours dropped to 8 hours a day instead of 24. Local insertion continued uninterrupted.

In 1992, Faith and Values merged with the Odyssey Network, another interdenominational national cable distributor, and the discreet ACTS presence disappeared. ACTS continued to present programs on this channel, but they no longer were identified as ACTS programs. Local insertion continued uninterrupted.

Most recently, October of 1998, Odyssey merged with Henson and Hallmark Entertainment. There began a significant change in the allocation of hours to local insertion. Grove Park first lost its Thursday night 7:00 pm slot, then Fellowship had to move its Monday night slot to 6:00 pm. Then in July of 2000, Fellowship was going to lose its Monday night 6:00 pm slot completely. The alternate times Odyssey was offering us did not meet our needs locally to minister to the community.

The ACTS Board agreed in May, 2000 to pursue moving all local insertion to Community Access. In July, 2000, that change occurred. It is the strong feeling of the ACTS Board that the affiliation with Odyssey is no longer beneficial to ACTS of Alamance, Inc. The ACTS Board will continue to foster a relationship with Community Access as we continue to provide this ministry.

Currently, Grove Park Baptist Church can be seen live on Sunday mornings at 11:00 am on Channel 5 in Burlington/Alamance County, and Channel 10 in Mebane. Fellowship Baptist Church can be seen on a tape delayed basis on Monday evenings at 6:00 pm on those same channels. Anyone with basic cable should be able to receive these programs.

Respectfully submitted,  
Bobby Dobbs.

## **Adult Team Leader Report 2000**

**“Growing into a job”** is a description phrase that accurately depicts my role as Adult Team Leader. The work has evolved as additional layers of responsibility have naturally fallen into place. The work with Single Adults now includes monthly happenings, retreats, and a monthly newsletter. Ministers of education meet monthly to upgrade their work and for fellowship. Our first Senior Adult Retreat is scheduled for October. Seminars are planned to expand the training level of our churches. A church never rises above the level of its leadership. My goal is more and more to ascertain specific needs in our churches and to respond to them.

Respectfully submitted,

W.T. Cockman (Tip)  
Adult Team Leader

## **Church and Community Ministries Report for 2000**

The Church and Community Ministries Center remains a viable part of your association. Assistance is a daily part of our lives – either monetarily, with food, clothing, or with laughter and fellowship.

Throughout the year, we have continued the BINGO tournaments for the assisted living facilities that were started late last year. We attend, provide light refreshments, prizes and help with the BINGO cards. In addition to this monthly function, we have other activities for persons at Graham Manor, The Oaks and Alamance Health Care. Sometimes we host cookouts, provide lunches, or simply give gifts. Gifts are also provided several times each year for the Hospice Homes in Alamance and Orange Counties as well as the AIDS home in Carrboro.

Your association has given gifts to every home dedication for Habitat for Humanity and for new homes built through the Alamance County Community Services Agency. These gifts have been nice and have included notes of love and special invitations to worship with us. New baby layettes and pediatric kits have been given to the local hospital and migrant health kits have been provided to every migrant farm worker and his family as they came into our county. Since we cannot always present these items in person, notes of love and special invitations to worship with us are included in these gifts also.

Picnics or cookouts were provided for the visually impaired, the hearing impaired, a couple of rest homes, and the AIDS Home in Carrboro. Many of you volunteered to make these happenings enjoyable for our guests.

As the social workers in our schools have become more aware of our assistance program, more of them have either referred families to us or have picked up school supplies and clothing for all ages in bulk.

Groups or individuals continue to host the Baptist Student Union at Elon College each Thursday afternoon during the school year. Groups and individuals continue giving food or monies for our food pantry, which is a daily ministry – a tremendous opportunity to witness one on one – literally hundreds of families received food (the food pantry is totally funded by individuals, groups, the CROP Walk and your gifts), and groups or individuals continue to provide paper products for the Allied Churches of Alamance County.

Your association was able to host 1 literacy workshop this year, which gave us a really good core of trained volunteers – most of them had students within a week and continue tutoring today (your literacy program is funded by individuals, *The Times News* and grants).

The thrift store in Graham was closed in January, 2000 and we are no longer able to carry furniture or appliances. The persons working in Graham were transferred to Burlington and we currently have 3 part time employees (this ministry effort along with gifts from individuals and our churches totally funds our crisis ministries). Once again literally hundreds of families have benefited throughout the year as a result of this ministry. I continue to believe this ministry is many fold, in that we are a recycling center and a resource for persons or families who need physical assistance, i.e. clothing, pots, pans, linens or dishes, etc. in addition to the monetary assistance given from revenues raised through this effort, plus a confirmation resource for their spiritual status. It has served the community well and almost every major agency in the area has called on the Mount Zion Baptist Association Ministries Center at some time for assistance during it's existence.

Our annual Volunteer Appreciation Reception was held on October 10, with co-volunteers of the year, Lavica Apple of Fellowship, and the Mount Zion Baptist Church Men's Singing Group. Both of these have given many hours of volunteer time during the past year and their work in your association has made a difference.

Two new ministries were a part of our program this year. In the Spring, we were asked to provide the worship service at the Orange County Speedway for a regional go-cart race. A former inmate, his wife and I took care of this. Although the time was limited, several hundred individuals received programs which contained a few inspirational thoughts, in addition to hearing our testimonies. We were so wonderfully blessed as we

talked and visited with both the spectators and participants. Another effort has been providing initial clothing and food for every new resident of a half-way house in Graham. We did not go looking for this, but they have come to us along with their supervisor. Once again, we have had an opportunity to share God's love to these men who are trying to make major changes in their lives.

I covet your prayers for these and other ministry efforts that might become a part of your association in the years ahead. You are truly His servants.

Respectfully submitted,

Ann Perry – Director  
Church and Community Missions

## **Church Extension Report for 2000**

Our new works are doing well. Some are experiencing the normal growth pains of inadequate space. It is exciting to see these ministries grow and bloom where God has planted them.

The Mission at Snow Camp is doing well even during the illness and death of their beloved pastor, Rev. Vernon Lewis. The mission has called Rev. Ken Hopkins as Interim Pastor, and he is doing an excellent job in developing structure and organization in the congregation.

Integrity Community Church is in the process of clearing fifteen acres of land for a permanent campus to have the ministries. They have also been able to rent more space at B.M.O.C. until the move to the new location. The church has added a full time ministry in the area of youth/children and worship leader. Continue to pray for Bud Wrenn and the congregation in this crucial time of growth.

Our Hispanic Mission in Mebane is doing well. The mission is now two years old and averaging between 25-30 in attendance. The pastor, Juan Hitavia, is leading the congregation into wonderful areas of ministry. The mission has one need that we can pray about, and that is transportation in the form of a van.

Fellowship Baptist Church is no longer sponsoring a Hispanic Mission. Due to the lack of pastoral leadership from the Hispanic Community, the congregation is not gathering presently. Pray that God will call up a pastor and congregation that will minister to the needs of Hispanics in Burlington.

Our Vietnamese Mission sponsored by Riverside Baptist Church is also doing well. The mission is averaging around 25 and is now in its fifth year of ministry. The pastor, Rev. Phiet Nguyen, has recently purchased a house and is established in the area.

New Life Community Baptist Church has moved to a larger facility and has enjoyed the new freedom of expansion. The pastor is Rev. Kerry Richmond, who is doing a fine job of leading the congregation of 60 people. The church also runs a youth center called, "Positive Attitude Center." They have been in the new location for 6 months.

Church Extension Committee

## **FAMILY MINISTRY REPORT**

It has been my privilege to serve as the Director of Ministry to families on behalf of Mt. Zion Baptists for the past five years. The family is one of the most precious gifts that God has given to human beings for the experiencing of love, the teaching of values, the expressing of faith. This most precious gift, however, is being threatened by many dark forces alive in our world today – greed, selfishness, over commitment to the wrong things and under commitment to the right things. In an effort to reclaim the gift of family, Mt. Zion Family Ministry has focused this year in two important areas.

First, we joined with other churches to help support a conference called "Saved Sex." This was led by nationally known speaker, Molly Kelly. She spoke in all of the middle schools in the Alamance-Burlington school system. In addition, she presented a community-wide program hosted at Williams High School. Both the presentations to the middle school youth and to the community stressed the importance of keeping sexual relations within the boundaries and commitment of marriage. The program was well attended and equally well received.

Second, the association sponsored a conference for the community on parenting. Former educator and administrator in our school system, Dr. Helen LeGette, was our presenter, and she developed her presentation around the themes in her book, *Parents, Kids, and Character*. She did a superb job of giving very practical strategies for building character into our children through our godly parenting. We offered this conference not only to associational churches, but also to the community through the public schools and

social agencies. Consequently, we were able to minister quite effectively to a diverse group of parents, including foster parents.

Thanks to Mt. Zion Baptist's for treasuring families—one of God's most precious gifts in these ways.

## **Prayer Ministries Report for 2000**

The Mt. Zion Baptist Associational Prayer Council meets every fourth Monday night of the month at the Associational Office for intercessory prayer; to bring the concerns of the association and your church to “the God of our Lord Jesus Christ, the Father of glory,” that your needs be resolved according to His will and that He may “give unto you the spirit of wisdom and revelation in the knowledge of Him.”

The Prayer Council invites you to share with us the needs of your body that we may lift them up to the Father. Cal me at 226-9764 or e-mail: [edhearne@netpath.net](mailto:edhearne@netpath.net).

In His Glorious Name,

Ed Hearne,  
Prayer Ministries Director  
Mt. Zion Baptist Association

## **Prison Ministry Report for 2000**

I am into my fifteenth year as the chaplain at Alamance and Orange Correctional Centers. It doesn't seem that long to me. I am proud to be a part of this tradition as part of the mission endeavor of Mt. Zion Baptist Association. I hope this ministry is one you are proud of as well. We have either helped or facilitated help for a lot of inmates, families and staff at these two facilities through the years. This includes those chaplains who came before me.

Some of you have heard me say before that this ministry is not a popular one with some people. I painfully realize this. Christ's words, actions, and mandates were not always popular either. I know this too, and this helps keep me going.

As I write this report, the Alamance Unit remains open. There are 56 inmates at this facility, while the Orange Unit has 176 inmates assigned there.

We continue to have an active program at each facility. There are three Bible studies at Alamance and four at Orange each week. In addition, we have worship services at each facility. The Yokefellow ministry is a vibrant and viable ministry at both prisons also. I am inspired by the faithfulness of our volunteers who come to the prisons each week to offer hope and encouragement to the men confined there.

In a recent newsletter article I wrote about the "Adopt An Inmate" program. I hope each of you had a chance to read that article. This is an effort to get inmates involved in local churches through the Community Volunteer Program at the prisons. Male sponsors can sign inmates out to attend local churches. Presently we have a shortage of volunteers to take the inmates out to our churches.

As I write this report I am anticipating the monthly birthday party here at Orange. I wonder what comments inmates might say. Typically we hear "this is the first birthday party anyone has ever given me," or "I didn't know you could have a birthday party in prison." "I'm glad I came," is a typical response from a volunteer, or "I was a little uneasy, but I have been blessed by being here." These parties mean a great deal to the men here. Word has gotten around the "prison grapevine" about these parties.

For the inmate who doesn't have work release or get money from home, the toiletry bags we give the indigent inmates are a real Godsend. The greeting cards that I am able to give to the men often times opens a door for ministry. Often times when an inmate asks for a get-well card for his mother I ask him about her and he begins to share his "story" with me.

Just today an "old timer" told a new inmate in my presence that he would be able to give his little boy a gift at Christmas. He will be able to do this because of our Toy Project. This project continues to be one of the most meaningful ministries for us. Again word has gotten out about your graciousness through this ministry. I anticipate being

able to do some special things for the inmates this year because of your concern and generosity.

I will end this report by saying that we anticipate a meeting with the state engineer to give us approval to begin more definite plans to construct a chapel at the Orange Correctional Center. This project will begin with a fund raising effort.

Please pray for God's blessing and guidance for this project and this ministry's efforts to help people realize and experience the love of God. In so doing they will become the person God intended.

Respectfully submitted,

Ken Barker  
Chaplain

## Woman's Missionary Union Report for 1999-2000

**TRANSFORMED: TAKE A STAND** has been the theme for Woman's Missionary Union for this year. Our challenge has been to give evidence of the transformation in our lives. Being shaped by the hand of God, we are to speak up, to tell our story and to take the stand for what is right. We have been challenged to take more risks in sharing Christ than we have ever done before. This has been the second of the two years of a new approach to put into effect the two year emphasis that will be followed in future years – allowing the WMU to explore and develop each emphasis more fully.

**PROJECT HELP: VIOLENCE** has been a two-year project also. The WMU desired to address the issue of violence in a unique way, and **PAVE** (People Against Violence Everywhere) was born. Thus, the theme PAVE the Way of Peace – an effort to educate and involve Christians in reducing violence and promote peace.

September 18, 1999, Hocutt Memorial Church sponsored a luncheon with Cara Lynn Croom, Missions Support Consultant, Baptist State WMU as guest speaker. She shared her experiences and color slides of her mission trip to Lesotho and South Africa in March 1999. Attendance was 60, representing 12 churches.

One of our Associational WMU Leaders for many years, Lenna Rudd (member of Hocutt Memorial Church), died in September 1999. She had served on the WMU Leadership Team, Mt. Zion Association, for several years and on various Committees with NC Baptist WMU. It was my honor to pay tribute to Lenna Rudd at her funeral, representing Mt. Zion Association WMU.

NC Missions was promoted in all churches. WMU members were asked to be very supportive of this offering because our State WMU budget is reached solely by this offering.

November 2, 1999, Baptist Women's World Day of Prayer was observed at two locations, Mount Adar and Fellowship Churches. Attendance at Mount Adar was 36, with an offering of \$151; attendance at Fellowship was 35, with an offering of \$48. The theme for these meetings was "Celebrate the Promises of Christ." The offering received was for continental and worldwide ministries promoted through the Women's Department of the Baptist World Alliance.

Chapsticks, 418 total, for the Christmas boxes for the NC Women's Correctional Institution were provided by eighteen of our Mt. Zion WMU's.

Sunday, November 21, 1999, the Dedication Service was held for our newly renovated Mt. Zion Baptist Resource Center on South Main Street, Graham, NC. Mt. Zion Association WMU's were hostesses to a reception following the Dedication Service. There is an office in the Resource Center for use for the Mt. Zion WMU Director and Leadership Team. (At the February 13, 2000 WMU Leadership Team meeting it was

decided to have future Leadership team Meetings in the Conference Room of the Mt. Zion Resource Center).

An Association-wide Mission Study: **Peace in a Violent World**, by Susan and Taylor Fields was taught by Beverly Alford, Marian Farmer, Louise Booth and Ann Perry on February 28, 2000 at FBC Mebane. Diane Walker, who works with Alamance County Court System, was present to relate her personal experiences with violence in Alamance County, giving statistics as to total number of various violent crimes affecting children, youth, and women in the county. Attendance was 49, representing 12 churches.

Sunday, March 5, 2000, a special meeting with WMU Directors of our Mt. Zion Association churches was held at FBC Burlington. It was a get-acquainted time, as well as an informational time, and a time to build enthusiasm for Woman's Missionary Union among our churches. Attendance was 21, with 11 churches represented. Mrs. Edna Walters, NC WMU Director of Missions Involvement, was our guest. She shared information about the Project Campaign to raise funds to support Camp Mundo Vista and to implement a new ministry, Christian Women's Job Corps; and establish two critical support programs: development and enrichment for short-term needs and an endowment fund for long-term needs. The Campaign goal is \$1,098,077. Our Associational WMU Leadership Team voted on February 12, 2000 to participate in this campaign. We set our goal for Mt. Zion Association WMU's to meet in the amount of \$31,000 over a period of a year. The adult WMU membership totals 898 in our association, as of 8/31/99. We challenge each adult WMU member to give 10 cents a day for a year (\$36.50) to meet our goal. Mundo Vista is the NC Missions Camp for Acteens and GA's. The recent renovations and continuing renovations will benefit these girls in many ways. It is our desire that Acteens, GA's and Mission Friends will give 10 cents a day, also.

Tuesday, March 21, 2000, our Annual Mt. Zion WMU Celebration took place at FBC Burlington, beginning at 6:30 pm with light refreshments and fellowship time. Area III Churches provided these refreshments. The program began at 7:00 pm. Our guest speaker was Dr. Tony Cartledge, Editor of the Biblical Recorder. Rev. Ron Smith, pastor of Glen Hope Church, charged and installed the Mt. Zion Association WMU Officers for 2000-2001. The attendance award of a \$25 gift certificate from the Lifeway Book Center in Greensboro, NC was awarded to the Kinnett Memorial Church for having the largest attendance. Attendance was 117, representing 20 churches.

The Annual Associational WMU Prayer Retreat was at Grove Park Church on Saturday, April 15, 2000, 9:00 am – noon. "Transformed: Take the Stand" was our theme. Several women of our churches gave their testimonies as Prayer Warriors. There were 27 in attendance, representing 10 churches.

Several WMU members attended the Missions Extravaganza meetings at Ridgecrest Conference Center. Two conferences were offered; March 31-April 2 and May 5-7, 2000.

Even as our Associational Leadership Team met on Saturday, May 13, 2000 for planning, a funeral service was in progress for another of our former team members, Rebecca Crawford of Cane Creek Church. She had served faithfully as Associational

WMU Secretary for several years and very faithfully in her home church as WMU Director.

June 23 and July 15, 2000 training for Associational WMU Leaders took place at Caraway Conference Center. Nine of our Team members attended June 23 and one on July 15. This training was for our own Associational Leader Training for Church Leaders on Monday, August 14, 2000. Our Team Leaders led conferences for all age-level organizations of WMU, using the theme for 2000-2001, "Beyond Belief." Attendance was 52, representing 18 churches, at Haw River Church.

On July 13, 2000, fellow church leaders and members attended the memorial service for our beloved Rev. Vernon Lewis, pastor of the Snow Camp Baptist Mission. Our times of opportunity to work with Rev. Lewis in this mission work will forever be an impressive memory for each of us.

A Memorial Gift of \$50 was made to Mundo Vista by our Associational WMU Leadership Team in loving memory of Lenna Rudd and Rebecca Crawford.

It has been a great time of learning and experiencing God's love through missions work with Associational Leaders and members of the churches of our Association these two and one-half years as Director of WMU. It is my prayer that the churches will undergird our new Director, Mrs. Regina Donaldson, with prayer and work in every phase of missions.

Reports of 1999-2000 work of WMU in our churches have not come to me yet to be compiled. It is my hope and prayer that we will note growth in each organization in many churches. Our greatest prayer is that we may be able to plant WMU work in some of our churches which do not now have this missions emphases.

Respectfully submitted,

Lucy N. Bardwell  
Associational WMU Director

The 2001 Annual of the Mt. Zion Baptist Association is  
dedicated to

## Dr. Roy Parsons Taylor

Dr. Taylor has been married to the former Mildred K. King for fifty one years. They have two children, Ric and Kaye, and two grandchildren, Taylor & Anna.

Dr. Taylor's pastorates have included Cedar Grove Baptist Church, Fountain Inn, S.C, 1962-1964; Lea Bethel Baptist Church, Prospect Hill, N.C., 1964-1968; Grace Baptist Church, Albemarle, N.C., 1968-1972; Second Baptist Church, Shelby, N.C., 1974-1977 and Grove Park Baptist Church, Burlington, N.C., 1977-1997.

Dr. Taylor graduated from North Greenville, Tigerville SC, Associate of Art Degree, 1962; Furman University, Bachelor of Art, 1964; Southeastern Baptist Theological Seminary, Bachelor of Divinity, 1967; and Luther Rice Seminary with a Doctorate of Ministry, 1977. He has also served on the faculty of Fruitland Bible Institute, Hendersonville, NC and the Board of Trustees of Southeastern Seminary.

Since his "retirement" he has served as interim pastor at several Baptist Churches as well as assuming the interim Director of Missions position at the Mt. Zion Association.

Dr. Taylor has served as a great mentor to all the pastors and churches during his ministry. He has served on committees too numerous to mention and spearheaded the relocation and renovation of the building for the Association.

We are so grateful for his faithful service, his zeal and dedication to missions and his love for the Kingdom work.

## Director of Missions Report 2001

The year 2001 completed my first full year as your Director of Missions. I visited and preached in many of our churches, and had delightful conversations with scores of you about your dreams for Kingdom growth. It has been a great year for me getting in “the grove” of being your Director of Missions.

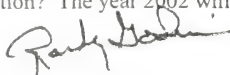

A major portion of my year has been spent discovering the purpose of Mt. Zion Baptist Association. In order to set objectives and goals for myself in fulfilling my role as your Director of Missions, I needed the answer to two questions. Those questions are: (1) Why does Mt. Zion Baptist Association exist? And (2) What do we want to accomplish as an Association? The first question must be answered before the second. The reason is simple. We cannot know what you want to accomplish if you do not know the why. I can think of no better description of why our Association exists than our one sentence Mission Statement. The purpose of Mt. Zion Association is “to partner with congregations by serving as a resource to empower and equip them to fulfill our Lord’s Great Commission—evangelism and discipleship.” The Visioning Team under the leadership of Lynn Sasser spent nearly two years and countless hours of energy defining the purpose of our association. I think they succeeded. In fact they were so successful that I intend to use our Mission Statement as the foundation for my ministry objectives and goals while serving this Association.

Since this is the case, I believe it would be beneficial to you to understand how I interpret our Mission Statement.

- **To Partner With Congregations:** An association is not one church. There must be at least two congregations working and cooperating together to have an association. An association is a cooperative relationship between Baptist churches for the purpose of strengthening and expanding the participating churches’ ministries. The purpose of the association is not to accomplish what the churches are unwilling to accomplish. The association endeavors to walk alongside each of its congregations to assist, not to dictate nor direct, the church’s fulfilling the Great Commission.
- **By Serving as a Resource:** How does the association partner with its churches? It partners with its churches by serving as a resource. The word resource means “something that lies ready for use, or that can be drawn upon for aid or to take care of a need.” Notice that a resource lies ready to assist in meeting a need. The implication is that someone has to pick it up. A resource neither jumps on you nor forces itself upon you. The initiative of the person or organization in need must be to acquire the resource. Mt. Zion Baptist Association is a ready and able resource for its cooperating churches. All the staff and the volunteers who serve on its committees have one goal. That goal is to be a productive resource for the churches of our association.
- **To Empower and Equip Them (Churches):** To empower means, “to give ability or enable, to make it possible.” To equip means “to supply with needed resources; to provide with what is needed, to prepare by training; instructions.” As a resource our association is to empower and equip the churches to accomplish their goals, which leads to the next vital part of our Mission Statement.

- **To Fulfill Our Lord's Great Commission: Evangelism and Discipleship:** Jesus gave the Great Commission to His church. The Mt. Zion Baptist Association is to be a resource that enables its cooperating churches to fulfill their purpose for existence.

So, that is my understanding of the purpose of the Mt. Zion Baptist Association. It is also the reason for everything we attempt to accomplish as an association. What about the second question? Now we know why our association exist, what do we want to accomplish as an association? The year 2002 will answer that question.

## CHURCH AND COMMUNITY MINISTRIES REPORT

The activities of your association continue to include many areas of ministry, the largest being for assisted living facilities. Picnics, cookouts, BINGO and holiday parties were a part of this effort. Functions take place at about 10 of the rest homes. The holiday parties are Valentine's Day with refreshments, plus Valentines for the residents, Halloween with treat bags, and refreshments. Christmas with gifts and Santa and a New Year's Eve party, where we do the count down at either noon or 6:00 p.m. We try to have entertainment at as many of these activities as possible. The BINGO moves around and is really a tournament. The players compete for prizes and a big prize is awarded at the end of the day for the coverall. Seasonal gift packages (usually toilet items and minimal treats) are given to residents of several rest homes, plus the Hospice and AIDS Homes.

We also hosted very successful picnics for the visually and hearing impaired.

About 3 dozen baby layettes and pediatric kits were given to the local hospital and to individuals who came to us. Housewarming gifts were given to Alamance County Community Services Agency and Habitat for Humanity for their new homeowners.

Many of the Hispanic farm workers received Hygiene kits when they went through the Employment office. The planned a picnic for them was not very successful. Gifts from our groups for the Family Abuse Center and Allied Churches of Alamance County were also well received.

A new ministry effort this year was welcome gifts for the Elon University Students. We put together 100 and they were distributed at the Orientation Fair. These were well received. We continue hosting the weekly evening meals for the Baptist Student Union. School supplies were given to about 10 different schools and approximately 15 individuals. These included essentials such as paper, pencils, markers, crayons, erasers, rulers, and composition books.

The thrift store closed at the end of January and we spent the month of February trying to get rid of the left over merchandise, plus the fixtures. That was a monumental task.

Our food pantry was closed when the thrift store closed, however we continue providing food gift certificates to those in need. The OCIM Food Pantry continues to provide food for the needy in Orange County.

The Volunteer Appreciation Reception was held in October with honors going to Louise Thomey and Jeanette Boggs of Swepsonville and Dot Jackson of Grove Park. There were about 85 people, representing 14 of our churches present.

Our literacy program is in a slump right now, but we are trying to put together a workshop for early 2002. There is a desperate need for tutors in our area.

I covet your prayers as we try to minister and witness to those in our community.

Respectfully submitted,

Ann Perry

## Woman's Missionary Union Annual Report for 2000-2001

(August 27, 2001)

BEYOND BELIEF has been the theme for Woman's Missionary Union this year. Our WMU challenge has been to go beyond the ordinary in our relationship with God and others, and to lead the church to anticipate and participate in the awesome works of God in our communities and around the world. This theme will continue through 2002.

PROJECT HELP: LITERACY is also a two-year emphasis. Teach them the meaning of the Word is the theme. Literacy is the ability to read, write and speak English proficiently. That means well enough to read the Bible, God's Word and understand His message. This is an effort to involve Christians in teaching adult reading and writing conversational English and tutoring children and youth to reduce illiteracy in our country.

North Carolina Missions was promoted in our churches in September. Our state WMU budget is reached solely by this offering.

The Baptist Women's World Day of Prayer, November 6<sup>th</sup>, was held in two locations, New Birth and Cane Creek Baptist Churches. The total in attendance was 51. The \$132.88 offering received went to the Women's Department of the Baptist World Alliance for the promotion of worldwide ministries.

In December, the Lottie Moon Christmas Offering for International Missions was promoted in our churches. The women of 26 Mt. Zion churches furnished 250 hand lotions for the Christmas boxes for the North Carolina Correctional Institution.

Sunday, January 14, 2001, the WMU helped with the reception for Dr. & Mrs. Randy Godwin. Approximately 80 attended.

January 21<sup>st</sup>, an Associational wide Mission Study: "Beyond Belief", by Dellanna W. O'Brien, was taught by Dot Jackson at Mebane First Baptist Church. Approximately 35 attended.

The first week of March, the Annie Armstrong Easter Offering for North American Mission was promoted in our churches.

Tuesday, March 20, 2001, our Annual Mt. Zion WMU Celebration took place at Mebane First Baptist Church, beginning at 6:30 pm with light refreshment and fellowship time. Area 1 churches provided the refreshments. The program began at 7:00 pm. Our guest speakers were Lamar and Betsy Tribble, retired missionaries from Bolivia and Chile. It was a terrible rainy night, but attendance was still good.

The annual Associational WMU Prayer Retreat was held April 7<sup>th</sup> at Oak Grove Baptist Church. Several ladies gave personal testimonies on prayer. Approximately 40 attended.

## Page 2 WMU annual report

The WMU sponsored the Billy Graham film, "The Ride" at the Cinema Theatre on Saturday, April 28, 2001 for all youth 6-12 grades. Approximately 100 attended

Several ladies from the Association attended the Missions Extravaganza meetings at Ridgecrest Conference Center. Two conferences were offered, March 23-25 and March 30-April 1, 2001.

Saturday, June 23, 2001 training for Associational WMU Leaders was held at Caraway Conference Center. Eight of the Team members attended. This training was to prepare our team members to teach the conferences for WMU Church leaders of all age-level organizations of WMU, using the theme for 2001-2002 "Beyond Belief". The new organizational "How To" manuals were also introduced.

August 13, 2001 sixty-five ladies from 20 churches attended the training for WMU church leaders at Fellowship Baptist Church. This was an increase of thirteen from 2000. Keep up the good work, ladies.

During the year, the WMU has promoted the "A Dime A Day for WMU Tomorrow" slogan and accepted the challenge to raise \$31,000.00 for renovations at Camp Mundo Vista. This amount of money was arrived at by the total of women involved in WMU. To date we have received almost \$6,000.00. Please continue to pray and give to this worthy cause.

It has been a great year of spiritual growth and learning working with our new Director of Missions and staff. It has also been a wonderful year of experiencing God's love through missions with members of WMU in many churches of our Association. The reports for 2000-2001 have not been received as yet, but we have already seen growth in several organizations and we thank God for this. Calvary Baptist has a new Women's group and a new Acteen group. We have added the Snow Camp Mission's new WMU Women on Mission group with six ladies. Members of the Leadership Team spoke at Calvary Baptist Church, Cross Roads Baptist Church and Oak Grove Baptist Church. Thank you for inviting up to share with you the work of WMU.

It is our prayer and our goal that we will see other churches rekindle the flame for WMU work. Doing missions is not an option, we do missions because Jesus commanded it.

"Go to the people of all nations and make them my disciples, baptize them in the name of the Father, the Son, and the Holy Spirit, and teach them to do everything I have told you. I will be with you always, even until the end of the world." (Matthew 28:19-20)

Unto Him, only our best,

Regina Donaldson  
Associational WMU Director

## **Alamance/Orange County Prison Report – 2001**

This past year was a memorable one for this ministry and me. It was an emotional roller coaster ride because of the uncertainty of the fate of the Alamance Correctional Center. We began to hear rumblings early in the year that the Alamance facility would close. These are familiar sounds to those of us who have been around awhile. Since I am into my sixteenth year I feel that qualifies me. The House of Representatives voted to keep the Unit open, but when the entire legislature voted on it's budget, Alamance was not included. The bottom line is that the facility closed on September 28.

The inmates and staff were told about one week in advance of the closing. That decision disrupted a lot of lives. Needless to say there was a lot of "gnashing of teeth" as a result. I tried to minister to both staff and inmates during this time.

During this year we also lost two dear ladies who volunteered at the Orange Unit. Irene "Pokie" Doak and Alma Jones passed away during the year. They had both been dedicated and faithful in service to their Lord by ministering to those inmates at Orange.

At the present time I will be serving at Orange on a full time basis. We have 176 inmates at Orange and 45 staff members. We are working toward increasing our base of support in Orange County. Hopefully Alamance churches will continue to undergird this ministry financially and allow me to be at Orange full time.

At Orange we have a number of volunteers who serve in various capacities. We have four Bible studies, worship services, discussion groups, "family days," Yokefellows, and special seasonal programs.

As I write this report I anticipate another Christmas season here at the prison. Hopefully our "toy project" will be successful as it has in years past. Recently a lady told me she wanted to help with this project. It is heart warming to hear such comments. We continue to assist about an average of 25 indigent inmates with hygiene bags each month.

The comments from new volunteers are always interesting. I am pleased when barriers are broken down and people see these inmates as people too. An inmate, Fred Bellamy, was involved on a regular basis at Burlington First this past year. He added so much to that church with his talented singing voice and gentle spirit. He also sang at several other churches during the year.

An inmate wrote an interesting article for my last newsletter. He shared with his readers what it was like as he anticipated his first community pass after being incarcerated for 20 years. His response to going to church for the first time in over 20 years was this "when I stepped back inside the gate I didn't feel sadness, I just wanted to make sure my feet were still on the ground because my heart and mind had gone to heaven." Sadly that inmate hasn't gone on another pass, not because of anything he has

done, we just don't have enough volunteers to take the men out. We desperately need more community volunteer sponsors.

Unfortunately, I don't have much progress to report to you regarding our chapel project. We are "in process" at this time. There are a lot of steps we must go through to make this a reality. Pray for us as we do this.

This ministry is in transition because of a number of changes I have already alluded to. Transitions are often difficult and trying. I covet your prayers that support will continue that will sustain this ministry.

# DEDICATION

Only God knew what was ahead for Mount Zion Baptist Association and a certain Pastor and his wife when they moved to Alamance County 17 years ago...

Marion Kenneth Wilson was born to Henry and Vera Wilson on December 24, 1923 on a farm near Mount Olive, North Carolina. He was the third of their four children. He graduated from Calypso High School in 1940.

Through hard work and help from his parents, Kenneth put himself through college. He entered Campbell College in the fall of 1940, then transferred to Wake Forest College in 1942.

In 1944, after only one semester at Wake Forest, he put his education on hold in order to join the United States Army. He served in the 23<sup>rd</sup> Infantry in Germany and France and was promoted to Staff Sergeant. After completing two years in the military, he resumed his studies at Wake Forest College where he graduated in 1948 with a major in Religious Education and a minor in music. In 1948, he was ordained at Bear Marsh Baptist Church in Mount Olive, North Carolina. He then went on to Southwestern Baptist Theological Seminary in Fort Worth, Texas and completed his pastoral training.

Lula Foster Covington was born October 1, 1924 in Ellerbe, North Carolina. She graduated from Ellerbe High School in 1941. She attended Wingate Junior College and Wake Forest College. She served as a N.C. Baptist State Convention Summer Worker at State Road, North Carolina. After college she became an English Teacher in Murfreesboro, North Carolina. Kenneth and Lula met in the fall of 1946 as students at Wake Forest College. After graduation, in 1948, Lula taught for a year, while he was in seminary. Then they were married on July 29, 1949 in Ellerbe. In 1949, Lula went to Seminary with her new husband.

In 1951, the Wilsons graduated together from Southwestern Baptist Theological Seminary, he with a Bachelor of Divinity, she with a Master in Religious Education. In 1963-1979, Lula used her very special talents to teach “Special Students.”

They took pastorates at First Baptist Church, Independence, Va. (3 years), Ephesus Church, Durham, N.C. (4 years), First Baptist Church, Jonesville, N.C. (11 years), and Judson Church, Fayetteville, N.C. (17 years). While in Fayetteville, he served two terms as Moderator for the New South River Association.

In February 1986, at the age of 62 and after 36 years in the ministry, Kenneth and Lula “retired”. In preparation for this event, they had bought a house in Burlington on the same street where Lula’s sister Zona Haywood lived. God brought them to us and we have come to know and love them.

The Wilsons have a son, Ken and a daughter, Kaye. Their son, Dr. Kenneth A. Wilson and his wife, Cathy have two daughters, Emily and Erin. He is currently serving as Minister of Music at Knollwood Baptist in Winston-Salem, North Carolina. Their daughter, Kaye, has previously served for 12 years as Minister of Music and is now teaching music in the public school system. Kaye, her husband, Stephen and their sons, Daniel and David reside in Waynesville, North Carolina.

Since arriving in Alamance County in 1986, Kenneth has served as Interim Pastor at Altamahaw, North Graham, Kinnett, New Covenant, Ossipee and First Baptist of Haw River. At some of these churches he has served as many as three times. He has also preached at several other churches in the Mount Zion Baptist Association.

In the Mount Zion Baptist Association he has served on the By-Laws Committee and the Ordination Committee as well as others. Kenneth and Lula have seldom missed an Associational Meeting since moving to the area.

Yet these were not his ministries alone. His wife of 53 years has always taken an active role in “their” ministry. Her wit and vitality have always brought an interesting dimension to their ministry. You can see a good example of that wit demonstrated in the following true story.

After having shopped early and purchased toothpaste for the Women's Correctional Center in Raleigh, Lula wrote this note to the WMU Mission Involvement Consultant.

*"I read the note about the toothpaste size (8 oz.) for the mission project. Mine will be late cause I got the 12 oz size and I'm squeezing some of it out."*

Music is a big part of their lives. She plays the piano. He is a member of the Past Parsons Quartet of Winston-Salem and the Haw River Harmonizers, a group he organized at First Baptist Church in Haw River where they are members.

Now at age 79, Kenneth is still preaching. He is always encouraging —always looking on the bright side —never at the negative. His sermons are still powerful and inspiring —she, still energetic and witty.

In a recent interview when asked how he would like to be remembered by the community, Kenneth responded by saying, "I want my community to remember me as a Man of God who impacted the community for good. That I was highly respected in the community."

There is no doubt that we will remember Kenneth Wilson as a Man of God who impacted this community and this association of churches, the Mount Zion Baptist Association. Together he and Lula have "run the race and kept the faith." Together they have represented their Lord well.

Dr. Randy Godwin, Director of Missions presented the State of Union Address to the associational messengers.....

The year 2001 completed my first full year as you Director of Missions. I visited and preached in many of our churches, and had delightful conversations with scores of you about your dreams for Kingdom growth. It has been a great year for me getting into "the groove" of being your Director of Missions.

A major portion of my year has been spent discovering the purpose of the Mt. Zion Baptist Association. In order to set objectives and goals for myself in fulfilling my role as your Director of Missions, I needed the answer to two questions. Those questions are:

1) Why does Mt. Zion Baptist Association exist? And 2) What do we want to accomplish as an association? The first question must be answered before the second. The reason is simple. We cannot know what we want to accomplish if we do not know the why. I can think of no better description of why our association exists than our one sentence Mission Statement. The purpose of Mt. Zion Association is “to partner with congregations by serving as a resource to empower and equip them to fulfill our Lord’s Great Commission—evangelism and discipleship.” The Visioning Team under the leadership of Lynn Sasser spent nearly two years and countless hours of energy defining the purpose of our association. I think they succeeded. In fact they were so successful that I intend to use our Mission Statement as the foundation for my ministry objectives and goals while serving this association.

Since this is the case, I believe it would be beneficial to you to understand how I interpret our Mission Statement.

- **To Partner with Congregations:** An association is not one church. There must be at least two congregations working and cooperating together to have an association. An association is a cooperative relationship between Baptist churches for the purpose of strengthening and expanding the participating churches’ ministries. The purpose of the association is not to relieve the churches of any responsibility to the Great Commission or accomplish what the churches are unwilling to accomplish. Its purpose is also not to center all its energies and support on one aspect of ministry. Each church in an association is functioning at different levels of ministry. One church may be focusing on evangelism while another is focusing on fellowship. If the focus of the association is not on all of these areas at the same time, then it is obvious that the association is neglecting some of its churches. The association endeavors to walk along side each of its congregations to assist the church’s fulfilling the Great Commission at the point where God has currently led that church.
- **By Serving as a Resource:** How does the association partner with its churches? It partners with it’s church by serving as a resource. The word resource means “something that lies ready for use, or that can be drawn upon for aid or to take care of a need.” Notice that a resource lies ready to assist in meeting a need. The implication is that someone has to pick it up. A resource neither jumps on you nor forces itself upon you. The initiative of the person or organization in need must be to acquire the resource. Mt. Zion Baptist Association is a ready and able resource for its cooperating churches. All the staff and the volunteers who serve on its committees have one goal. That goal is to be a productive resource for the churches of our association.
- **To Empower and Equip Them (Churches):** To empower means, “to give ability or enable, to make it possible.” To equip means “to supply with needed resources; to provide with what is needed, to prepare by training; instructions.” As a resource our association is to empower and equip the church to accomplish their goals, which leads to the next vital part of our Mission Statement.
- **To Fulfill Our Lord’s Great Commission—Evangelism and Discipleship:** Jesus gave the Great Commission to His church. The Mt. Zion Baptist

Association is to be a resource that enables its cooperating churches to fulfill their purpose for existence.

So, that is my understanding of the purpose of the Mt. Zion Baptist Association. It is also the reason for everything we attempt to accomplish as an association. What about the second question? Now we know why our association exists, what do we want to accomplish as an association?

The next step is to develop actions that will enable the association to fulfill its mission. In reality, understanding our mission is not enough. For our association to fulfill its mission we must act upon the reason we are here. Remember this, a mission without action is, at best, unfulfilled dreams. If the mission is why we are here, then we are motivated to actions that reflect what we are about. Connecting our mission with action means that we are practicing what we preach. These actions can be placed into five ministry strategies. These strategies are areas of ministry that are present in all of God's churches. They are:

#### **1. Worship:**

Worship is community of faith gathered together in adoration, praise, thanksgiving and dedication of life to God. What the needs are in our churches in regard to worship ministry, I am not sure. I do know that today there are questions among all churches of all denominations as to whether a worship service should be traditional, contemporary or blended. Music is a vital ingredient of worship. As Vickie and I have worshipped with you in many different churches, we have so blessed by the music. Remember, our event with and our 140 voice choir. Then we went to Mt. Adar in July 2001 for our quarterly meeting and the Mt. Adar's choir really put a song in our hearts. Out of those events and visiting with you on Sunday mornings and hearing all our churches' wonderful music has resulted in a change in our July quarterly meetings. The July meeting will be a time of celebration of praise and worship through music. Our host church this year will be Riverside Baptist Church. If you have not had an opportunity to experience Riverside's music, then my friend, you are in for blessing. Not only will Riverside minister to us through their music, but are inviting all our churches to send their choirs, soloists, quartets, and musicians for this time of celebration. You will be receiving more information in the near future. Our Association's Music Ministers Conference has plans for a major musical event for us sometime in the near future. I can assure you that I will not be singing so I encourage you now mark your calendars for these two events.

The sermon is the ingredient around which the worship service is centered. We Baptists are so committed to this that traditionally, the pulpit is always in the center of the stage area of our sanctuaries. I hope in the near future we will be able to schedule a "School of Prophets." My vision of "School of Prophets" is that it is a time for participants to study a passage of Scripture followed by a sermon based on that Scripture. This would require our inviting teachers and preachers who are well respected in these spiritual areas. I hope we will be able to off this opportunity to you in the near future.

An ingredient in worship that we do not think about as much is the physical aesthetics that are a vital part of a worship service, such as sound system, lighting, etc. I hope to be able to bring resources into our association to address any needs related to this. Another area of ministry that is functioning in our churches is,

## **2 Evangelism:**

Evangelism is sharing the good news about Jesus Christ to all who cross our Paths, word, attitude and action, seeing everyone as our potential brother or sister in Christ.

Those churching returning their Church Profile for 2001 reported a total of 262 baptisms and 168 other additions. How many of these baptisms were the results of professions of faith, we do not know. Our church profile does not request baptisms to be classified by those being baptized for first time as opposed to those being baptized to meet the requirement of immersion for church membership. Other additions are someone else's sheep and really are not considered as Kingdom growth. How is the association addressing the needs of our churches in 2002 in regard to evangelism? The month of February is our evangelism Emphasis month. First, we have invited Marty Dupree from the State Convention to lead us in a "Prayer Evangelism Revival" participants will learn. The second evangelism event in February will be the "Net Witnessing Training" for the pastors. The purpose of the training is to equip the pastors so they in turn can train their congregation in a non-threatening method of witnessing. "Servanthood Evangelism Project" is a training event to show the participants how doing good deeds can open the door for witnessing. Another event scheduled for February 28<sup>th</sup> is the workshop "Assimilating New Members into the Congregation" I will be the leader of that workshop. In this workshop we will learn ways to receive new members into our church family. Believe it or not, it is sometimes hard for new Christians to feel welcome into the church family. One other action in regard to our evangelism ministry is in the form of a request. We are asking our churches that are scheduling a spring revival to schedule that revival to begin on Sunday, April 28 through Wednesday, May 1, 2002. the purpose is to have a joint evangelistic thrust within our association's churches.

## **3- Discipleship:**

Discipleship is instructing believers to consistently allow the Scriptures to Drive them toward a deeper relationship with Jesus Christ in their personal lives. Sunday School has been our major method of discipleship. Our total average Sunday School attendance in 2001 was 3,842. that sounds like a lot of people in Sunday School each Sunday, but unfortunately, that is the lowest associational average for the past twenty-five years. How will the association serve a resource for our churching in regard to discipleship? We have scheduled a seminar, "Discipleship in the Local Church" led by Chad Hall. The purpose of the seminar is to show participants methods of improving our Ministry of discipleship in our churches. Tip Cockman has scheduled three Seminars on teaching. These seminars are entitled: "Steps in Lesson

Preparation,” “Selecting Your Aim and Choosing Methods,” and “How to Be Creative in Teaching.” These all address the needs of our Sunday Schools. We also want to address the needs of personal growth in discipleship. They are not scheduled yet, but we want to evaluate the possibility of offering studies at the association’s resource center such as “Experiencing God,” and the Beth Moore series especially for the ladies, to name two. Tip Cockman is in the process of forming “round table discussions groups.” Another area is:

#### 4- Ministry:

For clarity, we have defined ministry in three parts.

1. Community and Church Ministry
  2. Missions Ministry.
  3. Support Ministry.
1. Church and Community Ministry is addressing the social needs of the Community through the cooperative efforts of the churches within the Association. At the present time our Church and Community Team Leader, Ann Perry is assisting our churches to be involved in ministries to Orange County Prison with monthly birthday parties, toys for prisoner’s children, and cakes for family day. She has also enabled our churches to be involved in ministry to those who are in assisted living facilities. Our churches under her leadership are involved in special needs ministry such as : migrant health kits, picnics for migrant workers, visually and hearing impaired, new baby layettes and pediatric kits for the hospital and providing food, rent and utilities assistance for the needy. But this year she has discovered other needs that our churches need to address. One is to expand the collections of toys not only for prisoners but also for those in our community. Ann can tell you through her experience in ministering to those in nursing homes that there are a large number of residents who do not have a pastor or church family. And what about those who risk their lives to protect us by serving on the fire, rescue and police departments? Who knows what other areas of potential ministry Ann will discover this year, but I know that when she does, she will do all within her power to equip and empower our churches to step forward to meet those needs.
  2. Mission ministry is the education and participation endeavors of the local church in home and foreign missions. Our WMU leadership is as busy as bees educating and encouraging our church in the area of mission involvement of our ladies.

One of the areas we need to investigate is how the association can serve as a resource to empower and equip our men through the Baptist Men in mission involvement. I heard years ago that the Baptist Men were a “knife and fork club.” I believe a member of the WMU told me that. But seriously, a number of our Baptist Men’s groups are actively involved in disaster relief. We want to be able to offer all our Baptist Men’s groups, no matter how large or small, opportunities to be involved in “hands on” mission projects through the association. One of the things we are doing in partnership missions with the North Carolina Baptist State Convention is sending Terry and Pam Pritchard

to Malaysia. They will return and tell us how we can as an association partner with Christians in Malaysia to share the Gospel.

Our local mission endeavors include our Vietnamese mission with Riverside Baptist Church as their mentor. Brook wood is serving as the mentor for New Life Community Church. Our association is also working with the Sandy Creek Association and the Mt. Olive Baptist Church in our mission endeavors at Snow Camp.

- 3- Support ministry is the activities of the believers that are implemented for the purpose or accomplishing the mission of the church. Tip Cockman is our Support Ministry Team Leader. Tip has already scheduled twenty conferences to assist our churches. One of the needs that he has brought to our attention is His desire to create awareness among our churches of the potential for singles ministry. It takes gifted person with lot of energy to address this need effectively. We have that person in Tip Cockman.

### **5- Fellowship:**

Fellowship involves the activities that build up the group life of the churches and the association resulting in cohesiveness within the congregations and the association. One of the main ingredients to a cohesive fellowship is communication. The need for better communication was one of the most frequently expressed needs by you during the time the Visioning Team was creating our Mission Statement. We see the need in three relationships. They are communication within the local congregation, communication between our churches, and communication between our churches and the association. For 2002 we have a number of conferences scheduled that will enhance our communication between all three areas. These conferences include varied topics from how to publish a more effective newsletter to addressing conflict within the congregation.

So, there it is, an overview of what we need to accomplish in 2002 to fulfill our mission as Mt. Zion Baptist Association. Certainly what I have said does not address all we need to accomplish, but it is a challenging start. I want to encourage you to review the Plan of Action for the Mt. Zion Baptist Association that was presented to you by the Executive Committee and adopted at our annual meeting this past October. Is there anything hindering us from accomplishing all the objectives and goals in this plan? There are needs, I know I can speak from Ann, tip, Kathy and myself in saying to you that your association's staff is committed to you and the mission of our association. We are here because we have the conviction that what we are doing is God's will for our lives/ In order to be more effective we need:

- To have resources in our resources center. Presently we have an overhead projector that we can load to you. I also found a 16 mm movie projector that we can loan you or better sell to you cheap! We have a number of good videos, but we do not have a VCR, but I guess that is OK because we do not have a television to use with the VCR, Some of our churched have first class libraries; we need a library to be used by those churches that are unable to provide library resources to

their members. When I went to the new Director of Missions orientation this past April, I discovered that Life Way furnished association samples of all their Sunday School materials free. We do have those along with the WM U material displayed in our conference room.

- A budget that reflects every church giving 4% of their total receipts to associational ministries. Financially, it has been a tough year on everyone, including our churches. Of the twenty-nine churches reporting their total receipts on the 2001 Church Profile, sixteen reported total receipts that were less than the year 2000. We need to vote on the 2002 budget tonight. Advance copies of this budget were mailed on January 2<sup>nd</sup> to all our pastors with a request that it would be distributed to the congregation for review. Having reviewed the proposed budget, I am sure that you see it is a considerable reduction over last year's budget. The point is the reduced budget still has the expectation that the receipts for 2002 association's ministries will increase over 2001 by \$10,000. The 2001 average giving to the associational ministries by our churches is 2% of their total receipts. Now you understand why we need you to increase your giving to the association. I am presently researching every possible 2003 Baptist State Cooperative Agreement I can find. Our 2003 requests must be in to the state convention no later than March 2002.
- To add as soon as possible, our Evangelism, Discipleship, Missions, Worship, and Fellowship Team Leaders/ There is so much we can accomplish now in our effort to serve as a resource to empower and equip our churches, if we had these ministry team leaders.
- Prayer warriors in our churches putting your associational staff high on their prayer list. We need a prayer ministry that is not only strong within our congregations but also connects all of our churches together in times of celebration as well as in despair.
- Volunteers to assist us and serve on the administrative team. The administrative team, composed of committees and coordinators, is the vehicle that helps us move down the road in an orderly and productive manner. Volunteers are so important to our mission. If you have not been asked to serve and have a desire to become involved in the association, see me. Call me, email me, or write me.

When I was in discussion with your search committee, I was told to see the association like a blank canvas. As the Director of Missions, I would be the artist and I would have the freedom to paint anything on the canvas I wanted. I really appreciate that freedom, but I see the canvas with the outline already on it. That outline is the Mission Statement. I see my role, as artist, is to paint within the lines of the mission of this association. To be the artist, I need your help. So let us all go forth from this place tonight, together, painting within the lines!

Following Dr. Goodwin's address music was presented by the "Shepherd's Staff" Song titled "Still the Cross"

Dr. Terry Prichard the October 2001 minutes for approval by the messengers. The minutes were approved by the body.

Steve Reavis, chairman of the Funding Development Committee presented the Budget for 2002. The Association is in fine financial shape. The receipts are down in 2001. A motion was made by Steve Reavis to accept the budget. The budget carried unanimously.

Dr. Terry Prichard gave the benediction. The meeting was adjourned to a fellowship time in the Grove Park Baptist Church Family Life Center.

PROCEEDINGS  
of the  
Quarterly Meeting of  
The Mount Zion Baptist Association

Monday  
April 15, 2002

Hosted by  
Altamahaw Baptist Church  
3445 Altamahaw Church Street  
Elon, N.C.

The second quarterly meeting of the 2002 session of the Mount Zion Baptist Association met at Altamahaw Baptist Church on Monday evening April 15, 2002. Dr. Terry Prichard, Moderator called the meeting to order at 7:00PM. Rev. Felton Massey in the absence of the pastor Rev. Walter Jones welcomed the messengers and guest and gave the invocation.

Rev. Jim Wren, Associational Director of Music led the congregation in the hymn "To God Be the Glory" and the praise song "I Sing Praises"

Special music was presented by the Altamahaw Baptist Church (Billy Champion and her musicians) "I Could Never Thank Him Enough"

Dr. Terry Prichard, Moderator, presented the minutes of the January 14, 2002 minutes of the first quarterly meeting held at Grove Park Baptist Church in Burlington, North Carolina for approval by the messengers. The minutes were approved.

Rev. Jim Wren, Associational Director of Music led the congregation in the hymn "I Will Sing of My Redeemer"

Special Music was presented by the Altamahaw Baptist Church.

Dr. Terry Prichard and Pam Prichard presented a wonderful report on their mission trip to Malaysian. They talked about the culture, showed maps,

talked about the foods. They gave great encouragement to all those that had never been on a mission trip to take one. They talked about the country being a Muslim country. It is a very unique country. North Carolina Baptist has a three year partnership with the Malaysian Baptists. You can go for \$1600 dollars. It is a wonderful price to go. The country is divided into two parts separated by the South China Sea. The Work of God is going on. The Prichards went to help the churches there. They want our help. Pam showed slides about the country. The people are hungry for the Word of God. The presentation was wonderful and inspiring. The Life of your church and you will be changed by taking a mission trip. Sixty percent of the world's population is located within just a few thousand miles of this country. Make it a matter of concern and prayer in your life to consider going.

Dr. Randy Godwin, Director of Missions, carried the same sentiment along with the Prichards. Randy thanked the Prichards and gave announcements to the congregation. Vacation Bible School clinic will be held May 14, 2002. If your leaders cannot be there, call the association office and they can be done individually at the churches. In July we will be at Riverside Baptist Church for an evening of music. Music is to be associational wide with participation by all churches encouraged. Dr. Godwin led in the benediction.

The meeting was concluded. A time of fellowship commenced in the church fellowship hall.

## CHURCH AND COMMUNITY MINISTRIES

Many volunteers were busy throughout the year helping with functions at assisted living homes. There were picnics (or cookouts) at Graham Manor, The Oaks, Dogwood Forest, the AIDS Home and for the visually and hearing impaired. All of these were well attended with many of our churches being represented. In addition, we hosted parties for Valentine's Day at Alamance Health Care, Dogwood Forest, the Oaks and Graham Manor. We also gave Valentine gifts to the Hospice Homes (Alamance and Orange Counties) and the AIDS Home (Carrboro). At Easter, we gave gift packages to the Home Place, The Oaks, Graham Manor, Dogwood Forest, the AIDS Home and the Hospice Homes. On several of these visits, I was able to personally distribute some of the gifts - what a blessing. Once again gift packages (primarily toilet items) were given to the Hospice and AIDS Homes for the July 4th holiday. We hosted a BINGO Tournament each month with 12 homes currently participating. For the first time, we participated in the Seniors BINGO at the mall in October. Each of the above mentioned homes enjoyed a party, or treat for Christmas. For the first time this year, we provided gift baskets for the staff of the Hospice Homes and the AIDS Home. They really appreciated our efforts.

On September 11, from 10:00 a.m. until 7:00 p.m., your association hosted an Open House for all law enforcement, firemen and EMT personnel in our counties. Help, both physical and with items, were received from many of our churches. There was a steady stream of guests throughout the day. We plan on having this again in 2003.

Approximately 15 boxes of school supplies were given to several of our schools, including a large amount for a Hispanic program that was held during the Summer. WMU Groups and individuals hosted the Baptist Student Union meal each Thursday, with special extras on Halloween, at Christmas and on Valentine's Day. Once again goodie bags were provided for 100 of the Elon students on Orientation Day. Over 100 expressed an interest in BSU, however 46 showed up at the first meeting, and we have had a pretty steady attendance of between 25 and 30 for the year.

Made an overnight visit to Oxford (The Flat River Association), to learn the techniques of having a Christmas Toy Store. Consider this very successful. This year, we provided gifts for over 100 children through the Angel Tree

Program. We actually received over 300 names, but many of them were given to other churches, groups and individuals.

Numerous new baby layettes, pediatric kits, gifts for the Family Abuse Center, gifts for the Hispanic health kits, housewarming gifts for new home owners, and paper products were given out throughout the year. All of these were well received.

We continue to work with the literacy program. Several of the volunteers have students. We will be focusing on the English as a Second Language segment in the coming year.

Although we do not have a food pantry, many food gift certificates were given to families and individuals. Most of this assistance was from referrals, either by one of our churches or another agency. We also helped with benevolence until the funds were depleted. We will not be assisting with benevolence in 2003.

Ann Perry - Church and Community Ministries

## HISPANIC MINISTRY ANNUAL REPORT

The mission of the ministry is to reach at-risk Hispanic male youth for Christ. The method is through indoor soccer games combined with evangelism and discipleship Bible studies. This sports-based approach has yielded a faithful group of around a dozen or so middle school at-risk Hispanic boys. A lot of the original group is still involved. Some are now in high school.

Grove Park Baptist Church has been a constant and active co-laborer in this ministry. The ministry is held in the gym at Grove Park Baptist Church. Dr. Hunsinger has been very encouraging. Two men have been faithful church van drivers. A local youth ministry called Christian Adventurers has loaned a van when necessary. Several other volunteers have added invaluable help.

Financial support from the State Baptist Convention comes through the Mount Zion Baptist Association. Dr. Randy Godwin has been very supportive.

Since the inception the boys have been challenged to receive God's forgiveness through Christ's sacrificial blood. They have also been challenged to follow Him as Lord of their lives. This has happened, through God's grace, in the lives of some of the boys. I praise God for that.

Special summer activities have been planned. This past summer a handful of soccer games were played at several soccer fields centrally located at the Hispanic community. Each game was started with a Christ-centered devotional. It was a form of outreach as most of these youth were not part of the monthly Saturday gym activity.

Several day trips were taken and organized by the youth director of a church in Greensboro who has a heart for at-risk youth. One trip was to Pilot Mountain State Park.

In January 2003 we will enter into the third year of ministry. We will celebrate the Lord's faithfulness with a special activity with the fathers or

uncles of the boys being invited. Gifts will be provided for the boys to show them our appreciation for their faithfulness.

May God's favor continue to be on this ministry and on the lives of the boys as they continue to seek true meaning in all areas of their lives. God is faithful to bring a harvest as the seeds are planted of His love for them through Jesus Christ.

Serving Him,

Eric Thompson

## **THE VIETNAMESE MISSION REPORT FOR 2002**

In 2002 Vietnamese has increased the attendance worship and Sunday School. We have 3 people make confessions of faith and they are studying the basic doctrine and ready to be baptized. We have one family which comes from Greensboro so we enlarged the area of evangelism. We still try to sponsor 1 or 2 families of refugees to come and live here so we can help and tell them about Jesus Christ. Please pray for us.

Thank you

Pastor Phiet Nguyen

## **MOUNT ZION WMU DIRECTOR'S REPORT 2001 – 2002**

**BEYOND BELIEF** was the theme for the second year. Our WMU has been challenged to go beyond the ordinary in our relationship with God and others and to lead our churches to participate in the awesome works of God in our communities and around the world.

The Acteens & Youth On Mission consultants held a spaghetti supper and ministry training at Fellowship Baptist Church, September 8<sup>th</sup>. The youth were taught the art of face painting, balloon sculpturing and puppetry as a way to witness.

North Carolina Missions was promoted in our churches in September. Our state WMU budget is reached solely by this offering.

The WMU leadership Team did an evaluation of the Associational WMU Tasks following the booklet "Mapping a Plan for WMU", answering the questions: "Where are we now?" "Where do we want to be?" "How do we get there?" It was decided we needed better communications and more enthusiasm.

The Mission Friends Consultant held a Fall Festival at Kinnett Baptist Church, October 20<sup>th</sup> for Mission Friends, GA's and Children in Action. Only 5 churches participated but 67 kids attended.

November 5<sup>th</sup> the Women's World Day of Prayer was held at two locations; Kerr's Chapel Baptist Church and North Graham Baptist Church. The \$192.59 offering received went to the Women's Department of the Baptist World Alliance for the promotion of worldwide ministries.

In December, the Lottie Moon Christmas Offering for International Missions was promoted in our churches. The WMU women of 22 Mt. Zion churches furnished 800 tubes of toothpaste for the NC Women's Correctional Institute in Raleigh for our part of the Christmas Gifts given to the inmates.

January 21<sup>st</sup> at Grove Park and January 24<sup>th</sup> at Oak Grove Baptist Churches, the book - Beyond Belief II was taught by Dot Jackson, Women on Mission Consultant. Eight churches participated with an attendance of 43.

The Mt. Zion WMU Annual Celebration was held March 19<sup>th</sup> at Riverside Baptist Church with guest speakers Gary and Allan Sanders, International Service Corps Missionaries to Romania. The churches in Area II were host for the Celebration. Eighteen churches were represented with 92 in attendance. Phoebe Bradshaw, Oak Grove Baptist Church, was honored for making a flag quilt following the 9/11 tragedy. She also won “best of the show” and a blue ribbon for this quilt at the county fair. Phoebe has served WMU over 50 years.

In March, North American Missions and the Annie Armstrong Easter Offering were promoted in our churches.

The Women’s Prayer Retreat was held Saturday, April 6<sup>th</sup> from 9:30 – 11:30 at Mt. Zion Baptist Church, 3966 W. Greensboro-Chapel Hill Road, Liberty, NC. The theme for the retreat was “Delighting in the Lord through Prayer.” Ten churches were represented with twenty-nine attending.

PROJECT HELP. LITERACY has been another two-year emphasis. Literacy is the ability to read, write and speak English proficiently. This means well enough to read the Bible, God’s Word and understand His message. A workshop was held April 13<sup>th</sup> and April 27<sup>th</sup> at the Resource Center to train tutors to teach others how to read.

Missions Extravaganza weekend at Ridgcrest Conference Center were April 19-21 and April 26-28. Several attended this training.

The Associational Leadership Team Training was held at Caraway Conference Center the weekends of June 21-22 and June 28-29. Ten ladies attended this training.

The Associational WMU Leadership Training for all age level church leaders for the year 2002-2003 was held August 19<sup>th</sup> at Hocutt Memorial Baptist Church. Fifty ladies attended, representing 16 churches.

The WMU Leadership Team continues to meet each quarter at the Resource Center. Another of our goals this year was to update the By-Laws, which we did and approved. The major change was to increase the Promotional Fund from \$1.00 to \$2.00 for each Woman on Mission member per year. This money is used to fund Associational WMU expenses.

Thank you for allowing me to serve you these past two years, continue your zeal for missions, Jesus said unto His disciples, "The harvest truly is plenteous, but the laborers are few, pray ye therefore the Lord of the harvest, that He will send forth laborers into His harvest." Matthew 9:37-38

Unto Him, only our best,

Regina Donaldson  
WMU Director, 2001-2002

# DEDICATION

*"And whoever, in the name of a disciple, gives to one of these little ones even a cup of cold water to drink, truly I say to you, he shall not lose his reward."*

*Matthew 10: 42.*

This passage of scripture always brings to mind the lady to whom this 2003 annual is dedicated:

## Ann Perry

Throughout her twenty years of service as a dedicated staff member of the Mt. Zion Baptist Association, Ann has gone far beyond giving that "cup of cold water" to others.

Ann began her ministry as a volunteer for the Association in 1981. It wasn't long before it became quite clear to everyone that she was a special person. She has a wide range of gifts and talents that continue to amaze all of us to this day. However, I believe that it is **her heart for others** that stands out in the forefront of her ministry.

In January, 1983, Ann began her tenure as bookkeeper for the association, then in 1986 the position of Church and Community Ministries Director was offered to her. Over the years her ministries have included working with nursing homes, migrant workers, truck stop ministry, flea market, Hospice & AIDS homes, Ralph Scott Homes, the thrift store, prison birthday parties, literacy, Baptist Student Union dinners, and picnics for the Visually and Hearing impaired. This is not an exhaustive list although it exhausts most of us just reading it. Ann tackles each responsibility with pride and enthusiasm. She meets each challenge with the idea of "doing it the way Jesus would." No task is too great nor too small.

Ann has one son, David, who lives in Snow Camp and a daughter, Donna, who lives in Ridgeway, Virginia. She also is the proud grandmother of Vicki, Amanda, Justin, Barbee, and Caleb. She is definitely a fun grandmother, taking her grandchildren on special vacations of their choosing such as rafting, gem mining, & hot air ballooning.

Ann has been an active member of Mt. Zion Baptist Church for twenty eight years. She is the Sunday School Co-Director and works "*behind the scenes*" in many other areas. She also served as WMU co-director for the Association in 2003.

Thank you, Ann, for your many years of service. We look forward to many more!

**Report to the Association  
Eastlawn Baptist Church  
January 13, 2003  
Randy Godwin  
Associational Missionary**

Last year my report included my interpretation of Mt. Zion Baptist Association's mission statement and a list of needs for 2002. I shared with you that I understood the mission of this association is to partner with its member churches to fulfill the Great Commission through the ministries of discipleship, evangelism, fellowship, ministry and worship. Our list of needs included a need for resources. Last year we had very few resources in the way of videos, materials and equipment to share. Tonight I want to report to you that we now have a television and a VCR! We also have purchased some great materials for our churches to use. LifeWay has donated the association materials worth several hundreds of dollars. Because of this, we have a good start on a resource library for our churches that I trust will continue to grow. We upgraded our Phone Tree system so that in the coming year we can communicate with our churches and volunteers more effectively. And because we were able to upgrade our computers, our churches will be able to use the Phone Tree system to communicate with our own congregations more effectively, especially in times of inclement weather. You will soon receive more information about this service we are able to offer our churches. Please be assured that your Associational Team is very thankful for your prayers and financial support, and we work hard to be faithful in the trust you have placed in us.

I also shared with you last year the need to add our Evangelism, Discipleship, Missions, Worship, and Fellowship Team leaders. We have been able to add our Evangelism Team leader, Dr. Terry Prichard, Pastor of Eastlawn. And thanks to the generosity of our State Convention we have added, through the Cooperative Agreements, Pam Prichard, wife of Pastor Terry, as Children's Ministry Team leader; Randy Haynes, Youth Pastor at Edgewood, as Youth Ministry Team leader; and Rich Hughes from the Discipleship Department of the Baptist State Convention. Rick has graciously agreed to donate two days a month to our association to help us with discipleship ministry.

I expressed to you last year the association's need for volunteers. There are

many of you who give countless hours assisting your association. We thank you and know without the volunteers very little would be accomplished. I understand from the Volunteer Selection Team that this has been the most pleasant year for asking you to volunteer. I closed my report last year by telling you that as Director of Missions I was committed to painting with the lines of the mission statement of our association. I have tried to do that and to bring everything we do or attempt to do within the outline of the Mt. Zion Baptist Association mission of partnering with congregations by serving as a resource to empower and equip them to fulfill our Lord's Great Commission of evangelism and discipleship.

In 2003 we are going to continue painting with the lines. We changed the Bylaws at our October 2002 Annual meeting to reflect my position as the Associational Missionary rather than Director of Missions. One may think the difference between these two titles is like calling a rose by another name, but there is a vast difference between the two. Webster's dictionary defines a director as "one of a group of persons who directs the affairs of an organized body." Three additional words for "director" are "manager", "supervisor", and "conductor." Therefore, a Director of Missions is one who manages, supervises or conducts the activities of the association. A Director of Missions is one who is concerned with making the organization run smoothly.

The best title to describe the leader of the Mt. Zion Baptist Association with the mission of partnering with churches to serve as a resource to empower and equip them to fulfill the Great Commission is the old title, Associational Missionary. An Associational Missionary is a missionary at heart. He is someone who "eats and sleeps" discovering and planning ways to reach people for Christ. A missionary is one who encourages new churches and is always concerned with church health. An Associational Missionary does not see the association as a separate organization from the local church. He sees the association as a relationship with the churches that forms an association for the purpose of creating avenues of service resulting in its member churches fulfilling their mission. Therefore, I am now your Associational Missionary.

Since we have in place our Mission Statement and the terminology and job descriptions of our ministry team leaders that supports our mission, what is ahead for us in 2003? First, I want to tell you about our next quarterly

meeting at Hocutt Memorial Baptist Church on Monday, April 14, 2003. Our Quarterly meeting will be special. We will begin the evening with a catered meal beginning at 5:30 PM. Ann Perry and Kathy Boyd have agreed to cater the meal for us. Following the meal, you will be able to attend two workshops on various topics such as discipleship, evangelism, deacon ministry, Christian financial planning, children's ministry and youth ministry. At this time we have the following people and workshops tentatively scheduled:

- "Discipleship in the 21st Century" Rich Hughes
- "Faith Evangelism" Don Meeks and Larry Cheek
- "When the Well is Dry" Allison Lairmore
- "Reaching and Ministering to Children" Carolyn Patton
- "Deacon Ministry" Tip Cockman
- "Church and Community Ministry Opportunities for 2003 and Beyond: Ann Perry
- "For Women Only: Beth Moore Bible Study" Terilynn Meeks
- "Anything But Boring Youth Ministry" Michael Capps
- "Christian Money Management" Bill Rice

You will be receiving information about this great opportunity for you and your church in the near future. But you will already want to mark your calendars to attend this great evening of fellowship over a delicious meal and experience a night of great speakers! Besides, what else are you going to do? Worry over your tax returns?

Our mission, as God's People, is to make disciples. We usually attempt our discipleship in four ways: the pulpit, program, process, and person oriented approaches. The pulpit-oriented approach uses sermons and the worship experience in order to move the worshippers along in their discipleship journey. The program approach uses one or more programs to guide the discipling of the church. Through the programs of the church, participants are moved along in their discipleship journey. The process approach uses systematic, sequential sets of opportunities in order to move persons along in their discipling journey. The focus tends to be on helping persons mature in their faith through faith formation, gift discovery, and involvement in ministry and missions. The person approach focuses on personal relationships whereby the pastor and other church leaders move others forward in their discipling journey. As your association we want to partner with our churches to resource our churches in strengthening these four

discipling approaches this year. We are fortunate that we have Rick Hughes from the Discipleship Team of the North Carolina Baptist State Convention to serve as our discipleship team leader for this year. He comes to us as a volunteer worker who will spend two days a month assisting our pastors, lay leaders and churches in understanding these four approaches for discipling its members.

One great need and opportunity that is emerging daily is the opportunity for ministry to Hispanics. The Baptist State Convention tells us that there are almost 9,000 Hispanics in Alamance County. There are two things about that number I want you to remember: One, almost 2,300 of those are functionally illiterate. That means they can not read in their own language much less in English. Two, there is not a Hispanic Southern Baptist Church within our association. The best estimate is that there are eighteen Hispanic churches within our community, but none are Baptist. Well, what are we going to do about it? First, the Association's Team leaders are committed to assisting our churches in fulfilling the Great Commission in reaching every person within our association. At the present time, Grove Park Baptist Church is reaching out to the Hispanic youth once a month for recreation and Bible study. Eric Thompson is leading this group at Grove Park. Burlington First Baptist has established a committee to discuss the possibility of beginning a Hispanic church. Kathy Boyd, our associational office manager, has gone back to school to become more fluent in Spanish. This year she hopes to begin a ladies English as a Second Language class for Hispanics. Ann Perry is discovering ways we can minister to the Hispanics by addressing their physical and literacy needs. Already we are planning a toy store for 2003 that will give us the opportunity to reach not only Hispanic children, but also other needy children of our community. We are committed to helping the Hispanic people in our community too learn and speak our language. We are further committed to meet their physical needs as a means whereby we can introduce them to the Gospel of Jesus Christ, because we as believers have a mandate from Jesus to make disciples of all the people we encounter in our world.

The year 2002 was a great year with countless opportunities to share the Good News of Jesus Christ. I believe that for the Christian the best is always yet to be, and therefore let us depart this place tonight more determined to be intentional in sharing our faith with a world that is so desperate to hear Good News!

## CHURCH AND COMMUNITY MINISTRIES REPORT

The ministries team of the Mt. Zion Baptist Association has been actively involved in many existing and new efforts this year. The major focus has been the assisted living homes. We are currently providing ministry activities to fifteen of these living facilities. The activities range from Bingo to meals including activities for the residents of the Ralph Scott Homes.

We continue providing gift packages for the AIDS home, the Hospice homes, and the Cancer Bridge Foundation, Habitat for Humanity, Alamance County Community Services, hospital, schools, Elon University students, Family Abuse Center, Allied Churches of Alamance County, and Migrant farm workers. We provide food for those in need, picnics for the hearing impaired and visually impaired. We continue to provide toys for the children of inmates through the "Angel Tree" projects and cakes and other goodies at Christmas as well as monthly birthday parties.

This year we will increase our toys for other needy children through our own Toy Store. Priority referrals will come from our churches followed by other helping agencies in our community.

The mission groups and individuals have provided meals each week during the school year for the students of the Baptist Student Union of Elon University.

During our annual Volunteer Appreciation reception Glenda Frazier was honored posthumously for her efforts as a volunteer.

I continually ask for your support as we seek to do His will through your Church and Community Ministries Team.

Respectfully submitted,

Ann Perry

## BURLINGTON LITERACY GROUP

One of the increasing needs of our community is literacy. We are currently expanding our literacy outreach to include English as Second Language Classes. Presently, we are assisting Burlington First and Glen Hope churches in their Hispanic ministry of teach English as a second language. As this ministry continues to grow, we will have even more opportunities for our congregations to participate in teaching people to read and to understand the English language.

Respectfully submitted,

Kathy Boyd

Annual Report  
Church Relationship Team  
of the  
Mt. Zion Baptist Association

The church relationship team met with associational missionary, Dr. Randy Godwin in late summer for the purpose of electing a new chairperson of the team. Former chairperson, Rev. Emmit Dupree returned to Saudi Arabia. Our appreciation to Emmit and his leadership.

Furthermore the church relationship team recommended to the Mt. Zion Baptist Association at it's annual meeting in October the following:

1. Efland Community Church be accepted as full members of the association, having completed one year of watch-care membership.
2. Snow Camp Baptist Church be accepted into the watch-care membership for the 2003-2004 church year.

Both recommendations were approved by the voting messengers attending the annual meeting.

Finally, the church relationship team also met to discuss how best to minister to those churches of the association who have reflected non-participation with the association over recent years. After seeking God's direction in prayer, the team agreed to contact those churches to express loving concern and offer encouragement. The team also agreed that I Corinthians 12:26, "*And if one member suffers, all the members suffer with it; or if one member is honored, all the members rejoice with it,*" gives proper direction for strengthening the association's relationship with these churches. We feel every church of the Mt. Zion Baptist Association is vital to the effectiveness of the association's ministry to our communities.

Respectfully submitted,

## Woman's Missionary Union Annual Report 2002-2003

God's Plan... My Part was the emphasis for Woman's Missionary Union for the past two years. We have been becoming more aware of God's plan for His people and His church, acting upon the plan and then becoming advocates for His plan in the community of faith. The watchword was found in 2 Timothy 1:8-9.

The Mt. Zion Associational WMU Resource Team has been very active and involved in planning activities. The Resource Team met quarterly. Leadership Training was held for all age levels in September. Julie Keith from the state WMU staff in Cary spoke about the National Acteens Convention and led the conference for Acteens leaders because of all the changes that have taken place in the literature for this organization. Acteens from our association did attend this meeting in Louisville. Two World Day of Prayer programs were held in November with one being held in the day at Oak Grove and the one at night at First Baptist Church of Burlington. The book that was studied last year was Beyond Belief and it was taught by Angie Barker, Dot Jackson and Ann Smith at Northside Baptist Church in January. The annual prayer retreat was held at Fellowship Baptist Church on April 5.

The Annual Missions Celebration was held in March at Holly Hill Baptist Church. Ralph and Rosalind Harrell spoke about their work with the International Mission Board in Africa. Faye Collins spoke about being the mother of a missionary. Margaret Harding from the state WMU staff in Cary installed the officers.

Missions Extravaganza was held two weekends at Lifeway Conference Center at Ridgecrest in March and April. Representatives from our association were asked to greet the women as they arrived. Rosalind Harrell led a conference and Beverly Alford was elected to the state Nominating Committee.

Our association has been active in Missions Involvement. Churches have been involved in many ministry opportunities including prison, assisted living homes activities, BSU, Baptist Children's Home, a picnic for Ralph Scott Group Homes as well as many others.

We continue to labor with God.

Co-WMU Directors - Beverly Alford and Ann Perry

## DEDICATION

Dependable, faithful, kind, compassionate, humble, has a servant heart, soul winner, genuine, good administrator, good preacher, encouraging, fun-loving. These are just some of the words friends and colleagues use to describe a man who has been an active part of the life of Mount Zion Baptist Association since 1985.

Robert W. Stephenson, better known to thousands in Alamance and Orange Counties as Bob, was born in Suffolk, Virginia and was saved at the age of nine. In 1973 he received the degree of Bachelor of Religious Education from Piedmont Bible College (now Piedmont Baptist

College) in Winston Salem, North Carolina, with a double major in Bible and Church Administration.

While still in college, he used his gifts as part-time Minister of Music and Education at a church in Daniels, West Virginia. He has continued to use his gifts in the fields of music, youth, and education "for the perfecting of the saints, for the work of the ministry, for the edifying of the body of Christ." (Ephesians 4:12) Before coming to Burlington he served churches in Rocky Mount and Raleigh, North Carolina and in Portsmouth, Virginia, developing and administering programs in these areas for all ages.

In 1985 he became Associate Pastor/Minister of Education at Glen Hope Baptist Church in Burlington where his responsibilities included administering a growing educational program and maintaining a regular visitation program to the sick and homebound. At Glen Hope he served ably as interim pastor on three occasions. In 2002 the Lord led him to Riverside Baptist Church in Graham, where he is now serving as Senior Pastor.

Bob is the husband of Joan Carol Farley Stephenson. Joan was born in West Virginia and works from home as a business manager for IBM. She can do wonderful things with a piano keyboard. They are the parents of one son, Mark Wayne, a graduate of Alamance Christian School, Liberty University and Southeastern Baptist Theological Seminary, who lives in Burlington.

Bob's energy, skills and desire to serve God by helping others have led to his involvement in many ways in the Mount Zion Baptist Association. He has served as Sunday School Director, Senior Adult Team Leader, VBS Director, Discipleship Training Director, Discipleship Team member and a member or chairman of numerous committees. Bob is vitally concerned for missions, and has been a member of a team to South Africa and also member of a team to Brazil.

As a teenager, Bob went to Jamaica with his church and his youth pastor to work at the Caribbean Christian Center for the deaf. Now, he is a member of the Executive Committee of the Caribbean Center for the Deaf and a member of the U. S. Board of Directors.

As if that is not enough, Bob is also active in the North Carolina Baptist State Convention, teaching and conducting conferences for the Sunday School Board, serving as Children's Special Worker, VBS Team member, Bible Drill caller and Bible Teaching/Reaching Growth Consultant.

## ARTICLE XII: INDEMNIFICATION AGAINST AND ELIMINATION OF LIABILITY

### Section 1. Indemnity

Any person who at any time serves or has served as a Trustee or officer of the Association and any such person who serves or has served at the request of the Association as a trustee or advisor or consultant to another corporation, partnership, joint venture, trust or other enterprise, or as a trustee or administrator under an employee-benefit plan, any person who is or has been an employee of the Association who also serves or has served as a trustee or officer of the Association and any person who has been employed by the Association as Director of Missions, Administrative Associate or Church and Community Ministries Director shall have right to be indemnified by the Association to the full extent allowed by the applicable law against liability and litigation expense arising out of such status or activities in such capacity. "Liability and litigation expense" shall include cost and expenses of litigation including reasonable attorney's fees, judgments, fines and amounts paid in settlement which are actually and reasonably incurred in connection with or as a consequence of any threatened, pending or completed action, suit or proceedings, whether civil, criminal, administrative or investigative, including appeals. In no circumstances, however, shall the Association indemnify any such person against any liability or litigation expense incurred if such person is adjudged in any action, suit or proceeding to have acted in bad faith or to have been liable or guilty by reason of willful misconduct in the performance of duty.

### Section 2. Determination of Right to Indemnity.

Promptly after the final disposition or termination of any matter which involves liability or litigation expenses as designated in Section 1 or at such earlier time as it deems fit, the Association shall determine whether any person described in Section 1 is entitled to indemnification there under. Such determination shall be limited to the following issues: (1) whether the persons to be indemnified are persons described in Section 1; (2) whether the liability or litigation expense incurred arose out of the status or activities of such persons for which indemnification is available under Section 1; (3) whether liability was actually incurred and/or litigation expense was actually and reasonably incurred; and (4) whether the liability and litigation expense were incurred by a person who acted in bad faith or willful misconduct in the performance of duty. Such determination shall be made by a majority vote of trustees who were not parties to the action, suit or proceeding, or in connection with "threatened actions, suits or proceedings, who were not 'threatened parties'." If at

least two such disinterested trustees are not obtainable, or even if obtainable, if at least half the number of disinterested trustees so direct. such determination shall be made by independent legal counsel in a written opinion to the Association.

### **Section 3. Advance Expense**

a. Litigation expenses for which indemnification is provided under Section I shall be paid by the Association in advance of the final disposition or termination of such matter, if the Association receives an undertaking dated, in writing and signed by the person to be indemnified, to repay all such sums unless such person is ultimately determined as provided in Section 2 to be entitled to be indemnified by the Association. Request for payments in advance of final disposition or termination shall be submitted in writing unless this requirement is waived by the Association. Before the first such payment is made, the Association shall have received the written undertaking referred to herein and notice of the request for advance payments shall have been given to members of the Trustees.

b. Notwithstanding the foregoing subsection (a), no advance payment shall be made as to any payment or portion of a payment for which a determination is made that the person requesting payment will not be entitled to indemnification. Such determination may be made only by a majority vote of disinterested trustees or by independent legal counsel. If there are not at least two disinterested trustees, the notice of all requests for advance payment shall be delivered for review to independent legal counsel for the Association. Such counsel shall have the authority to disapprove any advance payment or portion of a payment for which it plainly appears that the person requesting payment will not be entitled to indemnification.

### **Section 4. Settlements.**

The Association shall not be obligated to indemnify persons described in Section 1 for any amounts paid in settlement unless the Association consents in writing to the settlement. The Association shall not unreasonably withhold its consent to proposed settlements. The Association's consent to a proposed settlement shall not constitute an agreement by the Association that any person is entitled to indemnification hereunder. The Association shall waive the requirements of this Section for its written consent as fairness and equity may require.

### **Section 5. Application For Indemnity or Advances.**

a. A person described in Section 1 may apply to the corporation in writing for indemnification or advance expenses. Such application shall be addressed to the Clerk, or in the absence of the Clerk, to any officer of the corporation. The

corporation shall respond in writing to such application as follows: to a request for indemnity under Section 2, within ninety (90) days after receipt of the application; to a request for advance expenses under Section 3, within thirty (30) days after receipt of the application.

b. The right to indemnification or advance expenses provided herein shall be enforceable in any court of competent jurisdiction. A legal action may be commenced if a claim for indemnity or advance expenses is denied in whole or in part, or upon the expiration of the time periods provided in the preceding subsection (a). In any such action, the claimant shall be entitled to prevail upon establishing that he or she is entitled to indemnification or advance expenses but the Association shall have the burden of establishing, as a defense, that the liability or expense was incurred as a result of acts in bad faith or willful misconduct in the performance of duty. In any such action, if the claimant establishes the right to indemnification, he shall also have the right to be indemnified against litigation expense including reasonable attorney's fees of such action.

## **Section 6. Incidents of Right of Indemnification.**

The right to indemnification provided herein shall not be deemed to preclude any rights to which any persons seeking indemnity may be entitled apart from the provision of this Bylaw, except that there shall be no right to indemnification as to any liability or litigation expense for which such person is entitled to receive payment (under any insurance policy). Such right shall inure to the benefit of the heirs and legal representatives of any persons entitled to such a right. Any person who at any time after the adoption of this Bylaw serves or has served in any status or capacity described in Section 1, shall be deemed to be doing or to have done so in reliance upon, and as consideration for, the right of indemnification provided herein. Any repeal or modification hereof shall not affect any rights or obligations then existing and any person who would be entitled to indemnification for activities prior to the repeal or modification shall continue to be entitled to indemnification for such prior activities even if the claim arises and/or the liability and litigation expense occurs after the repeal or modification. The right provided herein shall not apply as to persons serving institutions which are hereafter merged into or combined with the Association except after the effective date of such merger or combination and only as to the status and activity after such date.

## **Section 7. Supplemental.**

The foregoing right of indemnification shall be in addition to and not exclusive of all other rights to which such director or officer, or an employee or agent may be entitled.

716 **Section 8. Savings Clause.**

717  
718 If this Article or any portion hereof shall be invalidated on any ground by any court  
719 or agency of competent jurisdiction, then the Association shall nevertheless  
720 indemnify each person described in Section 1 to the full extent permitted by the  
721 portion of this article that is not invalidated and also to the full extent, but not  
722 exceeding the benefits described herein, permitted or required by other applicable  
723 law.

724  
725 **Section 9. Elimination of Certain Liability.**

726  
727 In accordance with North Carolina General Statute 55A-28. 1A, a person serving as  
728 a trustee or officer of the Association shall be immune individually from civil  
729 liability for monetary damages, except to the extent covered by insurance, for any  
730 act or failure to act arising out of his service as trustee or officer, except where  
731 such trustee or officer: (1) is compensated for his services beyond reimbursement  
732 for expenses; (2) was not acting within the scope of his official duties; (3) was not  
733 acting in good faith; (4) committed gross negligence or willful or wanton  
734 misconduct that resulted in damage or injury; (5) derived an improper financial  
735 benefit from the transaction; (6) incurred the liability from the operation of a motor  
736 vehicle; or (7) is a defendant in an action brought under N.C.G.S. 55A-28.1  
737 (Liability of Directors in Certain Cases) or N.C.G.S. 55A-28.2 (Member's and  
738 Director's Derivative Actions). If the North Carolina Statutes are amended after  
739 approval of this section to authorize associate action further eliminating or limiting  
740 the personal liability of trustees, then the liability of a trustee of the Association  
741 shall be eliminated or limited to the fullest extent permitted by the North Carolina  
742 General Statutes, as so amended. No amendment or repeal of the provisions of this  
743 section shall apply to or have any effect on the liability or alleged liability of any  
744 trustee of the Association for or with respect to any act or failure to act on the part  
745 of such trustee occurring prior to such amendment or repeal. The provisions of this  
746 section shall not be deemed to limit or preclude indemnification of a trustee by  
747 the Association for any liability which has not been eliminated by the provision in  
748 this section.

749  
750 **ARTICLE XIII: ASSOCIATIONAL YEAR**

751

## History of First Baptist Church of Haw River

The early settlers in Haw River, North Carolina, a community which sprang up along the banks of the river from which it took its name, were largely of German descent. Very little of the early history of the First Baptist Church is known, since all of the first members and workers are deceased and since many of the early records were destroyed.

The first known gathering of Baptists here was a little group that met in a schoolhouse located near the old Methodist Protestant Church. The church and schoolhouse had one room, and here the group met until 1892 when the few stalwart Baptists, under the leadership of Reverend J.C. Hocutt launched out on a building campaign, resulting in the first church.

Rev. Hocutt was a fine minister and organizer. He was a native of Wake County and preached in Orange County before coming to Alamance where he preached in both Haw River and Graham on alternate Sundays. Under his leadership land was purchased from Mrs. Deal McCracken for the Baptist Church site on the Durham Road, (now Main Street) for the sum of \$50. On this location the plain boxed edifice rose as a monument to the efforts of men and women who visualized that there should be a sanctuary for the people of Baptist beliefs. The building itself was made of heart pine timber and was well constructed as it stood though the years until the present brick building was constructed in 1954.

The present sanctuary is a colonial structure and was dedicated on June 26, 1955. During this building program the original church building was moved to the back of the new sanctuary and was renovated to make a more modern educational facility. This unit was begun on August 15, 1955 and completed January 12, 1956. In 1973 additional space became necessary and the educational building was completed in the summer of 1974.

The entire facility was renovated in 1998. In that same year the Historical Committee aggressively sought out artifacts from earlier days in the life of the church. The result of their endeavor was a museum quality Historical Room that well represents the history of the First Baptist Church of Haw River.

## HISTORY

The Fairview Baptist Mission was organized in the Fairview Community of Hillsborough, North Carolina, at 9:45 am on December 24, 1950. There were twenty four (24) attending the morning worship service. The mission was located off the highway intersection (Highways 70 and 70A) in Fairview, now known as Terrell Road. Mr. James Freeland, member of the Fairview Mission, was very instrumental in the mission acquiring temporary building facilities.

The Fairview Baptist Mission was sponsored by the Mount Zion Baptist Association. Reverend James Lambert was the Associational Missionary. Membership for the Fairview Baptist Mission was held with the First Baptist Church of Mebane, North Carolina, who was the mother church to the mission. Reverend Lambert was authorized to baptize those coming upon their profession of faith.

On May 29, 1952 a groundbreaking ceremony was held at the proposed site on the south side of Highway 70, just west of Fairview. Land for the new church was purchased from the Whitted family heirs, which required signatures from thirty five (35) heirs residing in various parts of the United States.

The first unit to be constructed was an educational building of sixteen (16) rooms, including one large and one small assembly room. This building was first occupied and services first held on August 31, 1952.

On November 30, 1952 at 2:45 pm, a council composed of Reverend E.C. Wilkie, Mount Zion Association Missionary; Dr. Clyde Chapman, Moderator of the Mount Zion Association and Pastor of Swepsonville Baptist Church; E.C. Chamblee, chairman of the Missions Committee and Pastor of Grove Park Baptist Church in Burlington; Reverend Tom M. Freeman, a member of the Missions Committee and Pastor of Hocutt Memorial Baptist Church in Burlington. Other members of the council were Reverend H.D. Booth of West Hillsborough, Reverend J.C. Hagwood and Reverend R.L. Councilman of Burlington, and L.C. Gardner of Mebane. All met at Fairview Baptist

Mission of Hillsborough, North Carolina, and organized the mission into a Baptist Church. Reverend James L. Clegg, Jr., Pastor of the Mission, called the roll and all those present who had been baptized signed the resolutions as follows:

Mr. A.L. Hinson  
Mrs. A.L. Hinson  
Bobby Hinson  
Mrs. E.L. Hardee  
Mr. E.L. Hardee  
Mrs. W.P. Berry, Jr.

The council and pastors present extended the right hand of fellowship. L.C. Gardner, clerk of First Baptist, Mebane, transferred the deed to the trustees and membership from Mebane to the Fairview Baptist Church.

The first business meeting of Fairview Baptist Church was held Wednesday, December 3, 1952, with ten members present. These officers were elected: James Freeland, Phil Hardee and Roscoe Walser having been elected at the Sunday morning service, November 30, 1952 were the trustees; W.P. Berry, Phil Hardee, and A.L. Hinson, Deacons; and the church called Reverend James L. Clegg to be Pastor of Fairview Baptist Church. Reverend Clegg had been Pastor of the mission since May 1952.

Over the next few years the church worked to finish their facilities; and to organize their Sunday School and organizations. Pews were purchased from the First Baptist Church, Raleigh, North Carolina. Many gave of their time and resources. It was a challenging time to make adequate room, as the church began to grow.

Application for membership in the Mount Zion Association was approved by the church on October 7, 1953. On March 28, 1954, the church voted to purchase their first parsonage, located on what is now Central Avenue. On March 17, 1957, a second parsonage was purchased which still stands on church property. The parsonage on Central Avenue was sold sometime later.

The original building which was occupied during the latter part of 1952 became the church sanctuary. This building was renovated and remodeled several times. With the swelling ranks felt by all churches in the early 1960's, our congregation voted to build a two story educational building. It was completed in 1962. The Sunday School enrollment had gone from one hundred sixteen (116) in 1953 to two hundred eighty seven (287) in 1962. All the rooms were filled and the parsonage had to be used for Sunday School rooms. Many improvements in buildings and grounds have been made through the years.

In the early 1970's, the Fairview Baptist Church was instrumental (as the mother church) in starting the Colonial Hills Baptist Mission. The mission was organized as a church in 1973. In 1976, the church contemplated moving, but voted to remain at the present location.

During the early 1980's, more improvements were made on the church property. A new steeple (the first for Fairview) was dedicated at homecoming, June 5, 1983. During 1985, Fairview Baptist Church (again for the first time) adopted a Constitution and Bylaws and made a church directory.

On February 22, 1999 a church Planning Committee met with Bob Yates of the Baptist State Convention to discuss the feasibility of building a new sanctuary. The church eventually voted to demolish the old sanctuary and build a new sanctuary with a new fellowship hall to follow as soon as the church was financially able.

The groundbreaking ceremony for the new sanctuary was held on January 5, 2003. At a special ceremony on November 23, 2003 a cornerstone was placed in the new sanctuary. The first service was held in the new facility on March 14, 2004. The new sanctuary was dedicated to the Lord Jesus on May 2, 2004. On September 8, 1999 the church also purchased a new parsonage at 209 Orange High School Rd.

**MINUTES  
THE QUARTERLY MEETING OF  
THE MOUNT ZION BAPTIST  
ASSOCIATION**

**JANUARY 12, 2004**

**HOSTED BY  
FELLOWSHIP BAPTIST CHURCH  
2744 MAPLE AVENUE  
BURLINGTON, NC**

The first quarterly meeting of the Mount Zion Baptist Association was held on Monday night, January 12, 2003 at Fellowship Baptist Church in Burlington, North Carolina. The meeting was called to order by Rev. Larry Redding, Vice-Moderator at 7 PM. Rev. Larry Redding asked for adoption of the agenda. The messengers approved the agenda. Rev. Ken Simpson; Pastor of Fellowship gave the welcome and invocation. The congregation sung the hymn "Victory in Jesus". Mr. Bobby Honeycutt, associational clerk, presented the minutes from the Annual meetings held in October 2002 at Integrity Community Church and Glen Hope Baptist in Burlington, North Carolina. The minutes were presented for correction and approval. There were no corrections so they stood approval as presented.

Dr. Randy Godwin, Associational Missionary presented the dedication of the 2003 Annual to Ms. Ann Perry. Ms Ann Perry accepted with grace and humility.

Special music was presented by Ms. Peggy White and the Fellowship Quartet. They were wonderful songs of praise to our Lord. The songs "What a Lovely Name" and "I Pledge Allegiance to the Lamb" were presented. The congregation joined in on the songs.

Rev. Larry Cheek presented the Roy P. Taylor foundation report. It was reported how the funds would be given out. The guidelines and application process were outlined. The committee members with Rev. Larry were Jim Shaw and Becky Stewart. This fund was established to help pastors in our association to get continuing education. Two pastors could apply per year and the total amount would be \$100.00 each. Also the applicants would be considered based on what their current churches do as far as continuing education. Pastors who did not have support financially from their churches would be considered first, but it was opened to all pastors. The fund currently has \$8900.00 and continues to grow. The fund must reach \$10,000.00 before 100% of the interest can be removed. This will happen with time. Re. Larry Redding asked for a motion to accept this proposal. The motion was made by Rev. Bob Stephenson and it was also seconded. The proposal was adopted unanimously by the messengers present.

## **ASSOCIATION MEETING JANUARY 12, 2004**

Rev. Larry Redding, Moderator presented the new trustees for approval. Mr. Robert Davis from Mars Hill Baptist, Mr. Carl Kincaid from Grove Park Baptist, and Mr. James Johnson from Moore's Chapel Baptist were presented as new trustees for three years. The presentation did not require a motion and the three were elected as trustees by unanimous vote.

Dr. Randy Godwin gave his annual report to the association. This report is attached to the minutes. Dr. Godwin gave us many challenges for the upcoming year.

Rev. Larry Redding, Vice Moderator, asked for the conclusion of the meeting and gave the benediction.

Refreshments followed in the Fellowship Hall hosted by Fellowship Baptist Church.

The first quarterly session of the 135<sup>th</sup> year of our association was ended. Our second session will be held again at Fellowship Baptist Church in April 2004. It will be a training session.

Respectfully submitted,  
Bobby Honeycutt  
Associational Clerk

**Associational Missionary  
Report  
To the Congregations of the  
Mt. Zion Baptist Association  
RANDY GODWIN  
Fellowship Baptist Church  
January 12, 2004**

What a difference a day makes! What a difference a year makes! None of us anticipated last January when I gave my report to the association that our big story for 2003 would be the selling of the Resource Center. It has been a long drawn out process that is still moving every so slowly to the closing date. At present, all the environmental tests have been completed and the city of Graham has given its approval for Wachovia Bank to build. My last word with those responsible for the project, is that the bank must be opened the first day of August, 2004. We are progressing towards moving to Fellowship Baptist Church a little at a time. We are waiting for the notification of the closing date for the sale of the building before we aggressively begin our move. There is a condition in the contract that Wachovia Bank can decline to complete the sale, if for any reason they decide not to build on our property. They have until February 21, 2004 to close the sale. I do not know of any reason for them not to proceed. I would just feel better to have a closing date before we start making major steps toward moving.

The Executive Team has appointed the ad-hoc Resource Planning Team from the recommendations that you gave in response to their request at the annual meeting in October. The team consists of:

- |   |                   |                  |
|---|-------------------|------------------|
| • | Becky Stewart     | Staley Memorial  |
| • | Jeannie Simpson   | Fellowship       |
| • | Kathryn Ellington | Kinnett Memorial |
| • | Jim Shaw          | Mars Hill        |
| • | James Hinton      | Northside        |
| • | Bobby Honeycutt   | Glen Hope        |
| • | Bob Winslow       | Mt. Zion         |
| • | Bob Stephenson    | Riverside        |
| • | Steve Reavis      | Grove Park       |
| • | Ed Christmas      | Burlington First |

Pray daily for this planning team. They have the responsibility of grasping a vision of a resource center that will meet the needs of our churches as we strive to fulfill the Great Commission together. They will make monthly reports to the Executive Team and to the association at our October 2004 annual meeting.

The year 2003 also brought us a gift from the estate of Mr. and Mrs. Jesse Sykes of Mebane. The gift comes in the form of an endowment funded through the North Carolina Baptist Foundation. Mr. & Mrs. Sykes were deeply committed to our association. Through their generosity, Mt. Zion Baptist Association will receive 100% of the fund income from their estate for three years. We will receive the funds each June and December. The amount of the gift will differ each year because it is based on the income the endowment earns during the year. In December 2003 we received our first gift which was \$1,376.76. These funds must be kept separated from any other funds and can only be used for "the building program for an associational office building." If at the end of ten years following the final payment we have not used these funds, we must return the funds plus any interest earned to the estate.

We added at our October annual meeting Efland Community Church to our association. We reached a milestone when Snow Camp Mission became Snow Camp Baptist Church and requested to be placed under our watch-care in fulfillment of our requirements for becoming a member church of our association.

We also opened our Toy ministry to which you responded graciously. Because our churches respond so well to the needs of inmate's families at Christmas, we wanted to expand that ministry to others in need at Christmas. And you responded with overwhelming enthusiasm!

Well, what is ahead for us in 2004? I do not know what surprises God has in store for Mt. Zion Baptist Association or for those of us who serve you through the association and our churches. All we can do is to look at what we are presently doing and what we would like to be accomplishing through of our ministry. There is always a gap between what we are accomplishing and what we would like to accomplish as God's people. Our call is to stand between the "what is" and the "what could be" and try to grasp a vision of bringing these two together.

The mission of the Mt. Zion Baptist Association is "to partner with congregations by serving as a resource to empower and equip them to fulfill our Lord's Great Commission-evangelism and discipleship". In order to address the needs in our association and fulfill our mission as the Mt. Zion Association we will strive to offer our churches in 2004 opportunities and resources that will empower and equip our churches' discipleship ministry. We were privileged to have a partnership with Rick Hughes, consultant/coach from Congregational Services of the Baptist State Convention, to assist us in 2003 to develop our discipleship team composed of the following pastors: Gene Hunsinger, Grove Park, Bob Stephenson, Riverside, Jim Shaw, Mars Hill and Larry Cheek, Edgewood. Larry Cheek agreed to serve as the discipleship team leader. Rick Hughes will continue in 2004 to coach Larry, as the team leader, in discipleship ministry. Our Discipleship Team will continue to challenge our churches in 2004 to continue strengthening the discipleship ministry in our churches.

Mt. Zion Association is the first association in North Carolina to approach discipleship ministry in this fashion. Because we are the first, I had the opportunity to address the Executive Committee of the Baptist State Convention on December 2, 2003 to share with them what we are attempting. I understand our story will be included in an upcoming issue of the *Biblical Recorder*, so that other associations can benefit from our experience.

Each year I want to address the association to keep you informed on what your associational missionary, the associational staff and the various teams are attempting to do in fulfillment of the mission of our association. In order for you to be truly informed, you not only need to know the successes that we experience but also our struggles to fulfill our mission. So, I need to take a few moments to express to you some struggles we have experienced as your associational ministry team. I am not trying to be negative nor critical. I want to address some struggles so that we can together find suitable solutions.

Using the Church Profiles and comparing a five year span of the twenty-seven churches that returned their profiles in 1999 and 2003, I discovered the following:

Item	1999	2003	Gain/loss
Baptisms	253	202	loss 51
Resident Mem	8,768	8,017	loss 751
SS Aver	128	117	loss 11

Our churches are not located in areas of declining population. The Mt Zion community is growing. All we have to do is look around us and see new housing developments with new people moving into our community almost daily. We need to find ways to address and reverse these losses in our churches.

Another struggle we are facing is the continuing decline in receipts from our churches. Mt. Zion Baptist Association receives its financial support from two sources. The first and main source of our funding is our churches that wish to participate in our association. Each church determines its level of support and collectively with all the other participating churches provides the funds by which we operate as an association. The second source is the Baptist State Convention of North Carolina. Each year, as your associational missionary, I send requests for financial assistance for specific projects that our churches want to attempt. These grants are called Cooperative Agreements. For 2004, we have Cooperative Agreements totally \$56,000. We also have received a \$2,000 grant from the North Carolina Baptist Foundation to partially fund an English as a Second Language teacher. These Cooperative Agreements and the Baptist Foundation grant make up 26% of our anticipated budget receipts for this year. But do not forget, these grants are for limited amounts and given for a limited time and for specific projects. Also we cannot depend on these Cooperative Agreements with the Baptist State Convention of North Carolina. I am not sure how much longer the convention can provide these specific funds. As you know, the State Convention is also experiencing a

drop in its receipts from churches. It has been such a decline that the convention experienced major layoffs in 2003.

Because of the decline in funding from our churches we have been required to downsize our budget. Some of our churches have been required to do the same. So, I am not talking about something that many of you as leaders in your church have not already struggled with in formulating your church's budget. What you need to understand is that when you struggle and resolve that struggle with cutting your gifts to associational missions, it puts us in a struggle. In April of last year, the Funding Development Team had to immediately reduce our expenditures by \$12,000 during the months of May through August. We were hoping that we could have reinstated the funds and ministries at the end of August. But receipts from our churches for August through December did not allow it.

We have also struggled in continuing our Christian Social Ministries at the level we have operated in the past. We closed our Thrift Store in February, 2001. Since that time, we have been assisting those in need with such things as rent, utilities, prescriptions, and even on at two occasions, funeral costs, from the profits of closing the Thrift Store. Those funds are now gone. We are no longer able to assist the needy in these areas of need. But I am glad to report to you that we, through your generosity, are still able to provide food.

Because of the closing of the Thrift Store and our present Resource Center's limited space, we have been unable to keep a food pantry. We have been able to take the funds you provide and purchase, at a discount, gift cards from Lowe's Food, Winn Dixie, and Food Lion. When we receive an appropriate request, we give the gift card for the family to purchase their food. This is not the ideal situation, because the rule in providing assistance to the needy is not to give cash. We are aware that giving a gift card is the same as giving cash. But at the present time, and with our present space, we do not see any other option. By the way, to put a bug in our new resource center planning team, we could really use a designate space for a food pantry.

Other struggles we have faced this year in being required to cut our budget is providing resources for our churches. As you remember, I told you in times past that the association did not have any resources to loan to its churches. We were striving to change that by purchasing videos and Biblical studies for our churches to use. LifeWay gives the association a 40% discount on books and a 25% discount on videos that we purchase for use by our churches. We had started building a library of these resources, by which, a number of our churches have already benefited through borrowing these materials. But because of the decline in receipts we had to discontinue that process. We did manage to obtain some great resources, but there are many more resources we could gather if funds were available. For instance, we are asked periodically by our churches if we have a data projector that we could loan to our churches. A data projector projects the image on the screen when you use a power point presentation. We do not have a data

projector. We are called the Mt. Zion Baptist Association Resource Center because we want and need to provide resources of people, materials and equipment to our churches.

One other struggle that I want to share with you concerns our commitment to the Alamance/Orange County Prison Ministry. As you know we support ministry to the 176 male inmates at the Orange prison in Hillsborough. Financial support of this ministry has also been cut because of the decline in our churches' gifts to the association. The prison ministry falls under our Christian Social Ministry and is one that the churches of our association have supported for years through providing volunteers and financial support. The churches of our association provide volunteers to provide a monthly birthday party to inmates and cakes at Christmas. Our churches also support the prison ministry by providing toys at Christmas for the families of the inmates. We accomplish this in two ways; one by gathering toys for the inmates at the Orange unit and two by taking families from the "Angel Tree" list. The "Angel Tree" project not only provides toys for the families of the Orange Prison Unit, but also families who have family members in prison in other locations. The association along with seven of our member churches, twenty-five other churches from different denominations, twenty-seven individuals, two fund raising events, and four other organizations provided the financial support of this ministry in 2003. According to the prison ministry's December 2003 financial report, of the 69 sources of income for this ministry, the largest contributor was the business Strowd Roses Inc. which provided \$4,800. The second largest contributor was the prison ministry's golf tournament, which provided \$4,763.04. Mt. Zion Baptist Association was the third largest contributor providing \$4,000 for this ministry.

We can only accomplish, as your associational ministry team, what you empower us to accomplish. You empower us through volunteers and mission funding. Without your support of funds and volunteers, Mt. Zion Baptist Association can not exist.

Now with your continued and ever increasing volunteer and financial support, what is ahead for our churches in 2004 that will serve to empower and equip our churches to fulfill the Great Commission?

First, not only will the association present opportunities and challenges to you, but we are also catching a vision for evangelism. Terry Prichard, pastor of Eastlawn, is seeking those who have a passion for evangelism. He has volunteered to take the lead in creating an Evangelism Team to provide opportunities and challenges to empower and equip our churches in evangelism. As this team comes together they will follow our discipleship emphasis in 2004 with an emphasis in evangelism in 2005. To give you a heads up, we are now praying for someone to step forward and commit to establishing a Worship Team to lead our association in a worship ministry emphasis in 2006.

Our Training Event last year at Hocutt Memorial was such a success that we are doing it again. This year's training event will be held here at Fellowship Baptist Church on Monday, April 12. We are currently inviting our leaders and designing workshops that will benefit your churches. At the present time, Linda Thompson, LifeWay

representative, has already agreed to return to lead a workshop on Sunday School in the Small Church.

We have added two important events for 2004. The first is Mt. Zion Baptist Association emphasis month, which is the month of May. We chose the month of May because that is the designated month in the Southern Baptist Convention for associational emphasis. You will be receiving more information in the near future about how your church can participate in this emphasis.

The second new event we have added to our calendar is Ministers' Appreciation Month which will be August. Some of our churches have a pastor only, while others have a pastor and other ministers on staff. We are planning to encourage through the resources of the association each of our churches to express to their ministerial staff in specific ways their appreciation for their ministry. We will recognize those churches that show their appreciation in the association's newsletter, *The Courier*. Whether in August or some other month, we want to encourage all our churches to show their appreciation for their ministers who constantly go beyond the call of duty.

Have you noticed the change in the monthly newsletter yet? Those changes have come about because you expressed to us ways it could be improved. Each month we want to include information that will specifically address the needs of our churches. We have invited our pastors to share one of their favorite sermons with us. We will print one sermon each month. As you read the monthly newsletter, if you do not see a sermon by your pastor, please encourage him to send us his favorite sermon. Already, Gene Hunsinger, pastor of Grove Park, Darrell Nance, pastor of Haw River First and Bob Stephenson, pastor of Riverside have shared a sermon with us. In the coming months, the following will share a sermon with us: Vincent Greene, pastor of Oak Grove, in February, Arthur Kirk, pastor of Mt. Adair in March and Bruce Brown, pastor of Northside, in the April issue. Also, we want to give our church members an opportunity to share their testimony through the newsletter. Please share with us your testimony of your experience with God. A number of you have shared with me how God has blessed you, which is the reason we want to include a testimony in the newsletter. Who knows how God will use your testimony to bless others?

I also want to take this time to thank all the ladies and men who faithfully come every month to put together the newsletter for mailing. Without the dedication of these men and women who come so faithfully to assemble and address the newsletter, we would be unable to provide it for you.

Our Hispanic ministry within our churches is growing. The association has been able to secure a \$12,000 Cooperative Agreement for the Hispanic church that Burlington First is in the process of organizing. Grove Park continues to work with Hispanic youth, using funds from a cooperative agreement the association was able to obtain. Glen Hope and Eastlawn have ministries that we hope to obtain a cooperative agreement for

sometime this year. Kathy Boyd, our office secretary is teaching ESL at Burlington First and Glen Hope churches and is moving to more involvement in Hispanic ministry.

We are glad to report to you that two of our pastors will be serving on the Alamance/Orange Prison Ministry Board. Arthur Kirk, pastor of Mt. Adar and Darrell Nance, pastor of Haw River First, have agreed to represent our association in this important ministry to us and the community. We are fortunate to not only have these churches participating in our association, but to have Arthur and Darrell representing our association is a wonderful benefit to us and the prison ministry. Both of these pastors have served as paid prison chaplains. Arthur served in South Carolina and Darrell in North Carolina. Not only does the prison ministry need funds to support the salary of the chaplain but also more volunteers to do "hands on ministry." Arthur and Darrell understands these needs because they have been there themselves as chaplains. They will be able to not only provide valuable assistance to the chaplain but also help us to understand how we can be even more involved in this desperately needed ministry.

This year, we will establish an associational music lending library. This will not require any significant funding, only the cooperation of our churches and a willingness to loan music materials. Music is always becoming more expensive. We will establish a music library within the association whereby our churches can borrow music from each other, therefore, saving our churches enormous amount of funds. We plan to have our library fully functional in time for the 2004 Christmas season.

Our association has united with 6 other associations across the state to form a group called ACTS. The ACTS group has as its purpose to provide resources and expertise to enhance our association's ability to assist our churches, especially our small churches, in all areas of ministry. We seven associations represent 10% of the churches belonging to the Baptist State Convention. You will be hearing more about the ACTS group shortly.

Mt. Zion Baptist Association is in its 134<sup>th</sup> year of existence. We will continue to exist as long as churches see the need and have the desire to cooperate with other churches of like faith in forming and implementing ministries that cannot be accomplished by one church effectively.

When churches believe that there is not a need to cooperate or believe they can stand alone, then the Baptist association will disappear. We call our association, the Mt. Zion Baptist Association. Our real name is the Mt. Zion Baptist Association of Cooperating Churches.

So, may the Mt. Zion Baptist Association of Cooperating Churches live on until Jesus comes and we all hear those marvelous words, "Well done, thy good and faithful servant.

Randy Godwin

## Resource Center Planning Team Report

The purpose of the Mt. Zion Baptist Association Resource Center Planning Team is to find a new location for the Resource Center and planning a facility that will help the association achieve its ministry goals and objectives. The Planning Team members are: Ed Christmas, Kathryn Ellington, James Hinton, Bobby Honeycutt, Steve Reavis, Jim Shaw, Jeannie Simpson, Bob Stephenson, and Bob Winslow. Becky Stewart began working as a team member but had to resign due to health issues.

Our team first considered the mission of the association, which is to partner with member churches to serve as a resource to empower and equip them to fulfill the Great Commission. Being a resource is quite different from being a place to obtain resources. For our purposes, that translates into having a facility that will not only house resources and personnel, but be a center out of which individuals from member churches can join together to actively participate in ministry to surrounding communities.

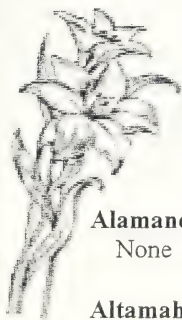

The team immediately went to work gathering ideas as to how to facilitate such endeavors. We have contacted and visited other associations in our state as well as the Baptist State Convention in Cary and the American Red Cross in Greensboro. We were flooded with many ideas from those facilities ranging from general concepts to practical details.

We realize that before we can design an actual layout of a building, we need to know the layout of the property where the building will be located. That is where we have hit a snag. We have contacted a local real estate broker to keep us posted as to available property. We have had leads on several tracts to consider but pricing has been a huge obstacle. We realize that there are no free lunches, so to speak, but we want to be good stewards with the assets of the association.

It seemed only natural to search for land in a central location that is easily accessible, even though it does not need to be highly visible. We have determined that the geographical center of the churches in the association is in close proximity to Interstate 40/85 between exits 150 and 152. If a member of one of the churches of the Mt. Zion Baptist Association either has some property that fits that description or knows someone else who does, we would ask that you prayerfully consider this need of our Association. If someone would like to donate property to the association, it would be a great way to help the work of God's kingdom.

Respectfully submitted,

Jim Shaw, chairperson

## REPORT for 2004 BOOK of REPORTS OFFICE of ANNUITY

After a tumultuous three year period resulting in a dramatic economic downturn which adversely affected retirement accounts of millions of Americans a dramatic rebound occurred during the last year. As a result, the asset base of the Annuity Board gained over 1 billion dollars in one year for the first time since the Annuity Board was established in 1918 to serve ministers and employees of Southern Baptist churches. Concurrently, many participant retirement accounts recouped much of the funds which evaporated during the downturn. The downturn presented a serious challenge to our office in assisting participants with meaningful educational materials and resources to make wise investment decisions.

Secondly, the ongoing national health care crisis continues to present serious challenges to our churches who strive to be responsible employers by providing adequate medical insurance in a rapidly escalating cost environment. To assist in this effort, the Annuity Board responded this year by offering new medical insurance plans. These new plans offer more flexibility with varying levels of deductibles and monthly rates. Along with the new plans, the Board emphasized a three-step approach to address the rising cost of health care. First, the Annuity Board is aggressively managing costs and continuing to create plans that provide more options for participants. Second, participants are encouraged to develop healthy habits related to eating and exercise. And, third, churches need to take the initiative, if at all possible, to provide medical coverage as a benefit for their ministers and staff rather than as a part of the salary package. Those church employees who live within the constraints of an antiquated "pay package" approach have seen a dramatic decline in disposable income if they have tried to maintain adequate medical insurance for themselves and their families.

Thirdly, as a result of actions taken by messengers at the annual meeting of the Southern Baptist Convention in Indianapolis, the Annuity Board gained permission to serve evangelical ministry organizations outside the SBC and to change the official name of the Annuity Board to GuideStone Financial Resources of the Southern Baptist Convention. The name change will become official with an affirmative vote at next year's annual convention in Nashville, Tennessee.

Fourthly, the Endowment ministry of the Annuity Board continued its work to make Southern Baptists aware of the tragic plight of retired ministers and their widows who were unable to plan adequately for retirement. Individuals and churches responded with open hearts and open hands as they helped to underwrite the financial assistance given to those who are in desperate need. More than 3,000 persons in our convention presently receive financial assistance with 335 residing in North Carolina.

As of May 31, 2004, North Carolina participants in the retirement plan moved above 5,200 in 2,332 (61%) of our churches. Our goal is to have all of our churches actively participating in the retirement plan provided by the Annuity Board of the SBC.

In closing, we remain committed to serve all of our churches, ministers, and other church employees. ## Baptist Children's Homes of North Carolina

(July 2003-July 2004)

***Above and beyond — these words best describe what North Carolina Baptists did last year!... Churches around the state came mightily to the aid of Baptist Children's Homes in 2003-04 as their beloved institution faced one of its most critical financial times. Prayers, money, and gifts of food, towels, sheets, school supplies, and clothes flooded in. These showers of blessings softened the blow of a nearly four million-dollar budget cut. Thank you.***

History was made as churches from all 80 Baptist Associations gave food to BCH's first-ever statewide food roundup. Nearly 500,000 pounds of food were collected filling every available space on our campuses. Directors of Missions graciously opened their offices as collection points for the food. Churches delivered food filling their offices, halls and storage rooms. Trucking companies picked up the food from the Association offices and delivered this great expression of your love and concern. ***Thank you.***

**(The next Food Roundup is slated for April 2005.)**

Last year, nearly 2000 videos of *Jennifer's Story* were distributed to churches. The video told how North Carolina Baptists made a difference in the life of Jennifer Shore. Jennifer found hope and healing at Baptist Children's Homes. As an adult she and her husband returned to become child care workers. More than 600 churches invited BCH representatives to share how the lives of children, children like Jennifer, are being changed every day. United together, North Carolina Baptists not only met the 2003 Thanksgiving Offering goal, but exceeded it! ***Thank you.***

Baptist Children's Homes is at the center of North Carolina Baptists' hearts. Their actions prove it! Jesus challenged us all when he said, "In the same way, let your light shine before men, that they may see your good deeds and praise your Father in heaven." Our children and staff, the people in your communities, and the citizens of North Carolina saw Jesus in action and our Heavenly Father was glorified! ***Thank you.***

***Blackwell marks 20th year as president...***On July 1, 1983, Michael C. Blackwell became president of BCH. Trustees honored his twenty years of ministry during their September 2003 board meeting with "A Celebration of Ministry."

***BCH begins strategic planning process...***BCH president Michael C. Blackwell initiated an agency year-long strategic planning effort. Blackwell says this is the most comprehensive effort since he became president. All areas of the agency are involved in

the development of the plan. Recommendations will be presented to the Trustees at their September meeting. The plan will debut in January 2005.

***Shine your light!...***Inspired by North Carolina Baptists, this year's Thanksgiving Offering theme is "Shine your light." Although blessings flowed freely in 2003 helping to avert more difficult hardships, our need remains great. Children and families continue to pour out their hurt on our doorsteps. Alone and suffering, children need to know that in their journey of darkness there is a light shining, guiding them to a better day. You help keep the light on and shining bright as we, day-to-day, offer help in Jesus' name. Our statewide Thanksgiving Offering goal this year is \$1,300,000. This represents a \$75,000 increase over last year's offering goal. An increase demanded by necessity. Challenge your church to participate in the 2004 Thanksgiving Offering. ***Our success depends on you.***

***BCH...Focused on the Future.*** Despite the trying times, Baptist Children's Homes continues to be committed to providing only the highest quality of service. Children who come through BCH's doors continue to receive an abundance of love, care and healing. A dedicated staff serves and gives of themselves sacrificially. The lives of children and families are worth every effort. BCH holds true to its mission of ***"helping hurting children... healing broken families."***

The support of North Carolina Baptists through the Thanksgiving Offering, Cooperative Missions giving, church and individual gifts, memorials, honors, and estate gifts enables BCH to provide care for more than 2000 children through our locations across the state. ***Thank you, North Carolina Baptists, for your continued prayers and support. We could not do what we do without you.***

## *Biblical Recorder*

### 2004 Report to the Associations

After celebrating its 170th anniversary in 2003, the *Biblical Recorder* remains true to its founding mission of publishing relevant news and fostering healthy dialogue among members of the Baptist State Convention of North Carolina.

Today's North Carolina Baptists face a constantly changing landscape as population shifts, cultural trends and denominational debates each leave their mark. As always, Baptists find a variety of ways to express their identity. North Carolina Baptists have a clear need to be informed of the many issues affecting Baptist life, mission work and mutual cooperation.

The *Biblical Recorder* exists to provide this needed service to Baptists in North Carolina and beyond. The *Recorder* staff works diligently to provide regular, dependable and balanced news coverage and analysis of the most significant matters relating to Baptist life. In addition, the *Biblical Recorder* includes a variety of supportive resources and feature articles designed to encourage and inspire as well as to inform.

The *Recorder* was privately owned and operated in support of Baptist work in North Carolina until 1938, when the paper was purchased by the Baptist State Convention and incorporated as an agency of the convention. It serves as the official news publication of the Convention, and seeks to serve the full spectrum of its churches.

The *Biblical Recorder* is widely acknowledged to be in the top echelon of state Baptist papers, winning national honors from the Baptist Communicator's Association every year since 2000, including the prestigious Burkhalter Award for news writing in 2001, and several first place awards for news and editorial writing, including two in 2003.

As readers have shifted in their preference for electronic media over traditional print formats, the *Biblical Recorder* has developed and maintains a popular and rapidly growing presence on the World Wide Web. Our Website, at [www.biblicalrecorder.org](http://www.biblicalrecorder.org), provides much of each paper's content online, as well as to access classified ads, online Bible study resources and a portal to other news services. The site is frequently updated with breaking news items and other articles of interest.

The *Biblical Recorder* was one of the first state papers to create a website, and it remains a leader in the field. Google.com's prestigious page-rank feature lists [www.biblicalrecorder.org](http://www.biblicalrecorder.org) as the number one site for Baptist news on the Internet. Web users in North Carolina and around the world now rival the number of those who read the *Recorder*'s print edition, as an average of more than 40,000 unique visitors come to the site each month.

As a BSCNC agency, the *Biblical Recorder* receives annual support from Cooperative Missions Giving contributions, making it possible to offer the *Recorder* at subscription rates below the actual cost. Subscription packets and free sample issues are available.

*"Lord...you have made my lot secure. The boundary lines have fallen for me in pleasant places; surely I have a delightful inheritance." –Psalm 16:5-6*

Because of your generosity, Psalm 16 is a fitting scripture for the over 700 Older Adults who reside at the Baptist Retirement Homes of North Carolina, Incorporated...

**Their lot has been made secure—**

All of your gifts through the Cooperative Giving Plans of the Baptist State Convention, through the February North Carolina Offering for Older Adults, and through direct gifts from the churches are designated to provide care for those who otherwise could not receive care. Many of our Assisted Living care residents and the majority of our Nursing Care residents receive financial assistance from you. Furthermore our promise to each of our residents is care that will last for as long as they live.

**Their boundary lines have fallen in pleasant places—**

At the Western North Carolina Baptist Home in Asheville ... at Brookridge Retirement Community in Winston-Salem ... at The Taylor House in Albemarle ... and at Hamilton Baptist Home in northeastern North Carolina, beauty, security, and comfort are found in full measure.

**They have a delightful inheritance—**

At each of the Homes, the ministry of a Baptist Chaplain lifts the hearts of our residents. The enrichment and recreational opportunities at each Home make for an enjoyable lifestyle. Day after day the high quality of care that is given speaks of the care of a loving Heavenly Father, helping to make life for our Aging Saints...The Best of Times!

**GREAT WORKS STAND THE TEST OF TIME**

The classics. They are the books that are required reading in classrooms around the world. They are the masterpieces that hang in Louvre and other great museums. They are the compositions from Beethoven, Bach, Mozart, Strauss and countless others that are taught and studied and appreciated generation after generation.

What makes them classics? What makes them stand the test of time? Put simply, these works were developed by people who took painstaking care with their craft. Attention was paid to every individual detail as if the very life of the work itself depended on it. Love and devotion and skill were combined with each vision to produce an explosion of creativity and unique expression.

If these explanations truly define the classics and the great works, then the Baptist colleges of North Carolina belong in that very category. Five institutions that define the spirit and commitment of North Carolina Baptists draw their very essence from the North Carolina Baptist State Convention, an institution that was created in part to fulfill the mission of Christian higher education in this state.

Begun in 1830, the Baptist State Convention of North Carolina has stood the test of time. Using the same qualities as the great composers, artists and authors from throughout the centuries, the Baptist State Convention has poured love and devotion and care into the pursuit of offering only the finest in college education.

Campbell University, Chowan College, Gardner-Webb University, Mars Hill College and Wingate University are the five institutions affiliated with the convention. Why is that important? Because heritage and history make for strong foundations. With the support received from the convention through scholarships, resources, prayer, encouragement and leadership, these institutions grow stronger each year in reputation, prestige, character, quality and respect.

Gifts to the Cooperative Missions Budget of the Baptist State Convention of NC last year made it possible for 499 members from 316 convention related churches to attend our five affiliated institutions of higher education. Some of the recipients would not have been able to pursue their dream of a degree from an accredited college or university without the financial assistance provided by generous Baptists like you.

**Our 2005  
Mount Zion Baptist  
Association's  
Annual Report  
is dedicated to the  
Congregation  
of  
Fellowship  
Baptist Church.**

When the Association sold the property on Main Street in Graham, we had to relocate the Associational office until a permanent location could be obtained. The congregation of Fellowship stepped up and graciously offered to house our offices until we purchased our current office on Ramada Road. During the seventeen months we were guests of Fellowship, the congregation encouraged us by sharing their resources with us, including Robbie's wonderful morning coffee! The congregation of Fellowship truly is an example of a cooperating church participating in the Mount Zion Baptist Association. We will always be grateful and hold fond memories of our time with Fellowship Baptist Church.

## **History of Fellowship Baptist Church**

Fellowship Baptist Church was organized in 1952. Under the leadership of Rev. J. M. Wright, the first service was held on December 21 of that year. In 1953, four acres of land was purchased by the church and a frame structure was built at a cost of \$2500.00.

In 1955, the first baptismal service was held in a newly constructed outdoor pool. Those baptized were Sandra Park and Billie Ann Heath.

The church debt was paid off in 1961. Training Union was organized in 1966 and that same year the church started looking to relocate because of expansion to the airport, which was near the current church location. With the sponsorship of First Baptist Church Burlington and Kinnett Memorial, land was purchased on Highway 49 South. In 1968, the groundbreaking was held and after the completion, a dedication was held. The total cost of the building was \$41,763.00. The first baptisms in the new church were Janie Curl, Donna Brewer, and Exie Mabe.

In 1973, a purchase was made from the Methodist church of a scout hut. In 1974, a parsonage was built off Hanford Road, a new Sunday School annex was built, and the Sanctuary was enlarged to seat 200.

A new deaf ministry was begun in 1977 and a Monday night service for the elderly was begun at Woodridge Apartments in 1979, the same year the church became debt free except for the parsonage.

A newly completed Christian Life Center was dedicated in 1984 and in 1988 the Sunday morning services started being televised on the ACTS Network.

In 1992, the first Minister of Music was called, Reese English, and the parsonage was sold to the pastor, Rev. Ken Simpson.

The Builders for Christ constructed the first parsonage in North Dakota during 1994 and a Prayer Ministry was begun and a prayer room dedicated.

In 1995, the church felt the need to begin two worship services. They also held the groundbreaking and dedication for the Worship Center.

1999 marked the twentieth anniversary of the Deacon ministry at Woodridge Apartments and a van was purchased and paid for during that year.

Ken and Jeannie Simpson began working as church planters in Snow Camp in 2001, and finished their part of this plan the last of November 2002.

The Jubilee Year (50<sup>th</sup> year) was celebrated in January – December, 2002 with many special activities, which included a special service in May. That same year the church debt was paid off and the church held a note burning service.

In 2003, the congregation voted to allow the Mount Zion Baptist Association to use a part of the facilities.

In November of 2004, Pastor Ken Simpson resigned to accept a pastorate at Manteo Baptist Church in Manteo, North Carolina.

In 2005, Rev. Lance McClure became the next pastor of Fellowship Baptist Church.

#### **F) Church Relationship Team**

The Church Relationship Team has two tasks. One, the team works with the Executive Team as set forth in the Bylaws, ARTICLE I-MEMBERSHIP, Section 1.05. The second task is to work with the Executive Team in determining the intent of member churches that fail to meet the criteria of a cooperating church set forth in ARTICLE I-MEMBERSHIP Section 1.01.

#### **G) Volunteer Selection Team**

The Volunteer Selection Team's task is to select competent, effective volunteers to lead the Administrative Teams of the Association.

#### **H) Enrollment Team**

**J) Building Maintenance Team:**

The Building Maintenance Team, composed of six members, shall be responsible for the maintenance of all properties owned or leased by the Association.

**K) Ad hoc Teams**

The Executive Team may create other teams to perform specific duties, as the Association deems necessary as long as the ad hoc team does not violate the Bylaws or Policy and Procedures of the Association.

**ARTICLE VI: TRUSTEES**

**Section 1:** There shall be five trustees of the Association, one of whom should be an attorney, serving terms of no more than six consecutive years, each on a rotating basis. Trustees are nominated by the Executive Team and presented for the Association's approval along with the Volunteer Selection Team's report at the October annual meeting. No trustee is eligible for a second term of service until after a lapse of two years.

**Section 1.01:** The trustees shall meet quarterly on the Monday after the second Sunday in January, April, and July and on Monday after the third Sunday in October. Failure to hold a quarterly meeting at the time designated shall not work a forfeiture or dissolution of the Association and in the event of such a failure, the quarterly meeting shall be held with a reasonable time thereafter.

**Section 1.02:** Special meetings of the Trustees may be called by the Moderator or by any trustee, and it shall thereupon be the duty of the Clerk to cause such notice of such meeting to be given as hereafter provided. The Moderator or the trustee calling the meeting shall fix the time and place for the holding of the meeting.

**Section 1.03:** Notice of the time, place and purpose of any special meeting of the Trustees shall be delivered to each trustee not less than three (3) days previous thereto either personally or by mail, by or at the direction of the

Clerk, Moderator or the Trustee calling the meeting. If mailed, such notice shall be deemed to be delivered when deposited in the United State mail addressed to the trustee at his address as it appears on the records of the Association with postage thereon prepaid.

**Section 1.04:** A majority of the members of the Trustees shall constitute a quorum. The act of a majority of the trustees present at a meeting at which a quorum is present shall be the act of the Trustees.

The Trustees in its discretion may also require any other officer, agent or employee of the Corporation to give bond in such amount and with such surety, as it shall determine.

## ARTICLE VIII: ELIGIBILITY FOR SERVICE

Active members in good standing with cooperating Baptist churches are eligible to serve the Association in whatever capacity they are needed. During a time of service, if a person ceases as an active member in good standing with a member church, that person is ineligible to continue serving in whatever capacity he/she is currently serving. When this situation arises, the Executive Team will confirm with the person's church that the member is no longer an active member in good standing. Once the Executive Team receives the confirmation, the person will be notified by certified mail that due to the circumstances of not remaining a member in good standing with their church, they have become ineligible to continue serving in their current capacity and are invited to resign their position. If the person in question does not offer a resignation within seven days, the Executive Team petitions the messengers at the next quarterly or special called meeting of the Association to declare the position vacant. With the receipt of the resignation or the declared vacancy, the Volunteer Selection Team nominates a replacement to serve the remaining term with the approval of the messengers at the next quarterly or special called meeting of the Association.

## ARTICLE IX: INCOMPLETED TERMS OF SERVICE

When a person is unable to complete a term of service as an officer, team member or coordinator, the Volunteer Selection Team will nominate a replacement to serve the remaining term with the approval of the messengers at the next quarterly meeting or special called meeting of the Association.

## ARTICLE X: FINANCIAL TRANSACTIONS

**Section 1:** Except as otherwise provided in these Bylaws, the Trustees may authorize any officer or officers, agent or agents, in addition to the officers so authorized by these Bylaws, to enter into any contract or execute and deliver any instrument in the name and on behalf of the Association. Such authority may be general or confined to specific instances.

**Section 1.01:** All checks, drafts or other orders for payment of money, notes, bonds, or other evidences of indebtedness issued in the name of the Association shall be signed by such officer(s), agent(s), employee(s) of the Association in such manner determined by resolution of the Trustees. In the absence of such determination of the Trustees, such instruments shall be signed by the Treasurer and countersigned by the Moderator or Vice-Moderator of the Association.

**Section 1.02:** All funds of the Association shall be deposited from time to time to the credit of the Association in such bank or banks, trust companies or other depositories as the Trustees may select.

**Section 1.03:** The Trustees may accept on behalf of the Association any contribution, gift, bequest or device for the general purpose of any special purpose of the Association.

**Section 1.04:** The Association shall keep correct and complete books and records of account and shall also keep minutes of the proceedings of the Trustees, and shall keep at the registered or principle office a record giving the names and addresses of the Trustees.

## ARTICLE XI: NON-PROFIT OPERATION

**Section 1:** The Association shall at all times be operated on a non-profit basis, and no interest or dividends shall be paid or payable by the Association to any trustee as

such, and shall be operated for the purpose for which the Association was created.

## **ARTICLE XII: INDEMNIFICATION AGAINST AND ELIMINATION OF LIABILITY**

### **Section I. Indemnity**

Any person who at any time serves or has served as a Trustee or officer of the Association and any such person who serves or has served at the request of the Association as a trustee or advisor or consultant to another corporation, partnership, joint venture, trust or other enterprise, or as a trustee or administrator under an employee-benefit plan, any person who is or has been an employee of the Association who also serves or has served as a trustee or officer of the Association and any person who has been employed by the Association as Director of Missions, Administrative Associate or Church and Community Ministries Director shall have right to be indemnified by the Association to the full extent allowed by the applicable law against liability and litigation expense arising out of such status or activities in such capacity. "Liability and litigation expense" shall include cost and expenses of litigation including reasonable attorney's fees, judgments, fines and amounts paid in settlement which are actually and reasonably incurred in connection with or as a consequence of any threatened, pending or completed action, suit or proceedings, whether civil, criminal, administrative or investigative, including appeals. In no circumstances, however, shall the Association indemnify any such person against any liability or litigation expense incurred if such person is adjudged in any action, suit or proceeding to have acted in bad faith or to have been liable or guilty by reason of willful misconduct in the performance of duty.

### **Section 2. Determination of Right to Indemnity.**

Promptly after the final disposition or termination of any matter which involves liability or litigation expenses as designated in Section I or at such earlier time as it deems fit, the Association shall determine whether any person described in Section I is entitled to indemnification there under. Such determination shall be limited to the following issues: (1) whether the persons to be indemnified are persons described in Section I; (2) whether the liability or litigation expense incurred arose out of the status or activities of such persons for which indemnification is available under Section I; (3) whether liability was actually incurred and/or litigation expense was actually and reasonably incurred; and (4) whether the liability and litigation expense were incurred by a person who acted in bad faith or willful misconduct in the performance of duty. Such determination shall be made by a majority vote of trustees who were not parties to the action, suit or proceeding, or in connection with "threatened actions, suits or proceedings, who were not 'threatened parties'." If at

least two such disinterested trustees are not obtainable, or even if obtainable, if at least half the number of disinterested trustees so direct. such determination shall be made by independent legal counsel in a written opinion to the Association.

### **Section 3. Advance Expense**

a. Litigation expenses for which indemnification is provided under Section I shall be paid by the Association in advance of the final disposition or termination of such matter, if the Association receives an undertaking dated, in writing and signed by the person to be indemnified, to repay all such sums unless such person is ultimately determined as provided in Section 2 to be entitled to be indemnified by the Association. Request for payments in advance of final disposition or termination shall be submitted in writing unless this requirement is waived by the Association. Before the first such payment is made, the Association shall have received the written undertaking referred to herein and notice of the request for advance payments shall have been given to members of the Trustees.

b. Notwithstanding the foregoing subsection (a), no advance payment shall be made as to any payment or portion of a payment for which a determination is made that the person requesting payment will not be entitled to indemnification. Such determination may be made only by a majority vote of disinterested trustees or by independent legal counsel. If there are not at least two disinterested trustees, the notice of all requests for advance payment shall be delivered for review to independent legal counsel for the Association. Such counsel shall have the authority to disapprove any advance payment or portion of a payment for which it plainly appears that the person requesting payment will not be entitled to indemnification.

### **Section 4. Settlements.**

The Association shall not be obligated to indemnify persons described in Section 1 for any amounts paid in settlement unless the Association consents in writing to the settlement. The Association shall not unreasonably withhold its consent to proposed settlements. The Association's consent to a proposed settlement shall not constitute an agreement by the Association that any person is entitled to indemnification hereunder. The Association shall waive the requirements of this Section for its written consent as fairness and equity may require.

### **Section 5. Application For Indemnity or Advances.**

a. A person described in Section 1 may apply to the corporation in writing for indemnification or advance expenses. Such application shall be addressed to the Clerk, or in the absence of the Clerk, to any officer of the corporation. The

corporation shall respond in writing to such application as follows: to a request for indemnity under Section 2, within ninety (90) days after receipt of the application; to a request for advance expenses under Section 3, within thirty (30) days after receipt of the application.

b. The right to indemnification or advance expenses provided herein shall be enforceable in any court of competent jurisdiction. A legal action may be commenced if a claim for indemnity or advance expenses is denied in whole or in part, or upon the expiration of the time periods provided in the preceding subsection (a). In any such action, the claimant shall be entitled to prevail upon establishing that he or she is entitled to indemnification or advance expenses but the Association shall have the burden of establishing, as a defense, that the liability or expense was incurred as a result of acts in bad faith or willful misconduct in the performance of duty. In any such action, if the claimant establishes the right to indemnification, he shall also have the right to be indemnified against litigation expense including reasonable attorney's fees of such action.

#### **Section 6. Incidents of Right of Indemnification.**

The right to indemnification provided herein shall not be deemed to preclude any rights to which any persons seeking indemnity may be entitled apart from the provision of this Bylaw, except that there shall be no right to indemnification as to any liability or litigation expense for which such person is entitled to receive payment (under any insurance policy). Such right shall inure to the benefit of the heirs and legal representatives of any persons entitled to such a right. Any person who at any time after the adoption of this Bylaw serves or has served in any status or capacity described in Section 1, shall be deemed to be doing or to have done so in reliance upon, and as consideration for, the right of indemnification provided herein. Any repeal or modification hereof shall not affect any rights or obligations then existing and any person who would be entitled to indemnification for activities prior to the repeal or modification shall continue to be entitled to indemnification for such prior activities even if the claim arises and/or the liability and litigation expense occurs after the repeal or modification. The right provided herein shall not apply as to persons serving institutions which are hereafter merged into or combined with the Association except after the effective date of such merger or combination and only as to the status and activity after such date.

#### **Section 7. Supplemental.**

The foregoing right of indemnification shall be in addition to and not exclusive of all other rights to which such director or officer, or an employee or agent may be entitled.

716 **Section 8. Savings Clause.**

717  
718 If this Article or any portion hereof shall be invalidated on any ground by any court  
719 or agency of competent jurisdiction, then the Association shall nevertheless  
720 indemnify each person described in Section 1 to the full extent permitted by the  
721 portion of this article that is not invalidated and also to the full extent, but not  
722 exceeding the benefits described herein, permitted or required by other applicable  
723 law.

724  
725 **Section 9. Elimination of Certain Liability.**

726  
727 In accordance with North Carolina General Statute 55A-28. 1A, a person serving as  
728 a trustee or officer of the Association shall be immune individually from civil  
729 liability for monetary damages, except to the extent covered by insurance, for any  
730 act or failure to act arising out of his service as trustee or officer, except where  
731 such trustee or officer: (1) is compensated for his services beyond reimbursement  
732 for expenses; (2) was not acting within the scope of his official duties; (3) was not  
733 acting in good faith; (4) committed gross negligence or willful or wanton  
734 misconduct that resulted in damage or injury; (5) derived an improper financial  
735 benefit from the transaction; (6) incurred the liability from the operation of a motor  
736 vehicle; or (7) is a defendant in an action brought under N.C.G.S. 55A-28.1  
737 (Liability of Directors in Certain Cases) or N.C.G.S. 55A-28.2 (Member's and  
738 Director's Derivative Actions). If the North Carolina Statutes are amended after  
739 approval of this section to authorize associate action further eliminating or limiting  
740 the personal liability of trustees, then the liability of a trustee of the Association  
741 shall be eliminated or limited to the fullest extent permitted by the North Carolina  
742 General Statutes, as so amended. No amendment or repeal of the provisions of this  
743 section shall apply to or have any effect on the liability or alleged liability of any  
744 trustee of the Association for or with respect to any act or failure to act on the part  
745 of such trustee occurring prior to such amendment or repeal. The provisions of this  
746 section shall not be deemed to limit or preclude indemnification of a trustee by  
747 the Association for any liability which has not been eliminated by the provision in  
748 this section.

749  
750 **ARTICLE XIII: ASSOCIATIONAL YEAR**

751

# History of First Baptist Church of Graham

On Saturday, June 20, 1874, eight members of the Baptist faith "living in or near the town of Graham" met in the Alamance County Courthouse with the Rev. W.T. Farrow, missionary for the Mount Zion Association, to organize a Baptist church. Seven of these dedicated Christians became charter members of the church. The articles of faith and covenant were adopted and the church was officially organized and named "The Graham Baptist Church" (which was not changed until October 11, 1942 to **The First Baptist Church of Graham**). The Reverend Farrow was called as pastor "to preach twice a month, the morning of the 3rd Sabbath and in the afternoon of the 1st Sabbath."

In the early years, the small congregation met for worship and conferences in the free school house, Good Templar's Hall and homes of members. Rolls at meetings were called and members accounted for their absences from worship services. Early church records indicate frequent dismissals prompted by disorderly conduct or other behavior unbecoming a church member.

In September, 1874, the Mount Zion Association accepted the church for which it had agreed in July to pay the pastors' salary of \$500 for one half time a year "out of funds appropriated - for the support of destitute places." The following year, on March 21, the church received Robert A. Noell, its first member by baptism, which was delayed numerous times because of the illness of the convert.

Three years after its founding, the church constructed its first house of worship on a 1 2/3 acre lot on North Main Street known as Wyatt Outlaw lot. On August 18, 1877 the twenty-two members met for the first time in the wooden frame (thirty by fifty foot structure) erected by funds assessed and subscribed by members which was heavily mortgaged. The Reverend T.H. Pritchard preached the dedication sermon.

The original house of worship was modified through the years and was finally replaced, on the same site, by the present Colonial brick sanctuary, educational building, and chapel.

In recent years the ministries of First Baptist have expanded to include a full-day child care center, youth and children's programs, a senior adult program,

and various mission and benevolent projects. First Baptist has given birth to two other congregations: North Graham Baptist Church and New Covenant Fellowship. The church also sponsored a Laotian language mission, which began meeting in the chapel. Recently, additional land adjacent to existing property has been acquired for expansion purposes.

Twenty three pastors have led the congregation at First Baptist, Graham. Presently, Dr. David Kolb serves as senior pastor.

## **History of Edgewood Baptist Church**

In September of 1952, the J. C. Faucette, Sr. family was gathered at the home of Mr. Sam D. Faucette. A discussion arose concerning the need of and a desire for a church in the immediate community. The J. C. Faucette, Jr. family promptly offered a tract of land for a church site, as well as \$100.00 in cash to get the project going. Later, Mrs. Inez Faucette contacted the Mount Zion Baptist Association for assistance in furthering this endeavor. Reverend E. Cleve Wilkie, the current Associational Missionary, suggested the group begin holding services in a cinder block building owned by Mr. & Mrs. Lacy Lashley. With the sponsorship of Swepsonville Baptist Church, services were conducted at that site until a church sanctuary was completed at the corner of Dodson Road and Edgewood Church Road, the church's present location. There were 48 charter members.

Through the years, thirteen pastors have been called to lead the good people of Edgewood Baptist Church, under the guidance of the Holy Spirit. Reverend W. A. Smith was called as the first pastor and our current pastor is Reverend Larry E. Cheek, who was called in November of 1998.

It was our great pleasure to observe Edgewood's "Golden Jubilee" in September 2002, celebrating 50 years of God's goodness and grace to His people. Reverend E. Paul West, retired pastor of Swepsonville Baptist Church, was our guest speaker, and it was a particular joy to have 6 of the 48 original charter members in attendance.

It is our prayer as people of God that He will be uplifted, glorified, magnified and proclaimed throughout our community and the world as we yield to His direction and His will for our church. And 50 years from now may those that remain say that the congregation of Edgewood Baptist Church was a group of believers who loved their Lord and brought glory to His Name by loving their neighbors as themselves.

To God Be The Glory.

**The One Hundred Thirty Sixth Annual Session  
Of  
The Mount Zion Baptist Association  
First Baptist Church of Graham  
October 17, 2005  
Minutes of the Meeting**

The one hundred thirty sixth annual session of the Mount Zion Baptist Association was held at First Baptist Church of Graham, North Carolina. The Ladies' Trio sang "His Strength is Perfect" to lead off our meeting. The meeting was called to order by Mr. Terrell Duncan, moderator. The welcome and invocation was given by Dr. David Kolb, pastor of the First Baptist Church of Graham. A congregational hymn, "All Hail the Power of Jesus Name" was sung next.

Steve Reavis gave a report on the Hurricane relief. Steve told the messengers and guests of all the wonderful relief work that has been done by the Baptist Men and Disaster Relief of the Baptist Men in the hurricane disaster areas of Louisiana, and Mississippi. An additional Report of this effort by the Baptist Men was presented by report in the program.

The Ladies' Trio presented special music titled "Grace Alone". It was a beautiful expression of music to our Lord.

Rev. Bill Rice gave his testimony to the congregation. Bill told of how the Lord has worked in his life and blessed him so many times. Bill even talked about how the Lord used the lost of his eye sight to bring Him to where He needed Bill to be. Bill gave a wonderful testimony from his heart.

Rev. Larry Cheek, pastor of Edgewood Baptist presented the Pilot Sunday School report. Larry talked about the importance of Sunday school. He told us how several churches including Edgewood Baptist participation in the program have seen tremendous growth in the Sunday school programs. The enrollment is up to 85 now at Edgewood. Larry told the congregation that Sunday school works and invited other churches to join in this program and effort.

Dr. Randy Godwin, Associational Missionary, gave his annual report to the associational messengers. Dr. Godwin talked about the mission statement. He also talked about the purchase of the new associational office. Also he stated that the financial report would be given at Holly Hill Baptist for the January 16, 2006 quarterly meeting. Randy talked about goals two and thirteen in our five year goals for the association. The association has renewed the commitment of itself and its member churches to define Sunday

school as the foundational strategy for leading people to faith in the Lord Jesus Christ and for building on-mission Christians through open Bible study groups that engage people in discipleship, evangelism, fellowship, ministry, and worship. Also goal thirteen was discussed. Goal thirteen states that the Mount Zion Baptist Association will provide the support system needed to enable its churches, messengers, and staff to achieve the approved goals within the five year time period. Randy talked about how a budget has been prepared. He also talked about the development of the staff at the association office. The committee teams are in place and it has been a positive process. Randy said we had come to a cross roads and the association had to move on to new fields of service. The staff was moving in that direction.

The new ministers were recognized by Dr. Randy Godwin. They were Jon Humphreys, Youth Minister at Glen Hope Baptist; Tim Marsh, Senior Minister at Ossipee Baptist and Dale Mason, Youth Minister at Altamahaw Baptist.

The benediction was given by Dr. David Kolb, pastor of First Baptist Graham. A wonderful time of fellowship followed in the fellowship hall.

### **Edgewood Baptist Church in Mebane October 18, 2005**

Rev. Jim Shaw, pastor of Mars Hill Baptist Church, presented a report from the trip made to the Ukraine. Jim talked about the great work being done there. He told us of the \$30,000 goal and how only \$8,000 is still needed to reach that goal to take care of the camp which ministers to

children. Jim also asked if anyone would like him to come to speak about the work in the Ukraine, to call the church at Mars Hill.

The Edgewood Baptist choir presented "Get on Your Feet" as special music.

**Report to the Association**  
**October 18, 2005**  
**Annual Meeting**  
**Graham First Baptist Church**  
Randy Godwin

The mission of our association is to empower and equip each cooperating congregation of the Mount Zion Association to:

- Understand who they are as God's church in light of the Great Commission.
- Visualize the mission opportunities for their congregation in regard to local, state, national, and international Baptist endeavors.
- Prepare their members and organizations to effectively participate in those mission endeavors.
- Participate in those endeavors using the gifts and resources of their congregation in partnership with the Association.

At our annual meeting last October, we adopted a five-year plan of fourteen goals. I am glad to report to you that one of those goals was completed on a rainy July 29, 2005, Friday. That is the day we took ownership of our new associational office. I am also glad to report to you that the debt for the new office was paid in full at the closing. In fact, I am tickled pink to report to you that we have not closed our building fund with the Baptist Foundation because we did not need, nor did we intend, to use the entire building fund. Placing the funds we received from selling our office on Main Street in Graham to Wachovia Bank with the North Carolina Baptist Foundation earned us enough interest in a short amount of time that we knew when we began the negotiations with Freedom Homes that we would be able to keep our building fund open for future needs.

You will receive a detailed financial report concerning the purchase and the equipping of our new office at our January 16, 2006, meeting at Holly Hill Baptist Church.

In regard to the remaining thirteen goals, your associational ministry team, composed of Kathy Boyd, Language Team leader; Ann Perry, Church and Community Team leader; Jan Cheek, Office Administrator; and me, as your Associational Missionary, has been faithfully striving to understand how we can best offer our leadership in obtaining these goals through yearly objectives and strategies that will enable our Association to reach those

goals. In order to do this in the most effective manner, we have committed to each other that we will operate as an associational team rather than as individual leaders.

This means we not only hold each other accountable by listening and encouraging each other, but we also make decisions about the opportunities of our Association only after we have discussed those opportunities with each other and have listened to each other's input.

Therefore, you may ask Kathy, Ann, Jan or me to do something and our response may be, "let me talk it over with the team first." That does not mean we are trying to put you off or make an excuse for not honoring your request. It means exactly what we are saying. We are your Associational team, and working together and making decisions together is what makes us who we are.

Kathy and Ann will share with you tomorrow night how they are striving to lead us in reaching those goals that are their responsibilities.

Tonight, I want to talk to you about two of the goals that are my responsibilities.

Goal Two states: "The Association will encourage a renewed commitment of its member churches to defining Sunday School as the foundational strategy for leading people to faith in the Lord Jesus Christ and for building on-mission Christians through open Bible study groups that engage people in prayer, discipleship, evangelism, fellowship, ministry and worship."

There are those today who want us to believe that the Sunday School is a dinosaur that needs to be forgotten. Others say that the best Sunday School has to offer is a fellowship time with people of similar ages each Sunday before the worship service. I disagree, because that has not been my experience with Sunday School. When a church understands that Sunday School functions as a strategy to win lost people to a saving faith in Jesus Christ and to disciple all believers into spiritual maturity, it becomes so powerful that it can change the "chosen frozen" into fired-up spiritual giants. Four of our churches, Edgewood, Holly Hill, Moore's Chapel and Riverside, are already serving as pilot churches to move the Sunday School ministry from just another Baptist program to a strategy that will enable those churches to strengthen the six functions of a church found in the second

chapter of Acts. Those functions are prayer, discipleship, evangelism, fellowship, ministry and worship.

I was invited to Glorieta in July 2004 to a workshop on Sunday School sponsored by LifeWay. At the conference I learned of LifeWay's desire to serve as a resource to assist associations in strengthening the Sunday School ministry. I was given a process to move Sunday School from the program status that it has become in most Southern Baptist Churches to a productive strategy to test with our churches as a pilot project. I invited eight of our churches to participate in the pilot project. LifeWay's idea did not work for us. While listening and working with the participating pastors, another idea came into existence. We still use the definition of Sunday School used by LifeWay, with one change. LifeWay's definition is "Sunday School is the foundational strategy in a local church for leading people to faith in the Lord Jesus Christ and for building on-mission Christians through open Bible study groups that engage people in evangelism, discipleship, ministry, fellowship, and worship." The change we made is that LifeWay's definition lists only five functions of the church while our pastors have listed a sixth function which is prayer. The participating pilot church pastors also made other suggestions that we have incorporated into the process which has changed, almost entirely, the process offered by LifeWay. Our process is called **100 DAYS OF PRAYER FOR SUNDAY SCHOOL RENEWAL**.

You have already heard the testimony about this process from Larry Cheek, pastor of Edgewood. Your church leaders will have an opportunity to gain more information at our **100 DAYS OF PRAYER FOR SUNDAY SCHOOL RENEWAL** dinner in late February or early March.

Goal Thirteen is the second goal that we will concentrate on this year. Goal Thirteen states: "The Mt. Zion Baptist Association will provide the support system needed to enable its churches, messengers and staff to achieve the approved goals within the five year time period."

Obtaining this goal is crucial to reaching all the remaining goals. This goal will present the greatest challenges to our Association in regard to how we function as an organization. If we do not obtain this goal, then all our efforts regarding remaining twelve goals will be severely hampered, if not made impossible to achieve. Goal Thirteen requires creativity and changes in our

associational structure that will require us to truly grasp a vision for the future. So, we are going to try an experiment. There are five objectives in accomplishing this goal. Those objectives are:

**Objective One:** Develop the budget to empower the fulfillment of the goals.

**Objective Two:** Staff the association with adequate personnel to reach the goals.

**Objective Three:** Organize responsible groups into committees, teams and communities.

**Objective Four:** Develop policies and procedures that will enable the completion of the goals.

**Objective Five:** Update the By-Laws to support the fulfillment of the goals.

The first two objectives we will address in 2006 with the following experiment:

**Objective One: Develop the budget to empower the completion of the goals.**

We have incorporated the Funding Team within the Executive Team for a more effective method of planning our yearly budget. The Executive Team is the logical team to recommend the budget to the messengers at our annual meeting. The reasons for this change are:

- The treasurer is an officer of our Association and automatically serves on the Executive Team.
- The treasurer gives a monthly financial report to the Executive Team.
- The associational ministry team gives a monthly report to the Executive Team of their needs and progress towards reaching our goals.

We will vote on the 2006 budget at our Quarterly Meeting at Holly Hill Baptist Church on January 16, 2006.

**Objective Two: Staff the association with adequate personnel to reach our goals.**

One of the areas of ministry that we are struggling to keep up with the opportunities is in regard to our language ministry, which includes English as a Second Language and Literacy. This ministry has grown in such a fashion that Kathy Boyd, our Language Ministry Team leader, has to have additional help. And we have found that valuable help in Ann Perry. Ann has agreed to become Kathy's assistant. Those two make a valuable team for our association's ministry in the area of language. As time goes by, we will be "tweaking" Ann's current job description to accommodate her new role in the life of our Association.

One of the needs of our Association at this present time is more participation by the members of our cooperating churches. Our Association traditionally has depended on volunteers to fill committees in order for us to function effectively. We have depended on volunteers to donate their time and energy to the various associational functions. I do not believe anyone would argue the point that it is becoming more difficult to find volunteers. The reasons for this difficulty are many and varied. With the adoption of our five-year goals, the needs of our Association, and the new direction of our Association, we need to use a different viewpoint to address the issue of volunteers.

It is imperative that we have adequate staff to maintain the momentum in accomplishing our goals within the five-year time frame. The reality of the moment is that the church contributions do not provide adequate funds to add a full-time or enough part-time personnel to ensure the completion of our goals in a timely manner. We need to find other means to accomplish our objective. The solution can be found in volunteer coordinators. The current By-Laws provide for coordinators. Section 1:02: (lines 300-304) Coordinators of the Association reads: "The Coordinators of the Association are individuals who assist the Ministry Team Leaders in fulfilling their ministry goals. Coordinators can develop teams of volunteers as the need arises."

We will begin this year to use coordinators to assist the Ministry Team in achieving the associational goals. The Ministry Team, with the approval of the Executive Team, will select these coordinators. The coordinators will provide a written detailed plan to the Executive Team of the manner in which they intend to fulfill their responsibilities. The Executive Team will have the responsibility of approving the plan.

Because the association is asking the coordinators for a sizeable amount of their time and travel, coordinators will receive a small stipend approved by the Executive Team. The stipend will be paid in the first pay period in December in relationship to the successful completion of the coordinators' plan.

Beginning January 2006, the Executive Team will be expanded in order to address the completion of our goals more effectively. We want to test this to see if it will work for us.

- Each cooperating church can appoint one of its elected messengers, along with the pastor, to serve on the Executive Team. The messenger and pastor can make recommendations to the Executive Team on matters that will enhance and improve the relationship of the association with its cooperating churches in the fulfillment of the Association's mission.
- The Executive Team will meet monthly at a time that is most convenient for the majority of the elected messengers from the cooperating churches.
- The agenda for each meeting will be posted to our website and/or emailed prior to the meeting. Messengers who do not have access to the internet can request a copy of the agenda from the associational office. Messengers who desire to present an item for consideration to the Executive Team must have their proposal included on the agenda prior to the meeting. Matters that arise during an Executive Team meeting requiring expenditures not included in the current budget, or other matters that will change current policies or goals, will be placed on the agenda for the next Executive Team meeting.
- Monthly scheduled Executive Team meetings do not require a quorum when the agenda has been published prior to the meeting. However, it is assumed that the officers of the Association (Moderator, Vice-Moderator, Historian, Treasurer and Association's Clerk) present will exercise prudent judgment in discussing matters and making decisions when attendance is low.

Beginning tonight we are moving in new directions and meeting new challenges. Along with new directions and challenges come changes in procedures and methods of operations. Sometimes when we face new things we have the temptation to just stop everything and hold on to our current situation with which we are comfortable. That can be very tempting but, in closing, I want to share with you a poem by Robert Frost that has special

meaning to me. I like this poem because it reminds me that there are times that I would rather just take the easy road on my Christian journey. Those are the times that I would rather concentrate on the easy road rather than keep the promises I have made to God to always press forward to His high calling. I read this poem and it helps me get my focus back. The poem is:

### **Stopping by Woods on a Snowy Evening**

Whose woods these are I think I know.  
His house is in the village though;  
He will not see me stopping here  
To watch his woods fill up with snow

My little horse must think it queer  
To stop without a farmhouse near  
Between the woods and frozen lake  
The darkest evening of the year.

He gives his harness bells a shake  
To ask if there is some mistake.  
The only other sound's the sweep  
Of easy wind and downy flake.

The woods are lovely, dark and deep,  
But I have promises to keep,  
And miles to go before I sleep,  
And miles to go before I sleep.

We have a choice to make. We can rest on yesterday's memories and yesterday's trophies or we can move forward to new fields of ministry, new challenges, always remembering our promises that we have made to God in thankfulness of his marvelous grace and blessings so that when the temptations come, we can stop and just gaze at the beautiful memories. We can move on, always accepting greater challenges, because we have promises to keep and miles to go before we sleep--and miles to go before we sleep.

**The Mount Zion Baptist Association Quarterly Meeting**  
**Held at Fellowship Baptist Church**  
**Burlington, North Carolina**  
**Monday, January 10th, 2005**

The Mount Zion Baptist Association met on January 10th, 2005 at Fellowship Baptist Church in Burlington for it's Quarterly meeting.

Moderator Terrell Duncan called the meeting to order.

The Agenda was adopted as presented.

Rev. David Thomas, Interim Pastor of Fellowship Baptist Church welcomed the messengers and visitors and offered the invocation.

Mrs. Agatha Johnson led the congregation as they sang "I Know Whom I Have Believed".

The minutes from the last meeting were presented.

The congregation then sang another hymn, "Like A Glorious River".

Dr. Randy Godwin, Associational Missionary gave his report, highlighting the Association's Mission Statement and how the Five Year Goals adopted at the October 2004 Annual meeting are serving as a guideline in fulfilling that Mission Statement. Dr. Godwin pointed out that accomplishing these goals is more than one church can achieve alone and that the participation of all our cooperating member churches would be needed.

Ann Perry, Missions Team Leader, gave her report, which included information on Goals #7 and #8, for which she is primarily responsible. She also presented information on the 2004 Associational Toy Store, which was housed at Hocutt Memorial Baptist Church in Burlington.

Kathy Boyd, Language Team Leader reported on Goals#11 and #12 and stated that the Language ministry has taken off in ways the Association never expected. Ministries offered include: conversational Spanish, English as a Second Language, Literacy classes for adults and children as well as Orange County prisoners, Citizenship classes, and some computer classes. Dr. Godwin stated that the Association could use the help of any Spanish-speaking members to aid Kathy with these ministries.

Rev. Jim Shaw, Missions Center Planning Team Leader, gave his report on the

progress of the search for a new Associational office site. Rev. Shaw stated that the focus of the search has shifted from a facility that would act as a “Resource Center” to that of a “Missions Mobilization Center”. Although the Planning Team has not yet found a suitable site, Rev. Shaw said that the Team has made their search a matter of prayer and feels sure that God has just the right facility in mind - they just haven’t located it yet. He further stated that if anyone knew of property that they felt would be suitable to contact the Team. Ideally, they are looking for a 4-5 acre piece of land with a facility that would not only be adequate for the Association’s present needs, but that would also be adaptable for future growth.

Dr. Godwin then returned to conclude his report by covering Goals#13 and #14. He emphasized that if Goal #13 was not achieved that all the other Goals would fail also. He also reiterated that it would take all of the Association’s member churches working together to accomplish the fulfillment of these Goals.

Rev. David Thomas offered the Benediction and invited everyone to stay and enjoy the refreshments prepared for them in the Fellowship Hall.

Respectfully submitted,

Jan Cheek  
Associational Secretary

**Mount Zion Baptist Associational Quarterly Meeting  
Held at Glen Hope Baptist Church  
Burlington,  
North Carolina  
Monday July 11, 2005**

Mount Zion Baptist Association met on July 11, 2005 at Glen Hope Baptist Church in Burlington during the annual music night. The matter of business concerned the purchasing of property at 2711 Flint Avenue in Burlington, North Carolina for use as the new resource center. The team, under the leadership of Rev. Jim Shaw, has been looking for property for two years, since the sale of property on S. Main Street in Graham in 2003. After the search for several properties, the team has come to the conclusion the property on Flint Avenue will serve the needs of the Association. The information for the property was presented to the messengers present for consideration and vote. There was discussion and the ballots were passed out to voting messengers. The votes were made and the vote was 81 in favor and 1 not in favor. The ballot was approved by majority vote to purchase the property at 2711 Flint Avenue in Burlington, North Carolina for the new Associational office.

The votes were certified by the Associational Clerk present.

The mission of the North Carolina Baptist Foundation since its inception in 1920 has been to assist the Convention and its institutions and agencies in increasing an awareness among North Carolina Baptists of Christian estate stewardship principles as a means of financially undergirding churches, institutions and mission endeavors on a permanent basis. The uniqueness of the ministries and services provided by the institutions and General Board staff merits increased financial support. The Foundation accomplishes these objectives by offering assistance in estate planning counsel, Will preparation, planned giving, charitable remainder trusts, endowment funds and church fund management.

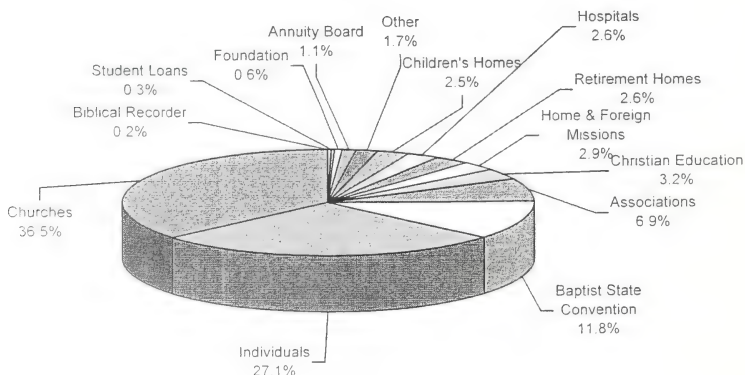

During 2005, the Foundation assisted individuals in establishing 49 endowment funds and 12 charitable remainder trusts totaling \$1.8 million and received \$7.1 million in contributions to existing endowments all of which will ultimately benefit countless Baptist causes on a permanent basis. Programs were provided for churches and associations during the year to promote Make Your Will Month, Christian estate stewardship, and church fund management. Over \$1.5 million from churches and institutions came under management to enhance numerous ministries including scholarships, building funds, cemetery funds, benevolence funds, general operating funds and other various mission causes. Overall, the Foundation received \$10.6 million in contributions during 2005 for Christian causes.

The Foundation employs professional money managers to invest these funds according to an investment policy adopted by its Board. Four investment pools are offered: a growth fund, a balanced fund, an income fund and a fixed income fund. The Foundation uses the services of Salomon Smith Barney to help select top money managers and evaluate performance. As of December 31, 2005, the Foundation held \$136.1 million under management.

During 2005, our distributions totaled \$7.8 million, with charity receiving \$5.7 million and individuals, through trusts, receiving \$2.1 million. During the 85-year history of The North Carolina Baptist Foundation, Inc., \$29.1 million has been distributed to individuals and \$53.3 million to Baptist churches, institutions and mission causes for a grand historical total of \$82.4 million.

**Section 1.02:** All funds of the Association shall be deposited from time to time to the credit of the Association in such bank or banks, trust companies or other depositories as the Trustees may select.

**Section 1.03:** The Trustees may accept on behalf of the Association any contribution, gift, bequest or device for the general purpose of any special purpose of the Association.

**Section 1.04:** The Association shall keep correct and complete books and records of account and shall also keep minutes of the proceedings of the Trustees, and shall keep at the registered or principle office a record giving the names and addresses of the Trustees.

## ARTICLE XI: NON-PROFIT OPERATION

**Section 1:** The Association shall at all times be operated on a non-profit basis, and no interest or dividends shall be paid or payable by the Association to any trustee as

such, and shall be operated for the purpose for which the Association was created.

## ARTICLE XII: INDEMNIFICATION AGAINST AND ELIMINATION OF LIABILITY

### Section I. Indemnity

Any person who at any time serves or has served as a Trustee or officer of the Association and any such person who serves or has served at the request of the Association as a trustee or advisor or consultant to another corporation, partnership, joint venture, trust or other enterprise, or as a trustee or administrator under an employee-benefit plan, any person who is or has been an employee of the Association who also serves or has served as a trustee or officer of the Association and any person who has been employed by the Association as Director of Missions, Administrative Associate or Church and Community Ministries Director shall have right to be indemnified by the Association to the full extent allowed by the applicable law against liability and litigation expense arising out of such status or activities in such capacity. "Liability and litigation expense" shall include cost and expenses of litigation including reasonable attorney's fees, judgments, fines and amounts paid in settlement which are actually and reasonably incurred in connection with or as a consequence of any threatened, pending or completed action, suit or proceedings, whether civil, criminal, administrative or investigative, including appeals. In no circumstances, however, shall the Association indemnify any such person against any liability or litigation expense incurred if such person is adjudged in any action, suit or providing to have acted in bad faith or to have been liable or guilty by reason of willful misconduct in the performance of duty.

### Section 2. Determination of Right to Indemnity.

Promptly after the final disposition or termination of any matter which involves liability or litigation expenses as designated in Section I or at such earlier time as it deems fit, the Association shall determine whether any person described in Section I is entitled to indemnification there under. Such determination shall be limited to the following issues: (1) whether the persons to be indemnified are persons described in Section I; (2) whether the liability or litigation expense incurred arose out of the status or activities of such persons for which indemnification is available under Section I; (3) whether liability was actually incurred and/or litigation expense was actually and reasonably incurred; and (4) whether the liability and litigation expense were incurred by a person who acted in bad faith or willful misconduct in the performance of duty. Such determination shall be made by a majority vote of trustees who were not parties to the action, suit or proceeding, or in connection with "threatened actions, suits or proceedings, who were not 'threatened parties'." If at

least two such disinterested trustees are not obtainable, or even if obtainable, if at least half the number of disinterested trustees so direct. such determination shall be made by independent legal counsel in a written opinion to the Association.

### **Section 3. Advance Expense**

a. Litigation expenses for which indemnification is provided under Section I shall be paid by the Association in advance of the final disposition or termination of such matter, if the Association receives an undertaking dated, in writing and signed by the person to be indemnified, to repay all such sums unless such person is ultimately determined as provided in Section 2 to be entitled to be indemnified by the Association. Request for payments in advance of final disposition or termination shall be submitted in writing unless this requirement is waived by the Association. Before the first such payment is made, the Association shall have received the written undertaking referred to herein and notice of the request for advance payments shall have been given to members of the Trustees.

b. Notwithstanding the foregoing subsection (a), no advance payment shall be made as to any payment or portion of a payment for which a determination is made that the person requesting payment will not be entitled to indemnification. Such determination may be made only by a majority vote of disinterested trustees or by independent legal counsel. If there are not at least two disinterested trustees, the notice of all requests for advance payment shall be delivered for review to independent legal counsel for the Association. Such counsel shall have the authority to disapprove any advance payment or portion of a payment for which it plainly appears that the person requesting payment will not be entitled to indemnification.

### **Section 4. Settlements.**

The Association shall not be obligated to indemnify persons described in Section 1 for any amounts paid in settlement unless the Association consents in writing to the settlement. The Association shall not unreasonably withhold its consent to proposed settlements. The Association's consent to a proposed settlement shall not constitute an agreement by the Association that any person is entitled to indemnification hereunder. The Association shall waive the requirements of this Section for its written consent as fairness and equity may require.

### **Section 5. Application For Indemnity or Advances.**

a. A person described in Section 1 may apply to the corporation in writing for indemnification or advance expenses. Such application shall be addressed to the Clerk, or in the absence of the Clerk, to any officer of the corporation. The

corporation shall respond in writing to such application as follows: to a request for indemnity under Section 2, within ninety (90) days after receipt of the application; to a request for advance expenses under Section 3, within thirty (30) days after receipt of the application.

b. The right to indemnification or advance expenses provided herein shall be enforceable in any court of competent jurisdiction. A legal action may be commenced if a claim for indemnity or advance expenses is denied in whole or in part, or upon the expiration of the time periods provided in the preceding subsection (a). In any such action, the claimant shall be entitled to prevail upon establishing that he or she is entitled to indemnification or advance expenses but the Association shall have the burden of establishing, as a defense, that the liability or expense was incurred as a result of acts in bad faith or willful misconduct in the performance of duty. In any such action, if the claimant establishes the right to indemnification, he shall also have the right to be indemnified against litigation expense including reasonable attorney's fees of such action.

#### **Section 6. Incidents of Right of Indemnification.**

The right to indemnification provided herein shall not be deemed to preclude any rights to which any persons seeking indemnity may be entitled apart from the provision of this Bylaw, except that there shall be no right to indemnification as to any liability or litigation expense for which such person is entitled to receive payment (under any insurance policy). Such right shall inure to the benefit of the heirs and legal representatives of any persons entitled to such a right. Any person who at any time after the adoption of this Bylaw serves or has served in any status or capacity described in Section 1, shall be deemed to be doing or to have done so in reliance upon, and as consideration for, the right of indemnification provided herein. Any repeal or modification hereof shall not affect any rights or obligations then existing and any person who would be entitled to indemnification for activities prior to the repeal or modification shall continue to be entitled to indemnification for such prior activities even if the claim arises and/or the liability and litigation expense occurs after the repeal or modification. The right provided herein shall not apply as to persons serving institutions which are hereafter merged into or combined with the Association except after the effective date of such merger or combination and only as to the status and activity after such date.

#### **Section 7. Supplemental.**

The foregoing right of indemnification shall be in addition to and not exclusive of all other rights to which such director or officer, or an employee or agent may be entitled.

716 **Section 8. Savings Clause.**

717  
718 If this Article or any portion hereof shall be invalidated on any ground by any court  
719 or agency of competent jurisdiction, then the Association shall nevertheless  
720 indemnify each person described in Section 1 to the full extent permitted by the  
721 portion of this article that is not invalidated and also to the full extent, but not  
722 exceeding the benefits described herein, permitted or required by other applicable  
723 law.

724  
725 **Section 9. Elimination of Certain Liability.**

726  
727 In accordance with North Carolina General Statute 55A-28. 1A, a person serving as  
728 a trustee or officer of the Association shall be immune individually from civil  
729 liability for monetary damages, except to the extent covered by insurance, for any  
730 act or failure to act arising out of his service as trustee or officer, except where  
731 such trustee or officer: (1) is compensated for his services beyond reimbursement  
732 for expenses; (2) was not acting within the scope of his official duties; (3) was not  
733 acting in good faith; (4) committed gross negligence or willful or wanton  
734 misconduct that resulted in damage or injury; (5) derived an improper financial  
735 benefit from the transaction; (6) incurred the liability from the operation of a motor  
736 vehicle; or (7) is a defendant in an action brought under N.C.G.S. 55A-28.1  
737 (Liability of Directors in Certain Cases) or N.C.G.S. 55A-28.2 (Member's and  
738 Director's Derivative Actions). If the North Carolina Statutes are amended after  
739 approval of this section to authorize associate action further eliminating or limiting  
740 the personal liability of trustees, then the liability of a trustee of the Association  
741 shall be eliminated or limited to the fullest extent permitted by the North Carolina  
742 General Statutes, as so amended. No amendment or repeal of the provisions of this  
743 section shall apply to or have any effect on the liability or alleged liability of any  
744 trustee of the Association for or with respect to any act or failure to act on the part  
745 of such trustee occurring prior to such amendment or repeal. The provisions of this  
746 section shall not be deemed to limit or preclude indemnification of a trustee by  
747 the Association for any liability which has not been eliminated by the provision in  
748 this section.

749  
750 **ARTICLE XIII: ASSOCIATIONAL YEAR**

751

## History of Grove Park Baptist Church

As we celebrate sixty-one years of God's ministry through Grove Park Baptist Church, we do so with deep appreciation for our rich heritage. God has truly blessed this church body as it has developed into a strong ministry center in the heart of Burlington. The following is a brief reminder of our journey - may it also inspire those of us who step boldly with great faith into the future.

At 2:30 pm on September 26, 1943, eighty-nine individuals met on a wooded lot in the rural area of Burlington called "Grove Park". Led by Rev. A. D. Kinnett and the Missions Committee of First Baptist Church Burlington, a mission was established to minister to the community. Rev. Kinnett delivered a message entitled, "The Kind of Church I Would Like Grove Park to Become". In that message he called Grove Park "A Church With A Worldwide Mission". He continued, "I should like to see it carry the world upon it's heart. That is what Christ did, and that is what He commissioned His church to do." In the first worship service, it was stated that the three pillars of the church should be **prayer, Bible study, and evangelism.**

Since 1943, Grove Park has experienced tremendous growth in number and in ministries. The church quickly outgrew it's first small structure and had to add wings to accommodate the need for educational space. In 1956, the church adopted a three-phase building plan that encompassed the educational building and sanctuary. These were completed in May of 1968. The family life center was completed in 1983 and soon became home to the After School Program.

In it's sixty-one year history, Grove Park has had nine pastors including those who served as Interims. Throughout it's history, Grove Park has participated in missions locally, within the state, in other states, and in foreign countries. The church has continued it's mission "to carry the world upon it's heart".

We now stand on the threshold of a very exciting future. We believe that under the leadership of our current pastor, Dr. Gene Hunsinger, God will continue to lead Grove Park beyond the boundaries of our spiritual comfort zones. In some ways, we are where we were sixty-one years ago. We have tremendous challenges and opportunities before us coupled with great enthusiasm for the ways in which God has prepared us. To God be the glory!

## History of Riverside Baptist Church

In 1943, during the closing phase of World War II, what started out as some cottage prayer meetings held by several people from Glen Hope Baptist Church ended up in meetings being held in a vacant church building in Graham. The building was owned by two elderly people and is currently home to the Graham Church of the Nazarene. This early congregation was small, but their interest and dream of becoming an organized church was held onto. In the early months of that same year, a revival led by the Reverend Neese was held by this band of Christians. As a result of the progress that this small group of believers felt was being made during these early four months from the early meetings and the revival, along with the fact that the owners of the building were going to use it for a different purpose, it was necessary to find a permanent home.

Out of these prayer meetings there also arose a powerful preacher by the name of Eugene Hancock who started the Andrews Memorial Baptist Church. So God had at least two churches in mind to be birthed through these prayer meetings.

In June of 1943, the Reverend Sherman Young (from Glen Hope Baptist Church in Burlington) was called to lead the church. Reverend Young supervised the move of a small wooden structure his brother, Sanders Young, owned in West Burlington to an area they felt was in need of a Christian witness. They also wanted to place the building in a site that would be centrally located and could be fairly easily accessed by people in the community. The building was placed near the Haw River and the congregation fittingly named the church "Riverside Baptist Church". This first church building was a small, one room frame structure. The Reverend Sherman Young was the church's first pastor with a charter membership of 46.

In 1952 the church joined the Mount Zion Baptist Association. In 1961 the church embarked on an expansion project to create much needed room for Sunday School classes. That same year, Rev. D. H. Steele, Jr. was called to serve the church. In 1967 the original church was moved to the back lot, which now serves as the fellowship hall. In 1967, the new auditorium was built. In 1972, the new educational wing was added. Office space was made available in 1994.

As sometimes happens in churches, a problem arose within the fellowship of believers and upon the resignation of Rev. Steele in 1962 only a handful of people remained faithful to the church. Sometimes God allows times such as this

to sift out the truly faithful and committed. When Curtis Oakley was called I 1962 to serve as Interim Pastor upon Rev. Steele's departure, the church had a membership of 126 according to the records of the Mount Zion Baptist Association. Rec. Oakley recalls, however, that on his first Sunday there were only twelve people present, in addition to his family members. God uniquely gifted Rev. Oakley with a burden for souls and a love for people. Through his faithful and consistent ministry the church began to grow once again. The church ultimately called Rev. Oakley to serve as their pastor about a year later, a charge he held until retiring in December 1989.

Our current Pastor, Reverend Robert Stephenson, accepted the call to Riverside in October of 2002. Under his leadership, we eagerly anticipate continuing the ministry to which we were called - bringing others to Christ by being a Christian witness to our community and world.

**Slide 2:**

**Do You Know These Facts About the Membership of Our Churches?**

**Mt. Zion Baptist Association  
October, 2016**

Allow me to give my report tonight for the year 2016, ten years from tonight.

**Equipping and Empowering Congregations**

The year 2016 reveals Mt. Zion Baptist Association as the association that has met and accomplished the challenges of its mission in every aspect of associational life. The community that the Mt. Zion Baptist Association serves has grown and experienced many changes. The association has also grown and met every challenge presented by our community churches.

The 2016 Mt. Zion Baptist Association has fifty active cooperating churches that provide the resources and the commitment to plant one new church, beginning 2016, in the association's community each proceeding year, in combination with established church growth, to maintain a minimum 5% representation of the population of Alamance and Orange Counties by the year 2020.

The Sunday School average weekly attendance in our churches has doubled since 2006. Our churches now have a weekly average of 6,500 in Sunday School which is the highest in 40 years. This is the result of our churches redefining Sunday School as a strategy to bring the non-believer into the church's fellowship rather than an event that church members attend once a week.

Because of the growth in attendance of our churches, it became necessary for the association to add to the staff a full-time Associational Minister of Education. Our Associational Minister of Education is providing quality training opportunities for congregations so that church leaders can understand the needs and effectively minister to every age-group attending their church. Also the Associational Minister of Education and the Associational Missionary are working with individual congregations to address their specific individual needs through customized training, consultation and resources in the six functions of a church. Those six functions are prayer, worship, evangelism, discipleship, fellowship, and ministry. The training is cyclical with major associational training events centered on two of the six functions per year.

One area of ministry that continues to grow is our special events designed for specific age groups. Our annual Senior Rally Day has grown to be the highlight of the year for our Senior Adults. The attendance for this rally has now surpassed four hundred. Our bi-annual Associational Children and Youth Mega Event not only are attended by the children and youth from our churches but also neighboring churches. These events have been so successful that we can contribute them to the increase attendance of children and youth in our churches. The volunteer committee from our churches who have planned and implemented these events are now requesting that the association consider adding another staff person in the near future for this purpose. The new staff person would be the Associational Children and Youth Minister. Our goal is to have that full-time position filled within four years or less.

One resource that is a significant benefit to our churches is the Association's Lending Library. Our Lending Library has current quality resources that address every area of the local church. Our Music Lending Library provides our churches with a variety of Christmas and Easter Cantatas that are extremely cost efficient for our smaller congregations. The association will be expanding the Music Library to include not only cantatas but anthems and other musical resources within the near future.

One of the best resources we have added to our association has been our Mt. Zion Counseling Center. Through a partnership with the North Carolina Baptist Hospital, our association provides a certified counselor for pastoral referrals. Our counselor meets with clients three days a week in an office that was added to our existing facilities for this purpose. The counselor accepts clients who are not members of our cooperating churches with the understanding that our church members have first priority for appointments.

Our strongest growth has been in the area of church planting. We have been successful in identifying non-churched people groups within Alamance and Orange Counties. These non-churched people groups have been the focus of our endeavors to plant churches by starting home Bible studies. We are partnering with those churches that are committed to starting new churches. Through this partnership we have added five new strong participating churches to the association. We also have five new church starts that now compose the fifty churches of our association.

### **Social Ministries:**

The Mt. Zion Baptist Association's social ministries have grown in quality these last ten years. Our Benevolence Ministry is now assisting our cooperating churches to reach out to the needy and address their physical needs. Our Benevolence Ministry data base represents all the needs request made by people through our cooperating churches. The data base is consulted by an average of five pastors per day as they strive to effectively minister to these people. Our annual two day (Friday and Saturday) Thrift Store provides sufficient yearly funds for this ministry.

Our facilities have been expanded from one classroom to three classrooms to meet the need. We offer classes in Conversational Spanish, Basic Computer, English as a Second Language and Literacy. We are exceptionally pleased at the results of our computer class designed to assist single moms and low-income women to obtain better jobs. We have incorporated these ministries within our long time established ministry, Burlington Literacy. Pathways to Educational Growth is now a separate organization of the Mt. Zion Baptist Association under the leadership of Kathy Boyd with two part-time directors and numerous volunteers. Kathy is the chairperson of the Pathways Executive Committee. The Executive Committee membership is represented by fifty percent members from our churches and fifty percent of interested individuals from our community. Mt. Zion Baptist Association underwrites approximately fifty percent of the Pathways to Educational Growth's budget. The Association's fifty percent financial support is generated by special activities, special offerings and the Association's general budget.

One area of our social ministry that we continue to expand is our ministry to Hispanics. The continued growth of the Latino population is producing an ever growing need for English as a Second Language and Literacy classes. To meet this current need and the expected need in years to come, the association has developed an additional associational staff

position centered in Latino ministries. Our Hispanic Ministries Team Leader works with our churches to provide opportunities for our churches to incorporate Hispanics into our churches, works with our churches to establish Hispanic churches while also providing English as a Second Language and Literacy programs for the Hispanics in our community as a method to build relationships with the Hispanic community. We have moved our Hispanic Ministries Team Leader from a part-time position to a full-time position this year.

Our Orange County Prison ministry has grown to a daily endeavor. Each day we provide for the inmates a class on each of the following: Spanish, Basic Computer, English as a Second Language, and Literacy.

In conclusion, it is obvious to the observer that a significant amount of time, energy and resources are directed toward providing opportunities for our smaller congregations. Our larger churches are supporting the association's endeavors with growing financial and volunteer resources. Our larger churches have the conviction that through the blessings of God that "to whom much is given, much is required." They are following their conviction in their participation of the Mt. Zion Baptist Association. Our association of 2016 has not evolved naturally but by hard work, vision, and commitment from all members of our cooperating churches. Because of our willingness and commitment to work together to empower and equip our churches to fulfill the Great Commission, we have been able to accomplish more as the Mt. Zion Baptist Association than any single or group of churches could accomplish alone.

"Some men see things as they are and say why. I dream things that never were and say why not." George Bernard Shaw

OCTOBER 17, 2006  
MT. ZION ASSOCIATIONAL MEETING  
RIVERSIDE BAPTIST CHURCH

GLEND A CARDEN  
MT. ZION WMU CO-DIRECTOR

My name is Glenda Carden and I am honored to be co-director of the Mount Zion WMU this year along with Virginia Gerringer. As many of you already know, the Mt. Zion WMU celebrated and we are still celebrating our 100<sup>th</sup> birthday this year. In March of this year we had our annual meeting at First Baptist, Burlington, in June of this year, we celebrated with a Women's Day at Riverside. We feel that this is a very important milestone in the history of Mt. Zion WMU and wanted to do something that would be a reminder and inspiration to our present and future Mount Zion Association, our WMU, the community, and our missionaries. The soul purpose of WMU is to learn about missions, pray for missions and teach missions. We should have a one-track mind when it comes to teaching others about Christ and his plan of salvation. Don Patterson reminded us here at Riverside last Wednesday that the most important element in a church is Unity. I believe that is true of any organization.

The leadership team of Mt. Zion WMU wanted a mission project to commemorate our 100<sup>th</sup> birthday and also to create an interest and hands-on project that our entire association could become involved in. Thus the idea of building a Mt. Zion Missionary Home on the properties of Siloam Missionary Homes in Snow Camp was born.

Siloam Missionary Homes is a small community development nestled in the woods in Snow Camp, off Quakenbush Road on a 21-acre tract of land. It is a place where missionaries can come home on furlough and truly have rest and relaxation. It is a place where children can roam the woods and play without fear and inhibitions so often found on the mission field. Our missionaries are welcome to stay in one of these homes at a very minimal fee. They have access to a company store where they can go and get supplies and food absolutely free. There is also a Chapel where services can be held, wedding can be performed, or a quite moment with God may be experienced. There is also a prayer garden. All of the houses are fully furnished, including towels and linens. The missionaries bring only their toiletries and personal belongings. Siloam Missionary Homes is run strictly on donations. There are presently 13 homes on the property. Eleven of those homes are for the missionaries. They have a long waiting list of missionaries

wanted a place to stay. Currently, they are booked up through 2009 and are turning people away everyday.

Siloam Missionary homes was founded in 1992 by Larry George and his wife, Joyce to be used only as a haven for missionaries. A Board of Directors consisting of a president, Larry George, a vice president, secretary, treasurer, assistant treasurer, assistant director, and two trustees governs it. For further information on Siloam Missionary homes you can go to the web site, [siloamhomes.org](http://siloamhomes.org)

Our WMU House will be a T-shaped home, similar to the one which most of you were raised in. It will be a 2 story with a country theme. There will be 4 bedrooms, 2 1/2 baths, a large eat-in kitchen/family room, a parlor and a study. We are also planning to have a stained glass window on the 2<sup>nd</sup> floor of the WMU emblem. Our plans also include a vault with a time capsule inside to be opened in the year 2106. The house will contain about 2400 square feet of living space. The location of this house will be the first house on the right as you enter the property.

Estimated cost of this project will be around **\$125,000.00**

*a. This amount may be less if we can get supplies and/or labor donated.*

If all 41 of our churches participate that would be about \$3,050.00 each.

Our suggested plan for this project is:

October 29, 2006 -	Each church take up a special offering
February 2007	Each church take up a special offering
March, 2007	Groundbreaking (probably 3/25/06)

A special account has been set up for the WMU house and will be handled by the Siloam Missionary Homes with approval of all expenses made by WMU and/or contractor overseeing project. The Mount Zion Association will also be kept informed of the donations made and the expenses paid.

ALL CHECKS / DONATIONS FOR THE WMU MISSIONARY HOME SHOULD BE MADE OUT AND MAILED TO SILOAM MISSIONARY HOMES WITH WMU HOUSE DESIGNATED ON THE CHECK.

YOU MAY ALSO DONATE MONIES IN HONOR OR MEMORY OF A LOVED ONE. (ALL DONATIONS ARE TAX DEDUCTIBLE). IF YOU MAIL YOUR CHECK DIRECTLY TO SILOAM MISSIONARY HOMES, YOU WILL RECEIVE A RECEIPT SHOWING YOUR CONTRIBUTION. **MAKE SURE YOU DESIGNATE WMU HOUSE ON YOUR CHECK.**

We have already had some donations.

Antioch Baptist has donated the sum of       \$3600.00

Private donations in the amount of       3100.00

have been made.

Volunteer to help with plumbing

Volunteer to help with decorating.

We need skilled carpenters, bricklayers, carpet/flooring layers, painters, plumbers, roofers, heat and air technicians, landscapers, etc. If you are willing to help with labor or materials, please feel free to contact me, my husband, Ken Carden or Larry George.

*And most important, please pray for this project, that the Lord may be glorified and souls may be saved as a result of this endeavor.*

If you have any questions, regarding this matter, please see me after the service or give me a call and I will try to answer them. If I do not know the answer, I will refer you to someone who does.

Thanks!

We have received these funds for many years based on a declining yearly amount of \$500. These funds will end December 2008.

## A Brief History of Holly Hill Baptist Church

On September 30, 1970 Dr. Tom Bland became the mission pastor of Holly Hill. Under Dr. Bland's leadership the mission flourished and God blessed it's efforts. During the almost three years that Dr. Bland was mission pastor, the church organized itself for leadership and ministry. The property where the present buildings are located was also purchased. On May 21, 1972 Holly Hill Baptist Church was constituted with 109 charter members. Dr. Bland was mission pastor until June 24, 1973.

Dr. Jim Wayne was called as pastor on June 3, 1973 and began his ministry on July 1st of that year. Under Dr. Wayne's leadership some creative outreach and Bible study opportunities were offered to the church membership and the community. By 1974 the need to build had become obvious and plans for our present educational building were drawn. Dr. Wayne led the church through a **Together We Build** program and the sale of church bonds to finance the building project. Dedication services for the building were held on February 22, 1976. This building has served our needs well through the years. It contains spacious education facilities and fellowship space that doubled as worship space for many years. After three years of ministry, Dr. Wayne resigned on July 25, 1976 to accept another pastorate.

After an interim period led by Dr. Claude Bowen, Dr. Jim Ballard was called as pastor on January 30, 1977. Dr. Ballard led the church to reach out to the community through singles ministry and counseling. During his tenure as pastor, he also challenged the church to pay off it's indebtedness on the land owned by the church. Under Dr. Ballard's leadership the church called it's first full-time staff member, Rev. Alan Riley, as Minister of Youth and Music. Our church secretary, Mrs. Lorene Childrey, also began her position on September 8, 1978. After five years of ministry, Dr. Ballard was called to a pastorate in Charlotte. He resigned as pastor of Holly Hill on February 14, 1982. Dr. Tom Graves was called as interim pastor on March 17, 1982.

Rev. Steve Hardy was called as the third pastor of Holly Hill on November 21, 1982 and began his ministry on January 1, 1983. We welcomed our next pastor, Rev. Emmett Dupree in November of 1999. Our current pastor, Rev. Jonathan Harrison, began his ministry at Holly Hill in 2004. Through his leadership the church started an evangelistic visitation program based on FAITH Sunday School Evangelism and began 100 Days of Prayer for Sunday School.

During the past years God has blessed our church with several changes to our property. Additional landscaping and paved parking have been accomplished. Some renovation has been done to our education building. On January 21, 1990 we broke ground for our worship center and the first service was held one year later on January 13, 1991. We dedicated the building on February 10, 1991.

Through the years God has blessed us with many wonderful staff members who have served our congregation well. We have also been blessed with some outstanding musicians. By far, our church's greatest asset has been it's lay-people. Ministering in a community that has high mobility, we have seen many of God's choicest people join our church and involve themselves in ministry.

As we look to the future we give God the glory for the past and recognize our dependence on Him for the years ahead.

***Biblical Recorder***  
2006 Associational Report

The *Biblical Recorder* is now in its 173rd year of service to Baptists in North Carolina, a ministry that now extends around the world. The *Recorder's* mission is "to further Christ's kingdom among North Carolina Baptists by providing relevant news, insightful opinions and supportive resources in a timely and accessible fashion."

The *Recorder* was founded in 1833 and has served since that time as the official news journal of the Baptist State Convention of North Carolina, even though it was privately owned and operated until 1939, when it became a convention agency. As it has from the beginning, the *Recorder* relates to the full spectrum of BSC churches, and reports on matters of interest to them.

In keeping with principles outlined in its charter and reflected in the Baptist State Convention Articles and Bylaws, the *Recorder* staff works "to maintain and safeguard the inalienable rights and privileges of a free press, these rights and privileges being consistent with the traditional Baptist emphasis upon the freedom, under Christ, of both the human spirit and Baptist churches."

The *Biblical Recorder* is widely acknowledged to be in the top echelon of state Baptist papers, winning national honors from the Baptist Communicator's Association every year since 2000, including the prestigious Burkhalter Award for news writing in 2001 and numerous first place awards for news and editorial writing.

As many readers now prefer electronic media to traditional print formats, the *Biblical Recorder* maintains a popular and rapidly growing presence on the World Wide Web. The Website, [www.biblicalrecorder.org](http://www.biblicalrecorder.org), provides much of each paper's content online, as well as access to classified ads, online Bible study resources, and a portal to other news services. The site is updated frequently with breaking news items and other articles of interest.

A "blog" or "weblog" by the editor at <http://journal.biblicalrecorder.org> offers an additional source of news and opinion that also provides an online community for dialogue and an opportunity for readers to post their own blogs or comments.

The *Recorder* currently averages about 45,000 print copies per issue, most of which are read by more than one person. In addition, [www.biblicalrecorder.org](http://www.biblicalrecorder.org) attracts more than 250,000 unique readers per month, giving North Carolina Baptists' state paper a wider reach than ever before.

As a BSCNC agency, the *Biblical Recorder* gratefully receives annual support from Cooperative Missions Giving contributions, making it possible to offer the *Recorder* at subscription rates below the actual cost. Information packets and free three-month trial subscriptions are available. For more information, please contact:

Report to Associations  
2006**

**Appreciate the Past, Celebrate the Present, Anticipate the Future**

Across the years Campbell, Chowan, Gardner-Webb, and Wingate Universities and Mars Hill College have emphasized that all Christians are called to ministry whatever their vocation. Each of the schools has in the past and continues to assist students in understanding how they can live out their calling and faith in the world.

Each of the schools also places a high priority on educating persons for vocational ministry and missions. In 2005 there were 495 Ministerial Students in our North Carolina Baptist universities and college.

Thanks to your support for Christian Higher Education the Baptist State Convention provided financial aid to 551 North Carolina Baptist students in the amount of \$1,176,551 in 2005. These students received an average of \$2,135. From Mount Zion Association 5 students received scholarship aid. These students came from the following churches: Brookwood, Burlington First, Calvary and Holly Hill.

Without your assistance many of these deserving students would not have been able to attend a Baptist college or university. Thank you Campbell, Chowan, Gardner-Webb, Mars Hill and Wingate for providing education with a Christian mission. And thank you Baptist churches for supporting North Carolina Baptist students. Together you are honoring your heritage as you impact the world for good and for God.

## Office of GuideStone Financial Resources for the Baptist State Convention of NC, Inc. Report for 2006

During the past year significant strides have been made to provide the very best service to employees of our churches and agencies who are active participants in the retirement plan, jointly administered by GuideStone Financial Resources, SBC, and the Baptist Convention of NC, Inc., and to those who have purchased insurance products from GuideStone. Through a contractual agreement with Morningstar Associates, LLC, a registered investment advisor, retirement participants now have access online to a leading innovator in offering retirement advice. Specifically, Morningstar Retirement Manager offers objective, expert recommendations and resources to help participants make clear decisions about their retirement plans. Never before have we been able to offer this incredible service at no cost to our retirement participants.

In the life and health areas enhancements continue to be made to provide additional flexibility in plan options, deductibles and competitive rates. Taking advantage of significant discounts through Highmark Blue Cross Blue Shield, medical plan rates have been stabilized. While over 40% of personal plan participants received a decrease in rates in 2005, over 57% of personal plan medical participants received a decrease in rates for 2006. Additionally, the two Medicare supplement plans offered to retirees also received rate decreases in 2006. The 31 day open enrollment period for new students in our divinity schools, Bible institute, and seminary continues to be an attractive option for that target group.

During the past year the importance of the protection benefits (disability and survivor), which come free to those who are active participants in the Church Retirement Plan and who are serving an eligible church, was magnified with 100 participants receiving disability protection benefits and 40 families receiving survivor benefits because of that many deaths among our church employees. One widow, whose pastor/husband in his early 50's suffered a stroke and died within ten days, received a survivor benefit check in the amount of \$50,000 in addition to the money in his retirement account. The survivor check of \$50,000 came quickly (also tax free) and proved to be a "life saver" to this widow. As in previous years, the great challenge is to educate our church employees and key lay leaders in our churches about these great benefits **provided at no cost** to those church employees who meet the eligibility requirements.

Furthermore, we gladly cooperate with the Endowment ministry at GuideStone to provide ongoing and one-time financial assistance to retired ministers and widows of ministers who are living in poverty. As of June 30, we have 222 North Carolinians, who have met the very strict guidelines, receiving financial assistance from GuideStone Financial Resources. Unfortunately, others could be assisted if we only knew who they were.

In conclusion, it is our strong desire to increase the level of retirement participation and to serve all of our churches and their employees with the appropriate information/products to meet their needs. ### THE MOTHER'S DAY OFFERING: EXTENDING CARE TO THE "LEAST OF THESE"

Thanks to the compassion and generosity of North Carolina Baptists, the Mother's Day Offering reached a record high of \$664,744 in 2005! Every dollar of every gift lifts the anxious burden of hospital bills for our patients in serious financial need. Having no where to turn for help, Christ reaches out to them through you. Their lives are changed by the power of gratitude.

*"I could never say thank you enough for the help of the Mother's Day Offering. I've faced some hard times and was so worried about my hospital bill. This gift blessed me so much and strengthened my walk with Christ."*

*"I was so overwhelmed by this gift that I couldn't help but cry tears of joy. I never thought I'd be in a situation like this, needing help and not knowing where to turn. I praise God for people who reach out to help. Please thank them with all my heart."*

*"The Minister's Subsidy was a tremendous blessing to our family."* – NC Baptist minister

N.C. Baptist ministers and their families benefit from a subsidy of up to 25% on hospital bills for care they receive at Baptist Hospital. The subsidy is provided by the Hospital's W.K. McGee Patient Service Fund with help from the Mother's Day Offering as needed. \$76,875 was provided in FY 2006.

### CLOSING WORDS FROM THE PRESIDENT

Serving our patients and their families, providing them with medical expertise marked by excellence and compassion, is a sacred trust. We are committed to being the best among the best of health care providers. We are sincerely grateful to North Carolina Baptists for being our partners in this mission of Christ's healing love.

**Section 1.02:** The Association is the sole judge of its covenant relationships with churches and may receive churches, reject churches or remove churches from covenant relationship, according to its bylaws.

**Section 1.03:** Churches may withdraw from its covenant relationship with the Association, as they desire.

**Section 1.04** Any church that ceases its covenant relationship with the Association (Article I: Membership, Section 1.01) for twelve consecutive months automatically forfeits all rights and privileges provided by that relationship.

If, in the judgment of the Administrative Leadership Team and the appointed representatives, the petitioning church and the Association can benefit each other in fulfilling the Great Commission, the church is recommended for membership without delay at the annual meeting of the Association.

Upon the approval of the messengers, the petitioning church enters into a covenant relationship of its choice with the Association at the close of the annual meeting.

**Section 1.06:** A church may be retained under watch-care by the Administrative Leadership Team or the messengers at the annual meeting for an indefinite time or dropped from covenant relationship consideration.

**Section 1.07:** The Association may cease any covenant relationship with any church, trustee, officer or agent elected or appointed by the Association, whenever in its judgment the best interests of the Association will be served.

## **ARTICLE VIII: ELIGIBILITY FOR SERVICE**

Active members in good standing with covenant member churches are

eligible to serve the Association in whatever capacity they are needed. During a time of service, if a person ceases as an active member in good standing with a member church, that person is ineligible to continue serving in whatever capacity he/she is currently serving. When this situation arises, the Administrative Leadership Team will confirm with the person's church that the member is no longer an active member in good standing. Once the Administrative Leadership Team receives the confirmation, the person will be notified by certified mail that due to the circumstances of not remaining a member in good standing with their church, they have become ineligible to continue serving in their current capacity and are invited to resign their position. If the person in question does not offer a resignation within seven days, the Administrative Leadership Team petitions the messengers at the next annual meeting or special called meeting of the Association to declare the position vacant. With the receipt of the resignation or the declared vacancy, the Volunteer Selection Team nominates a replacement to serve the remaining term with the approval of the Administrative Leadership Team or by the messengers at the next annual or special called meeting of the Association.

## **ARTICLE IX: INCOMPLETED TERMS OF SERVICE**

**Section 1:0** When a person is unable to complete a term of service as an officer, or team member, the Volunteer Selection Team will nominate a replacement to serve the remaining term with the approval of the Administrative Leadership Team or the messengers at the next annual or special called meeting of the Association.

**Section 1:** Except as otherwise provided in these Bylaws, the Trustees may authorize any officer or officers, agent or agents, in addition to the officers so authorized by these Bylaws, to enter into any contract or execute and deliver any instrument in the name and on behalf of the Association. Such authority may be general or confined to specific instances.

**Section 1.01:** All checks, drafts or other orders for payment of money, notes, bonds, or other evidences of indebtedness issued in the name of the Association shall be signed by such officer(s), agent(s), employee(s) of the Association in such manner determined by resolution of the Trustees. **Section 1.02:** All funds of the Association shall be deposited from time to time to the credit of the Association in such bank or banks, trust companies or other depositories as the Trustees may select.

**Section 1.03:** The Trustees may accept on behalf of the Association any contribution, gift, bequest or device for the general purpose of any special purpose of the Association.

**Section 1.04:** The Association shall keep correct and complete books and records of account and shall also keep minutes of the proceedings of the Trustees, and shall keep at the registered or principal office a record giving the names and addresses of the Trustees.

## **ARTICLE XI: NON-PROFIT OPERATION**

**Section 1:** The Association shall at all times be operated on a non-profit basis, and no interest or dividends shall be paid or payable by the Association to any trustee as such, and shall be operated for the purpose for which the Association was created.

## **ARTICLE XII: INDEMNIFICATION AGAINST AND ELIMINATION OF LIABILITY**

### **Section 1. Indemnity**

Any person who at any time serves or has served as a Trustee or officer of the Association and any such person who serves or has served at the request of the Association as a trustee or advisor or consultant to another corporation, partnership, joint venture, trust or other enterprise, or as a trustee or administrator under an employee-benefit plan, any person who is or has been an employee of the Association who also serves or has served as a trustee or officer of the Association and any person who has been employed by the Association as Director of Missions, Administrative Associate or Church in the Community

Ministries Leader shall have right to be indemnified by the Association to the full extent allowed by the applicable law against liability and litigation expense arising out of such status or activities in such capacity. "Liability and litigation expense" shall include cost and expenses of litigation including reasonable attorney's fees, judgments, fines and amounts paid in settlement which are actually and reasonably incurred in connection with or as a consequence of any threatened, pending or completed action, suit or proceedings, whether civil, criminal, administrative or investigative, including appeals. In no circumstances, however, shall the Association indemnify any such person against any liability or litigation expense incurred if such person is adjudged in any action, suit or providing to have acted in bad faith or to have been liable or guilty by reason of willful misconduct in the performance of duty.

## **Section 2. Determination of Right to Indemnity**

Promptly after the final disposition or termination of any matter which involves liability or litigation expenses as designated in Section I or at such earlier time as it deems fit, the Association shall determine whether any person described in Section I is entitled to indemnification there under. Such determination shall be limited to the following issues: (1) whether the persons to be indemnified are persons described in Section I; (2) whether the liability or litigation expense incurred arose out of the status or activities of such persons for which indemnification is available under Section I; (3) whether liability was actually incurred and/or litigation expense was actually and reasonably incurred; and (4) whether the liability and litigation expense were incurred by a person who acted in bad faith or willful misconduct in the performance of duty. Such determination shall be made by a majority vote of trustees who were not parties to the action, suit or proceeding, or in connection with "threatened actions, suits or proceedings, who were not 'threatened parties'." If at least two such disinterested trustees are not obtainable, or even if obtainable, if at least half the number of disinterested trustees so direct, such determination shall be made by independent legal counsel in a written opinion to the Association.

## **Section 3. Advance Expense**

a. Litigation expenses for which indemnification is provided under Section I shall be paid by the Association in advance of the final disposition or termination of such matter, if the Association receives an undertaking dated, in writing and signed by the person to be indemnified, to repay all such sums unless such person is ultimately determined as provided in Section 2 to be entitled to be indemnified by the Association. Request for payments in advance of final disposition or termination shall be submitted in writing unless this requirement is waived by the Association. Before the first such payment is made, the Association shall have

received the written undertaking referred to herein and notice of the request for advance payments shall have been given to members of the Trustees.

b. Notwithstanding the foregoing subsection (a), no advance payment shall be made as to any payment or portion of a payment for which a determination is made that the person requesting payment will not be entitled to indemnification. Such determination may be made only by a majority vote of disinterested trustees or by independent legal counsel. If there are not at least two disinterested trustees, the notice of all requests for advance payment shall be delivered for review to independent legal counsel for the Association. Such counsel shall have the authority to disapprove any advance payment or portion of a payment for which it plainly appears that the person requesting payment will not be entitled to indemnification.

#### **Section 4. Settlements**

The Association shall not be obligated to indemnify persons described in Section 1 for any amounts paid in settlement unless the Association consents in writing to the settlement. The Association shall not unreasonably withhold its consent to proposed settlements. The Association's consent to a proposed settlement shall not constitute an agreement by the Association that any person is entitled to indemnification hereunder. The Association shall waive the requirements of this Section for its written consent as fairness and equity may require.

#### **Section 5. Application For Indemnity or Advances**

a. A person described in Section 1 may apply to the corporation in writing for indemnification or advance expenses. Such application shall be addressed to the Clerk, or in the absence of the Clerk, to any officer of the corporation. The corporation shall respond in writing to such application as follows: to a request for indemnity under Section 2, within ninety (90) days after receipt of the application; to a request for advance expenses under Section 3, within thirty (30) days after receipt of the application.

b. The right to indemnification or advance expenses provided herein shall be enforceable in any court of competent jurisdiction. A legal action may be commenced if a claim for indemnity or advance expenses is denied in whole or in part, or upon the expiration of the time periods provided in the preceding subsection (a). In any such action, the claimant shall be entitled to prevail upon establishing that he or she is entitled to indemnification or advance expenses but the Association shall have the burden of establishing, as a defense, that the liability or expense was incurred as a result of acts in bad faith or willful misconduct in the performance of duty. In any such action, if the claimant establishes the right to indemnification, he shall also have the right to be

indemnified against litigation expense including reasonable attorney's fees of such action.

### **Section 6. Incidents of Right of Indemnification**

The right to indemnification provided herein shall not be deemed to preclude any rights to which any persons seeking indemnity may be entitled apart from the provision of this Bylaw, except that there shall be no right to indemnification as to any liability or litigation expense for which such person is entitled to receive payment under any insurance policy. Such right shall inure to the benefit of the heirs and legal representatives of any persons entitled to such a right. Any person who at any time after the adoption of this Bylaw serves or has served in any status or capacity described in Section 1, shall be deemed to be doing or to have done so in reliance upon, and as consideration for, the right of indemnification provided herein. Any repeal or modification hereof shall not affect any rights or obligations then existing and any person who would be entitled to indemnification for activities prior to the repeal or modification shall continue to be entitled to indemnification for such prior activities even if the claim arises and/or the liability and litigation expense occurs after the repeal or modification. The right provided herein shall not apply as to persons serving institutions, which are hereafter merged into or combined with the Association except after the effective date of such merger or combination and only as to the status and activity after such date.

### **Section 7. Supplemental**

The foregoing right of indemnification shall be in addition to and not exclusive of all other rights to which such director or officer, or an employee or agent may be entitled.

### **Section 8. Savings Clause**

If this Article or any portion hereof shall be invalidated on any ground by any court or agency of competent jurisdiction, then the Association shall nevertheless indemnify each person described in Section 1 to the full extent permitted by the portion of this article that is not invalidated and also to the full extent, but not exceeding the benefits described herein, permitted or required by other applicable law.

### **Section 9. Elimination of Certain Liability**

In accordance with North Carolina General Statute 55A-28. 1A, a person serving as a trustee or officer of the Association shall be immune individually from civil liability for monetary damages, except to the extent covered by insurance, for any act or failure to act arising out of his service as trustee or officer, except where such trustee or officer: (I) is compensated for his services beyond reimbursement

for expenses; (2) was not acting within the scope of his official duties; (3) was not acting in good faith; (4) committed gross negligence or willful or wanton misconduct that resulted in damage or injury; (5) derived an improper financial benefit from the transaction; (6) incurred the liability from the operation of a motor vehicle; or (7) is a defendant in an action brought under N.C.G.S. 55A-28.1 (Liability of Directors in Certain Cases) or N.C.G.S. 55A-28.2 (Member's and Director's Derivative Actions). If the North Carolina Statutes are amended after approval of this section to authorize associate action further eliminating or limiting the personal liability of trustees, then the liability of a trustee of the Association shall be eliminated or limited to the fullest extent permitted by the North Carolina General Statutes, as so amended. No amendment or repeal of the provisions of this section shall apply to or have any effect on the liability or alleged liability of any trustee of the Association for or with respect to any act or failure to act on the part of such trustee occurring prior to such amendment or repeal. The provisions of this section shall not be deemed to limit or preclude indemnification of a trustee by the Association for any liability, which has not been eliminated by the provision in this section.

### **ARTICLE XIII: ASSOCIATIONAL YEAR**

**Section 1:** The Associational Year shall begin October 1 and close September 30, with the exception of the fiscal or financial year, which shall begin January 1 and close December 31.

### **ARTICLE XIV: ANNUAL REPORTS**

**Section I.** Persons who are to bring reports to the annual meeting of the Association shall present the same to the Associational Missionary two weeks prior to the annual meeting.

### **ARTICLE XV: PARLIAMENTARY RULES**

**Section 1:** Meetings of the Association shall be conducted in the spirit of Christian love and understanding. The Association will follow the teachings of the Bible in deciding all matters that are presented to the Association. The duly elected, registered and voting messengers at each gathering of the Association where decisions are made affecting its mission will decide by majority vote the agenda of each meeting of the Association. As the first order of business, the Moderator representing the Administrative Leadership Team will present the agenda for the meeting. Included in the agenda are the following items: the order of service, items of

business requiring a decision of the Association and the rules of order to be followed in voting on matters of the Association. Following an opportunity for the messengers to rearrange, change, delete or add items to the agenda by majority vote, the agenda is approved by a majority vote of the messengers present and voting. The Moderator will determine the manner in which the vote on the agenda is received. The Moderator's decision on the manner of the vote is final. .

## **ARTICLE XVI: AMENDMENTS BYLAWS AND ARTICLES OF INCORPORATION**

# History of Grove Park Baptist Church

As we celebrate sixty-three years of God's ministry through Grove Park Baptist Church, we do so with deep appreciation for our rich heritage. God has truly blessed this church body as it has developed into a strong ministry center in the heart of Burlington. The following is a brief reminder of our journey – may it also inspire those of us who step boldly with great faith into the future.

At 2:30 p.m. on September 26, 1943, eighty-nine individuals met on a wooded lot in the rural area of Burlington called "Grove Park." Led by Rev. A. D. Kinnett and the Missions Committee of First Baptist Church Burlington, a mission was established to minister to the community. Rev. Kinnett delivered a message entitled, "The Kind of Church I Would Like Grove Park to Become." In that message he called Grove Park, "A Church with a Worldwide Mission." He continued, "I should like to see it carry the world upon its heart. That is what Christ did, and that is what He commissioned His church to do." In the first worship service, it was stated that the three pillars of the church should be **prayer, Bible study, and evangelism.**

Since 1943, Grove Park has experienced tremendous growth in number and in ministries. The church quickly outgrew its first small structure and had to add wings to accommodate the need for educational space. In 1956, the church adopted a three-phase building plan that encompassed the educational building and sanctuary. These were completed in May of 1968. The family life center was completed in 1983 and soon became home to the After School Program.

In its sixty-three year history, Grove Park has had nine pastors including those who served as Interims. Throughout its history, Grove Park has participated in missions locally, statewide, in other states, and in foreign countries. The church has continued its mission "to carry the world upon its heart."

We now stand on the threshold of a very exciting future. We believe that under the leadership of our current pastor, Dr. Gene Hunsinger, God will continue to lead Grove Park beyond the boundaries of our spiritual comfort zones. In some ways, we are where we were sixty-three years ago. We have tremendous challenges and opportunities before us coupled with great enthusiasm for the ways in which God has prepared us. To God be the glory!

# **Minutes of the One Hundred Thirty-Ninth Annual Session of the Mt. Zion Baptist Association**

The One Hundred Thirty-Ninth Annual Session of the Mt. Zion Baptist Association, held at Grove Park Baptist Church in Burlington, North Carolina was called to order on Monday night, October 13, 2008 by Dr. Gene Hunsinger, Moderator. Dr. Hunsinger presented the printed agenda to the Messengers for their consideration and unanimous vote to adopt. Vice-Moderator, Rev. Bob Stephenson opened the session with prayer followed by the singing of the congregational hymn, *Victory in Jesus* led by Shaun Greeson.

Rev. Dave Atwater presented the first annual Roy P. Taylor Scholarship award to Anna Dobbs, granddaughter of Dr. Roy Taylor. Anna is a member of Grove Park Baptist Church and is currently pursuing a degree in Religious Education with a specialty in Children's Ministry. The scholarship was in the amount of \$1,000 and will be awarded in two parts, \$500 at the end of each semester this year. Dr. Hunsinger also presented a citation to Ms. Dobbs from the International Mission Board for service as a Summer Missionary.

Rev. Mark Molfield, Pastor of First Baptist Church of Elon presented the report of the Baptist Student Union work on the campus of Elon University. Rev. Molfield introduced Heather Smith, current president of the BSU who thanked the members of the association for their prayers and meals provided at their weekly meetings. Rev. Molfield added that they are currently averaging between 25 and 35 students each week at the BSU meetings on Thursday evenings, attributing much of the growth to the involvement of our associational churches in providing hot, home cooked meals.

Following the BSU report, Shaun Greeson provided the special music, *"Somebody's Praying You Through."* Katy Boyd, Language Team Leader for the Association then presented her report highlighting many of the ministries that have been touching lives this year through the Pathways Literacy Program. The Food Collection For Baptist Children's Home was a huge success and provided a great benefit to the BCH. The association is currently conducting two English As Second Language groups, one in

Spanish and the other for Vietnamese adults. Currently we have five volunteers working with this ministry.

One of the big successes this year was the Bake Sale for Literacy with fourteen churches providing baked goods for sale. This event raised \$644.70 for the Literacy Ministry and was deemed so successful that plans are to make this an annual event.

The Literacy Ministry also reached out to assist in Helping Other Churches by partnering with Hocutt Memorial Baptist Church in conducting a *Summer Block Party* that was highly successful and enjoyed by all in attendance.

In an effort to provide continuing assistance in the area of Adult Reading and Writing a workshop was conducted in which seven volunteers were trained in providing help in assisting adults to learn to read and write. The School Supplies For Children campaign was also very successful as many churches provided needed supplies for children who otherwise would have been poorly equipped for the beginning of school. After supplies were given to a number of children whose names we had been given, the supplies were offered to several schools in need of help to assist other children. Newlin Elementary, Pleasant Garden, and South Graham Elementary all were provided resources through the generosity of Mt. Zion Baptist Association.

The Summer Tutoring Program went beyond expectations. With twelve students having participated in the first year, some coming twice a week and others more often, the comments were very favorable. The decision was made to extend this to a year-round ministry. Thirteen students are currently coming to the office each day after school where they are assisted with their homework and other academic advancements.

For adults: GED classes are being offered with three students currently enrolled. All of these ministries require a large number of dedicated and willing volunteers. As best as we can determine approximately 2000 hours of tutoring has been provided through the association.

Following the Language Team Report, Clarence Toney, a layman from Glen Hope Baptist Church shared his testimony. He told of his spiritual journey, thinking he was a Christian even to the point of serving as a Deacon and Sunday School teacher for ten years before realizing that

he had never been saved. After giving his life to Christ his life took on a fullness he had not known before and for these last twenty-five years he has continued growing in God's grace. Currently he serves as a supply preacher and is ready even at a short notice to fill the pulpit when needed.

Randy Godwin, Associational Missionary presented his report and vision for the association.

Bob Stephenson, Vice-Moderator, presented three items of business to the association for their consideration. First, purposed changes in the By-Laws, followed by the Purposed 2009 Budget and finally, a request from New Life Fellowship Church to come into the Association. This action would mean for the first year they would be under watchcare (with no voting privilege) and then at the next annual meeting would be presented to the Association for full membership. All three items were passed with a unanimous vote.

There being no further matters to present to the Association, Gene Hunsinger, Moderator, adjourned the One Hundred Thirty-Ninth annual session of the Mt. Zion Baptist Association by calling on the new Moderator, Dave Atwater, to close in prayer.

**Report to the Association**  
**October 13, 2008**  
**Grove Park Baptist Church**  
**Randy Godwin, Associational Missionary**

I want to begin by reminding us of a foundational truth about the function of our association. We are not a separate organization like the North American Mission Board or the North Carolina Baptist State Convention. We are an association of Baptist churches within Alamance and Orange Counties that willingly volunteer to work together to fulfill the Great Commission within walking distance of our churches. We also hold a deep committed belief that we are to go into the entire world with the Gospel, but we know that the world is not only countries across the ocean, but also our own congregation, our next door neighbor, the people we work with, and the people we see at the grocery store. We know we must remember that Jesus said, "...you shall receive power when the Holy Spirit has come upon you; and you shall be witnesses to Me in Jerusalem (where we live) and in all Judea and Samaria (North Carolina), and to the end of the earth" (Acts 1:8). What have been our efforts to address the needs of our community in 2008?

First, we interpret our mission to mean that, as an association of churches, we are to offer resources that will serve to encourage our covenant congregations to:

- **understand** who they are as God's church in light of the Great Commission;
- **visualize** the mission opportunities for their congregation in regards to local, state, national, and international Baptist endeavors;
- **prepare** their members and organizations to effectively participate in those mission endeavors;
- **participate** in those endeavors using the gifts and resources of their congregation in partnership with the Association.

Kathy has just shared with you how she has pursued her role in fulfilling our mission through church and community efforts. I want to share with you how, as your associational missionary, I have attempted to

fulfill my role as it relates directly to the local church. I have performed my duties in the following ways:

### **1. Provided Resources**

Twenty-two of our churches have used resources in the lending library or through the assistance of our Church Support Fund. We keep up-to-date resources for your church. The most popular resource we have is the Beth Moore Bible studies. And because her study of Daniel has been the most popular, we now have two sets of the Daniel study for your church to borrow.

### **2. Provided Information**

In April, I started a series of monthly articles entitled, "Congregational Church Preferences." Each month I shared with you some of my understanding of the church preferences that each generation holds in high regard. During this time, 14 of our pastors and staff, representing 11 of our churches, with an average of 10 in attendance, met every Tuesday for eight weeks to discuss the book, *"Reaching People Under 40 While Keeping People Over 60."* The series will conclude on November 14 and 15 with our workshop by the same name led by the authors of the book. I remember when discussion on generation gap or church preferences was nowhere on the radar in the practice of doing church. This is now a constant topic of discussion in our churches and, for the most part, the discussion involves pain, anger, and struggle, including times when people actually leave our churches. I believe we need first to come to an understanding of the disease that the symptoms are pointing us to. I am convinced that the problem is that we have misplaced our focus from "being the church" to "doing church." But, unfortunately, I have been exposed to viewpoints such as "you can't please God if you sing the old hymns from the hymn books," to "you can't please God if you sing 7-11 songs projected on a screen." For those of you who do not know what 7-11 songs are, let me explain. Contemporary music has been described as 7-11 songs because it is said that these songs have 7 verses or phrases that you sing over 11 times.

### **3. Preached in our Churches about the Needs of the Church, when invited**

Kathy and I both have spoken in some of our churches. We appreciate the opportunity to share with you the efforts and activities of

the association. We will gladly come to your church on Sunday morning, Sunday evening, or Wednesday night to talk with you about the association, but neither one of us will invite ourselves. We wait on your invitation.

#### **4. Provided Pastors with Resources such as Books**

We have provided our pastors with copies of books, such as *"Reaching People Under 40 While Keeping People Over 60"* for those who participated in our weekly book discussion. Two other books that the association provided to some of our pastors are *"Rethinking the Successful Church"* and *"Why Churches Die."* Our pastors have also been provided a pamphlet entitled, *"Baptists and Calvinism."*

How is the association going to address the needs of my church in 2009? Again, Kathy shared with you in her report some great opportunities and challenges that she is offering to our churches in her role as our church and Community Leader. In addition to her contribution, I want to share with you additional opportunities and challenges for 2009.

We are offering a process for pastors and church leaders called *"Putting into Practice Strategies for a Healthy Church."* This is a follow-up of the *"Reaching People Under 40 While Keeping People Over 60"* workshop. Pastors will meet weekly to share information and to learn from provided resources and experiences of others ways to implement what they learned from the *"Reaching People..."* workshop in their particular church. The pastor will in turn meet monthly with his designated church leaders to relate what he has learned and work with his leaders in the implementation of strategies that will improve the health of the church. We plan to have our initial meeting of all interested pastors and leaders after the first week of January 2009. No one is claiming to be an expert, but those who participate will come with open minds, a willingness to learn, and a desire to intentionally lead their church toward a deeper commitment of health.

When you hear the word "small" used to describe a church, what images come to your mind? "Weak," "not very successful," and "not as blessed by God as larger churches" are some of the descriptions I have heard over the years. When a pastor shares with you that he is pastoring a small church, what images come to your mind about him? "he is a beginner," "he is not very successful," or "he is not very aggressive" are some of the descriptions I have heard about pastors who are serving small

churches. Because of the perspectives these descriptions give us about small churches and their pastors, there is the assumption that if your church is not growing in numbers, then your church at worst is not pleasing to God and is at best being left behind in a mega church atmosphere.

In February we will offer a one-night workshop designed to address the issues faced by the smaller congregation. The title of the workshop is "Loving My Small Church with the Guilt." The purpose of the conference is to address and dispel the myths and wrong perspectives about the small church. A small church can grow without growing in numbers and, in this culture in which we find ourselves today, has the potential for spiritually growing its members as much, if not more so, than the larger church.

Conflict in our church can either be good or bad. In April, we will offer a workshop called, "Healthy Conflict/Unhealthy Conflict in My Church." The purpose of the conference is to examine what types of conflict are healthy for our congregation and what types of conflict are unhealthy. Participants will learn how to celebrate healthy conflict and how to address unhealthy conflict. Too many pastors and congregations address unhealthy conflict with the philosophy of "don't pet it and it will go away." One thing we need to understand is that unhealthy conflict, which is not confronted will not go away. It may go under the surface, but it will not dissolve, and it will surface again sometime in the future.

We will offer in May a conference called "Building a Real Sunday School: Life Changing Bible Study" using Sunday School consultants from the state convention.

August is the month that our attention is drawn to preparing our church budgets. Churches are dealing with challenging times in regard to stewardship. If you serve on the Finance Committee of your church and you being planning your new church budget by going line by line through your current budget to see what has been spent and then adding a percentage or an amount to last year's expense, you are hindering the possibility for increased contributions. The purpose of the workshop that we have titled "Growing Contributions in a Time of Shrinking Church Budgets" is to introduce a process that has proven to increase contributions and a deeper understanding of stewardship.

The "Deacons Who Deac" conference on Thursday, September 10, 2009, is a dinner and conference for deacons and spouses. The purpose of

the conference is to promote fellowship among deacons, to encourage networking among the deacons of our churches, and to offer encouragement and resources for this vital ministry of our churches. If you think that the main role of a deacon is to decide who gets to the bid to cut the grass, repair the roof, or paint the church, then you do not understand the concept of "Deacons Who Deac." Dan Deaton, the Associational Missionary for the Little River Baptist Association will be our conference leader.

We also have special events happening in 2009. The first event is the appreciation dinner for pastors, staff, and spouses on Thursday, March 5, 2009. There are two purposes for this dinner. The first is to give pastors, staff, and spouses a night of fellowship and relaxation centered round a quiet and enjoyable dinner. The second is to give the Baptist Hospital, who is sponsoring this event, an opportunity to say "thank you" to our churches for their support in the Mother's Day Offering.

The second special event for 2009 is our Senior Adult Rally that will be held in mid to late March 2009. We have had great attendance in the past when it was held in October, but October is usually packed-full with church and associational activities. For 2009, we want to have a time that will not be so crowded with other activities. March is a time to start getting out again after a cold winter and to begin looking forward to spring.

Our annual July Gospel Sing is usually held on Monday nights. For July 2009, our sing will be held on a Saturday night and will begin at 6:00 p.m. instead of the usual 7:00 p.m. Riverside Baptist Church will be our host church for 2009.

We will also continue our special emphasis programs in 2009 as we have done in the past years. The 2009 special emphases are:

#### **1. April: Food Roundup for the Baptist Children's Home**

Our churches have been faithful in collecting non-perishable food for the Baptist Children's Home. April is the month we have designated for your church to bring your contribution of food to the associational office. However, please remember that we will be collecting the food from January through April 2009. This means that your church can plan its emphasis and collection any time during these four months. Collect your food during the time that is best for your church and then bring your contribution to the office anytime during these months.

## **2. July: “Undie Sunday” for the Baptist Children’s Home**

“Undie Sunday” is certainly a funny name for a special offering. “Undie Sunday” is the Sunday our churches designate to collect new, packaged underwear for the children and teenagers of the Baptist Children’s Home. As with our food roundup, we will emphasize “Undie Sunday” in our July newsletter, but we will receive your contributions anytime between January and July 2009.

## **3. August: School Supplies**

I cannot imagine sending my child off to a new school year without the proper school supplies. Unfortunately, this happens because some parents are so burdened with other things and debts that they have no choice but to send their child to school without supplies. Through your contributions, we make sure that every child gets a good start in the school year with proper supplies. Again, we will emphasize our need for school supplies in the August newsletter. We will receive your contributions of school supplies from January – August 2009.

Tonight, I also want to offer two suggestions for your consideration. These suggestions are:

### **1. Cowboy Church**

One way that a church grows is by planting a new church. There is a people group in Alamance County that our churches need to reach. That group is those people who are involved in owning and riding horses. Most of the horse activities occur on weekends. There is a golden opportunity for a church to grow by planting a Cowboy church. We have already established communication with a family who raises horses for a living and they are excited about the possibilities. Since churches start churches, we need a church or two or three to partner with the association in establishing a church, or churches that will meet the spiritual needs of those who have a keen interest in horses. Anybody interested? Call me.

### **2. Coffee and Talk**

It has been suggested that there may be senior adults from our various churches who would like to get together monthly or weekly to discuss issues that seniors are facing today. In late January or early February we will offer the opportunity to our seniors to meet at the associational office for refreshments and discussion on topics that interest seniors.

## **In Closing**

Two things I want to bring to your attention. Tonight you are being asked to approve an updated version of our Bylaws. I believe the suggested Bylaws will better describe and guide our organization and work as your association team. The suggested Bylaws basically puts on paper the way we have been operating as your association for some time now.

Secondly, the 2009 budget, like many of your church budgets, has been reduced. It has been reduced to appoint that any more reduction would cause a serious hardship on the association. Remember, we can only provide resources to our churches in relationship to the collective resources provided to us. So as the TV evangelists say, “keep those cards and letters coming” so that we can continue to partner with you in fulfilling the Great Commission.

**Report to the Association**  
**October 13, 2008**  
**Grove Park Baptist Church**  
**Kathy Boyd, Church & Community Team Leader**

Every morning we are handed twenty-four golden hours. They are one of the few things in this world that we get free of charge. What will we do with these precious treasures?

At Mt. Zion we believe in the importance of using our time, as well as your time wisely. Many exciting things have taken place over the past year and we have been very busy. But to quote Henry David Thoreau, **"It's not enough to be busy – ants are busy – the question is, what are we busy about?"**

So I want to share with you "what we have been busy about."

In April, all of you, our churches donated food to the Baptist Children's Home. This year, as every year, you have been extremely generous in donating this food to the children. As always, Mt. Zion served as the collection center.

We continue to teach **English as a Second Language** through our Literacy Ministry. At this time we have three small groups, one Hispanic group and two Vietnamese groups. Some of these groups meet daily to learn English and as a result we have formed wonderful relationships with them. We are blessed to have five volunteers from five of our churches who serve as teachers. They **invested** their most valuable possession – their time – to come and make a difference in their students' lives.

We also had our **1<sup>st</sup> Annual Bake Sale** to support our Literacy Ministry. This bake sale took place in May at the Associational Office. Fourteen of our churches participated and baked cakes, cookies, pies, brownies and the list goes on. Our women and even some men from our churches **invested** their time in baking all kinds of sweets so we could sell them to the community and put the proceeds into our Literacy Ministry. We made \$644.70 on this fundraiser, which allows us to buy books and other necessary materials for our students. Thanks to all of you for supporting this ministry. We plan to have this fundraiser every year.

Another way we partnered and **invested** our time wisely is when we partnered with Hocutt Memorial. Hocutt wanted to reach out into their community and invite boys and girls into their church. They asked Mt. Zion if we could help them and we were happy to help them both physically and financially. We passed out flyers in the neighborhood a few days before inviting all the children to a free hotdog lunch with fun and games. We had a very good turn out and were able to meet many of the neighborhood families. We also had face painting, relay races, Bingo and ended with a piñata. Everyone had a great time. What a great **investment!**

In June we offered an **Adult Reading and Writing Workshop** for anyone interested in learning new techniques to help adults to read. Seven women from our area received their certification during this fourteen-hour workshop. This, again, was another example of seven people taking time out of their busy schedules and **investing** it into something very significant. We will offer this workshop every year for those interested.

School supplies was another way that people **invested** in Mt. Zion and we were able to share this investment with our community. During the month of August our churches graciously donated school supplies to assist those children who could not afford them. As children came in with their school list we would fill them with all the wonderful supplies that were donated. After the children's needs were met we contacted area schools that sent representatives to pick up the supplies. South Graham, Newlin Elementary, and Pleasant Grove were among those schools that were helped.

As many of you know we also had a summer tutoring ministry. It began the second week of June and continued until the last week in August. This tutoring ministry was opened to all children whose family members attended on of our churches. Since it was the first year we thought we might have a couple of children but to our great surprise we had twelve children sign up. We enlisted several adult tutors and retired teachers from our churches to help. Each child came throughout the week and worked one-on-one with their assigned teachers.

Let me read a few comments we received from parents:

"Thanks for the tutoring program, it made a huge difference in the transition from 3rd to 4th grade for my child." "Wonderful, caring teachers

– he wanted to come everyday.” “She looked forward to coming and learning.” “Great, caring teachers who spent a lot of time with my child.”

We even had one child who wanted to spend the night!

At the end of our summer tutoring we had a celebration with a pizza and ice cream party. This was our way to bid farewell to the children. All the children who had participated throughout the summer came with their parents, brothers and sisters. Everyone had a great time.

Because of the enormous success and positive feedback we received from this ministry we decided to continue with a year-round tutoring ministry. Thirteen children are now enrolled and come everyday after school to work one-on-one with a teacher.

Let me stop and thank all those tutors/teachers who have given of their time and energy to help the children. You have **invested** a great deal in these children and it has made a huge difference in the way they look at learning. You have taken this ministry to a level beyond our expectations.

Let me also extend an invitation to those who might consider teaching. This comes with a warning: Tutoring at Mt. Zion is not for the faint of heart – it will change you. You will develop a wonderful relationship with a child and see the world through some precious eyes. It will change you, but it will be a change you will enjoy.

Additional classes we have through our Literacy Ministry are GED classes for those eighteen and older. Three adults are now attending those classes.

If my calculations are correct our tutors will have more than 2,000 hours **invested** in the Literacy Ministry each year.

With the crazy up and down stock market, insane trading and exchanges these days, isn't it wonderful to have investments in things that have eternal value?

I hope you will agree with me that Mt. Zion Association is working for and with you to make sure your *real* investments are kept safe.

We have twenty-four golden hours each day to invest in *something*. Time is something that seems to pass us by quickly. The bad news is, Time

does fly; the good news is: You are the pilot. Only YOU can make the decision of where you will put your investment.

Let me leave you with this thought.

**This is the beginning of a new day.  
God has given me this day to use as I will.  
I can waste it or use it for good.**

**What I do today is important because I am exchanging my life for it.  
When tomorrow comes this day will be gone forever,  
Leaving in its place something I traded it for.**

Thank you for your investment in Mt. Zion Association.

Kathy Boyd

### Our Purpose

The purpose of our association is “to partner with churches to empower and equip them to fulfill the Great Commission. In practice we see our role in the life of the church as partners to help each church to:

- Understand
- Visualize
- Prepare
- Participate in the Great Commission

The association offers opportunities. We look at the needs of the churches and offer the association’s strengths found in our resources of materials, personnel and our ability to network the resources of other Southern Baptist entities. When we combine the association’s strengths and the church’s strengths, a synergy of strength results producing opportunities for both to grow in fellowship and the accomplishment of the Great Commission. Therefore, our association operates on the formula:

$$\text{Needs} + \text{Strengths} = \text{Opportunities}$$

The association's strength comes through the fellowship of cooperating churches in providing volunteers and mission funds. Associational churches provide volunteers to serve in the various positions of leadership and mission funds to make it possible for our ministries to happen. Without the commitment of cooperating churches to work together to accomplish more than individual churches can accomplish alone, there would not be the need for an association.

## Mission Funds

The mission funds provided by our cooperating churches provide the vast majority of our resources. Our yearly budget is based on the anticipated contributions of our cooperating churches and other participating entities, such as the Baptist State Convention and the North Carolina Baptist Foundation.

**Contributions:** the undesignated funds provided by our cooperating churches.

**BSC Missions:** the North Carolina Baptist State Missions Offering is received each year in September. The state convention returns 10% minus expenses of the total amount given by the churches of each association to the association.

## 2009 Anticipated Mission Fund Receipts

Contributions	\$152,600
BSC Missions	3,200
<b>Total</b>	<b>\$155,800</b>

## Administrative

The administrative needs of our association are the “nuts and bolts” of our association. These are the items and staff members that are needed to operate the office and provide materials used in the organizational structure of the association. The goal of the association is to keep the administrative costs to a minimum in order to have more funds for materials and resources that will directly support the needs of our churches.

*(Conferences, Events and Special Emphasis)*

## **CONFERENCES:**

### **Loving My Small Church without the Guilt**

**Date:** February 26, 2009

**Time:** 7:00-9:00 PM:

**Leader:** Randy Godwin

**Location:** To be announced

When you hear the word small to describe a church, what images come to your mind? Weak, not very successful, not as blessed by God as larger churches are some of the descriptions I have heard over the years. When a pastor shares with you that he is pastoring a small church, what images come to your mind about him? He is a beginner, he is not very successful or he is not very aggressive are some of the descriptions I have heard about pastors who are serving small churches. Because of the perspectives these descriptions give us about small churches and their pastors, there is the assumption that if your church is not growing in numbers, then your church at worst is not pleasing to God and at best being left behind in a mega church atmosphere. The purpose of the conference is to address and dispel the myths and wrong perspectives about the small church.

However, please remember we will be collected the food from January through April 2009. This means that your church can plan its emphasis and collection any time between these four months. ## BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA (July 2007-July 2008)

*Kasey . . .* The life Kasey lived was a sharp contrast from the life she was actually living at school where she was popular and a cheerleader. An abusive stepfather, a distant mother, and the responsibility of caring for her two younger brothers were too much for the young teen. Kasey moved in with her grandmother believing it would help. Instead, as she grew older, she acted out and made dangerous choices that put her at risk.

Kasey's grandmother knew about Baptist Children's Homes and made a call. The teenager now lives at BCH's Oak Ranch near Broadway, becoming the first girl ever admitted into the residential facility that had before only served boys. Today, she is one of seven girls in care.

Kasey likes living at the 755-acre ranch. She loves taking care of the horses. She is taking responsibility for her actions. Kasey is involved in theatre at the Harnett County school she attends. Recently, she played a fish in "Seussical the Musical," and she is a member of the school's photography club. Her favorite subject is English.

Kasey reads her Bible and says she prays a lot. "I am a Christian. I have given my heart to the Lord. I tell Him everything."

Kasey is only one of nearly 1,500 children who find hope and care each year at Baptist Children's Homes. Each one has a story. Each one is given an opportunity in the name of Jesus. Thank you, North Carolina Baptists, for remembering "the least of these."

*President Blackwell Marks 25<sup>th</sup> Year . . .* BCH president Michael C. Blackwell observed his 25<sup>th</sup> year overseeing the statewide child care Institution on July 1. Blackwell has led BCH to become family-focused and child-centered while never losing sight of the ministry's core Christian values. His accomplishments are too numerous to list here, but the reader is referred to the July 2008 Commemorative issue of *Charity&Children* for a complete summary. Complimentary copies are available by calling 1-800-476-3669, ext. 1211. Under Blackwell's leadership, BCH now operates facilities in 16 North Carolina cities.

*New Transitional Service . . .* BCH introduced a new residential service to specifically aid older children as they prepare for life as independent adults. Transitional living provides care, counseling, and life-skills education to older children in a less restricted residential setting. The service was created in response to the growing need in North Carolina to help transition children from residential care to productive and self-sufficient adult lives. In

January, Noel Home in Lenoir became BCH's first transitional living cottage followed by Huffinan Cottage at Mills Home in Thomasville.

***Developmental Disabilities Ministry in Sanford . . .*** On May 18, 2008, more than 300 supporters and BCH staff members gathered for the dedication ceremony of two new Developmental Disabilities Ministry (DDM) homes for developmentally disabled adults in Sanford. The Lanier Home and Mercer Home will provide residence for six special needs adult women and men respectively.

***Food Roundup Reaches New High . . .*** The annual "Food Roundup" in April exceeded its goal, setting a new mark in the amounts of food, supplies, and gift cards given to BCH. North Carolina Baptists across the state, with the coordination of church leaders and association directors of missions, came together to deliver more than \$300,000 in donated items. Another high was set in the month of May when almost 3,000 volunteers and guests visited BCH facilities for work days and special events.

***Mills Home Church Renovation . . .*** Renovation of the Mills Home Baptist Church in Thomasville was completed with the help of North Carolina Baptist volunteers and a generous estate gift. Church groups renovated the fellowship hall installing new carpet, recess lighting, and expanding and refurbishing the kitchen. Upstairs rooms were painted and new carpet and lighting were added.

***BCH Reaccredited . . .*** BCH has been reaccredited by the Council on Accreditation of Services for Family and Children (COA). Accreditation through COA means BCH meets the highest national standards and is delivering the best in quality services. BCH received its first accreditation in 1987. The institution has been accredited ever since.

***Five Star Rating . . .*** Three BCH centers received five star ratings, the highest possible rating, from the North Carolina Division of Child Development. The on-site daycare at Care House in Lenoir, a group home providing care and education for single teenage mothers and their babies, received its license in May 2007. The Fleshman-Pratt Education Center for infants to three year olds and Robert Idol Child Development Center for three to five year olds received five star ratings last summer. Both centers are a part of BCH's Weekday Education program in Thomasville.

***Truett Home . . .*** A special open house on February 3, 2008 celebrated the opening of the Truett Baptist Association Children's Home in Hayesville. The home represents one of the most unique relationships in North Carolina Baptist life as BCH provides residential child care services at the facility and Truett Association provides funding and leases the property. Truett Association and BCH have partnered to provide help to children and families living in Cherokee, Clay and Graham Counties.

***Girls Wilderness Camp . . .*** On May 20, 2008, President Blackwell made the long-awaited announcement of the establishment of a wilderness camping program for girls. With a major lead gift from the Haskell and Gay Duncan Foundation, BCH has begun fundraising efforts to build Phase One of the camp, which is located near Aberdeen in Moore County.

## THE NORTH CAROLINA BAPTIST FOUNDATION, INC. 2007 ANNUAL REPORT

The mission of the North Carolina Baptist Foundation since its inception in 1920 has been to assist the Convention and its institutions and agencies in increasing an awareness among North Carolina Baptists of Christian estate stewardship principles as a means of financially undergirding churches, institutions and mission endeavors on a permanent basis. The uniqueness of the ministries and services provided by the institutions and General Board staff merits increased financial support. The Foundation accomplishes these objectives by offering assistance in estate planning counsel, Will preparation, planned giving, charitable remainder trusts, endowment funds and church fund management.

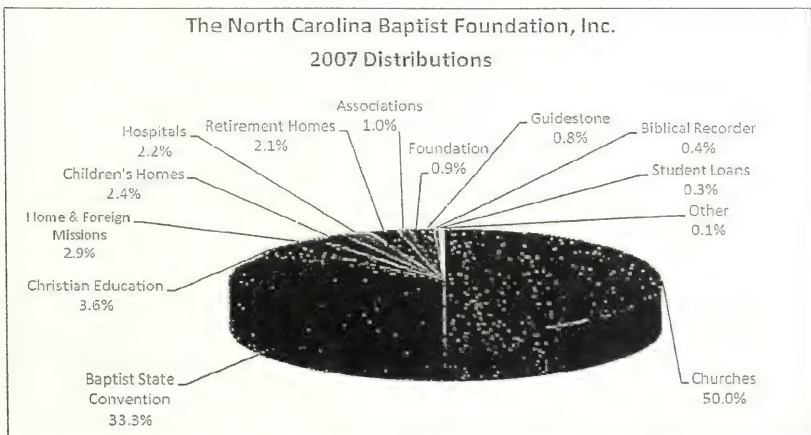

Accomplishing this mission does indeed involve Caring, Sharing, and Daring. The Caring of the Foundation manifested itself in 2007 as individuals were assisted in establishing 35 endowment funds and 8 charitable remainder trusts totaling \$1.8 million and received \$4.8 million in contributions to existing endowments, all of which will ultimately benefit countless Baptist causes on a permanent basis. Programs were provided for churches and associations during the year to promote Make Your Will Month, Christian estate stewardship and church fund management. Approximately \$445,000 from churches and institutions came under management to enhance numerous ministries including scholarships, building funds, cemetery funds, benevolence funds, general operating funds and other various mission causes. Overall, the Foundation received just over \$7 million in contributions during 2007 for Christian causes.

And, how is this for sharing? During 2007, our distributions totaled \$13.9 million, with charity receiving \$11.6 million and individuals, through trusts, receiving \$2.3 million. During the 86-year history of The North Carolina Baptist Foundation, Inc., \$33.9 million has been distributed to individuals and \$70.8 million to Baptist churches, institutions and mission causes for a grand historical total of \$104.7 million.

The Daring is seen in our investing Kingdom money in such a way as to grow the assets while at the same time protecting the principal. To this end, the Foundation employs professional money managers to invest these funds according to an investment policy adopted by its Board. Four investment pools are offered: a growth fund, a balanced fund, an income fund and a fixed income fund. The Foundation uses the services of Citi Institutional Consulting, a division of Citigroup Global Markets, to help select top money managers and evaluate performance. As of December 31, 2007, the Foundation held \$156.9 million under management.

### THE SCHOOL OF PASTORAL CARE: EXTENDING THE MINISTRY OF NORTH CAROLINA BAPTISTS

Our partnership with North Carolina Baptists extends the ministry of churches and enlarges our mission of "providing ministries of growth, hope and healing in the Spirit of Christ." We are thankful for the support of Cooperative Program giving and the life-changing impact of what we accomplish together in God's Kingdom.

- Our statewide network of 21 CareNet centers covers 80 counties in North Carolina.
- New ministries include services to military personnel and families to help them cope with the stress of combat and extended deployments; residencies to train the next generation of pastoral counselors; and education services to strengthen our care for churches.

### THE MOTHER'S DAY OFFERING: SHARING CHRIST'S LOVE WITH PATIENTS IN NEED

Thanks to the generous compassion of North Carolina Baptists, the Mother's Day Offering received \$727,884 in 2007, a new record! Every dollar helps patients in financial need pay hospital bills for care received at Baptist, in the name of Jesus Christ and his love. These patients have no other means of assistance, having too much to qualify for government assistance but not enough to pay their hospital bills. They feel the hand of God lifting their burdens through you, and their gratitude is life-changing.

*"Thank you, North Carolina Baptists, for paying my hospital bill at Baptist Hospital. I had just lost my job after working 30 years and didn't know what I would do. God answered my prayers through you. I know he guided you to help me and I praise him for you."*

*"My wife and I are thankful beyond words for this gift!" Our world changed after the accident. We were so worried about her hospital bill. The kindness of good Baptist people lifted our burden and helped her healing process. They strengthened our faith in God's care."*

### THE MINISTER'S SUBSIDY

The minister's subsidy covers up to 25% of the hospital bills of ministers (and their dependents) serving N.C. Baptist churches for care received at Baptist Hospital. \$85,151 was provided in 2007 to these ministers, made possible by the Hospital's W.K. McGee Patient Service Fund and the Mother's Day Offering.

### CLOSING WORDS FROM THE PRESIDENT

At Baptist Hospital, our mission of healing is a sacred privilege and responsibility. We bring the best care possible to those who entrust their lives to us, combining medical excellence and simple compassion for those we serve. We see God's healing power at work every day, and we are thankful. We are grateful to North Carolina Baptists for being our partners in the mission that God has given us.

"Be shepherds of God's flock that is under your care, serving as overseers—not because you must, but because you are willing, as God wants you to be; not greedy for money, but eager to serve;"
